You matter to God -- God loves me -- God can be trusted -- God forgives me -- God transforms me -- God guides me -- God uses me -- God satisfies me -- Now what? In "Simplify," bestselling author Bill Hybels identifies the core issues that lure us into frenetic living--and offers searingly practical steps for sweeping the clutter from our souls. Today's velocity of life can consume and control us . . . until our breakneck pace begins to feel normal and expected. That's where the danger lies: When we spend our lives doing things that keep us busy but don't really matter, we sacrifice the things that do. What if your life could be different? What if you could be certain you were living the life God called you to live--and building a legacy for those you love? If you crave a simpler life anchored by the priorities that matter most, roll up your

By eradicating the stuff that leaves your spirit drained, you can stop doing what doesn't matter--and start doing what does. The book you hold resonates with this conviction: that leaders such as you have the potential to be the most influential forces on planet Earth. Are you willing to do whatever it takes to lead your church effectively so God's message of hope can change the world? Then this book is for you. *Courageous Leadership* is Bill Hybels' magnum opus, a book far too important to be written before its time. Only now, after nearly thirty years leading his own church from a handful of people with a burning vision into a globe-spanning kingdom force—only after almost three decades of victories and setbacks, of praying hard and risking big—is Hybels ready at last to share the lessons he has learned, and continues to learn, about Christian leadership. Too much is at stake for you not to maximize your spiritual gift of leadership, insists Hybels. In this passionate, powerful book, he unpacks the tools, tasks, and challenges of your calling. You'll discover the power of vision and how to turn it into action. You'll gain frontline insights for developing a kingdom dream team, discovering your leadership style,

developing other leaders, making decisions, walking with God, embracing change, staying your God-given course, and much, much more. Drawing on his own richly varied life experiences, Hybels fleshes out vital principles with riveting firsthand stories. This is far more than another book on leadership strategies and techniques. You'll find those topics in here, to be sure. But beyond them, you'll find the very essence of one of today's foremost Christian leaders—his fervent commitment to evangelism and discipleship and his zeal to inspire fellow church leaders even as he seeks to keep growing as a leader himself. If unchurched people matter to you . . . if you love seeing believers serve passionately with their spiritual gifts . . . if God's heartbeat for the church is your heartbeat as well . . . then this book is a must. *Courageous Leadership* will convince you to lead with all your might, all your skill, and all your faith. And it will give you the tools to do just that.

What if you knew that by simply crossing the room and saying hello to someone, you could change that person's forever? Just a few steps to make an eternal difference. It has nothing to do with methods and everything to do with taking a genuine interest in another human being. Just *Walk Across the Room* brings personal evangelism into the twenty-first century. to bring hope and redemption to broken people living in a fallen world. Now it's your turn. Your journey may not be as dramatic, but it can have a life-changing impact for someone standing a few steps away from you—and for you as well, as you learn the power of extending care, compassion, and inclusiveness under the guidance of the Holy Spirit. The highest value in personal evangelism is cooperating with the Spirit, says Hybels. This means playing only the role you're meant to play—walking when the Spirit says to walk, talking when he says to talk, and falling silent when he suggests that you've said enough. Hybels encourages you to “live in 3D” ... —Developing friendships —Discovering stories —Discerning appropriate next steps ... as a means of learning to understand the Holy Spirit's promptings. With fresh perspectives from his own reflections and experiences collected during his most recent decade of ministry, Bill Hybels shows with convincing and inspiring clarity the power of this personal, richly relational approach to evangelism. The stakes are high. The implications are eternal. And you may be only a conversation away from having an eternal impact on someone's life—if you will just walk across the room.

