In this timely book, authors Matthew and Terces Engelhart present the idea that love before appearances is the antidote to our spiritual, environmental, and social degradation. Exploring topics such as mission statements, manager as coach, human resources as a sacred culture, and inspirational meetings, they offer a manual for building a spiritual community at the workplace—a vital concept in an age when work consumes the bulk of most adults' time. Business, the authors explain, is all about providing a service, product, or experience the market wants, and no business can succeed by failing to understand this point. However, integrating the concept of "Sacred Commerce" into business can provide both financial success and spiritual satisfaction. Stressing that every business is an opportunity to make a lasting impact on the lives of both clients and employees, the Engelharts share the tools they've learned in their own enterprises to fulfill this vision. Sacred Commerce is the ideal mix of the personal and the practical—a guidebook written by people who have felt success, not just spent it. Dissatisfaction with work is at record levels, and the Engelharts show that you don't have to suffer personally—or give up your humanity—to pay the mortgage.

The official playscript of the original West End production of Harry Potter and the Cursed Child. It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband, and father of three school-age children. While Harry grapples with a past that refuses to stay where it belongs, his youngest son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places. The playscript for Harry Potter and the Cursed Child was originally released as a 'special rehearsal edition' alongside the opening of Jack Thorne's play in London's West End in summer 2016. Based on an original story by J.K. Rowling, John Tiffany and Jack Thorne, the play opened to rapturous reviews from theatregoers and critics alike, while the official playscript became an immediate global bestseller. This revised paperback edition updates the 'special rehearsal edition' with the conclusive and final dialogue from the play, which has subtly changed since its rehearsals, as well as a conversation piece between director John Tiffany and writer Jack Thorne, who share stories and insights about reading playscripts. This edition also includes useful background information including the Potter family tree and a timeline of events from the wizarding world prior to the beginning of Harry Potter and the Cursed Child.

One night in Salem Massachusetts, a group of girls are caught dancing in the woods by Reverend Parris. His own daughter falls into a coma soon after, and the town is ablaze with talks of witchcraft. The Reverend sends for Reverend Hale to examine the girl for witchcraft. Hale concludes that the town of Salem is in fact engulfed in witchcraft as one by one the girls accuse other townspeople of communing with the devil. A trial ensues causing those accused to either deny these allegations, or confess, thus accusing someone else. This cycle finally culminates in the death of several innocent townsfolk. A novel of man's inhumanity to man and a brilliant study of everyday anti-semitism at work in society, FOCUS is set in Brooklyn in the last years of World War 2. It is the story of Lawrence Newman, office worker and ordinary anti-semite, who suddenly is mistaken for a Jew when he begins to wear glasses. The change in his appearance leads inevitably to him experiencing the bigotry of the neighbours he'd been friendly with before; and in due course he finds support and understanding with one of the very Jewish immigrants he had previously so despised. This highly allegorical novel, possibly the first in American literature to deal directly with anti-semitism, is narrated with Miller's customary eloquence, and incorporates a cleverly-fashioned subplot concerning Newman's marriage to a woman whom he once refused to employ. This edition includes a preface entitled 'The Face in the Mirror: Anti-Semitism Then and Now', in which Miller writes: 'Focus is much involved with impersonations. Its central image is the turning lens of the mind of an anti-Semitic man forced by his circumstances to see anew his own relationships to the Jew.' This novel explores the consequences which unravel once L

Beware of creating your worst enemy. All Joe Colsco wanted out of life was a reasonably interesting job supporting a quiet, comfortable suburban lifestyle, eventually a small family, and time to pursue hobbies. Instead, a freak accident casts him naked onto a beach of another planet inhabited by humans with technology circa 1700. In time, Joe, now known as Yozef Kolsko, makes the difficult acceptance of a new life, has a respectable position in his new society, and is married with a child on the way. But all is not rosy. He has become embroiled in a struggle beyond any dream he could have had—or any nightmare. The Narthani are a militant society intent on subjugating the Caedelli, the people he's come to identify with. Despite Yozef's hope to focus his life on transferring scientific knowledge and support a quiet life, he finds his life's direction moving beyond his control. As his actions and ideas become more important in resisting the Narthani, he reluctantly finds himself dragged into leadership roles he doesn't believe himself qualified—including efforts to unite the Caedelli clans. The transformation of Joseph Colsco to Yozef Kolsko is about to take another step. Unwittingly, the Narthani themselves are creating an opponent unlike any they have ever faced, an enemy beyond their conceptions.

Einstein showed us that time is an illusion, relative to one's speed through space, and speed, therefore time, is subject to the force of gravity. This is the true paradox of time: Time is measured backwards and, compelled inescapably by gravity to contract, time will end where it began—at the centre of the universe. Until then, we will dream of a brighter future.

In a small tight-knit community gossip and rumour spread like wildfire inflaming personal grievances until no-one is safe from accusation and vengeance. *The Crucible* is Miller's classic dramatisation of the witch-hunt and trials that besieged the Puritan community of Salem in 1692. Seen as a chilling parallel to the McCarthyism and repressive culture of fear that gripped America in the 1950s, the play's timeless relevance and appeal remains as strong as when the play opened on Broadway in 1953.

