“Merrill Markoe got all the talent. In addition to being an Emmy-award winning comedy writer, she's also a top-notch artist. *We Saw Scenery* is revealing, sad, funny, and, above all, relatable. Merrill captures the experience of a young woman finding—and holding onto—her own voice. And we're all lucky she did.” —Nell Scovell, author of *Just the Funny Parts* In her first-ever graphic memoir, four-time Emmy-winning comedy writer Merrill Markoe unearths her treasured diaries, long kept under lock and key, to illustrate the hilarious story of her preteen and teen years and how she came to realize that her secret power was her humor. Wielding her layered and comically absurd style, Markoe takes readers back through her time as a Girl Scout, where she learned that “scouting” was really more about learning housewifery skills, to her earliest crushes on uniquely awful boys and her growing obsession with television. Much has changed in our world since Markoe wrote in her diaries, or has it? Climate change wasn't yet a rallying call, but the growing hole in the ozone preoccupied Markoe's young mind. No one was flocking to the desert for Burning Man, but Markoe readily partook in the Ken Kesey Acid Test. As she charts the divide between her adolescence and adulthood, Markoe questions and berates her younger self, revealing how much is opaque to us in those young years. Perfect for fans of Roz Chast, Allie Brosh, and Lynda Barry, *We Saw Scenery* is a laugh-out-loud story of a girl growing up, told from the perspective of the woman she became, and it will speak to all who wanted to understand themselves in the midst of their own maturing.

"Jon Macks is one of the greatest comedy writers of all time."--Chris Rock A hilarious, revealing look behind the history and culture of American late-night TV, by a longtime comedy writer for The Tonight Show with Jay Leno. Ever since Johnny Carson first popularized the late-night talk show in 1962 with The Tonight Show, the eleven p.m. to two a.m. comedy time slot on network television has remained an indelible part of our national culture. More than six popular late-night shows air every night of the week, and with recent major shake-ups in the

industry, late-night television has never been more relevant to our public consciousness than it is today. Jon Macks, a veteran writer for *The Tonight Show with Jay Leno*, takes us behind the scenes of this world for an in-depth, colorful look at what really makes these hosts the arbiters of public opinion. From the opening monologue--what's funny, what's dangerous, what's untouchable--to the best vs. worst guests, Macks covers the landscape of late-night comedy and punctuates the narrative with hysterical personal anecdotes, shining the spotlight on some of the very best late night jokes, and drawing from more than half a million of his own jokes written over the span of twenty years. With an insider's expertise and a laugh-out-loud voice, Macks explains how late-night TV redefines the news and events of any given day, reshapes public opinion, and even creates our national zeitgeist.

If you think you're funny, and you want others to think so too, this is the book for you! Greg Dean examines the fundamentals of being funny and offers advice on a range of topics, including: writing creative joke material rehearsing and performing routines coping with stage fright dealing with emcees who think they're funnier than you are getting experience and lots more. Essential for the aspiring comic or the working comedian interested in updating his or her comedy routine, *Step by Step to Stand-Up Comedy* is the most comprehensive and useful

book ever written on the art of the stand-up comedian.

Stephen Rosenfield, founder and director of the American Comedy Institute, the premier comedy school in the United States, has taught literally dozens of major standup comics in North America, and has also pioneered comedy as an academic discipline in many universities, a trend that is rapidly spreading. *Mastering Stand-Up* draws on Rosenfield's own extensive experience (and those of countless stars like Lenny Bruce, Richard Pryor, Chris Rock, Rodney Dangerfield, Louis C.K., Steve Martin, Roseanne, and Johnny Carson) to show the reader—and would-be comic—what works, what doesn't, and why. Forty sharply written chapters cover every conceivable angle of the joke and how to tell it. There are a number of books on comedy and how to do it, but none has the breadth and authority Rosenfield brings to his theme. It's not for nothing that the *New York Times* has described him as "probably the best-known comedy teacher in the country." Rosenfield's book is sure to become the classic text on its subject. And it should help thousands who long to make others laugh to realize their fondest hopes.

