

## Complete Jack The Ripper

"It's either a genuine confession by Jack the Ripper, or it's an extraordinary novel...Only you can decide."—Paul Begg, author of *Jack the Ripper: The Definitive History* In the Whitechapel neighborhood of London in 1888, five women were horribly mutilated and murdered by the infamous killer, Jack the Ripper. Though there were many suspects, the monster was never caught. This recently discovered memoir from the 1920s introduces a new suspect: James Willoughby Carnac, a little-known figure who claims to have been the Ripper. Carnac describes the events and geography of Whitechapel in 1888 with chilling accuracy, including details of the murders that appear to have been unavailable to the public at the time. He presents a credible motive for becoming Jack, and, for the first time ever, a reason for ending the killing spree. Ultimately, you, the reader, must decide if this is simply one of the earliest imaginings of the case—and a groundbreaking literary addition to the Ripper canon—or if it is the genuine autobiography of Jack the Ripper himself. "A text that will no doubt be debated for years to come."—Alan Hicken, Montacute Museum, Somerset, England "Intricate and creepy."—The Daily Express (UK) "Easily read and worth it for the ending."—Kirkus Discover the theories and facts surrounding the Whitechapel murders in David Rumbelows *The Complete Jack the Ripper* It is 1888 in Londons Whitechapel district, where one by one a group of prostitutes are brutally murdered. Opium smoking

## Read Online Complete Jack The Ripper

Inspector Fred Abberline is called upon to investigate these horrific murders and through his visions track down and trap Jack the Ripper. David Rumbelows casebook sets the crimes firmly in their historical setting, examines the evidence comprehensively and scrupulously, disposes of a number of theories and legends and relates the murder to popular literature and to later similar sex crimes. In addition he has had the advantage of access to some of Scotland Yard's most confidential papers.

Two experienced Ripperologists have applied their joint knowledge and expertise to the painstaking collation of all the known official records to produce the ultimate Ripper book - a narrative account of the murders encompassing all the known evidence. The most complete work on the Ripper case ever, contains: the entire contents of the Scotland Yard files covering the full series of murders; extensive press reports; witness statements and extracts from police notebooks; documents missing from the official files and many rare photographs. The Ultimate Jack the Ripper Sourcebook is not only an invaluable reference, but is also a compelling account of the Victorian serial murderer whose identity remains one of criminology's greatest mysteries.

suspects analyzed. What amateur sleuths will find most fascinating here are the many facsimiles of contemporary documents, including letters allegedly sent by Jack the Ripper to police and elsewhere, police reports, press articles, and personal correspondence. These facsimiles provide readers with access to all the available information so they, too, can try to unravel this century-old mystery.

Stewart Evans is a policeman whose hobby is collecting true crime ephemera. When a second hand bookseller rang to ask him if he would be interested in a collection of letters from the Special Branch, he had no idea of the sensational revelation they would contain. One of these letters supplied an astonishing piece of information not contained in the decimated Scotland Yard files. The police had actually arrested and charged an American with the Ripper murders, but he escaped and disappeared in America. The Ripper murders ceased. The book reveals for the first time the identity of Jack the Ripper.

The murders in London between 1888-91 attributed to Jack the Ripper constitute one of the most mysterious unsolved criminal cases. This story is the result of many years meticulous research. The author reassesses all the evidence and challenges everything we thought we knew about the Victorian serial killer and the vanished East End he terrorized.

An illustrated primer to the most infamous serial killer in history! The shocking unsolved murder of five prostitutes in Victorian London ripped apart the society of the civilized

If you love the legend of this serial killer, it's all here in this handy book!! The Illustrated Jack the Ripper is nothing short of spellbinding - fierce and compelling. You will come away as a knowledgeable Ripperologist!" - Paul Dale Roberts, Jazma Online A Caliber Comics release.

