Words and Your Heart Kate Jane Neal, 2017-12-26 This book is about your heart (the little bit inside of you that makes you, you!) The words we listen to can affect how we feel. Some words can do amazing things and make us happy. And some words can really hurt us (we all know what sort of words those are). Our words have power, and we can choose to use them to make the world a better place. Simple, direct, and emotive, Words and Your Heart's message is that words have extraordinary power—to harm and to heal, to create and to destroy, and to spread love.

Korean Stories For Language Learners Julie Damron, EunSun You, 2018-09-11 The most enjoyable way to learn about an unfamiliar culture is through its stories--especially when they're told in two languages! Korean Stories for Language Learners introduces 42 traditional Korean folktales with bilingual Korean and English versions, presented on facing pages, together with detailed notes and exercises aimed at beginning learners of the language. The book can be used as a reader in first- and second-year Korean language courses or by anyone who wishes to learn about Korean folktales and traditional Korean culture. This elegantly illustrated volume is designed to help language learners expand their vocabulary and to develop a basic familiarity with Korean culture. The stories gradually increase in length and complexity throughout the book as the reader improves their vocabulary and understanding of the language. After the first few stories, the reader is asked to use the vocabulary in speaking and writing exercises. By reading these classic stories, they also are given a window into Korean culture and learn to appreciate the uniqueness of the country--which provides greater motivation to continue learning the difficult language. Cultural notes and discussion questions further reinforce one's understanding of the stories, and bolster one's language skills. Korean-English and English-Korean glossaries are included as well as an overview of the Korean Hangeul script. Audio recordings by native speakers help readers improve their pronunciation and inflection.