In a society where "upward mobility" is the highest goal, Bill Hybels asks a tough question: Do Christians place God's desires first-or their own? In *Descending into Greatness*, Hybels and writer Rob Wilkins take the example of Christ's downward journey as it was meant to be; the radical and essential answer for every Christian. In fourteen powerful chapters, the authors explore such topics as How Jesus managed power. The intentional

decisions necessary to move down. The uplifting nature of true humility. Abundant life through dying to self. The ambush of joy. Moving down is never an easy matter that can be reduced to a formula. It involves a life committed to discipleship. Descending into Greatness introduces you to the touching stories of modern men and women committed to advancing the kingdom of God: from the pro football player, to the medical missionary, to a businessman wrestling with the priorities in the world of finance. Descending into Greatness asks tough questions and gives hopeful answers. Now, this powerful, urgent message also includes a discussion guide so that you can follow through, too. "Like Christ, we must descend-into self-abandonment, unconditional giving, sacrifice, and death to self. And, like Christ, we will then ascend-into fulfillment, blessing, joy, and purpose."

The author of Holy Discontent shares the importance in recognizing God whispers and challenges readers to be attentive in this process and to walk in obedience, knowing without a doubt that God's whispers are always worth listening to.

What is the one aspect of this broken world that, when you see it, touch it, get near it, you just can't stand? Very likely, that firestorm of frustration reflects your holy discontent, a reality so troubling that you are thrust off the couch and into the game. It's during these defining times when your eyes open to the needs surrounding you and your heart hungers to respond that you hear God say, "I feel the same way about this problem. Now, let's go solve it together!" Bill Hybels invites you to consider the dramatic impact your life will have when you allow your holy discontent to fuel instead of frustrate you. Using examples from the Bible, his own life, and the experiences of others, Hybels shows how you can find and feed your personal area of holy discontent, fight for it when things get risky, and follow it when it takes a mid-course turn. As you live from the energy of your holy discontent, you'll fulfill your role in setting what is wrong in this world right! This guide helps parents tackle the thorny issues they face today and also develop confidence and competence in their role as a parent.

laws of the leadership. To achieve success, you're supposed to - among other things - leverage your time, choose a strong team, and avoid unnecessary controversy. But what do you do when the laws of leadership collide with the teachings of Christ? What would it mean to reveal your true character to those you lead? What would it take for you to take an honest look at yourself and ask, "Am I leading from my mission ... or my shadow mission?" Using stories from their own lives and ministries, Bill Hybels, John Ortberg, and Dan Allender illustrate how the laws of leadership sometimes crash head-on into the demands of discipleship, and how the decisions you make at these crossroads could affect not only you, but the destiny of those you lead. The Call to Lead includes the previous releases from the Leadership Library series: *When Leadership and Discipleship Collide*, by Bill Hybels, *Overcoming Your Shadow Mission*, by John Ortberg, and *Leading Character* from Dan Allender.

If you long for a spiritual life that is deep, fruitful, and profoundly real, these studies will help you draw heart to heart with God. 6 SESSIONS

When the spiritual gift of leadership comes alive in churches everywhere, the church will become the hope of the world and a most influential force for good.

Pastor Bill Hybels believes that there is a new reality in America. The church has entered an era of growth and unprecedented spiritual opportunity to share the Gospel, yet at the same time we face a shrinking economy and a world in crisis. This poses a great resource challenge for the church. In order to reach out to people who are spiritually hungry, the church needs more people to be equipped to serve others. Hybels passionately believes the key to the future of the church is the equation "X (paid staff) + Y (volunteers) = Z (bearing much fruit for God's glory)." Churches cannot afford to continue hiring more and more staff with limited budgets.

The key to resourcing the church is what Hybels calls "the Y factor." The Y factor is the pool of volunteers in every church. The great need of the church is to grow the church's volunteer base through the equipping ministry of church staffs. As churches recover the message of Ephesians 4:11-12 to "equip God's people for works of service" they will launch a Volunteer Revolution. People are just waiting to discover the gifts and passions that God has given them to serve others and then be invited to use those gifts and passions through the local church in order to advance the kingdom of God on Earth. Hybels believes that every church staff should be helping people discover their spiritual gifts, passions and place of service in order to meet the growing needs in our churches and world. Hybels makes a clarion call to move beyond volunteer retention to volunteer acquisition. By attracting, connecting, training, and sustaining volunteers, churches will mobilize people into places of service that will bring new meaning to their lives and understand why God put them on planet Earth. Hybels also outlines how we can build lifelong volunteers in the church through community, celebration, and commendation.
