

Continental Drift Russell Banks

Lucy, a teenage girl from the West Indies, comes to America to work as an au pair for a wealthy couple. She begins to notice cracks in their beautiful façade at the same time that the mysteries of own sexuality begin to unravel. Jamaica Kincaid has created a startling new heroine who is destined to win a place of honor in contemporary fiction.

Wade Whitehouse, divorced, estranged from his young daughter, spends his days as a well-driller, snow-plow operator, and policeman, his nights in a wind-swept trailer park. But when a union boss is killed in an apparent hunting accident near Wade's home, and he is convinced that it is murder, he seizes the event as a chance to right many wrongs - unaware that as he unravels the mystery he himself will become unravelled. Soon his hunger for justice and self-respect become inseparable from a desperate violence. From the Trade Paperback edition.

The New World is, in the words of its author, "a carefully structured gathering of ten tales that dramatize and explore the process and progress of self-transcendence, tales that describe and embrace the spiritual limits and possibilities of life in the New World". Both religious and funny, the stories mark a giant step forward in Banks's rapid development into one of the nation's most exciting young writers.

A searing novel about memory, abandonment, and betrayal from the acclaimed and bestselling Russell Banks At the center of *Foregone* is famed Canadian American leftist documentary filmmaker Leonard Fife, one of sixty thousand draft evaders and deserters who fled to Canada to avoid serving in Vietnam. Fife, now in his late seventies, is dying of cancer in Montreal and has agreed to a final interview in which he is determined to bare all his secrets at last, to demythologize his mythologized life. The interview is filmed by his acolyte and ex-star student, Malcolm MacLeod, in the presence of Fife's wife and alongside Malcolm's producer, cinematographer, and sound technician, all of whom have long admired Fife but who must now absorb the meaning of his astonishing, dark confession. Imaginatively structured around Fife's secret memories and alternating between the experiences of the characters who are filming his confession, the novel challenges our assumptions and understanding about a significant lost chapter in American history and the nature of memory itself. Russell Banks gives us a daring and resonant work about the scope of one man's mysterious life, revealed through the fragments of his recovered past.

A searing story about memory and betrayal from the acclaimed and bestselling Russell Banks In his late seventies and dying of cancer, famed Canadian-American documentary filmmaker Leonard Fife, one of sixty thousand draft evaders who fled to Canada to avoid Vietnam, has agreed to one final interview, determined to bare all his secrets and demythologize his mythologized life. But the story that unspools in front of the camera and an intimate chorus of observers, including Fife's wife, his nurse, and his acolyte and former star student Malcolm Macleod, is confoundingly unexpected, the dark and affecting account of a man entirely unknown to all. A searing novel about memory, betrayal, love, and the faint grace note of redemption, Russell Banks's *Foregone* is a daring and resonant work about the scope of one man's mysterious life, revealed through the fragments of his recovered past.

In this deeply hopeful and viscerally detailed novel, award-winning Haitian author Louis-Philippe Dalembert (*The Other Side of the Sea*) has provided a Tolstoyan narrative of the contemporary immigrants' exodus from war, famine, poverty, criminality and injustice to a better life across the Mediterranean Sea. Following in intimate detail the lives of three women from disparate religions and cultures, and nations--Nigeria, Eritrea, and Syria--Dalembert compassionately depicts these three women and the bond they form together in their mutual struggle to escape to Europe via an overcrowded, dilapidated boat across the sea, the metaphorical wall between their former lives and the future. Certain to appeal to readers of literature of migration and such recent fiction as "Behold the Dreamers" and "The Lost Children

Archive."

With America ever under global scrutiny, Russell Banks contemplates the questions of our origins, values, heroes, conflicts, and contradictions. He writes with conversational ease and emotional insight, drawing on contemporary politics, literature, film, and his knowledge of American history.

