A Crying Shame Lyrical Press

First published in 1998. Routledge is an imprint of Taylor & Francis, an informa company. Building on ethnographic fieldwork and extensive historical evidence, *Crying Shame* analyzes lament across thousands of years and nearly every continent. Explores the enduring power of lament: expressing grief through crying songs, often in a collective ritual context Draws on the author's extensive ethnographic fieldwork, and unique long-term engagement and participation in the phenomenon Offers a startling new perspective on the nature of modernity and postmodernity An important addition to growing literature on cultural globalization WINNER OF THE QWF FIRST BOOK PRIZE "Alice Petersen writes as eloquently about the natural world as she does about the world of human emotion and desire. This is a wise and impressive collection of stories."—David Bezmozgis, author of *The Free World* Alice Petersen's *All the Voices Cry* is masterful and potent—incredibly satisfying for a reader. — Kathleen Winter, author of *Annabel* An academic's wife, struggling to keep up with her husband's quest to find a long-dead author's Tahitian love-garden, realizes that her own idea of paradise no longer includes her husband. An architect dreams of slender redheads, Champlain's astrolabe, and a brush with mortality—and finds at least the latter at *Danseuses 7 Jours*. An elderly man boards a trans-Pacific flight in an attempt to elude the prediction of a psychic, only to understand too late how the prophecy has shaped his actions. In *All the Voices Cry*, modern life collides with all the old pushes and pulls: city and country, the global and the local, the ideal and the real. Petersen's characters chase the mirage of escape, and are brought up hard by reality. This is a book rooted in landscape, tangled in the brambles of personal history, and it introduces in Alice Petersen a wondrous new voice that is yours to discover. Alice Petersen is a writer and critic whose work has been shortlisted for numerous Canadian prizes and awards. She was born in New Zealand and now lives and works in Montreal, Quebec.

Georgina Sophia Bailey is a determined young woman who is working towards making her mark in the world of finance. All is going according to plan both in her personal and professional life, where she can look forward to a glittering future. However, it all turns to ashes. She is caught up in a dreadful scandal, and the man she thought she could spend the rest of her life with turns his back on her and runs away to America. Her future appears to be in tatters, but she picks herself up and, with the help of her landlady's disabled son, starts afresh. This is her story, together with all the varied characters that are part of the rich and colourful tapestry of this tale. The story moves from Bedford, England, to Northumberland, the great city of York, then over the water to New York and Washington DC, and finally returns to York, UK. For ten-year-old Christine, home is a hostile place. Then, on a family holiday in Scotland, something terrible happens and, panic-stricken, Christine and her brother run away and hide in the back of a stranger's car. And a troubled little girl becomes a lonely spinster's salvation. *DOL* is a unique and gripping novel, both humorous and tragic. Lois Silverstein is an extraordinary writer: her incredible imaginative powers and vivid prose bring her troubled, complex characters to life in an unforgettable way. Thomas Rosbrow, Ph.D., Psychoanalyst, San Francisco Stunning. A bravura performance on family and abortion. Memorable and individualized characters, the time and place exact. Every page riveted me. I couldn't put it down. Martha Gold, Sculptor, New York City Some authors make a character's ethnicity or neuroses understandable by softening the character; Silverstein's characters are who they are. Initially approaching them is difficult but once inside their differentness, you reap the reward. Frederick C. Coleman, M.D., Clinical

NEW YORK TIMES BEST SELLER • A Best Book of 2021: Entertainment Weekly, Good Morning America, Wall Street Journal, and more From the indie rockstar of Japanese Breakfast fame, and author of the viral 2018 New Yorker essay that shares the title of this book, an unflinching, powerful memoir about growing up Korean American, losing her mother, and forging her own identity. In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

"Powerful... Tells a singular story to illuminate a universal truth."--The New York Times Book Review The shocking truth about postwar adoption in America, told through the bittersweet story of one teenager, the son she was forced to relinquish, and their search to find each other During the Baby Boom in 1960s America, women were encouraged to stay home and raise large families, but sex and childbirth were taboo subjects. Premarital sex was common, but birth control was hard to get and abortion was illegal. In 1961, sixteen-year-old Margaret Erle fell in love and became pregnant. Her enraged family sent her to a maternity home, and after she gave birth, she wasn't even allowed her to hold her own son. Social workers threatened her with jail until she signed away her parental rights. Her son vanished, his whereabouts and new identity known only to an adoption agency that would never share the slightest detail about his fate. Claiming to be acting in the best interests of all, the adoption business was founded on secrecy and lies. *American Baby* lays out how a lucrative and exploitative industry removed children from their birth mothers and placed them with hopeful families, fabricating stories about infants' origins and destinations, then closing the door firmly between the parties forever. Adoption agencies and other organizations that purported to help pregnant women struck unethical deals with doctors and researchers for pseudoscientific "assessments," and shamed millions of young women into surrendering their children. Gabrielle Glaser dramatically demonstrates the power of the expectations and institutions that Margaret faced. Margaret went on to marry and raise a large family with David's father, but she never stopped longing for and worrying about

her firstborn. She didn't know he spent the first years of his life living just a few blocks away from her; as he grew, he wondered about where he came from and why he was given up. Their tale--one they share with millions of Americans--is one of loss, love, and the search for identity. Adoption's closed records are being legally challenged in states nationwide. Open adoption is the rule today, but the identities of many who were adopted or who surrendered a child in the postwar decades are locked in sealed files. *American Baby* illuminates a dark time in our history and shows a path to reunion that can help heal the wounds inflicted by years of shame and secrecy.