A detailed and meticulously researched encyclopedia on all aspects of Jack the Ripper, one of the world's most famous, and mysterious, serial killers. \* 450+ entries arranged around themes such as suspects, victims, police, myths, and errors \* Verbatim accounts of eight important letters written at the times of the murders that may be genuine, or that other writers have claimed to be genuine \* A timeline of the era of Jack the Ripper, beginning with a poisoning in 1887 and ending with the writing of the Littlechild letter in 1913 \* 12 maps detailing the location of each murder \* Numerous photographs including explicit postmortem photos of many of the victims attributed to Jack the Ripper

'The clearest, most accurate, and most up-to-date account of the Ripper murders, by one of Britain's greatest and most respected experts on the "autumn of terror"

## Read Online Complete Jack The Ripper

in Victorian London.' William D. Rubenstein, Professor of Modern History, University of Wales, Aberystwyth England in the 1880s was a society in transition, shedding the skin of Victorianism and moving towards a more modern age. Promiscuity, moral decline, prostitution, unemployment, poverty, police inefficiency... all these things combined to create a feeling of uncertainty and fear. The East End of London became the focus of that fear. Here lived the uneducated, poverty-ridden and morally destitute masses. When Jack the Ripper walked onto the streets of the East End he came to represent everything that was wrong with the area and with society as a whole. He was fear in a human form, an unknown lurker in the shadows who could cross boundaries and kill. Jack the Ripper: The Definitive History is not yet another attempt to identify the culprit. Instead, the book sets the murders in their historical context, examining in depth what East London was like in 1888, how it came to be that way, and how events led to one of the most infamous and grisly episodes of the Victorian era. When Jack the Ripper terrorised London in 1888, he would spark a mystery when he disappeared and his string of violent and horrific murders ended as quickly as they began, leaving one of the worlds oldest unsolved crimes in his wake. Now, in 1907, biographer Charles Hapgood is about to be visited a man with astonishing claims that he was the famous Ripper and wishes to tell his tale

## Read Online Complete Jack The Ripper

before his coming death. Sceptical at first, Hapgood agrees to hear his story, only to soon be shown undisputable proof that his visitor speaks the truth and is who he claims to be. As Hapgood listens to the man's tale, he is drawn into a world of pain, cruelty, horror and sadness as he discovers how an innocent child grew into the greatest living monster the world has ever seen. As the story unfolds he begins to fear for his own safety as the man once known as Jack The Ripper tells his story in his own words, a tale which goes far beyond the known timeline of his horrific crimes and reaches new depths of terror and depravity that Hapgood could never have imagined.

Updated and expanded edition of the fullest ever collective investigation into Jack the Ripper and the Whitechapel Murders. This volume collects not just all the key factual evidence but also 20 different arguments as to the identity of Jack the Ripper, such as that advanced by Patricia Cornwell. Contributions are from the world's leading Ripperologists, including William Beadle, Melvyn Fairclough, Martin Fido, Shirley Harrison, James Tully and Colin Wilson. The identity of Jack the Ripper has plagued professional historians, criminologists, writers and amateur enthusiasts. The many suspects include Montague John Drutt, Walter Sickert, Aaron Kosminski, Michael Ostrog, William Henry Bury, Dr Tumblety and James Maybrick. The only certainty is that Ripperologists have not found an

turning the pages. Fascinating and entertaining reading in its own right, it is the essential reference to have beside you when you venture into the dark alleys of Victorian Whitechapel.

Non-fiction work on the Jack the Ripper murders of 1888.

The definitive work on Jack the Ripper and the various theories from the time of the murders to the present day

Discover the theories and facts surrounding the Whitechapel murders in David Rumbelow's *The Complete Jack the Ripper ...* It is 1888 in London's Whitechapel district, where one by one a group of prostitutes are brutally murdered. Opium smoking Inspector Fred Abberline is called upon to investigate these horrific murders and through his visions track down and trap Jack the Ripper. David Rumbelow's casebook sets the crimes firmly in their historical setting, examines the evidence comprehensively and scrupulously, disposes of a number of theories and legends and relates the murder to popular literature and to later similar sex crimes. In addition he has had the advantage of access to some of Scotland Yard's most confidential papers.

“Breaks new ground in its examination of the role of newspaper reporting during the police hunt for the first notorious serial killer.”—Reviews in *History Press* coverage of the 1888 mutilation murders attributed to Jack the Ripper was of necessity filled with gaps and silences, for the killer remained unknown and Victorian journalists had little experience reporting serial murders and sex crimes. This engrossing book examines how fourteen London newspapers—dailies and weeklies, highbrow and lowbrow—presented the Ripper news, in the