Visiting Jamaica, where he is confronted with the beauty, brutality, and social complexity of the island, the unnamed narrator struggles to come to grips with a series of events that frighten and confuse him

"After many years of believing that I never dream of anything, I dreamed of Africa." Over a decade after leaving her three sons behind in Liberia, Hannah Musgrave realizes she has to leave her farm in the Adirondacks and find out what has happened to them and the chimpanzees for whom she created a sanctuary. *The Darling* is the story of her return to the wreckage of west Africa and the story of her past, from her middle-class American upbringing to her years in the Weather Underground. It is also one of the most powerful novels of the decade, an unforgettable tale of growth and loss, and an unstinting exploration of some of the most troubling issues of our time: terrorism, race, and the contact between the first world and the third. Hannah Musgrave, the narrator of *The Darling*, tells us she first travelled to Africa in the mid-1970s, to escape prosecution for her radical political activities with the Weathermen. Arriving in Liberia to work in a medical research lab, Hannah – also known by her alias, Dawn Carrington – meets Woodrow Sundiata, an official in the ministry of public health, and they fall immediately in love. Courting with Woodrow, an intelligent, ambitious man, means encountering his other life in his ancestral village of Fuama – a life that could scarcely be more different from Hannah's affluent childhood as the daughter of a bestselling pediatrician. Hannah and Woodrow start a family, but she feels herself to be somehow estranged from her life in Liberia and curiously detached from her husband and three sons. Still in search of herself as her children grow older, Hannah develops a closer and closer bond with the chimpanzees at the lab, whom she calls "dreamers." During the early 1980s, Liberian society grows more unstable, until an illiterate soldier named Samuel Doe brutally overthrows and assassinates the president. Hannah's courageous intervention with Doe leads to Woodrow's release from detention, but at a price: she must return to the US, leaving her family behind. Hannah feels that her dreamers will feel her absence more deeply than her family will. In the US Hannah briefly reconnects with her parents after years of estrangement before returning to her friends from her underground years. One of them, Zack Procter, is involved with a plan to spring Charles Taylor – an attractive Liberian politician – from jail, and Hannah involves herself with the plot, genuinely believing that Taylor will bring social democracy to west Africa. Hannah gets permission to return to her family in the mid-1980s, and decides that this time things will be different: she will take charge of her home life, ousting Woodrow's young cousin Jeanette, and she will build a sanctuary for her chimpanzees. But Charles Taylor has also returned, and his slow and bloody rebellion against Doe leads, eventually, to a night of horrific violence in which Woodrow is murdered and Hannah's teenaged children disappear. Amidst chaos and almost unbelievable bloodshed, Hannah has time only to move her dreamers to Boniface Island before facing the heartrending decision to escape Liberia, leaving her children behind. More than ten years will pass before she can return to discover their fate, and understand her own.

Chappie is a punked-out teenager rejected by his mother and abusive stepfather. Out of school and in trouble with the police, he drifts through crash pads, doper squats, and malls until he finally settles in an abandoned school bus with Rose, a seven-year-old child, and I-Man, an exiled Rastafarian who will dramatically change his life. Together they begin an amazing journey...

"So good, so damn compulsively readable, that I can hardly believe it." —Stephen King,

Entertainment Weekly In his stunning follow-up to the #1 best-selling *House of Sand and Fog*, Andre Dubus draws us into the lives of three deeply flawed, driven people whose paths intersect on a September night in Florida. April, a stripper, has brought her daughter to work at the Puma Club for Men. There she encounters Bassam, a foreign client both remote and too personal, and free with his money. Meanwhile, another man, AJ, has been thrown out of the club, and he's drunk and angry and lonely. From these explosive elements comes a relentless, raw, and page-turning narrative that seizes the reader by the throat with psychological tension, depth, and realism.

In this compelling novel – a cross between *Lady Chatterley's Lover* and *The Aviator* – the acclaimed modern master takes us to riveting new territory. Part love story, part murder mystery, Russell Banks's *The Reserve* is as gripping as it is beautifully written, set in a pre-WWII world of class, politics, art, love and madness. Vanessa Cole is a stunningly beautiful and wild heiress, her parents' adopted only daughter. Twice-married, she has been scandalously linked to rich and famous men. On the night of July 4, 1936, inside the Cole family's remote Adirondack Mountain enclave, known as the Reserve, Vanessa will lose her father to a heart attack – and meet Jordan Groves, a seductively carefree local artist whose leftist political loyalties to his working class neighbours are undercut by his wealth and his clientele. Jordan is easy prey for Vanessa's electrifying charm. But the heiress carries a dark family secret. Unhinged by her father's unexpected death, she begins to spin out of control, manipulating and destroying the lives of all who cross her path. Moving from the secluded beauty of the Adirondacks to war-torn Spain and fascist Germany, filled with characters that pierce the heart, *The Reserve* is a passionately romantic novel of suspense and drama that adds a new dimension to this acclaimed author's extraordinary repertoire. From the Hardcover edition.