Political humor has been a staple of late-night television for decades. The Trump White House, however, has received significantly greater attention than that of past presidents, such as Barack Obama, George W. Bush, and even Bill Clinton. In response to Trump's strident politics, late-night comics, including Stephen Colbert, Jimmy Kimmel, Trevor Noah and Jimmy Fallon, have sounded key policy notes, further blurring the boundary between news and satire. Weekly humorists, including John Oliver and Samantha Bee, extend the critique with in-depth probing of key issues, while *Saturday Night Live* continues to tap the progression from outrage to outrageousness. Using unique content analysis techniques and qualitative discussions of political humor, Farnsworth and Lichter show how late-night political humor, and these seven programs in particular, have responded to the Trump presidency. Employing a dataset of more than 100,000 late night jokes going back decades, these noted media scholars discuss how the treatment of Trump differs from previous presidents, and how the Trump era is likely to shape the future of political humor. The authors also employ public opinion survey data to consider the growing role these late-night programs play in framing public opinion and priorities. This book will interest scholars, the curious public, and students of politics, communications and the media, and contemporary American culture.

A significant number of Americans get some of their "news" about politics and national affairs from comedy shows. Is "infotainment" a debasement, or a replacement, for traditional news outlets?

What's it like to be a full-time comedian? You can find out in these pages. Jan has spent more than two decades as a professional comedian, touring throughout the United States and making people laugh in all sorts of venues from traditional comedy clubs to unique convention stages. And no, it isn't all smooth sailing! She's had to contend with weird room set ups such as the floor spinning her around 360 degrees

and tough bar gigs where the owner didn't want her to do "thinkin' jokes." All of these experiences have given Jan some valuable insights into dealing with people that will resonate with you regardless of what profession you're in. She shares this wisdom along with her stories to give you a peek inside her unusual and fascinating profession. The debut collection of raucous, dark, strange, satirical stories from the former Late Show with Stephen Colbert writer and New Yorker contributor, featuring a foreword by Stephen Colbert "Jen Spyra's stories are shocking, silly, smart, and absurdly funny. Underline both those words, I don't care how much it costs!"—Tina Fey A bride so desperate to get in shape for her wedding that she enrolls in a new kind of workout program that promises the moon but costs more than she bargained for. A snowman who, on the wish of a child, comes to life in a decidedly less savory way than in the childhood classic. And in the title story, a time-hopping 1940s starlet tries to claw her way to the top in modern-day Hollywood, despite being ridiculously unwoke. In this uproarious, addictive debut, Jen Spyra takes a culture that seems almost beyond parody and holds it up to a funhouse mirror, immersing the reader in a world of prehistoric influencers, woodland creatures plagued by millennial neuroses, and an all-out birthday bash determined to be the most lavish celebration of all time, by any means necessary. Welcome, brave soul, to the world of Jen Spyra.

Bill Carter, executive producer of CNN's docuseries The Story of Late Night and host of the Behind the Desk: Story of Late Night podcast, details the chaotic transition of The Tonight Show from host Jay Leno to Conan O'Brien—and back again. In 2010, NBC's CEO Jeff Zucker, had it all worked out when he moved Jay Leno from behind the desk at The Tonight Show, and handed the reins over to Conan O'Brien. But his decision was a spectacular failure. Ratings plummeted, affiliates were enraged—and when Zucker tried to put everything back the way it was, that plan backfired as well. No one is more uniquely suited to document the story of a late-night travesty than veteran media reporter and bestselling author, Bill Carter. In candid detail, he charts the vortex that sucked in not just Leno and O'Brien—but also Letterman, Stewart, Fallon, Kimmel, and Ferguson—as frantic agents and network executives tried to manage a tectonic shift in television's most beloved institution.