## Read Online Complete Jack The Ripper

process revealing much about the social, political, and sexual anxieties of late Victorian Britain and the role of journalists in reinforcing social norms. L. Perry Curtis surveys the mass newspaper culture of the era, delving into the nature of sensationalism and the conventions of domestic murder news. Analyzing the fourteen newspapers—two of which emanated from the East End, where the murders took place—he shows how journalists played on the fears of readers about law and order by dwelling on lethal violence rather than sex, offering gruesome details about knife injuries but often withholding some of the more intimate details of the pelvic mutilations. He also considers how the Ripper news affected public perceptions of social conditions in Whitechapel. “The apparently motiveless violence of the Whitechapel killings denied journalists a structure, and it is the resulting creativity in news reporting that L Perry Curtis Jr describes. His impressive book makes a genuine contribution to 19th-century history in a way that books addressing the banal question of the identity of the Ripper do not.”—The Guardian

In the autumn of 1888, a serial killer known as Jack the Ripper stalked the East End of London. He was never identified, but hundreds of people were accused. Some were known to the authorities at the time, and others were named by later researchers. The truth about them, and the reasons why they came under suspicion, is often lost in a plethora of opinions and misinformation. For the first time, this book presents the evidence against 333 suspects. They include the publican who painted his dog, the first woman sentenced to the electric chair, the writer of the Red Flag, the man with a thousand convictions, Britain’s oldest Prime Minister, and many others. People from all walks of nineteenth century life, representing many different nationalities and professions. United by a link, however tenuous, to the most famous murderer

in history.

"Roland provides a well-balanced overview ... extensively illustrated and with timely coverage of some of the latest theories and research." -Stephen P. Ryder, Editor, Casebook: Jack the Ripper More than a century after he stalked the streets of London's East End, Jack the Ripper continues to exert a macabre fascination on the popular imagination. After scrupulously re-examining official documents of the time, investigative journalist Paul Roland strips away decades of myth and misconceptions to reveal the identity of a brand-new suspect who has never been seriously considered until now. If you are expecting a finger to be pointed at one of the usual suspects, be prepared to have your assumptions turned on their head. If these crimes were being investigated today, what would the authorities consider to be the vital clues? How would their profilers describe England's first serial killer and who would they be looking to convict? As Roland makes clear in this book, nothing about the Whitechapel murders can be taken at face value.

This #1 New York Times bestseller and deliciously creepy horror novel has a storyline inspired by the Ripper murders and an unexpected, blood-chilling conclusion. Seventeen-year-old Audrey Rose Wadsworth was born a lord's daughter, with a life of wealth and privilege stretched out before her. But between the social teas and silk dress fittings, she leads a forbidden secret life. Against her stern father's wishes and society's expectations, Audrey often slips away to her uncle's laboratory to study the gruesome practice of forensic medicine. When her work on a string of savagely killed corpses drags Audrey into the investigation of a serial murderer, her search for answers brings her close to her own sheltered world. The story's shocking twists and turns, augmented with real, sinister period photos, will make this dazzling,

#1 New York Times bestselling debut from author Kerri Maniscalco impossible to forget. Explores life in the Victorian police force from the time of Jack the Ripper, from training to discovering a murder.

An investigation into the man Scotland Yard thought (but couldn't prove) was Jack the Ripper. Dozens of theories have attempted to resolve the mystery of the identity of Jack the Ripper, the world's most famous serial killer. Ripperologist Robert House contends that we may have known the answer all along. The head of Scotland Yard's Criminal Investigation Department at the time of the murders thought Aaron Kozminski was guilty, but he lacked the legal proof to convict him. By exploring Kozminski's life, House builds a strong circumstantial case against him, showing not only that he had means, motive, and opportunity, but also that he fit the general profile of a serial killer as defined by the FBI today. The first book to explore the life of Aaron Kozminski, one of Scotland Yard's top suspects in the quest to identify Jack the Ripper. Combines historical research and contemporary criminal profiling techniques to solve one of the most vexing criminal mysteries of all time. Draws on a decade of research by the author, including trips to Poland and England to uncover Kozminski's past and details of the case. Includes a Foreword by Roy Hazelwood, a former FBI profiler and pioneer of profiling sexual predators. Features dozens of photographs and illustrations. Building a thorough and convincing case that completes the work begun by Scotland Yard more than a century ago, this book is essential reading for anyone who wants to know who really committed Jack the Ripper's heinous and unforgettable crimes.

