

## Color Learn Easy French Phrases For Kids Dover Little Activity Books

This is a coloring and cursive writing book. It teaches young children how to make cursive letters while teaching them the alphabet. There is plenty of room for them to practice writing their friends names as well as just writing some silly words. They can write and color in this book and personalize it.

How to Learn and Memorize Vietnamese Vocabulary ... Using a Memory Palace Specifically Designed for Vietnamese (and adaptable to many other languages too) If you'd like to improve your ability to learn Vietnamese vocabulary by as much as 100%, 200%, even 300% (or more) ... using simple memory techniques that you can learn in 15-20 minutes (or less), then this may be the most important book that you will ever read. Believe it or not, it really doesn't matter if you think you have a good memory or not. The information in this book will teach you: \* Why memory is like a bicycle everyone can ride (with some minor personal adjustments). \* The real reason why no one should ever be squeamish about memorization or learning a language. \* Why and how some of the most famous memory skills are applicable to learning any language, especially Vietnamese. \* How you can easily create a "letter location" memory system based on the Vietnamese alphabet. \* How to quickly and easily learn and memorize the sounds of the Vietnamese alphabet \* Unique techniques that will have you literally "tuning in" on the Vietnamese language. \* How to separate Vietnamese words in the most effective manner for memorization. \* Two secret ways you can use relaxation to aid the memorization process. These two methods alone are worth the price of this book because they will literally eliminate your stress and apprehension as you learn Vietnamese. \* And much, much more ... These techniques have been used by real language learners, most of whom previously considered themselves owners of a "bad memory," to make real strides in learning Vietnamese vocabulary. Don't worry! None of these techniques involve brain surgery! Frankly, if you can memorize a short email address or the name of a movie, then you can use this system to memorize a language as rich and diverse as Vietnamese. Plus, everything you'll learn in this book applies to every other language that shares the same alphabet with English. And with a little imagination, the ideas are easily transferable to other alphabet systems too. But there's really no time to lose. Every day that you are not using this simple vocabulary memorization system, you are literally stealing from yourself the joy of being able to read, speak and recall an abundance of Vietnamese vocabulary as you easily expand the natural abilities of your mind.

Introduce your child to the concept of dreaming with this visually-stimulating story that includes frogs, elephants, penguins, dogs, ladybugs, roadrunners, bears, turtles, lollipops, alligators, whales, monkeys, fish, birds, aliens, inchworms, lobsters.....and the list goes on! Squirbly is a young frog who frequently dreams when he goes to sleep at night. This story explores the wonder and joy of Squirbly's dreams. This book encourages children to look forward to positive dream adventures as they fall asleep.

Learn French by reading to this complete, detailed, and useful book! Get This Book Today! Scroll up and Click the Buy Now Button!

Note: this is a 5.5" x 8.5" (13.97 x 21.59 cm) size coloring book, similar to A5 padfolio size; perfect for purses, briefcases, backpacks. "Take it offline," "Let's get the ball rolling," "Ping me," and of course, "synergy." These are just some of the worst clichs that have come out of corporate America. It's a known fact that prolonged exposure to these office sayings can lead to increased eye-rolling, annoyance and strain of the facial muscles from too much fake smiling when hearing these from your manager. To combat this, we've created this corporate clichs adult coloring book as much needed stress therapy; a fun, passive-aggressive way to take out your angst against these ridiculous office sayings that have taken over your meetings, memos and emails from your company's higher ups. We've taken 19 of the most annoying corporate clichs and translated them into hilarious, literal translations that you can color and poke fun at. Most are even workplace friendly so you can hang them on your wall without your manager giving you the stink eye (well, depending on where you work ... hmmm time for the disclaimer: we make no promises on whether you'll get the stink eye if you pin pages of this book to your office / cubicle wall, so you assume the risk on that!). \*\*\*Benefits\*\*\* -We've taken 19 of the most ridiculous corporate clichs that have ended up on top business publications' "must stop using list" and translated them into hilarious, literal representations. -5.5" x 8.5" (13.97 x 21.59 cm) similar to A5 padfolio size; perfect for purses, briefcases, backpacks. -The perfect birthday, stocking stuffer, white elephant, secret Santa, gift for a co-worker, friend or loved one who has to suffer thru these clichs on a daily basis. -Studies have shown that adult coloring books are perfect stress therapy. We even consulted with a few therapists who confirmed this. And let's face it, hearing corporate