With his tender, funny memoir of four decades in the business, Alan Zweibel traces the history of American comedy Alan Zweibel started his comedy career selling jokes for seven dollars apiece to the last of the Borscht Belt standups. A troubled man travels to a mysterious town from his past after receiving a letter from his wife... who's been dead for years. And while our "hero" explores dark corridors and battles countless disturbing enemies, his journey offers more psychological horror than survival horror. Welcome to Silent Hill, where the monster is you. Silent Hill 2 doubles down on what made the first game so compelling: The feeling of being lost in a foggy,

upside-down town as unsettling as it is familiar. Nearly two decades after first experiencing *Silent Hill 2*, writer and comedian Mike Drucker returns to its dark depths to explore how this bold video game delivers an experience that is tense, nightmarish, and anything but fun. With an in-depth and highly personal study of its tragic cast of characters, and a critical examination of developer Konami's world design and uneven marketing strategy, Drucker examines how *Silent Hill 2* forces its players to grapple with the fact that very real-world terrors of trauma, abuse, shame, and guilt are far more threatening than any pyramid-headed monster could ever be.

"A hilarious book for animal lovers and risk takers everywhere! Brian McCann introduces us to Wannabe Farms, and we never want to leave." - Amy Poehler
From acclaimed comedy writer Brian McCann comes *Wannabe Farms*, the insanely funny, rhyming collection of stories that asks the question: What do farmyard animals really want to do with their lives? Welcome to Wannabe Farms, a farmyard where the animals like to wonder and dream, plot and scheme, and definitely not act how they're supposed to. In rhyming verse, Brian McCann (writer for Conan O'Brien) shows us what happens when cows want to drive, pigs dream of being sophisticates, and sheep take their hairstyles into their own hands (well, hooves). Together, what emerges is a delightful, hysterical romp through the farmyard, as animals discover the place where dreams meet their limits, and the power of adjusted expectations. With hilarious two-color illustrations on every spread, this collection of stories brings Shel Silverstein and Old MacDonald together in a way readers young and old have never seen before!

****Instant New York Times Bestseller, Los Angeles Times Bestseller, USA Today Bestseller, Publishers Weekly Bestseller**** The woman behind the icon known as Elvira, Mistress of the Dark, the undisputed Queen of Halloween, reveals her full story, filled with intimate bombshells, told by the bombshell herself. On Good Friday in 1953, at only 18 months old, 25 miles from the nearest hospital in Manhattan, Kansas, Cassandra Peterson reached for a pot on the stove and doused herself in boiling water. Third-degree burns covered 35% of her body, and the prognosis wasn't good. But she survived. Burned and scarred, the impact stayed with her and became an obstacle she was determined to overcome. Feeling like a misfit led to her love of horror. While her sisters played with Barbie dolls, Cassandra built model kits of Frankenstein and Dracula, and idolized Vincent Price. Due to a complicated relationship with her mother, Cassandra left home at 14, and by age 17 she was performing at the famed Dunes Hotel in Las Vegas. Run-ins with the likes of Frank Sinatra, Sammy Davis Jr., and Tom Jones helped her grow up fast. Then a chance encounter with her idol Elvis Presley, changed the course of her life forever, and led her to Europe where she worked in film and traveled Italy as lead singer of an Italian pop band. She eventually made her way to Los Angeles, where she joined the famed comedy improv group, The Groundlings, and worked alongside Phil Hartman and Paul "Pee-wee" Reubens, honing her comedic skills. Nearing age 30, a struggling actress considered past her prime, she auditioned at local LA channel KHJ as hostess for the late night vintage horror movies. Cassandra improvised, made the role her own, and got the job on the spot. Yours Cruelly, Elvira is an unforgettably wild memoir. Cassandra doesn't shy away from revealing exactly who she is and how she overcame seemingly insurmountable odds. Always original and sometimes outrageous, her story is loaded with twists, travails, revelry, and downright shocking experiences. It is the candid, often funny, and sometimes heart-breaking tale

of a Midwest farm girl's long strange trip to become the world's sexiest, sassiest Halloween icon.

