Estate and Trust Administration For Dummies, 2nd Edition (9781119543879) was previously published as Estate and Trust Administration For Dummies, 2nd Edition (9781118412251). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. Your plain-English guide to administering an estate and/or trust As more and more of the population reach senior ages—including baby boomers, many of whom do not have wills—an increasing number of people are being thrust into the role of executor, administrator, personal representative of an estate, or trustee of a trust after the death of a loved one. This updated edition of Estate & Trust Administration For Dummies guides you through the confusing process of administering an estate and/or trust. Settling an estate and administering a trust can be complicated, messy, and time-consuming for individuals named as executor or trustee, most of whom have no previous experience with such matters. Estate & Trust Administration For Dummies shows you how to make sound decisions for your unique circumstances. Guides you through the confusing process of administering an estate and/or trust Provides expert advice on unfamiliar estate and trust tax law Gives you a practical checklist to follow for all of your estate and trust administration questions and concerns Whether you're looking for guidance on how to navigate the probate process and estate taxes, settle debts and bequests, fund a trust, comply with tax regulations, or anything in between, this hands-on, friendly guide takes away the mystery and provides detailed answers to all of your estate and trust administration questions.

Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. With more than 800 alphabetical entries and nearly 100 sample documents, The AMA Handbook of Business Writing gives you quick, accessible guidelines to the entire writing process, from using correct grammar and style to formatting your document for clarity to writing effectively for a target audienceFar more comprehensive than the vast majority of business writing guides, yet infinitely easier to grasp than standard tomes like The Chicago Manual of Style, this is a remarkably comprehensive reference---and remarkably easy to pinpoint the information you need to complete any writing project, whether it's an annual report, newsletter, press release, business plan, grant proposal, training manual, PowerPoint presentation, or piece of formal correspondence.Prepared by the founders of a successful corporate communications consulting firm and authors of the best-selling Administrative Assistant's and Secretary's Handbook, this book is designed for businesspeople of every stripe, from marketing managers to human resources directors, from technical writers to public relations professionals, from administrative assistants to sales managers.Peek inside to survey the unprecedented scope of information, all presented in a simple A-to-Z format, with clear examples, helpful cross-references, easy-to-emulate sample documents, and step-by-step guidelines. The AMA Handbook of Business Writing is a classic reference you'll consult every time you write.When it comes to writing, do you know how many businesspeople are just winging it? Almost everyone! And it shows in sloppy grammar, incomprehensible language, poorly structured documents, shoddy research, and downright ugly formatting. Whether it's a simple business letter or a hefty annual report, poor writing looks bad for the organization, and it really looks bad for the person producing it.Help is now here. The AMA Handbook of Business Writing is a complete A-to-Z reference on everything you need to produce top-quality documents. Offering the expansive breadth of information found in The Chicago Manual of Style, but without the excessive detail and complexity, you'll find here more than 600 pages of instantly accessible, thoroughly useful information for getting any job done.With examples and cross-references throughout, the monumental, easy-access AMA Handbook of Business Writing is an indispensable desktop reference for every business professional.

The Second Edition, written by Robert B. Thompson, a leading scholar and teacher in the field, equips students with the legal rules and economic and financial principles they will need to help clients make keen strategic choices during an acquisition. Mergers and Acquisitions: Law and Finance offers up-to-date and rich, yet succinct, coverage with the perfect mix of theory and practice. Features: Cases and materials illustrating the continued judicial tolerance of poison pills, still the most important takeover defense (the Air Products decision) The changing use of staggered boards in the fact of institutional shareholder criticism (e.g., willing to vote against directors who don't remove classified boards) and litigation (the Air Products decision) Judicial efforts to develop a uniform standard for cash-out mergers (the CNX decision) Broadened attention to the role of activist shareholders in takeovers and updating of the CSX decision More material on federal rules including disclosure and antitrust and additional discussion on international aspects

This book concentrates on ensuring that the 'corporate message' is communicated to stakeholders in a way that maximises the value of the annual report and outlines how this might best be achieved. It explains the importance not only of the quantitative (accounting) information but also the qualitative content such as the chairman's statement, directors' report, operating and financial review, explanatory notes and so on. Particular recognition is given to the legal, stock exchange and professional accounting requirements as well as to the increasingly important but more discretionary areas of content such as social, environmental and ethical reporting issues. Crucially, the book discusses the importance of electronic communication now that legislation allows companies to deliver information over the internet. On a practical level, the book takes the reader through the procedures and processes in actually managing the preparation and production of the report. Both the practical and theoretical aspects of the book are placed in context by the use of relevant extracts taken from 'real-life' annual reports of major organisations. By using these authentic examples the book clearly highlights what works and what doesn't. Ensure that your company's annual reports conform to the highest standards of best practice. Don't waste the opportunity to deliver your message.

Comdex Professional Edition is specially designed for software explorers who want to take next higher step towards mastering Windows Vista and MS Office 2007.