The new novel from two time Pulitzer Prize nominee Russell Banks At the center of *Foregone* is famed Canadian American leftist documentary filmmaker Leonard Fife, one of sixty thousand draft evaders and deserters who fled to Canada to avoid serving in Vietnam. Fife, now in his late seventies, is dying of cancer in Montreal and has agreed to a final interview in which he is determined to bare all his secrets at last, to demythologize his mythologized life. The interview is filmed by his acolyte and ex-star student, Malcolm MacLeod, in the presence of Fife's wife and alongside Malcolm's producer, cinematographer, and sound technician, all of whom have long admired Fife but who must now absorb the meaning of his astonishing, dark confession. Imaginatively structured around Fife's secret memories and alternating between the experiences of the characters who are filming his confession, the novel challenges our assumptions and understanding about a significant lost chapter in American history and the nature of memory itself. Russell Banks gives us a daring and resonant work about the scope of one man's mysterious life, revealed through the fragments of his recovered past. 'Russell Banks is, word for word, idea for idea, one of the great American novelists. *Foregone* is a book about not coming to a conclusion. Banks presents us with a series of mirrors, some of them broken, some of them intact, and all of them wildly reflective of our times. It is a book about the shifting shapes of memory and the chimerical nature of our lives' - Colum McCann 'Russell Banks, as cinematographer, is known to move in close. *Foregone* focuses his sharp eye on the feints and fictions amid life's "facts," as he reveals his fascinatingly fallible character, Fife, whose personal life has been contextualized by history. As we zig-zag through the character's past and present, it becomes apparent that the writer is simultaneously, and subtly, demonstrating the act of writing fiction. Fife is aptly named; he's an instrument piercing the soundtrack we call life, as the drummer marches on' - Ann Beattie

Slipping into the dangerous world of drugs and petty theft as a means of rebelling against an abusive home life, Chappie takes on a new identity and encounters a host of characters, including a sexually victimized young girl. 100,000 first printing. \$150,000 ad/promo. Tour.

In *Family Life*, Russell Banks's first novel, he transforms the dramas of domesticity into the story of a royal family in a mythical contemporary kingdom. Life inside this kingdom includes the king (dubbed "the Hearty" or "the Bluff"), who squeals angrily as is his wont; the queen, who, while pondering the mirror in her chambers, decides to write a book; three adolescent princes who are, respectively, a superb wrestler, a fanatical sports car driver, and a sullen drunk. Then there are the mysterious Green Man with a thing for princes; the Loon, who lives in a tree house designed by Christopher Wren; and a whole slew of murders, mayhem, coups, debauches, world tours, and love and loss and laughter.

