

Color Him Orange The Jim Boeheim Story

A young girl in a hurry to grow up. A college student who tests the bonds of friendship. A man shackled by a problem he cannot face. An immigrant desperate to secure the American Dream. A woman whose jealousy prompts a shocking act of cruelty. These are some of the characters that populate Mary Langton's first collection of fiction. Readers of Langton's essays are already familiar with her wit and insight. The stories in *Dividing Line* once again display those qualities, along with an uncommon understanding of the complexities of the human heart.

What makes a coach great? How do great coaches turn a collection of individuals into a coherent "us"? Seth Davis, one of the keenest minds in sports journalism, has been thinking about that question for twenty-five years. It's one of the things that drove him to write the definitive biography of college basketball's greatest coach, John Wooden, *Wooden: A Coach's Life*. But John Wooden coached a long time ago. The world has changed, and coaching has too, tremendously. Seth Davis decided to embark on a proper investigation to get to the root of the matter. In *Getting to Us*, Davis probes and prods the best of the best from the landscape of active coaches of football and basketball, college and pro—from Urban Meyer, Dabo Swinney, and Jim Harbaugh to Mike Krzyzewski, Tom Izzo, Jim Boeheim, Brad Stevens, Geno Auriemma, and Doc Rivers—to get at the fundamental ingredients of greatness in the coaching sphere. There's no single right way, of course—part of the great value of this book is Davis's distillation of what he has learned about different types of greatness in coaching, and what sort of leadership thrives in one kind of environment but not in others. Some coaches have thrived at the college level but not in the pros. Why? What's the difference? Some coaches are stern taskmasters, others are warm and cuddly; some are brilliant strategists but less emotionally involved with their players, and with others it's vice versa. In *Getting to Us*, we come to feel a deep connection with the most successful and iconic coaches in all of sports—big winners and big characters, whose stories offer much of enduring interest and value.

The Horn family, from the Foggy Bottom community on the banks of the Neches River in Deep East Texas, are a proud family. They are descendants of some of the earliest settlers in this very remote area. Foggy Bottom folks are known to be clannish and the Horns are viewed as a backwoods clan by the residents of the nearby town, Pine Hill. Anthony Hall, the bankers son, from Pine Hill is in love with Beth Horn, the daughter of the most prominent family in Foggy Bottom. Beth is a brilliant and vivacious young lady who is a premed student at the University of Texas, but the residents of Pine Hill still see her as that little Fog Head kid who sold peas from the Horn pea patch.. The prejudice on both sides of the river creates serious problems especially between the Pine Hills mayors son, Bobby Dodd and Thomas Horn. A story of trials, faith, integrity and perseverance unfolds as each of the Horn family tries to merge with their prejudiced laden environment.

A troubled Los Angeles socialite is both terrorized and tempted by a killer in this "brilliantly written" true story by the author of *A Death in Canaan* (Ann Rule). Hope Masters lived in one of the most exclusive neighborhoods in Beverly Hills—but was entitled to food stamps. Pretty, petite, and privileged, she was recovering from two failed marriages and a string of poor decisions. But when Hope met and fell in love with a handsome advertising executive, she believed her life was finally back on track—until the morning she woke up to find the barrel of a gun in her mouth. Hope's fiancé lay dead in the next room. His killer was a new acquaintance who'd been visiting the couple in a remote ranch in the foothills of the Sierra Nevada mountains. He claimed to be a journalist, but his real identity was as mysterious as his motivations. Even more bizarre, however, was what happened at the end of the long, nightmarish weekend in which Hope saw everything she cared about destroyed: She began to fall in love with her tormenter. A fascinating and frightening portrait of the power of evil to lead the most innocent of victims down the darkest of paths, *A Death in California* is "a first-rate piece of reporting" (Kirkus Reviews) on "one of the strangest cases in the annals of American crime" (The New York Times).