FOREWORD BY SHERYL SANDBERG You've almost certainly laughed at Scovell's jokes—you just didn't know it until now. Just the Funny Parts is a juicy and scathingly funny insider look at how pop culture gets made. For more than thirty years, writer, producer and director Nell Scovell worked behind the scenes of iconic TV shows, including The Simpsons, Late Night with David Letterman, Murphy Brown, NCIS, The Muppets, and Sabrina, the Teenage Witch, which she created and executive produced. In 2009, Scovell gave up her behind-the-scenes status when the David Letterman sex scandal broke. Only the second woman ever to write for his show, Scovell used the moment to publicly call out the lack of gender diversity in late-night TV writers' rooms. "One of the boys" came out hard for "all of the girls." Her criticisms fueled a cultural debate. Two years later, Scovell was collaborating with Sheryl Sandberg on speeches and later on Lean In, which resulted in a worldwide movement. Now Scovell is opening up with this fun, honest, and often shocking account. Scovell knows what it's like to put words in the mouths of President Barack Obama, Mark Harmon, Candice Bergen, Bob Newhart, Conan O'Brien, Alyssa Milano, and Kermit the Frog, among many others. Through her eyes, you'll sit in the Simpson writers' room... stand on the Oscar red carpet... pin a tail on Miss Piggy... bond with Star Trek's Leonard Nimoy... and experience a Stephen King-like encounter with Stephen King. Just the Funny Parts is a fast-paced account of a nerdy girl from New England who fought her way to the top of the highly-competitive, male-dominated entertainment field. The book delivers invaluable insights into the creative process and tricks for navigating a difficult workplace. It's part memoir, part how-to, and part survival story. Or, as Scovell puts it, "It's like Unbroken, but funnier and with slightly less torture."

of trivia contests, prom videos, trips to London, Super Bowls, lesbian weddings, wildly popular hairstyles, superstar cameos, mad dashes to the airport, and million-dollar contracts. They'll also discover surprising details—that Monica and Joey were the show's original romantic couple, how Danielle Steel probably saved Jennifer Aniston's career, and why *Friends* is still so popular that if it was a new show, its over-the-air broadcast reruns would be the ninth-highest-rated program on TV. The show that defined the 1990s has a legacy that has endured beyond anyone's wildest expectations. And in this hilarious, informative, and entertaining book, readers will now understand why.

From Senator Al Franken - #1 bestselling author and beloved SNL alum -- comes the story of an award-winning comedian who decided to run for office and then discovered why award-winning comedians tend not to do that. "Flips the classic born-in-a-shack rise to political office tale on its head. I skipped meals to read this book - also unusual - because every page was funny. It made me deliriously happy." -- Louise Erdrich, *The New York Times* This is a book about an unlikely campaign that had an even more improbable ending: the closest outcome in history and an unprecedented eight-month recount saga, which is pretty funny in retrospect. It's a book about what happens when the nation's foremost progressive satirist gets a chance to serve in the United States Senate and, defying the low expectations of the pundit class, actually turns out to be good at it. New York Times comedy critic Jason Zinoman delivers the definitive story of the life and artistic legacy of David Letterman, the greatest television talk show host of all time and the signature comedic voice of a generation. In a career spanning more than thirty years, David Letterman redefined the modern talk show with an ironic comic style that transcended traditional television. While he remains one of the most famous stars in America, he is a remote, even reclusive, figure whose career is widely misunderstood. In Letterman, Jason Zinoman, the first comedy critic in the history of the New York Times, mixes groundbreaking reporting with unprecedented access and probing critical analysis to explain the unique entertainer's titanic legacy. Moving from his early days in Indiana to his retirement, Zinoman goes behind the scenes of Letterman's television career to illuminate the origins of his revolutionary comedy, its overlooked influences, and how his work intersects with and reveals his famously eccentric personality. Zinoman argues that Letterman had three great artistic periods, each distinct and part of his evolution. As he examines key broadcasting moments—"Stupid Pet Tricks" and other captivating segments that defined Late Night with David Letterman—he illuminates Letterman's relationship to his writers, and in particular, the show's co-creator, Merrill Markoe, with whom Letterman shared a long professional and personal connection. To understand popular culture today, it's necessary to understand David Letterman. With this revealing biography, Zinoman offers a perceptive analysis of the man and the artist whose ironic voice and caustic meta-humor was critical to an entire generation of comedians and viewers—and whose singular style ushered in new tropes that have become clichés in comedy today.