clichés over and over is not fun! But what is fun is poking fun at them in a passive-aggressive way that can relieve stress! -Unlike most coloring books, each illustration is a carefully crafted theme, tied to a specific cliché and not simply random patterns.

-Coloring book images are only on one side of the page (we didn't double dip!). -But not to waste the space, we put some fun stuff on the reverse side of each page: a corporate-speak definition, fun trivia and a hashtag on so you can post pictures of your artwork on social media. -We even included a fun all-occasion gift checklist inside the cover so you don't have to buy a separate gift card. You can be cheap and environmentally friendly at the same time!

French for Kids is a story-based learning series for children ages 3-8 who are just beginning to learn French. Developed with teachers and curriculum experts, Set 2 introduces more high-frequency vocabulary and phrases for beginners. Ten easy readers feature: 100 new thematic words and phrases Verbs, adjectives, measure words, prepositions, and more Abstract concepts: feelings, skills, hopes, and dreams English translation at the back Access to online audio narration by a native speaker Set 2 continues to build vocabulary and pre-reading skills through the Spot Color Immersion Method. Sentences are slightly longer, but still simple enough to build confidence, making it easy for kids to finish books on their own (or with help from the online audio). Each reader has a theme: Food, Verbs, Tableware, Art supplies, Feelings, Nature, Jobs, Furniture, Bedtime, and a Surprise Delivery. Illustrations by Nancy Meyers, recipient of the American Library Association's 2018 Geisel Honor. Learning a new language becomes fun and achievable, as kids delight in a gourmet feast, a day at the park, an exciting mystery gift, and more adventures with their Language Together friends Claire, Théo, Minette, Ernie, and Michel le Génial.

What are the things that you can see at the construction site? These are the small items that workers use to build buildings. It's interesting to note that knowledge of these tools might lead to a general understanding of how buildings are created. Doesn't this the perfect book to introduce your child to the world of engineering? Grab a copy t

Have you been struggling to learn and understand Spanish? Have you tried countless methods, phrase books with no results? If you are one of those still struggling after many years to understand your friends, family members and co-workers, after having studied so many materials. After many years of teaching Spanish, thus watching the improvement in my student's skills in Spanish in a very short time, I have decided that it is time to share this incredible tool with others around the world. Speak Spanish today in a very short time. Audio BONUS INCLUDED.