Between August and November 1888 six women were found murdered and mutilated in London's East End and Aldgate. All were prostitutes; one was found on a common

landing, one in the street, one in a backyard, one in an entry, one in a public square and the sixth in a house. The murders provoked massive interest in the press and dozens of letters quickly appeared, claiming to have been written by the killer. The origin of the name Jack the Ripper itself was a letter, famously written to 'Dear Boss,' the head of the Central News Agency. Certain letters have been reproduced or quoted in previous books but Stewart Evans and Keith Skinner are the first to have read and examined every one. This book reproduces and transcribes all the letters, including the 'Dear Boss' correspondence and the horrific letter sent to the chairman of the Whitechapel Vigilance Committee together with a piece of human kidney. The authors relate the letters to the complete story of the Whitechapel murders, tracing the hysteria and misconceptions that dogged both the police and Fleet Street during 1888-9 and providing revealing insights into the Victorian psyche. For the first time the cases of three people arrested by the police for sending 'Jack the Ripper' letters are explored, including that of Maria Coroner, the attractive 21-year-old Bradford girl. Evans and Skinner also examine the letters of seven suspects, including Dr. Roslyn D'Onston Stephenson and Nikaner Benelius. The story of the Ripper letters ends by posing a controversial question: was Jack the Ripper merely a press invention? Every fact, theory and myth behind the 1888 Whitechapel killings scrutinized, dissected and analysed by today's leading Ripperologist. In this comprehensive account of London's most infamous serial killer, Paul Begg, the foremost modern authority on the

## Read Online Complete Jack The Ripper

case, explores the facts behind the most grisly episode of the Victorian era: the slaughter of several prostitutes over a two-month period. Setting the scene in the impoverished East End, Begg's meticulous research offers detailed accounts of the lives of the Ripper's female victims and a thorough examination of the police investigation. It looks at the many suspects uncovered over the years and the way in which they have often mirrored contemporary concerns, and he examines the growth and development of the myth in film and literature. *The Complete and Essential Jack the Ripper* is the definitive book, exploring both the myth and reality of Britain's most famous murderer and his victims.

Looks at one of history's most infamous serial killers known for committing gruesome murders in the late nineteenth-century who remains one of the world's most infamous criminals.

After 125 years of theorizing and speculation regarding the identity of Jack the Ripper, Russell Edwards is in the unique position of owning the first physical evidence relating to the crimes to have emerged since 1888. This evidence is from one of the crime scenes, and has now been rigorously examined by some of the most highly-qualified forensic scientists in the country who have ascertained its true provenance. With the help of modern forensic techniques, Russell's ground-breaking discoveries provide conclusive answers to many of the most challenging mysteries surrounding the case. In 1888 the dreaded figure of Jack the Ripper stalked London's East End murdering

## Read Online Complete Jack The Ripper

prostitutes. His crimes set in motion a huge police operation and have held a dark fascination over the public's imagination for over a century, yet his identity has never been proved. Now, for the first time, two leading Ripper experts have joined forces to treat the case like a police investigation. Drawing on their unparalleled knowledge of the Jack the Ripper murders and their professional experience as police officers, they uncover clues that have remained undetected for over a hundred years. There are five 'canonical' Ripper victims, yet Scotland Yard's 'Whitechapel Murders' files include another six suspected victims. Drawing the reader into the world of police investigation in Victorian London, Evans and Rumbelow reveal the conflict between the City and Metropolitan forces and the ridicule heaped on the police by the press. Investigating each murder, they conclude that only four of the eleven victims were actually killed by the Ripper. Perhaps most tellingly, they question the motives behind the destruction of evidence - particularly the message 'The Juwes are the men that will not be blamed for nothing', which was chalked on the wall near one murder site and rubbed out on order of the Chief Commissioner - and ask whether the enigmatic Dr Robert Anderson, officer in charge of the investigation, knew the Ripper's true identity. Jack the Ripper: Scotland Yard Investigates strips away much of the nonsense that has accumulated since 1888 and reopens files on a case that will perhaps never be fully solved but will always fascinate.

(FAQ). Exactly who was Jack the Ripper, the infamous Victorian serial killer? Jack the

## Read Online Complete Jack The Ripper

Ripper FAQ explores this question in depth, with a thorough overview not only of the world's most notorious serial killer, but also of the cultural impact that remains as powerful more than 130 years on from his murderous spree. Every murder attributed to him is discussed in depth, together with a number more that may have been his work; the book also details the myriad different suspects that have been mentioned over the years. Jack the Ripper FAQ investigates the world in which the Ripper operated, with chapters discussing the factors that made it possible for him to act with such apparent impunity. Also covered are the policemen who tried to capture him, the journalists who tried to illustrate his motives, and the private investigators who raised theories that are still being discussed today. The book also revisits the movies, novels, and comic books that have tried to solve the mystery. But still, the inescapable fact is, we still do we not know who the Ripper was!

