This gift book for anyone who filled a father's role by choice is a reminder that being a father is far more than just biological, it's a relationship. He Didn't Have to Be is a tender salute to a stepfather who becomes a loving dad to a child even though he "didn't have to be" one. And as the child - now grown and a new father - considers the birth of his own baby, the new father hopes that he is "at least half the dad that his stepfather didn't have to be." Written by CMA award winning and Grammy nominated Brad Paisley and songwriter Kelley Lovelace, and including a CD of the popular song, He Didn't Have to Be will be a much-given gift this holiday season and again at Father's Day.

(Easy Guitar). Easy arrangements of 27 of Elvis' best, including: Always on My Mind * Are You Lonesome Tonight? * For the Good Times * Green Green Grass of Home * Help Me Make It Through the Night * I Can't Stop Loving You * I'm So Lonesome I Could Cry * Kentucky Rain * Little Sister * Make the World Go Away * Mystery Train * Release Me * more. Learning all the notes on the fretboard taking too long? Or worse - seems impossible? This book will unlock all the notes in 5 Simple steps! Why Should I learn the Fretboard? Throughout my years of experience with the guitar, I have come across multiple "pro guitarists" who cannot name the note they just played. Learning guitar theory with no knowledge about the names of the fretboard is comparable to learning complex arithmetic equations without knowing numbers! This book will make sure you don't end up like one of those guitarists! Here is why you should learn the fretboard: Understand how notes are arranged on the fretboard Create a mind map to navigate through the fretboard Communicate the ideas you have in your head to written format or to other musicians Create various visual references to make the fretboard less daunting And lots more Why Should I buy this book? It's only fair to ask yourself this question before spending your hard-earned money on anything. Here is what you'll find inside: The whole process of learning the fretboard simplified into 5 easy steps A step by step approach which will give you results even if you are a complete beginner 35+ exercises and tips to make sure you get results as fast as humanly possible The theory behind every concept for those who need it Countless memory techniques to make the process as simple as possible Beginner friendly - no prior music experience required All this taught in less than a day! Why this book from among the 100 others? I know there are multiple books out

there that teaches you the exact same things. They have a lot more reviews and have been out for longer than this book. But here is how this book is different: Unique memory techniques which cannot be found elsewhere High quality pictures and diagrams to give you the whole picture Free bonus material including fretboard diagrams, Flash cards, Reference material and lots more! Gives you results faster than any book out there! I hope that was enough reasons to make you jump onto the book! So, what are you waiting for? Scroll up and click the BUY NOW button to get access to such a goldmine!