We are so used to hearing about all the French words that are found in English and about how purist the French are about their language, that we don't realize how many English words have migrated into French. You'll be astonished by how many English words are used in French. French is inundated with them! Swamped with them! Most are native English words, but surprisingly, some were originally French words which moved into English long ago, evolved a different meaning, and then moved back to French with the new meaning as anglicismes. English words aren't always taken into French with the same spelling and usage as they have in our language. For example, you'll encounter le week-end, which has gained a hyphen, and le warning which doesn't mean "the warning" in a general sense, but specifically means the emergency lights or flashers on a car. Some words are specific to certain sports, like l'uppercut or le football, or to other activities, such as playing bridge, while other words which are general in English have only limited meanings in French. An example is le slice, which only refers to golf and tennis, and not to a slice of melon, for instance. Some words are so well integrated into French that the average Frenchman wouldn't be aware that they are words of English origin. At the other extreme are words that that same Frenchman would recognize immediately as English words even though he uses them without reflection (much as we would say ravioli and pizza are Italian words, or taco and tamale are Mexican Spanish words). All these words will be marked as anglicisme or mot anglais in a French dictionary like Le Petit Robert, and the use of some of them would be frowned on in formal speech or writing, but many are very widely used in normal casual speech. You'll find it a fascinating book. READ WHAT PROFESSORS AND INSTRUCTORS OF FRENCH AND OTHERS HAVE WRITTEN ABOUT EARLIER BOOKS IN THIS SERIES: I think your books are wonderful. You have made a fantastic contribution to the French language profession. --- Prof. Judy Baughin, Raymond Walters College You have done a real service to learners of French...This is important work. --- Prof. John Romeiser, U. of Tenn. I have to say your Key Words and Expressions is just the kind of book I would have liked to have had when I was teaching myself French oh-so-many years ago. --- Prof. John Moran, Dir.Language Programs, NYU If you really want to learn spoken French, you need this book (Key Words). You'll need other books as well, you'll need audio materials, and you'll need live language experience. But this book is a necessity. ---- reader reviewer amazon.com I love the Faux Amis, especially the relaxed, conversational presentation. ---- Prof. Norman Shapiro, Wesleyan U. Your little books are great! ---- Prof. AG Fralin, Washington and Lee U. I absolutely \*love\* Faux Amis. It's so well done. --- Prof. Herta Rodina, Ohio U. I love your books! They are easy to navigate, and they are extremely useful to non-native French speakers. ---- Prof. John Turville, U. of Tenn. Perhaps the most amazing thing about this book (Key Words) is that it took until 2007 for anyone to think of writing it! ---- reader reviewer amazon.com The books are excellent.---- Prof. Luke Bouvier, U. of Mass, Amherst I've been perusing Key Words for the past couple of days and it's great fun... What a great idea for a book! --- Prof. Herta Rodina, Ohio U. This (Key Words)is easily one of the best and most important French resources I own (and I've got dozens of them)... It's amazing, absolutely amazing how this book has improved my understanding of spoken French. – reader reviewer, amazon.com I wish Rosenthal had written Rules for the Gender of French Nouns twenty years ago when I was a student. – Stephen Hedge, review in "The French Review"

Ciao, tutti! (Hello, everyone!) You'll be speaking Italian subito (right away) with the help of this coloring book and its more than 60 pages of vocabulary. Kid-friendly artwork accompanies terms for family members, animals, the days of the week, and other common words and simple phrases. English translations and helpful pronunciation guides appear beside each term or expression.

Get This Book Today, Scroll Up and Click the Buy Now Button!

If you have ever tried to learn another language, you know that learning it can be an extremely intimidating endeavor. Spanish Now! teaches you the essentials of learning conversation Spanish including:-Proper Grammar-Sentence Structure-Masculine and Feminine Conjugation-Essential Nouns, Verbs and Adjectives-Real Practice Examples! You may feel self-conscious about sounding wrong and not knowing it until someone else laughs or you are corrected. It takes time. You won't be a fluent speaker over night, but Spanish Now! teaches you what you need to know to begin conversing in a few weeks or less! And Most people who are native speakers are actually happy to have the chance to talk in their native language, especially if you are a novice and indicate that you are trying to learn the language. When it comes to learning Spanish, you are already almost half way there because their language structure is extremely similar to English (with a couple of notable exceptions) and so many Spanish words and phrases have crept into everyday usage in the U.S. The biggest challenge with Spanish is vocabulary. Spanish Now! tackles vocabulary and takes you through the essentials you will need to have a solid Spanish-speaking foundation. Also, Since Spanish is one of the Romance languages, it's pronounced and sounds very different from English. Practicing out loud and watching supplemental videos is encouraged with this book to get the full understanding. Once you get the basics down you will find that having basic discussions is far less intimidating than it initially seems. Spanish Now! gives you the basic guidelines that will help you learn conversational Spanish to speak with anyone. Regardless of the nation a native Spanish speaker is from (ie. Mexico, Argentina, or Spain), you will be able to feel confident that you have the basics to converse in the Spanish language. Buy Spanish Now! and learn Spanish in a few weeks or less!