This definitive biography reclaims Nelson Algren as a towering literary figure and finally unravels the enigma of his disappearance from American letters. For a time, Nelson Algren was America's most famous author, lauded by the likes of Richard Wright and Ernest Hemingway. Millions bought his books. Algren's third novel, *The Man with the Golden Arm*, won the first National Book Award, and Frank Sinatra starred in the movie. But despite Algren's talent, he abandoned fiction and fell into obscurity. The cause of his decline was never clear. Some said he drank his talent away; others cited writer's block. The truth, hidden in the pages of his books, is far more complicated and tragic. Now, almost forty years after Algren's death, Colin Asher finally captures the full, novelistic story of his life in a magisterial biography set against mid-twentieth-century American politics and culture. Drawing from interviews, archival correspondence, and the most complete version of Algren's 886-page FBI file ever released, Colin Asher portrays Algren as a dramatic iconoclast. A member of the Communist Party in the 1930s, Algren used his writing to humanize Chicago's underclass, while excoriating the conservative radicalism of the McCarthy era. Asher traces Algren's development as a thinker, his close friendship and falling out with Richard Wright, and his famous affair with Simone de Beauvoir. Most intriguingly, Asher uncovers the true cause of Algren's artistic exile: a reckless creative decision that led to increased FBI scrutiny and may have caused a mental breakdown. In his second act, Algren was a vexing figure who hid behind a cynical facade. He called himself a "journalist" and a "loser," though many still considered him one of the greatest living American authors. An inspiration to writers such as Hunter S. Thompson, Martha Gellhorn, Jimmy Breslin, Betty Friedan, Cormac McCarthy, Don DeLillo, Russell Banks, and Thomas Pynchon, Algren nevertheless struggled to achieve recognition, and died just as his career was on the verge of experiencing a renaissance. *Never a Lovely So Real* offers an exquisitely detailed, engrossing portrait of a master who, as esteemed literary critic Maxwell Geismar wrote, was capable of suggesting "the whole contour of a human life in a few terse pages."

A triumph of the imagination, rich in incident and beautiful in its detail, *Cloudsplitter* brings to life one of history's legendary figures--John Brown, whose passion to abolish slavery lit the fires of the American Civil War in a conflagration that changed civilization. In *The Sweet Hereafter*, Russell Banks tells a story that begins with a school bus accident. Using four different narrators, Banks creates a small-town morality play that addresses one of life's most agonizing questions: when the worst thing happens, who do you blame?

When Red Baker, a Larmel steel worker in Baltimore, Maryland, gets laid off from his job he goes crazy: boozing, attempted philandering, running away from his future. Filled with unforgettable characters from Red's angry but loyal wife, Wanda; his basketball-star son, Ace; his lifelong friend Dog, a casualty of the layoff; and Crystal, the go-go dancer at Lily's bar who embodies Red's fantasies of escape. *Red Baker* is a classic American novel about a man with no identity who tries to replace the one he's lost.

NATIONAL BESTSELLER • National Book Award Finalist • Winner of the PEN/Faulkner Award The acclaimed author of *When the Emperor Was Divine* tells the

story of a group of young women brought from Japan to San Francisco as “picture brides” a century ago in this “understated masterpiece ... that unfolds with great emotional power” (San Francisco Chronicle). In eight unforgettable sections, *The Buddha in the Attic* traces the extraordinary lives of these women, from their arduous journeys by boat, to their arrival in San Francisco and their tremulous first nights as new wives; from their experiences raising children who would later reject their culture and language, to the deracinating arrival of war. Julie Otsuka has written a spellbinding novel about identity and loyalty, and what it means to be an American in uncertain times. Don't miss Julie Otsuka's new novel, *The Swimmers*, coming in February 2022!

Continental Drift Harper Collins
The author of *Continental Drift*, *Rule of the Bone* and *The Sweet Hereafter* returns with a very original, riveting mystery about a young outcast, and a contemporary tale of guilt and redemption. The perfect convergence of writer and subject, *Lost Memory of Skin* probes the zeitgeist of a troubled society where zero tolerance has erased any hope of subtlety and compassion. Suspended in a modern-day version of limbo, the young man at the centre of Russell Banks's uncompromising and morally complex new novel must create a life for himself in the wake of incarceration. Known in his new identity only as the Kid, he is shackled to a GPS monitoring device and forbidden to go near where children might gather. He takes up residence under a south Florida causeway, in a makeshift encampment with other convicted sex offenders. Barely beyond childhood himself, the Kid, despite his crime, is in many ways an innocent. Enter the Professor, a university sociologist of enormous size and intellect who finds in the Kid the perfect subject for his research. But when the Professor's past resurfaces and threatens to destroy his carefully constructed world, the balance in the two men's relationship shifts. Banks has long been one of our most acute and insightful novelists. *Lost Memory of Skin* is a masterful work of fiction that unfolds in language both powerful and beautifully lyrical.

