A little girl's smile as she skips down the street inspires a neighbor to send cookies to her grandson in Mexico, and the good will she shares soon spreads around the world. From the creator of the Caldecott Honor-winning Interrupting Chicken.

Bear is here to enjoy the gifts of each season, especially summer and HONEY! Bear has awoken from his winter nap with only one thing on his mind: honey! Alas, it is too soon for honey, so Bear tries hard to be patient. Fortunately, the world around him is waking up, too. There is warm grass, berries, the smell of flowers. There is rain to dance in and a creek to swim in. Bear is almost content, until, one day, he hears a welcome buzzing sound . . . and finally it is time for Bear to delight in the thing he relishes above all others--and it is as warm, golden, sweet, and good as he remembered. This sweet companion to David Ezra Stein's award-winning Leaves celebrates the joy of savoring something you love.

A daring ninja learns that the greatest thrills and the best adventures are ones that are shared with others.

Cowboy Ned & Andy Simon and Schuster

When he goes to spend the summer with his great-aunt in the family's old house, eleven-year-old Drew is drawn eighty years into the past to trade places with his great-great-uncle who is dying of diphtheria.

A city boy learns how to be a cowboy.

With his tape recorder, Richard Negri captured the life stories of seven men and three women who lived by herding cattle and sheep in the area around what is now Canyonlands National Park. Encompassing Wayne, Emery, and Garfield counties in southeastern Utah, this was a scenic land of isolated ranches, precipitous paths, and little water or food in the San Rafael Desert and the canyonlands west of the Green and Colorado Rivers. The stories he captured are rich with descriptive details of landscape and the challenges it presented to both humans and animals eeking out a living in this parched territory. The interviews with these early cowboys and cowgirls, sheepmen and sheepwomen, are full of colloquialisms, western flavor, and strong opinions. Fleshed out with maps and photographs, the stories capture the precarious existence of these people, celebrating their triumphs and their challenges, often begging the question of how or why one would choose to live in this hard-scrabble place. What shines clear in these stories is the commitment these men and women have to their way of life and to the land they called home.

Loving to spend his days swimming, catching flies, and snuggling beside his dad, Tad the tadpole grows new limbs and begins wiggling, croaking, and kicking in his sleep, making him realize that it's time for a lily pad of his own.

It's time for the little red chicken's bedtime story—and a reminder from Papa to try not to interrupt. But the chicken can't help herself!

Whether the tale is Hansel and Gretel or Little Red Riding Hood or even Chicken Little, she jumps into the story to save its hapless characters from doing some dangerous or silly thing. Now it's the little red chicken's turn to tell a story, but will her yawning papa make it to the end without his own kind of interrupting? Energetically illustrated with glowing colors—and offering humorous story-within-a-story views—this all-too-familiar tale is sure to amuse (and hold the attention of ) spirited little chicks.

Richard Negri interviews cattlemen and women about ranching in the rugged canyonlands region of southeastern Utah. Personal stories and anecdotes from the colorful characters who ground out a hard living on ranches of the early 20th century.

From renowned journalist Bill Zehme, author of the New York Times bestselling *The Way You Wear Your Hat: Frank Sinatra and the Lost Art of Livin'*, comes the first full-fledged biography and the only complete story of the late comic genius Andy Kaufman. Based on six years of research, Andy's own unpublished, never-before-seen writings, and hundreds of interviews with family members, friends, and key players in Andy's endless charades, many of whom have become icons in their own right, *Lost in the Funhouse* takes us through the maze of Kaufman's mind and lets us sit deep behind his mad, dazzling blue eyes to see, firsthand, the fanciful landscape that was his life.

Controversial, chaotic, splendidly surreal, and tragically brief--what a life it was. Andy Kaufman was often a mystery even to his closest friends. Remote, aloof, impossible to know, his internal world was a kaleidoscope of characters fighting for time on the outside. He was as much Andy Kaufman as he was Foreign Man (dank you veddy much), who became the lovably bashful Latka on the hit TV series *Taxi*. He was as much Elvis Presley as he was the repugnant Tony Clifton, a lounge singer from Vegas who hated any audience that came to see him and who seemed to hate Andy Kaufman even more. He was a contradiction, a paradox on every level, an artist in every sense of the word. During the comic boom of the seventies, when the world had begun to discover the prodigious talents of Steve Martin, Richard Pryor, John Belushi, Bill Murray, and so many others, Andy was simply doing what he had always done in his boyhood reveries. On the debut of *Saturday Night Live*, he stood nervously next to a phonograph that scratchily played the theme from *Mighty Mouse*. He fussed and fidgeted, waiting for his moment. When it came, he raised his hand and moved his mouth to the words "Here I come to save the day!" In that beautiful deliverance of pantomime before the millions of people for whom he had always dreamed about performing, Andy triumphed. He changed the face of comedy forever by lurching across boundaries that no one knew existed. He was the boy who made life his playground and never stopped playing, even when the games proved too dangerous for others. And in the end he would play alone, just as he had when it was all only beginning. In *Lost in the Funhouse*, Bill Zehme sorts through a life of disinformation put forth by a master of deception to uncover the motivation behind the manipulation. Magically entertaining, it is a singular biography matched only by its singular subject.