Francophile Karen Eberwein had always dreamed of becoming fluent in French. She realized that the perfect way to learn is total immersion - in a small village in the Dordogne Valley. So she packs a bag, rents a rustic stone cottage, and spends nearly a year in Cenac-et-Saint-Julien, France. Karen refuses to speak English, vows to speak to anyone who is willing to talk to her, religiously carries a French dictionary, and retains a light-hearted, playful approach to learning the language. She has carefully chosen a village not dominated by tourism, arrived in December, and in a surprisingly short amount of time, the local people befriend her. Claire, her fast-talking neighbor, invites her to dinner (when it is customary to know someone for years before welcoming them inside your home) and to the 31st Exposition Nationale d'Aviculture, where Claire is showing her pigeons. The elderly man down the hill, Jean-Paul, asks Karen along on a truffle hunting adventure, a visit to a hidden, ancient walnut mill, and accompanies her to the local Occitan festival, where he shares childhood and wartime memories. The local baker invites Karen to observe a typical day at the bakery, starting at 3:00 am., to see how the breads and croissants are made. Not to be outdone, the chef at the local restaurant teaches Karen how to make the traditional Garlic Soup in time to serve it to a crowd of locals for lunch. In the process of learning a language, she becomes part of a wonderful French village. Locals who first acknowledged her with a nod, then a handshake, now greet her warmly with kisses on both cheeks. She has gained much more than a language

Learn the basics of French pronunciation and grammar, as well as a wide range of conversational topics to add to your vocabulary. Each chapter builds on the previous one to help repeat previously learned topics and develop a better grasp on the language. Be sure to spend ample time on each chapter in order to allow the lessons to take hold. Also feel free to complement this book by making flash cards of what you've learned to help retain the knowledge.

Jess Anderson is a painter. She is a collector, a connoisseur of colors. Early in her life, she dreamed of painting fine art, but circumstances blocked that path. Now, she paints houses. When Jess is hired to paint Mrs. Au-'s house, she experiences an incredible week - listening to the old Chinese lady-'s stories of her life in China and reexamining the choices that have molded her own life. By the time the house is painted, Jess finds that her own life is completely changed.

The verbal section of the GRE is essentially a vocabulary test. With a few exceptions, if you know the word, you will probably be able to answer the question correctly. Thus, it is crucial that you improve your vocabulary. Even if you have a strong vocabulary, you will still encounter unfamiliar words on the GRE. Many students write off questions, which contain words, they don't recognize. This is a mistake. This book introduces numerous techniques that decode unfamiliar words and prod your memory of words you only half-remember. With these techniques, you will often be able to squeeze out enough meaning from an unfamiliar word to answer a question correctly. Nevertheless, don't rely on just these techniques--you must study word lists. Obviously, you cannot attempt to memorize the dictionary, and you don't need to. The GRE tests a surprisingly limited number of words, and this book has 4000 prime candidates. Granted, memorizing a list of words is rather dry, but it is probably the most effective way of improving your performance on the verbal section. All the words you need for success on the GRE! Features: \* 4000 Words Defined \* Word Analysis section \* 200 Prefixes, Roots, and Suffixes \* Concise, practical definitions

Spanish is a fun, social activity! What makes "Spanish with Amigos" different from the many other Spanish books out there is that instead of studying Spanish by yourself, this book was designed for you to practice your Spanish conversation skills right from the start with a friend (an intercambio), a conversation group (grupo de conversación), or even a beginning Spanish conversation class (clase de conversación).

"Spanish with Amigos" has been intentionally designed to be very simplistic - with little grammar included. Each of the 22 topics start with a manageable vocabulary list of 12-20 words/phrases, including a phonetic pronunciation guide, such: Good morning. / Buenos días. / BWAY-nose DEE-ahs. The topic is immediately followed by role-play ideas and conversational exercises so that you can practice the vocabulary with your co-workers, family, and friends - making Spanish a fun, social activity!

Learn French fast: Apprenez le Français rapidement. As you may already know, French is not an easy-to-learn language. She has worked with Doordarshan, TV18 & Sudharshan Channel. Her two books have already published and received acclaim.