Travel the world with 50 best-loved tales, featuring creatures big and small. This beautifully illustrated collection of classic stories brings together favorite animal-themed fables, myths, and legends, including *The Three Little Pigs*, *The Ugly Duckling*, *Why the Swallow's Tail is Forked*, and the story of Ananse and the Python. Lively retellings from Angela McAllister are brought to life with sumptuous illustrations from Romanian-born artist Aitch in this treasury to treasure.

Portraying the daily dilemmas of working class life, this collection of thirteen short stories portrays success of all varieties and its ambiguous consequences
Following a tragic schoolbus accident, high-profile lawyer Mitchell Stephens descends upon a small town. With promises of retribution and a class-action lawsuit filed on behalf of the grieving community, Stephens begins his investigation into the details of the crash. But beneath the town's calm, he uncovers a tangled web of lies, deceit and forbidden desires that mirrors his own troubled personal life. Gradually, we learn that Stephens has his own agenda, and that everyone has secrets to keep.

When we first meet him, Chappie is a punked-out teenager living with his mother and abusive stepfather in an upstate New York trailer park. During this time, he slips into drugs and petty crime. Rejected by his parents, out of school and in trouble with the police, he claims and he gets a cross and bones tattoo on his arm, and adopts the moniker "Bone." He finds refuge with a group of biker-thieves, and then hides in a

boarded-up summer house. Der 14-jährige Chappie schlägt sich allein durchs Leben, bis er dem schwarzen Rastafari I-man begegnet. Sein neuer Freund bringt ihm alles Wissenswerte über Hanfanbau, das Ich und den Kosmos im Allgemeinen bei. Die beiden brechen nach Jamaica auf - getragen von ihrer Abenteuerlust und dem festen Willen zu überleben ...

Set in Liberia and the United States from 1975 through 1991, *The Darling* is the story of Hannah Musgrave, a political radical and member of the Weather Underground.

Hannah flees America for West Africa, where she and her Liberian husband become friends of the notorious warlord and ex-president, Charles Taylor. Hannah's encounter with Taylor ultimately triggers a series of events whose momentum catches Hannah's family in its grip and forces her to make a heartrending choice.

In the summer of 1989, while all of Paris is poised to celebrate the bicentennial of the French Revolution, Sylvie mourns the loss of her lover, Julien, and is unable to find solace in the music that has always been her refuge. But when she accidentally dislodges an envelope concealed in Julien's desk, she finds an enigmatic note from a stranger and feels compelled to meet this woman who might hold the key to Julien's past.

The Relation of My Imprisonment is a work of fiction utilizing a form invented in the seventeenth century by imprisoned Puritan divines. Designed to be exemplary, works of this type were aimed at brethren outside the prison walls and functioned primarily as figurative dramatization of the test of faith all true believers must endure. These "relation," framed by scripture and by a sermon explicating the text, were usually read aloud in weekly or monthly installments during religious services. Utterly sincere and detailed recounting of suffering, they were nonetheless highly artificial. To use the form self-consciously, as Russell Banks has done, is not to parody it so much as to argue good-humoredly with the mind it embodies, to explore and, if possible, to map the limits of that mind, the more intelligently to love it.

In this compelling novel – a cross between *Lady Chatterley's Lover* and *The Aviator* – the acclaimed modern master takes us to riveting new territory. Part love story, part murder mystery, Russell Banks's *The Reserve* is as gripping as it is beautifully written, set in a pre-WWII world of class, politics, art, love and madness. Vanessa Cole is a stunningly beautiful and wild heiress, her parents' adopted only daughter. Twice-married, she has been scandalously linked to rich and famous men. On the night of July 4, 1936, inside the Cole family's remote Adirondack Mountain enclave, known as the Reserve, Vanessa will lose her father to a heart attack – and meet Jordan Groves, a seductively carefree local artist whose leftist political loyalties to his working class neighbours are undercut by his wealth and his clientele. Jordan is easy prey for Vanessa's electrifying charm. But the heiress carries a dark family secret. Unhinged by her father's unexpected death, she begins to spin out of control, manipulating and destroying the lives of all who cross her path. Moving from the secluded beauty of the Adirondacks to war-torn Spain and fascist Germany, filled with characters that pierce the heart, *The Reserve* is a passionately romantic novel of suspense and drama that adds a new dimension to this acclaimed author's extraordinary repertoire.

