their Advanced Placement Exam. The exam is extremely challenging, and thorough test preparation is essential for success. Our study guide includes: *

- * Practice test questions with detailed answer explanations
- * Step-by-step video tutorials to help you master difficult concepts
- * Tips and strategies to help you get your best test performance
- * A complete review of all AP test sections

AP(R) and Advanced Placement(R) are trademarks registered by the College Board, which is not affiliated with, and does not endorse, this product. The Mometrix guide is filled with the critical information you will need in order to do well on your AP exam: the concepts, procedures, principles, and vocabulary that the College Board expects you to have mastered before sitting for your exam. Test sections include: *

- * Evolution
- * Cellular Processes: Energy and Communication
- * Genetics and Information Transfer
- * Interactions ...and much more!

Our guide is full of specific and detailed information that will be key to passing your exam. Concepts and principles aren't simply named or described in passing, but are explained in detail. The Mometrix AP study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice

questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of AP practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth, in order to make the principles and reasoning behind it crystal clear. Many concepts include links to online review videos where you can watch our instructors break down the topics so the material can be quickly grasped. Examples are worked step-by-step so you see exactly what to do. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides, and our AP Biology 2020 and 2021 - AP Biology Secrets Test Prep Book is no exception. It's an excellent investment in your future. Get the AP review you need to be successful on your exam.