Learn Italian through the power of story. A simple Italian story for beginners! Enjoy the process of learning, don't beat yourself up. You don't need to read boring text books anymore. Italian A Short Story for Beginners is a story written just for you. The captivating nature of story makes learning fun and easy because your attention is focused and the context will help you determine what is being said. This book is loaded with simple sentences, practical scenarios, and common phrases any student of a second language would not only want to know, but NEED to know. Alternating vs Solid Text Alternating Text Alternating Text, Parallel text or interlinear text is when your target language, in this case Italian, is presented with the translation directly to the side or below respectively. A text may be presented with the literal translation of every word, or a sentence/paragraph translated into a more colloquial or natural way of expressing an idea. We find this second way to be of more value as it emphasizes patterns which are critical to learning any language and as

you will see, most languages have unique idioms. An idiom is a phrase or pattern that expresses something other than its literal meaning like "what's up?" You're asking how someone is doing, not what's above them in the sky. Alternating text has many advantages over a traditional text body. Mainly you are able to very quickly glance down to see the translation of the idea your reading in Italian. No time is wasted flipping through glossaries and you don't risk losing your place in the book because the translated idea is presented right there on the same page within a glances reach. Solid Text A traditional text body or text written entirely in one language has advantages of its own. Mainly, you are forced to interpret new or unfamiliar words based upon the context and your own memory. Context is extremely important, not only in grasping the true meaning of what is being said, but developing your capability to infer what new words mean. This skill is of the upmost value. When you meet a Italian speaker for the first time, odds are they will say a thing or two that you don't know or can't understand. Your ability to infer the meaning of a given word can greatly improve the quality of such an experience. This will expedite the learning curve and boost confidence. It is inevitable that you will make mistakes, don't let that stop you from conquering a new language. Solid text also forces you to recall definitions, sentence patterns, and the meaning of various expressions. Without a quick translation available, you will be challenged and grow. Alternating + Traditional So, which style of text did we choose to include in this book? Well, each is so valuable that we couldn't pick one over the other. Thus, we included BOTH! We've presented the story first in its entirety with a Italian and English alternating text. Each paragraph is presented with its translation bellow. Second, we presented the entire story in Italian. So now you can use this awesome tool in a way that best suites you and your growing level of understanding. So, if you're interested in finally picking up Italian, you're just a click away. Order now.

Traveling is an excellent opportunity to learn french for beginners and this book will help to do just that giving you tools in french for your trip. Whether it's just for fun, for travel, or simply to chat, this handy book will have you speaking French in no time! More than 60 fun-to-color pages feature common words and phrases in French and English, plus helpful pronunciation guides. Learn how to talk about the weather, say what you'd like for lunch, and many other useful phrases, including s'il vous plaît (please) and merci (thank you).

Kids can color along as they master practical words and phrases in French. More than 60 pages of fun, kid-friendly illustrations accompany basics plus conversational phrases. Includes English translations plus pronunciations. The books in this delightful series make learning a new vocabulary fun and easy by combining it with coloring pictures--something that virtually every young child loves to do. While they color, kids learn eighty everyday words, such as the names of the seasons, various animals, parts of the body, articles of clothing, and more. The coloring books contain: 59 full-page illustrations, alphabetically organized Culturally appropriate subjects, such as labandera, showing the flags of Spain and Mexico or l'immeuble, showing a typical Parisian apartment building. A glossary featuring translations and a pronunciation guide A review puzzle to test how much has been learned The books in the Let's Learn Coloring Book series are a great resource for parents, teachers, and care-givers who want to foster a love of language in children, and a valuable tool for reinforcing at home the language study kids get in school.

From Guten Morgen (good morning) to Gute Nacht (good night), more than 60 pages of kid-friendly illustrations introduce German words and phrases. English and German terms, with pronunciation guides, accompany pictures of animals, numbers, family members, clothing, and other words plus simple expressions such as "I'm lost," "What's for dinner?," and the very important question, "Could you speak more slowly?"