"You're telling me I'm being sensitive, and students looking for safe spaces that they're being hypersensitive. If you're white, this country is one giant safe space." -- Michael Eric Dyson Is political correctness an enemy of free speech, open debate, and the free exchange of ideas? Or, by confronting head-on the dominant power relationships and social norms that exclude marginalized groups are we creating a more equitable and just society? For some the argument is clear. Political correctness is stifling the free and open debate that fuels our democracy. It is also needlessly dividing one group from another and promoting social conflict. Others insist that creating public spaces and norms that give voice to previously marginalized groups broadens the scope of free speech. The drive towards inclusion over exclusion is essential to creating healthy, diverse societies in an era of rapid social change. The twenty-second semi-annual Munk Debate, held on May 18, 2018, pits acclaimed journalist, professor, and ordained minister Michael Eric Dyson and New York Times columnist Michelle Goldberg against renowned actor and writer Stephen Fry and University of Toronto professor and author Jordan Peterson to debate the implications of political correctness and freedom of speech.

It features an extensive introduction by Brenda Murphy which includes a chronology of Miller's life and times, a summary of the plot and commentary on the characters, themes, language, context and production history of the play. Together with over twenty questions for further study and detailed notes on words and phrases from the text, this is the definitive edition of the play. *After the Fall* (1964) is embedded in historical events that were bound up with Arthur Miller's personal life. It is an intensely personal psychological study of its protagonist Quentin and a moral and philosophical commentary on the Holocaust, McCarthyism, and the career and death of Marilyn Monroe. The play marks the full realisation of Miller's modernist experimentation in trying to create a form that dramatises both human consciousness or subjectivity and its interrelationship with social and familial dynamics. A drama that takes place in the mind and thoughts of its protagonist, where memories are overshadowed by the Holocaust, the play is a moving study of human consciousness, morality and how we should live our lives once we have come to the realisation that we exist 'after the Fall'.

A literary study guide that includes summaries and commentaries.

The definitive memoir of Arthur Miller—the famous playwright of *The Crucible*, *All My Sons*, *Death of a Salesman*, *A View from the Bridge*, and other plays—*Timebends* reveals Miller's incredible trajectory as a man and a writer. Born in 1915, Miller grew up in Harlem in the 1920s and 1930s, developed leftist political convictions during the Great Depression, achieved moral victory against McCarthyism in the 1950s, and became president of PEN International near the end of his life, fighting for writers' freedom of expression. Along the way, his prolific output established him as one of the greatest writers of the twentieth century—he wrote twenty-two plays, various screenplays, short stories, and essays, and won the Pulitzer Prize in 1949 for *Death of a Salesman* and the New York Drama Critics Circle Award in 1947 for *All My Sons*. Miller also wrote the screenplay for *The Misfits*, Marilyn Monroe's final film. This memoir also reveals the incredible host of notables that populated his life, including Marilyn Monroe, Elia Kazan, Clark Gable, Sir Laurence Olivier, John F. Kennedy, and Mikhail Gorbachev. Leaving behind a formidable reputation in the worlds of theater, cinema, and politics, Arthur Miller died in 2005 but his memoir continues his legacy.

Set in Detroit during the Depression, Doerr tells the affecting story of Tom, meant to die of a weak heart before he is 18, who is cosseted by his mother, but shown a world of possibilities by the flame-haired Ruby.

The Crucible still has permanence and relevance a half century after its initial publication. This powerful political drama set amidst the Salem witch trials is commonly understood as Arthur Miller's poignant response to McCarthyism. Filled with fresh essays about the play, the new edition of this invaluable literary guide features a bibliography and notes on the essay contributors. Democratic policing today is a widely used approach to policing not only in Western societies but increasingly around the world. Yet it is rarely defined and it is little understood by the public and even by many of its practitioners. Peter K. Manning draws on political philosophy, sociology and criminal justice to develop a widely applicable fundamental conception of democratic policing. In the process he delineates today's relationship between democracy and policing. *Democratic Policing in a Changing World* documents the failure of police reform, showing that each

new approach - such as crime mapping and 'hot spots' policing - fails to alter any fundamental practice and has in fact increased social inequalities. He offers a new and better approach for scholars, policy makers, police, governments and societies.

In this playful homage to Charles Dickens, unlikely allies learn the lessons of a great friendship. Skilley, an alley cat with an embarrassing secret, longs to escape his street-cat life. He hopes to trade London's damp alleyways for the warmth of ye olde Cheshire Cheese Inn, so he strikes a bargain with Pip, an erudite mouse. Skilley will protect the mice who live at the inn, and in turn, the mice will provide Skilley with the thing he desires most. But when Skilley and Pip are drawn into a crisis of monumental proportions, their new friendship is pushed to its limits. The escalating crisis threatens the peace not only of the Cheshire Cheese Inn but also the British Monarchy! New York Times best-selling author Carmen Agra Deedy and author Randall Wright collaborate on this compelling story set in Victorian England. With the stunning artwork of award-winning illustrator Barry Moser, *The Cheshire Cheese Cat* is filled with charming characters and important themes of friendship and loyalty.

Clint Emerson, retired Navy SEAL and author of the bestselling *100 Deadly Skills*, presents an explosive, darkly funny, and often twisted account of being part of an elite team of operatives whose mission was to keep America safe by whatever means necessary. Clint Emerson is the only SEAL ever inducted into the International Spy Museum. Operating from the shadows, with an instinct for running towards trouble, his unique skill set made him the perfect hybrid operator. Emerson spent his career on the bleeding edge of intelligence and operations, often specializing in missions that took advantage of subterfuge, improvisation, the best in recon and surveillance tech to combat the changing global battlefield. MacGyvering everyday objects into working spyware was routine, and fellow SEALs referred to his activities simply as "special shit." His parameters were: find, fix, and finish—and of course, leave no trace. *The Right Kind of Crazy* is unlike any military memoir you've ever read because Emerson is upfront about the fact that what makes you a great soldier and sometimes hero doesn't always make you the best guy—but it does make for damn good stories.
