using green ink for DO and red ink for FA. Expanding this idea to include clefs and notes, while coloring students of chant learn how to read and sing chant with the half-steps of the chant scales firmly visualized, making the transition to reading chant from books printed in black ink very easy. All the books by Basic Chant use very large notes for chant since this was how they were created and used by singers for hundreds of years as singers grouped around one large book to sing. The notes and signs of chant can be hard to read in modern printed books but after learning them in large form, it becomes much easier to sing them from modern editions. **BEST VALUE!** On sale for the holidays (limited time offer) **The Catholic Coloring Book for Adults** is a beautifully illustrated activity book that is suitable for adults and children. pencils, markers and crayons to color. At home, in waiting rooms, in churches, on road trips - coloring books for adults are becoming more and more popular. These coloring books for adults from Paraclete are not only a simple path to making something beautiful, it has a spiritual element as well. For any religious or spiritual seeker, coloring these 30 patterns, each paired with an uplifting Word of Faith and simple verse, will relax the mind and bless the heart. "Sometimes coloring is just coloring. To put crayons to paper and create a rainbow of marks and swaths is relaxing, playful, and maybe even artistically satisfying. But sometimes coloring is more. To put colored crayons, markers, or pencils to paper is to create a pathway to the numinous. Coloring invites the body and the senses into an experience of inner stillness. While the hand moves, the mind and the body slow down. The heart and the ears open carving a space for rich silence and an opportunity for God to speak." --Sybil MacBeth, author of *Praying in Color: Drawing a New Path to God*

Experience spiritual calm with the first adult coloring book to focus on the Rosary as you color and reflect on the traditional Catholic prayer. Renowned artist Daniel Mitsui provides exquisitely detailed illustrations of the Glorious, Joyful, and Sorrowful Mysteries, suitable for meditative coloring and for reflecting on the lives of Jesus and the Blessed Mother. Adult coloring books were the fastest-growing book category last year, making up five of the top ten bestselling books in 2015. But of the hundreds of coloring books on the market, very few reflect Catholic themes. Daniel Mitsui's The Mysteries of the Rosary is the first adult coloring book to focus on the Rosary and draw inspiration from medieval illustrated manuscripts. Just as repetition of the Hail Mary during the Rosary can create a contemplative awareness of its mysteries, careful attention to coloring these captivating illustrations can open your heart to a

deeper awareness of the Rosary's truths. Like the medieval monks who understood their artistic decoration of the gospels as a form of prayer and praise, you'll find yourself caught up in meditative wonder as you prayerfully color Mitsui's images. The artist specializes in hand-drawn ink illustrations on paper or vellum. Since his conversion to Catholicism in 2004, most of his pieces have focused on religious subjects. Mitsui decided to publish selections of his fine art as a coloring book because he believes that traditional Catholic art has the power to shape the imagination and heart of everyone who experiences it. This unique coloring book contains thirty illustrations--fifteen full-page drawings of the mysteries of the Rosary, each one beautifully bordered by traditional images of animals and flowers; twelve vignettes featuring prophets, evangelists, and Fathers of the Church; and three larger drawings with the artist's commentary. It also contains descriptive copy written by the author for the three sets of Mysteries.