Living the devastation of heartbreak, tears and pain, she pushes through and becomes 'A Rose in Full Bloom' – spiritually wrapped in the 'wise understanding' through the journey of a 'Spiritual Awakening and Healing' that affects the human spirit and soul with the sprinkling of FLAME MAGIC – aligning her to 'a romance' coming in as 'THE STANGER.' -- Comparable to the 'LOVE STORY' of the film GHOST, – this is an awakening of 'Spiritual Strength'-- and the ultimate continual LOVE of 'Soulmates' through their life journey – and made in written 'Contract' by others in God's heavenly realm before incarnating to earth and reconnecting here to find 'The Dream of Every Lasting Divine Love. It is the ending and a brand-new beginning where she felt a lack in the past and now moves into a place with stability, -- like roots growing from under the frozen icy snow and breaking through the surface to open like a flower unfolding, and everything becomes illuminated mentally, emotionally and spiritually, – coming into the understanding as to WHY her journey went the way that it did -- feeling grateful for the things that she wasn't aware of and didn't know, and trusting her 'Intuition' and belief in herself. She blossoms like 'A ROSE in FULL BLOOM' coming into her own strong rooted and grounded stability, -- into something long-lasting with a profound understanding within her. She is opening and blossoming into something incredibly beautiful and sees what is going to happen for her next cycle on her life path and journey.

Three true crime classics of love, murder, and the mob by a Pulitzer Prize finalist who writes with "honest and gritty realism" (Phoenix Gazette). Award-winning author Joan Barthel uncovers the dark secrets behind some of the strangest cases in the history of American crime in these three captivating works of "first-class journalism" (The New York Times). *A Death in California*: When twice-divorced Beverly Hills socialite Hope Masters fell in love with a handsome advertising executive, she thought her life was finally turning around—until she woke up to find a gun in her mouth and her fiancé dead in the next room. The killer was a new acquaintance who'd been visiting the couple's Sierra Nevada ranch. Even more bizarre, however, was what happened at the end of the long, nightmarish weekend in which Masters saw everything she cared about destroyed: She began to fall in love with her tormenter. "Superbly documented, brilliantly written. The suspense will keep readers caught to the very last page" (Ann Rule, bestselling author of *The Stranger Beside Me*). *A Death in Canaan*: When eighteen-year-old Peter Reilly arrived home from the Teen Center one night to discover his mother lying naked on the bedroom floor with her throat slashed, local police made him their prime suspect. After eight hours of interrogation and a polygraph test, Reilly confessed. But the townspeople of Canaan, Connecticut, couldn't believe the naïve teenager was capable of such a gruesome crime. With the help of some celebrities, including Mike Nichols and William Styron, the community rallied to the boy's defense. Barthel's "riveting" account of this fascinating and frightening case was a finalist for the Pulitzer Prize (People). *Love or Honor*: Police officer Chris Anastos was happily married and satisfied with his work on the NYPD's anti-crime unit—until he was asked to go undercover to investigate links between the Italian mob and a Greek criminal network in Queens. For five years he moved back and forth between his comfortable home life and a murky, underground world of wise guys, pimps, and thieves. But when he fell in love with the beautiful, raven-haired daughter of a Long Island capo, Anastos faced his gravest threat yet. "For devotees of cop tales and mob lore . . . Tantalizing" (The New York Times Book Review).

Categorizes more than 450 books that focus on simple and advanced concepts of color and shape into such subjects as science, math, art, and illustration.

"She went flying out of the boat, hitting the water hard and following the traps down . . . down . . . She had no light, no wetsuit, no oxygen. The traps hit bottom, jerking even tighter the coils of line around her ankles" A fun easy read for mid-teens. A unique look into teen life on a remote Maine island.

From the World's No. 1 Storyteller, *James and the Giant Peach* is a children's classic that has captured young reader's imaginations for generations. One of TIME MAGAZINE's 100 Best Fantasy Books of All

Time After James Henry Trotter's parents are tragically eaten by a rhinoceros, he goes to live with his two horrible aunts, Spiker and Sponge. Life there is no fun, until James accidentally drops some magic crystals by the old peach tree and strange things start to happen. The peach at the top of the tree begins to grow, and before long it's as big as a house. Inside, James meets a bunch of oversized friends—Grasshopper, Centipede, Ladybug, and more. With a snip of the stem, the peach starts rolling away, and the great adventure begins! Roald Dahl is the author of numerous classic children's stories including Charlie and the Chocolate Factory, Matilda, The BFG, and many more! "James and the Giant Peach remains a favorite among kids and parents alike nearly 60 years after it was first published, thanks to its vivid imagery, vibrant characters and forthright exploration of mature themes like death and hope." —TIME Magazine

