Love Poems & Sonnets of William Shakespeare William Shakespeare, 2013-02-20 The greatest sonnets ever written, by the greatest poet and playwright in the English language

The Complete Works of William Shakespeare - Volume 5 William Shakespeare, 2017-08-03 How is this book unique? Font adjustments & biography included Unabridged (100% Original content) Illustrated About The Complete Works of William Shakespeare - Volume 5 by William Shakespeare I would challenge you to a battle of wits, but I see you are unarmed. - William Shakespeare. Arm yourself with this volume, The Complete Works of William Shakespeare, including 16 comedies, 10 histories, 12 tragedies and all the poems and sonnets of the world's most influential writer. This collection includes poems

and plays that were not included in Shakespeare's First Folio of 1623 to make one complete, authentic collection. Romeo and Juliet, A Midsummer Night's Dream, King Lear, Hamlet, and Macbeth -- the works of William Shakespeare still resonate in our imaginations four centuries after they were written. The timeless characters and themes of the Bard's plays fascinate us with their joys, struggles, and triumphs, and now they are available in a special volume for Shakespeare fans everywhere. This edition of William Shakespeare's works includes all of his poems and plays in a precise format. Whether for a Shakespeare devotee or someone just discovering him, this is the perfect place to experience the drama of Shakespeare's words. This complete works of Shakespeare have to be considered among the greatest works in all of English literature.

The Complete Works of William Shakespeare William Shakespeare,1907

Shakespeare's Sonnets William Shakespeare,2016-03-08 The First-Ever, Fully Illustrated Collector's Edition of William Shakespeare's Celebrated Sonnets! In celebration of the momentous 400th anniversary of William Shakespeare's death in April 2016, this enhanced edition of Shakespeare's Sonnets features gorgeous full-color artwork throughout that brings The Bard's timeless words to life like never before!

The Art of Shakespeare's Sonnets Helen Vendler,1999-11 Analyzes all of Shakespeare's sonnets in terms of their poetic structure, semantics, and use of sounds and images.

Sonnets. Poems William Shakespeare,1902

Sonnets William Shakespeare,2015-11-24 Written primarily in four-line stanzas and iambic pentameter, William Shakespeare's 154 sonnets address such themes as love, beauty, honesty, and the passage of time, and are now recognized as some of the most enduring poetry of all time.

Shakespeare Harold Bloom,2008-07 Harold Bloom, the doyen of American literary critics and author of 'The Western Canon', has spent a professional lifetime reading, writing about, and teaching Shakespeare. In this magisterial interpretation, Bloom explains Shakespeare's genius in a radical and provocative re-reading of the plays.

The Songs and Sonnets of William Shakespeare William Shakespeare,1987

Poems and Sonnets of William Shakespeare William Shakespeare,2007-09-01 He is the greatest writer in the English language-perhaps in any language-and here, in one compact volume is all the verse even many of those familiar with his plays have never read. In 1593 and 1594, while English theaters were closed in response to the plague, WILLIAM SHAKESPEARE (1564-1616) turned from drama to narrative poems, and published the dyad Venus and Adonis and The Rape of Lucrece, erotic meditations on lust and sexual power. Standing powerfully in opposition to each other, they also differ wildly from Shakespeare's romantic sonnets-all 154 of them are here. Also in this hard-to-find collection are the Bard's lesser known poems: A Lover's Complaint, The Passionate Pilgrim, Sonnets to Sundry Notes of Music, and The Phoenix and the Turtle. Rounding out the collection are poems from his plays, featuring beloved excerpts from The Tempest, Two Gentlemen of

Verona, Twelfth Night, Merry Wives of Windsor, Much Ado About Nothing, A Midsummer Night's Dream, Love's Labour's Lost, The Merchant of Venice, As You Like It, The Taming of the Shrew, and others. Not an academic work, this lovely volume lets Shakespeare's words stand on their own, resounding-as ever they do-with their own unique power and beauty.

Romeo and Juliet William Shakespeare,2011-07 A graphic novel adaptation of William Shakespeare's play about two young lovers in Verona, whose families are enemies.

The Complete Works of William Shakespeare William Shakespeare,1882

Characters of Shakespeare's Plays William Hazlitt,1845

Shakespeare's Stories for Young Readers E. Nesbit,2012-03-05 Twelve of the Bard's most famous plays, delightfully adapted for young readers: Romeo and Juliet, Hamlet, King Lear, As You Like It, and eight others.

The Tempest William Shakespeare,1922

The Plays and Sonnets of William Shakespeare William Shakespeare,1978 The complete works of Shakespeare, his 37 plays and sonnets.