Get to know the colorful cast of characters at the Granite State Trailerpark, where Flora in number 11 keeps more than a hundred guinea pigs and screams at people to stay away from her babies, Claudel in number 5 thinks he is lucky until his wife burns down

their trailer and runs off with Howie Leeke, and Noni in number 7 has telephone conversations with Jesus and tells the police about them. In this series of related short stories, Russell Banks offers gripping, realistic portrayals of individual Americans and paints a portrait of New England life that is at once dark, witty, and revealing. Interrelated stories set in the small, symbolic trailer park just off an American highway, portray individuals who are alone and who take on the attributes of specific archetypes. Throughout his career as a novelist, Banks has also been a master of the short form, publishing four story collections, and winning O. Henry and Best American Short Story Awards and other prizes. Now with *The Angel on the Roof*, he offers readers an astonishing collection of thirty years of short fiction, resonant with irony and compassion, honesty and insight, extending into the vast territory of the heart and world, from working-class New England to Florida, the Caribbean and Africa. Along with nine new stories that are among the finest fiction he has ever written, he has selected the best from his collections and revised them for this volume.

Russell Banks explores the complexities of political life in the Caribbean. Now available for the first time in e-book format, a powerful literary classic from one of contemporary fiction's most acclaimed and important writers, Russell Banks's *Continental Drift* is a masterful novel of hope lost and gained, and a gripping, indelible story of fragile lives uprooted and transformed by injustice, disappointment, and the seductions and realities of the American dream.

Suffused with Russell Banks's trademark lyricism and reckless humor, the twelve stories in *A Permanent Member of the Family* examine the myriad ways we try—and sometimes fail—to connect with one another, as we seek a home in the world. In the title story, a father looks back on the legend of the cherished family dog whose divided loyalties mirrored the fragmenting of his marriage. "A Former Marine" asks, to chilling effect, if one can ever stop being a parent. And in the haunting, evocative "Veronica," a mysterious woman searching for her daughter may not be who she claims she is. Moving between the stark beauty of winter in upstate New York and the seductive heat of Florida, Banks's acute and penetrating collection demonstrates the range and virtuosity of both his narrative prowess and his startlingly panoramic vision of modern American life.

"Banks's narrative seductively juxtaposes rambles through lush volcanic mountains, white sand beaches and coral reefs with a barrage of memories of the hash he's made of his private life." —The New York Times Book Review Now in his mid-seventies, Russell Banks has indulged his wanderlust for more than half a century. This longing for escape has taken him from the "bright green islands and turquoise seas" of the Caribbean islands to peaks in the Himalayas, the Andes, and beyond. In each of these remarkable essays, Banks considers his life and the world. In Everglades National Park this "perfect place to time-travel," he traces his own timeline. Recalling his trips to the Caribbean in the title essay, "Voyager," Banks dissects his relationships with the four women who would become his wives. In the Himalayas, he embarks on a different quest of self-discovery. "One climbs a mountain not to conquer it, but to be lifted like this away from the earth up into the sky," he explains. Pensive, frank, beautiful, and engaging, *Voyager* brings together the social, the personal, and the historical, opening a path into the heart and soul of this revered writer.

Hamilton Stark is a New Hampshire pipe fitter and the sole inhabitant of the house from which he evicted his own mother. He is the villain of five marriages and the father of a daughter so obsessed that she has been writing a book about him for years. Hamilton Stark is a boor, a misanthrope, a handsome man: funny, passionately honest, and a good dancer. The narrator, a middle-aged writer, decides to write about Stark as a hero whose anger and solitude represent passion and wisdom. At the same time that he tells Hamilton Stark's story, he

Read Free Continental Drift Russell Banks

describes the process of writing the novel and the complicated connections between truth and fiction. As Stark slips in and out of focus, maddeningly elusive and fascinatingly complex, this beguiling novel becomes at once a compelling meditation on identity and a thoroughly engaging story of life on the cold edge of New England.
