

Cool Characters For Kids 71 One Minute Monologues Vi

This book is a way of sharing insights empirically gathered, over decades of interactive media development, by the author and other children's designers. Included is as much emerging theory as possible in order to provide background for practical and technical aspects of design while still keeping the information accessible. The author's intent for this book is not to create an academic treatise but to furnish an insightful and practical manual for the next generation of children's interactive media and game designers. Key Features Provides practical detailing of how children's developmental needs and capabilities translate to specific design elements of a piece of media Serves as an invaluable reference for anyone who is designing interactive games for children (or adults) Detailed discussions of how children learn and how they play Provides lots of examples and design tips on how to design content that will be appealing and effective for various age ranges Accessible approach, based on years of successful creative business experience, covers basics across the gamut from developmental needs and learning theories to formats, colors, and sounds

Monologues just for kids! Everyday life was never so nutty! Inside My First Monologue Book you'll find 100 imaginative "what if" pieces for would-be princesses, cowboys, robots, and superheroes as well as real-life issues like unfair bedtimes, making new friends, and the horrible taste of broccoli. At this stage in life there are lots of firsts, too, like going to a new school and losing your teeth, so there are plenty of topics for children to connect with. Divided into sections by theme and sprinkled with illustrations, the material in this book is easily incorporated into existing reading curriculum. Often, young children are given work written for older students that is difficult for them to understand and retain. While not dumbed-down, this material is comprehensible, relatable, and fun. ABOUT THE SERIES My First Acting Series introduces children, ages 5 to 9, to the basic elements of acting, directing, and producing a live theatrical performance and, in so doing, teaches kids how to think critically, solve problems, and work cooperatively with their peers. This groundbreaking new series is for truly beginning actors, designed to incorporate theater and its benefits into children's lives at a young age by giving teachers and parents an accessible and applicable series with which to supplement their children's reading or social studies curriculum in a fun and interactive way. Each book builds on the one before it, so skills grow as students grow. A better alternative to Reader's Theater, My First Acting Series is written by professional playwrights, and sufficiently engages children, encourages them to cooperate, and develops their creative expression. Within this series, the Latino/English Collection is designed to support K-3 classes that include students whose first language, or language most frequently spoken at home, is Spanish. M. Ramirez has written accessible material that weaves commonly used Latino words and idioms into essentially English material. This Latino flavor breaks down language barriers and allows Latino kids to focus on the work at hand --learning to act -- while progressing in sync with schoolmates who are more comfortable with commonly available dramatic material.

Prepare your audition repertoire with the most innovative monologue series to date-Audition Arsenal! Are you tired of buying monologue books only to discard half of the pieces because they are outside of your age range? Not anymore! Milstein Great for auditions, competitions, showcases, and acting classes Gathers fifty-nine selections from plays suitable for use as audition monologues.

Judy Blume is one of Americas most popular authors of books for teens and adults. Fans of her work may not be aware, however, that this successful author was a wife and a mother before she tested her writing abilities. Blumes perseverance eventually landed this keenly observant author a publishing contract. Readers have laughed at the adventures of Peter Hatcher and his brother, Fudge, in Blumes "Tales of a Fourth Grade Nothing," and preteen readers found the trials and tribulations of puberty eased by reading "Are You There God? Its Me, Margaret" or "Then Again, Maybe I Wont." Blumes characters convey how it truly feels to be a teenager facing doubts, fears, and anxiety about life. This new edition brings readers up to date on this active author.

This latest in Smith and Kraus's popular series contains only material from published, readily available plays, all first published or produced in 2005, 2006, and most appropriate for use by student actors and working actors in need of audition material.A partial list:Sez She Jane MartinShakespeare in Hollywood Ken LudwigWild Turkeys Don NigroThe Dear Boy Dan O'Brien99 Histories Julia ChoTatjana in Color Julia JordanIn the Continuum Danai Gurira and Nikkole SalterThose Who Can, Do Brighde MullinsRomeo To Go Jonathan RandThe Scene Theresa RebeckShow People Paul WeitzD. L. LEPIDUS is a freelance critic and editor who has covered the New York theater scene for more than twenty-five years. Since 1993, his work has appeared in theater columns for Chelsea Clinton News and the Westsider.

One of the world's leading cartoon artists shows readers how to capture the retro look of Sponge Bob, Dexter, and other popular comics, revealing how to recapture the 1950s in cartoons. All ages.

The latest edition of America's best-selling monologue series for women and men. All monologues are excerpted from plays produced during the 2001 theatrical season. Almost all from readily available published plays. A collection of great men's monologues from 2001.

This book aims to bridge the gap between child cognitive behavioral therapy (CBT) as practiced in academic centers and its use in community settings. Because CBT is considered the gold standard in the treatment of a variety of child mental health conditions and has been evaluated in numerous randomized controlled trials, practitioners often face pressure to "do CBT" for children meeting criteria for certain disorders, especially anxiety and depression. This book uses a step-by-step, practical approach to spell out child CBT assessment and treatment considerations that are often not detailed in treatment manuals but are highly relevant to community practitioners.