Henry VI, Part I William Shakespeare,2014-12-16 Spanning approximately fifty years beginning with the coronation of the king upon the death of Henry V and concluding with the fall of the House of Lancaster, William Shakespeare's Henry VI trilogy reveals the king's struggles under the pressures of prolonged wars with his foreign territories in France and Ireland, and the civil war that threatens his reign. Henry VI, Part I opens with a monarchy in chaos following the unexpected death of Henry V. There is little faith that the as-yet uncrowned Henry VI will be able to control the worsening situation in France as the French Dauphin rebels, and Joan of Arc takes command of his army. While England battles to hold on to its French territories, the petty quarrel between Richard Plantagenet and the Duke of Somerset has gained momentum and threatens Henry's tenuous hold on power. Known as "The Bard of Avon," William Shakespeare is arguably the greatest English-language writer known. Enormously popular during his life, Shakespeare's works continue to resonate more than three centuries after his death, as has his influence on theatre and literature. Shakespeare's innovative use of character, language, and experimentation with romance as tragedy served as a foundation for later playwrights and dramatists, and some of his most famous lines of dialogue have become part of everyday speech. HarperPerennialClassics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperPerennial Classics collection to build your digital library.

The Sonnets by William Shakespeare with an Introduction by Nicholas Tamblyn, and Illustrations by Katherine Eglund (Illustrated) William Shakespeare,2017-11-10 Presenting The Sonnets by William Shakespeare with an introduction by Nicholas Tamblyn, and illustrations by Katherine Eglund. This classic is part of The Essential Series by Golding Books, and is also available in a Large Print edition. By becoming a monument in the past few centuries, William Shakespeare has been

ruined for many children and adults alike. Monuments belie the freshness and passion of their original creation. Shakespeare was not immune to common human suffering and harmful desires. Even within the confines of poetic rhyme and the motives he may have had in addressing individuals (or the more lasting audience that he often alludes to), he used the sonnets to both reveal and explore powerful feelings, and ultimately to examine the ways that one may become, while inevitably flawed in some if not most of the areas of our sometimes unscrupulous and often challenging lives, a better person. Shakespeare's Sonnets, like his plays, lead many readers to Bardolatry. Classics among early English poetry and (more modern) romantic poetry, lines found there (like his plays) mark them out as famous poems that are widely known, but some of the most touching, beautiful, or memorable sonnets are likely never to have reached the eyes or ears of most people. Many will agree with Wordsworth's famous line (in his sonnet on the sonnet) that with this same key Shakespeare unlocked his heart. As outlined in Nicholas Tarnham's introduction, the sonnet sequence begins with seventeen that urge a right fair youth to reproduce his beauty, and the remaining sonnets until 126 continue to be addressed to this thou and you; the sonnets after 127 are focussed on the dark lady, excluding the last two, which are different in tone and are related to Cupid. Sonnet 126 contains only twelve lines rather than fourteen, and so in a sense acts as a deliberate or incidental turning point between the two sections. Several sonnets touching on mortality appear in the sixties, but the great group of sonnets between number 18 (beginning with perhaps the sole line from the sequence that remains at the forefront of popular culture, Shall I compare thee to a summer's day?) and 126 describe a wide range of ideas and, in ways that may be surprising to those who are yet to read them, ordinary daily activities that make them intriguing and revelatory every time they are read, whether keeping to the given sequence or opening here and there to sonnets at random, each of which have a claim to being classic poetry and worthy (in their own unique ways) of as much attention as his greatest plays. William Shakespeare was born in Stratford-upon-Avon in 1564. His father was John Shakespeare, an alderman and glover, and his mother was Mary Arden, the daughter of a wealthy landowning farmer. William was the third child of eight, and the eldest surviving son. In 1582, he married Anne Hathaway (about whom little is known, beyond her being eight years his senior), and their daughter Susanna was born six months later. Twins Hamnet and Judith followed in 1585; Hamnet died at the age of eleven of unknown causes. The period from 1585 to 1592 is known as Shakespeare's lost years. His works began to be published and mentioned in the 1590s; he would ultimately write about 38 plays (sometimes in collaboration, likely making uncertain contributions to other plays), two long narrative poems, 154 sonnets, and other short verses. Shakespeare died--within one month of signing his will, and the date his birth is traditionally observed--on 23 April, 1616.

The Complete Sonnets of William Shakespeare: (unabridged) (Unrevised) William Shakespeare, 2019-03-28 The complete sonnets of Shakespeare
