With a new introduction by poet and editor Kevin Young, this celebratory edition of *The Weary Blues* reminds us of the stunning achievement of Langston Hughes. Hughes—who was just twenty-four at the time of *The Weary Blues*'s first appearance—spoke directly, intimately, and powerfully of the experiences of African Americans at a time when their voices were newly being heard in American literature, beginning with the opening “Proem” (prologue poem)—“I am a Negro: / Black as the night is black, / Black like the depths of my Africa.” As the legendary Carl Van Vechten wrote in a brief introduction to the original 1926 edition, “His cabaret songs throb with the true jazz rhythm; his sea-pieces ache with a calm, melancholy lyricism; he cries bitterly from the heart of his race . . . Always, however, his stanzas are subjective, personal,” and, he concludes, they are the expression of “an essentially sensitive and subtly illusive nature.” That illusive nature darts among these early lines and begins to reveal itself, with precocious confidence and clarity. In a new introduction to the work, the poet and editor Kevin Young suggests that Hughes from this very first moment is “celebrating, critiquing, and completing the American dream,” and that he manages to take Walt Whitman’s American “I” and write himself into it. We find here not only such classics as “The Negro Speaks of Rivers” and the great twentieth-century anthem that begins “I, too, sing America,” but also the poet’s shorter lyrics and fancies, which dream just as deeply. “Bring me all of your / Heart melodies,” the young Hughes offers, “That I may wrap them / In a blue cloud-cloth / Away from the too-rough fingers / Of the world.”

Zara, Ziggy and Zoe are three little witches who live together in Magic Wood. Cups and saucers wash themselves up, letters sprout wings, a calendar sings a song, and Wizard Wink's school moves from place to place. The three little witches are planning a Halloween party, but naughty Melissa is out to make trouble! Punctuated by catchy rhymes and speech bubbles, the stories demand to be read aloud, and with their bright, funny pictures and lively design they are hugely appealing.