They were college kids and young soldiers who wanted to fly, and they knew little about Vietnam other than what they read in the newspapers before going there. But Ia Drang, Kontum, Bong Son, Pleiku, Dak To, and dozens of other places soon became their trials by fire as they flew the grunts into and out of hot LZs and exposed themselves to some of the most intense combat of the war. Their mission was to fly into isolated jungle hilltops and muddy rice fields often without knowing what they'd face. Consequently, the crewmen who flew the helicopters and manned the door guns suffered some of the highest percentages of dead and wounded in the history of American warfare.

James Merrill: Knowing Innocence reevaluates the achievement of this important poet by showing how he takes up an old paradigm – innocence – and reinvents it in response to new historical, scientific, and cultural developments including the bomb, contemporary cosmology, and the question of agency. The book covers Merrill's full career, emphasizing the late poetry, on which there remains little commentary. Illuminating both Merrill's relation to a tradition of literary innocence from Milton to Blake and Wordsworth to Emerson and Stevens, and his relevance to contemporary cultural debates, the rubric of "knowing innocence" helps us to understand his achievement. Merrill undertakes a career-long effort to know innocence, and develops a thematic and stylistic attitude that is both innocent and knowing, combining attitudes of wonder and hope with reflexive wit, intellectual breadth, and an unflinching gaze at mortality. He ultimately imagines innocence as creative agency, a capacity for imagination, invention, and ethical responsibility. The book demonstrates how, addressing questions of sexual identity, childhood and memory; atomic science, the big bang, and black holes; environmental degradation; AIDS; and the notion of the death of history – while honoring poetry's essential qualities of freedom and play – his poems perform cultural work crucial to his time and ours.

Most Syracuse fans and alumni have seen a game at Carrier Dome, have seen highlights of a young Dwight Freeney and Carmelo Anthony, and know the story of the 2003 NCAA National Champion men's basketball team. But only real fans know the history of Archbold Stadium, the words to "Down the Field," or what Otto the Orange's name could have been originally. 100 Things Syracuse Fans Should Know & Do Before They Die is the ultimate resource guide for true fans of the Syracuse Orange and, whether you're a die-hard booster from the days of Jim Brown or a current student at the university, these are the 100 things all fans needs to know and do in their lifetime. Author Scott Pitoniak has collected every essential piece of Orange knowledge and trivia, as well as must-do activities, and ranks them all, providing an entertaining and easy-to-follow checklist as you progress on your way to fan superstardom.

Two nights before Christmas, the city of New Stockford is so paralyzed by a blizzard that folks can't leave the downtown area to get home. Freezing from the icy wetness, eight strangers take shelter in the only building that is open—an old chapel on DeLancey Street. Although the chapel has been closed for two years, now Old Ben, the caretaker, opens it so that stranded people might find warmth and peace in what was once an inspirational setting on a historic, now rundown street. Once settled in, the tired and discouraged people are forced to face their lost lives. While each character is unique, their problems are universal—frustration, heartbreak, bitterness, reluctance, indifference, unemployment, vengefulness and corruption. Amid the chapel's stained glass windows depicting Christ's life, a nativity set, and the tall cross at the altar—plus programmed Christmas hymns from the old organ, glowing oak-paneled walls, and comfortable if well-worn pews, God shocks them by silently speaking to their hearts, minds, and souls. When they leave, all but one will have found and become committed to a life changing Christmas miracle. And for that one unchanged soul, there promises constant battles between good and evil.

