Tells the story of Julian's Grandmère's childhood as she, a Jewish girl, was hidden by a family in a Nazi-occupied French village during World War II and how the boy she once shunned became her savior and best friend.

A retelling of the traditional tale of how a boy's lost mitten becomes a refuge from the cold for an increasing number of animals.

When a young girl helps tend to her grandmother's garden, she begins to notice things that make her curious. Why does her grandmother have long, braided hair and beautifully coloured clothing? Why does she speak another language and spend so much time with her family? As she asks her grandmother about these things, she is told about life in a residential school a long time ago, where all of these things were taken away.

When We Were Alone is a story about a difficult time in history, and, ultimately, one of empowerment and strength. Also available in a bilingual Swampy Cree/English edition. When We Were Alone won the 2017 Governor General's Literary Award in the Young People's Literature (Illustrated Books) category, and was nominated for the TD Canadian's Children's Literature Award.