Who really was Jack the Ripper? Was he a solitary assassin lurking in the shadows of gaslit London? Or was Jack the Ripper three men: two killers and an accomplice? In this work the author investigates all aspects of this strange case shrouded in mystery and misconception. The discovery of the murders is described by the men who were there, and evidence reveals that the hitherto unsolved Ripper murders were in fact a culmination of a full-scale cover-up organized at the highest level of government. This is a new take on the Jack the Ripper story. Focusing on the people who lived through the Ripper's reign of terror, it shows what happened when familiar London

streets suddenly became the hunting grounds of a monster.

For over a hundred years, the mystery of Jack the Ripper has been a source of unparalleled fascination and horror, spawning an army of obsessive theorists and endless volumes purporting to finally reveal the identity of the brutal murderer who terrorized Victorian England. But what if there was never really any mystery at all? What if the Ripper was always hiding in plain sight, deliberately leaving a trail of clues to his identity for anyone who cared to look, while cynically mocking those who were supposedly attempting to bring him to justice? In *They All Love Jack*, the award-winning film director and screenwriter Bruce Robinson exposes the cover-up that enabled one of history's most notorious serial killers to remain at large. More than twelve years in the writing, this is no mere radical reinterpretation of the Jack the Ripper legend and an enthralling hunt for the killer. A literary high-wire act reminiscent of Tom Wolfe or Hunter S. Thompson, it is an expressionistic journey through the cesspools of late-Victorian society, a phantasmagoria of highly placed villains, hypocrites, and institutionalized corruption. Polemic forensic investigation and panoramic portrait of an age, underpinned by deep scholarship and delivered in Robinson's inimitably vivid and scabrous prose, *They All Love Jack* is an absolutely riveting and unique book, demolishing the theories of generations of self-appointed experts—the so-called

Ripperologists—to make clear, at last, who really did it; and, more important, how he managed to get away with it for so long.

Jack the Ripper is the ultimate cold case. The Whitechapel Murders of 1888 have remained unsolved for over 130 years and hundreds of theories have been suggested as to the killer's identity. Despite numerous books claiming to unmask the infamous Victorian villain, none have come close ... until now. The authors of this book are all members of H Division Crime Club, the world's largest body of experts on the Jack the Ripper murders. They have all come together for the first time in history to deliver their own personal research into each suspect and to finally nail down the identity of the man know as Jack the Ripper. Taking the original police reports, eye witness accounts and research by the world's leading authorities into account, we ask two crucial questions: Who did the police suspect at the time? Who was in the area to commit the murders? Using 21st century profiling techniques, it is time to reveal the truth behind the men most likely to have been Jack the Ripper. With each chapter discussing a separate suspect in detail, this book is the ultimate guide to solving the world's greatest murder mystery.

authoritative insight into related political issues and background events. He was young, handsome, highly educated in the best English schools, a respected professional and a first-class amateur athlete. He was also a serial killer, the Victorian equivalent of the modern-day Ted Bundy. His name was Montague Druiitt—also known as “Jack the Ripper.” His handiwork included the slaughter of at least five women of ill repute in the East End of London—an urban hell where women sold themselves for a stale crust of bread. His likely motivation for the location of his murders was to call attention to the atrocious conditions in which East Enders lived, just blocks from upper-class London’s wealth and opulence. This book, compiled from years of meticulous research, presents the thinking behind the murders, the man behind the moniker, and the circumstances behind his demise. In *The Escape of Jack the Ripper*, readers will learn: How a blood-stained Druiitt was arrested yet bluffed his way to freedom by pretending to be a medical student helping the poor How Druiitt confessed to his cousin, an Anglican priest How Druiitt’s family placed him in a private, expensive asylum in France, only for him to flee when a nurse blew the whistle How Druiitt’s identity was concealed by his well-connected friends and family, thus hatching the mystery of Jack the Ripper This fascinating story is revealed fully for the first time with many never-before-published photographs, including the newly discovered,