From Sandra Dallas, the best-selling author of A Quilt for Christmas, comes The Patchwork Bride, the irrepressible story of a runaway bride. Ellen is putting the finishing touches on a wedding quilt made from scraps of old dresses when the bride-to-be—her granddaughter June—unexpectedly arrives and announces she's calling off the marriage. With the tending of June's uncertain heart in mind, Ellen tells her the story of Nell, a Kansas-born woman who goes to the High Plains of New Mexico Territory in 1898 in search of a husband. Working as a biscuit-shooter, Nell falls for a cowboy named Buddy. She sees a future together, but she can't help wondering if his feelings for her are true. When Buddy breaks her heart, she runs away. In her search for a soul mate, Nell will run away from marriage twice more before finding the love of her life. It's a tale filled with excitement, heartbreak, disappointment, and self-discovery—as well as with hard-earned life lessons about love. Another stunning, emotional novel from a master storyteller. Somehow conveyed to the island of Fairlon, Chicagoan Jim Connors is brought before King Jochanan of Soglar, ruler of one of the island's three realms. After Jim is condemned to a quick death the next day, he is taken to the dungeon, where he meets Princess Aurora of Nolan, who will only be released when her father yields his crown to King Jochanan. But Jim readily helps Aurora escape, King Jochanan initiates a pursuit that is bent on being lethal, while in the meantime, Jim is truly surprised to learn where he is. Find out why by reading The Travellers, While Weeping Lasts.

From the early years at Archbold Gymnasium to today's record-breaking crowds at the Carrier Dome, readers learn the rich history of the Syracuse Orange, the fifth winningest Division I men's basketball program. Early chapters trace the team from its founding in 1901 to its emergence onto the national scene in the 1960s, led by Hall of Famer Dave Bing and his teammate and future coach Jim Boeheim. Since 1976, Coach Boeheim has led Syracuse to multiple NCAA appearances, including a national championship. Later chapters follow the team through its membership in the Big East from 1979 to 2013, when it left to join the ACC.

Two Shades of Color is based on true events and is the story of a woman named Naomi, who struggles to understand familial colorisms. Eventually, she receives adoration and life lessons from the unlikeliest of individuals. Two Shades of Color is the story of love, deception, triumph, setbacks, and comebacks.

He is a modern gentleman. She is Some Fine Woman and is rather an old-fashioned one at that, not at all "that kind of girl." Jim Bennett tries to change Dolly Flynn's mind and update her values to fit with the progressive world he inhabits. But the warnings of the nuns who schooled her have lasted well into middle age for Dolly. In her early sixties, she

deflects Jim's attempts to update her conservative mindset. The two meet accidentally in Concord, New Hampshire, just before Christmas. Dolly has fallen in the snow in front of a supermarket. Both are widowed. Jim, who considers himself the neighborhood senior stud, has singular designs about Dolly. He takes her out several times with the goal of bedding her, but each time something happens to prevent it. Dolly looks upon Jim as a gentleman, not realizing his intentions are not the most honorable. Can the intensity of love and intimacy reach past youth and into the twilight years, and just how are middle-aged children supposed to react to their parents' courtship? Join Jim and Dolly as they discover that life and love in a new century are quite different from the memories they cherish and the past they respect.

This is a contemporary novel about West Coast, USA. It explores the often confused images of a whole generation. Jack is a metaphor for the often rootless face of a nation that is troubled by its soul. The novel should be read as a humorous tale of the often tangled web we weave for ourselves. Throughout the story, there is the motif of hope and excitement, for the USA is truly a cosmopolitan country that expands on many cultures and beliefs. Jack Nicholson encompasses these cultures and is a hero of our times who has endured.