“Thompson-Hernández's portrayal of Compton's black cowboys broadens our perception of Compton's young black residents, and connects the Compton Cowboys to the historical legacy of African Americans in the west. An eye-opening, moving book.”— Margot Lee Shetterly, New York Times bestselling author of Hidden Figures A rising New York Times reporter tells the compelling story of The Compton Cowboys, a group of African-American men and women who defy stereotypes and continue the proud, centuries-old tradition of black cowboys in the heart of one of America's most notorious cities. In Compton, California, ten black riders on horseback cut an unusual profile, their cowboy hats tilted against the hot Los Angeles sun. They are the Compton Cowboys, their small ranch one of the very last in a formerly semirural area of the city that has been home to African-American horse riders for decades. To most people, Compton is known only as the home of rap greats NWA and Kendrick Lamar, hyped in the media for its seemingly intractable gang violence. But in 1988 Mayisha Akbar founded The Compton Jr. Posse to provide local youth with a safe alternative to the streets, one that connected them with the rich legacy of black cowboys in American culture. From Mayisha's youth organization came the Cowboys of today: black men and women from Compton for whom the ranch and the horses provide camaraderie, respite from violence, healing from trauma, and recovery from incarceration. The Cowboys include Randy, Mayisha's nephew, faced with the daunting task of remaking the Cowboys for a new generation; Anthony, former drug dealer and inmate, now a family man and mentor, Keiara, a single mother pursuing her dream of winning a national rodeo championship, and a tight clan of twentysomethings--Kenneth, Keenan, Charles, and Tre--for whom horses bring the freedom, protection, and status that often elude the young black men of Compton. The Compton Cowboys is a story about trauma and transformation, race and identity, compassion, and ultimately, belonging. Walter Thompson-Hernández paints a unique and unexpected portrait of this city, pushing back against stereotypes to reveal an urban community in all its complexity, tragedy, and triumph. The Compton Cowboys is illustrated with 10-15 photographs.

Her bravery is put to the test, however, when a really big threat wanders into town and onto her tree. But no matter what, Mama's not about to back down!

Why do the earliest representations of cowboy-figures symbolizing the highest ideals of manhood in American culture exclude male-female desire while promoting homosocial and homoerotic bonds? Evidence from the best-known Western writers and artists of the post-Civil War period - Owen Wister, Mark Twain, Frederic Remington, George Catlin - as well as now-forgotten writers, illustrators, and photographers, suggest that in the period before the word 'homosexual' and its synonyms were invented, same-sex intimacy and erotic admiration were key aspects of a masculine code. These males-only clubs of journalists, cowboys, miners, Indian vaqueros defined themselves by excluding femininity and the cloying ills of domesticity, while embracing what Roosevelt called 'strenuous living' with other bachelors in the relative 'purity' of wilderness conditions. *Queer Cowboys* recovers this forgotten culture of exclusively masculine, sometimes erotic, and often intimate camaraderie in fiction, photographs, illustrations, song lyrics, historical ephemera, and theatrical performances.

"Kids will plunge into the whomping and chomping with glee." - Publishers Weekly (starred review) For newly hatched dinosaur Dinah, the world is an exciting place. There is so much to see and do. She tries this - STOMP! And she tries that - CHOMP! Then she sees a kiss and knows just what she wants to try next. Can she figure out how to give someone a kiss without whomping, chomping, or stomping them first? Young children will chuckle and cheer when Dinah finds just the right creature for her dinosaur kisses in this funny new book from David Ezra Stein, creator of the Caldecott Honor-winning *Interrupting Chicken*.

Worms don't take good family photos, do they? Find out in this hilarious picture book from a Caldecott Honor illustrator and debut author about a young worm who comes to appreciate her very unusual family for who they are. Emma is excited for her worm family to have their portrait taken. But when she sees her other friends' portraits, she gets discouraged. "We had the most beautiful smiles," Ellie the Chipmunk squeals. Abigail the Cat meows, "I looked gorgeous with my big poufy hair." The worm family doesn't have teeth...how will they show their beautiful smiles? They don't have hair either...how can it look big and poufy?! So Emma gathers wigs, giant fake teeth, and colorful clothing for her parents and sisters. But it's only after taking off their costumes that the worm family is able to wriggle and squiggle and squeeze