A talented writer could craft a short paragraph about his first novel in such a way as to demand further attention. I'm not that good. However, Crystal Beach Sunset is set in an interesting place and time and the interplay among the four principal characters will have universal appeal. What's not to like about a self-proclaimed devout atheist who does charitable work in several area churches? The day-to-day narrative begins when Jim and Rebecca Thornton, corporate banker and English teacher, opt for a two-week vacation on the shores of Lake Erie across from Buffalo. They expect some quiet time away from the heat of Manhattan and not the four-week, life-changing adventure that ensues. But then, they did not imagine that they would spend so much time with their landlord, a middle-aged, self employed, non-tax paying eccentric and his live-in twenty-eight year old girlfriend, a part time stripper and part time exercise rider at the local racetrack. The story takes place in Fort Erie, Ontario and Buffalo, New York, its crossborder neighbor, during the late summer of 1989. It ends on Labor Day that year, the last day of operation of Crystal Beach, a popular amusement park on the lake. The four principal characters occupy a lakefront property one bay over, the fifty year old Jack Mahoney and Linda McCollum in the main house and the young couple from New York City in the rental cottage. A cancellation provides an offer of a free extension of their stay if they "assist with some projects." The characters connect by gender and prim is influenced by the bawdier side of life and proper by the unconventional. The area backdrop provides a second sharp contrast, current and historical, between the Canadian and American sides of the Niagara River. It is the summer that man first walks on the moon, the Vietnam War is dragging into its sixth year, and riots are breaking out in American cities. At a black pride university two young men on opposite sides of the racial divide come to know an elderly and enigmatic teacher with the reputation of an Uncle Tom. Through the power of Professor Doswell's character and the unfolding of his mysterious past, their lives are transformed. Inspired in part by the true story of Whittaker Chambers, this novel is grounded in meticulous research based largely on discoveries from the previously undisclosed Venona Project as well as KGB files opened to Western scholars following the fall of the Soviet Union.

Who said coming home is easy? Liz Beacon has life all planned out--prioritized, color-coded and cross-referenced. She long ago traded in the geeky high school nickname, teenage pounds and dysfunctional family for a fab career, killer abs and a man every woman would envy. Okay, so her sex life is non-existent and her almost-fiancé is technically a coworker. Life, if not perfect, is still on track. But then, Liz is called home to Sugar Falls, NH, to prepare her childhood home for sale. She's spent ten years denying her insecurities and hokey lawn-ornament roots. There's nothing she'd rather do less than face all she happily left behind, including her embarrassingly one-sided high school crush. Carter McIntyre has sailed through life on his winsome smile... and by the skin of his teeth. A college drop-out with ADHD, he's learned it's safer to play the carefree charmer than step up and take over his uncle's landscaping business. But then his class valedictorian returns to Sugar Falls and hires him for some home improvements. Now Carter's wondering if it's too late--to grow up, take a chance and win over the only girl who ever believed in him... **Mild sexual content; Mild language; No violence**

In "Color Him Orange: The Jim Boeheim Story," award-winning sports columnist and best-selling author Scott Pitoniak identifies the sources of Basketball Hall of Fame coach Jim Boeheim's fierce competitive drive and loyalty to Syracuse. The book also examines the people who shaped Boeheim as a person and a coach, the great players he has coached, and his incredible devotion to raising money in hopes of eradicating cancer--which claimed both of his parents' lives, and has also victimized Boeheim himself.

In 1978, Harvey Milk asked Gilbert Baker to create a unifying symbol for the growing gay rights movement, and on June 25 of that year, Baker's Rainbow Flag debuted at San Francisco's Gay Liberation Day parade. Baker had no idea his creation would become an international emblem of freedom, forever cementing his place and importance in helping to define the modern LGBTQ+ movement. Rainbow Warrior is Baker's passionate personal chronicle, from a repressive childhood in 1950s Kansas to a harrowing stint in the US Army, and finally his arrival in San Francisco, where he bloomed as both a visual artist and social justice activist. His fascinating story weaves through the early years of the struggle for LGBTQ+ rights, where he worked closely with Milk, Cleve Jones, and the Sisters of Perpetual Indulgence. Baker continued his flag-making, street theater and activism through the Reagan years and the AIDS crisis. And in 1994, Baker spearheaded the effort to fabricate a mile-long Rainbow Flag—at the time, the world's longest—to celebrate the 25th anniversary of the Stonewall Uprising in New York City. Gilbert and parade organizers battled with the newly elected Mayor Giuliani for the right to carry it up Fifth Avenue, past St. Patrick's Cathedral. Today, the Rainbow Flag has become a worldwide symbol of LGBTQ+ diversity and inclusiveness, and its rainbow hues have illuminated landmarks from the White House to the Eiffel Tower to the Sydney Opera House. Gilbert Baker often called himself the "Gay Betsy Ross," and readers of his colorful, irreverent and deeply personal memoir will find it difficult to disagree.

EBONY is the flagship magazine of Johnson Publishing. Founded in 1945 by John H. Johnson, it still maintains the highest global circulation of any African American-focused magazine.