All it took to destroy Andy Nocera's seemingly perfect life was an anonymous tryst at an Interstate rest area. Sentenced to probation and thrown out by his wife, he spends his week as a traveling salesman, and his weekends at his mother's house where no questions are asked--and no explanations are offered. To clear his record, the State of North Carolina requires Andy to complete one year of therapy without another arrest. He attends his sessions reluctantly at first, struggling to comprehend why he would risk everything. Answers don't come easily, especially in the face of his mother's sudden illness and his repeated failure to live as an openly gay man. But as Andy searches his past, he gets an opportunity to rescue another lost soul--and a chance at a future that is different in every way from the one he had envisioned. With profound honesty, sharp wit, and genuine heart, this debut novel portrays one man's search--for love and passion, acceptance and redemption--and for the courage to really live. "If you're looking for a smart, engaging, witty, sad and unusual book about the complicated nature of family and love, try Tom Mendicino's *Probation*. You'll be glad you did." --Bart Yates "*Probation* is the rare novel that dares to take the reader on a journey through the dark night of the soul. An unflinching look at the dark side of self-discovery, it is ultimately a story of transformation and the worlds of possibilities hidden within each of us." --Michael Thomas Ford Tom Mendicino spent six raucous years roaming the country and eking out a living in the Sales Department of several New York publishing houses before attending the law school of the University of North Carolina. His stories, some of them excerpts from *Probation*, have appeared in several recent anthologies.

In this new collection of interviews, Steve Cushing once again invites readers into the vaults of Blues Before Sunrise, his acclaimed nationally syndicated public radio show. Icons from Memphis Minnie to the Gay Sisters stand alongside figures like schoolteacher Flossie Franklin, who helped Leroy Carr pen some of his most famous tunes; saxman Abb Locke and his buddy Two-Gun Pete, a Chicago cop notorious for killing people in the line of duty; and Scotty "The Dancing Tailor" Piper, a font of knowledge on the black entertainment scene of his day. Cushing also devotes a section to religious artists, including the world-famous choir Wings Over Jordan and their travails touring and performing in the era of segregation. Another section focuses on the jazz-influenced Bronzeville scene that gave rise to Marl Young, Andrew Tibbs, and many others while a handful of Cushing's early brushes with the likes of Little Brother Montgomery, Sippi Wallace, and Blind John Davis round out the volume. Diverse and entertaining, Blues Before Sunrise 2 adds a chorus of new voices to the fascinating history of Chicago blues.

Can she escape the hardships of her past? Growing up in London's tough East End, young Sara Porter has had to learn to take care of herself. Her mother resents her maternal responsibilities and has never shown her daughter the slightest bit of love. Starved of affection, Sara vows not to let anyone get close and focuses instead on getting out of the East End. But still she hopes that one day she'll find a real family to call her own... Post-Celtic Tiger Ireland and Contemporary Women's Writing: Feminist Interventions and Imaginings analyzes and explores women's writing of the post-Tiger period and reflects on the social, cultural, and economic conditions of this writing's production. The Post-Celtic Tiger period (2008-) in Ireland marks an important moment in the history of women's writing. It is a time of increased visibility and publication, dynamic feminist activism and collective projects, as well as a significant garnering of public recognition to a degree that has never been seen before. The collection is framed by interviews with Claire Kilroy and Melatu Okorie—two leading figures in the field—and closes with Okorie's landmark short story on Direct Provision, "This Hostel Life." The book features the work of leading scholars in the field of contemporary literature, with essays on Anu Productions, Emma Donoghue, Grace Dyas, Anne Enright, Rita Ann Higgins, Marian Keyes, Claire Kilroy, Eimear McBride, Rosaleen McDonagh, Belinda McKeon, Melatu Okorie, Louise O'Neill, and *Waking The Feminists*. Reflecting on all the successes and achievements of women's writing in the contemporary period, this book also considers marginalization and exclusions in the field, especially considering the politics of race, class, gender, sexuality, ethnicity, nationality, and ability. The chapters in this book were originally published in the journal *LIT: Literature Interpretation Theory*.

When Carl, an alleged kidnapper, ends up missing, Jesse and Claire search for clues inside his home. Instead, they find trouble: a psychotic killer who will stop at nothing to exact revenge. *New Scientist* magazine was launched in 1956 "for all those men and women who are interested in scientific discovery, and in its industrial, commercial and social consequences". The brand's mission is no different today - for its consumers, *New Scientist* reports, explores and interprets the results of human endeavour set in the context of society and culture.

Not telling anyone I was pregnant years ago meant I started over with a huge secret. Now my son is eight and I realize hiding his birth right might have been the wrong plan. He'd have been better protected. Returning home though is causing a scandal. The daughter of the maid and the son of a trillionaire are a

disaster in the making. Except he brought us home, kept us safe and put our son in the best schools. I should be grateful. I'd had no idea the years would soften his heart. And he said he missed me, every second of every day since I'd been gone. Crushing on him came back over me so fast. He's hotter than I remember, clearly working out, a trillionaire, a doctor by choice, and still has a little of that reclusive loner attitude I'd absolutely wanted to fix in him all our childhood.

Except he has no idea what I went through. I was not designed to be anything more than servant and there are rules. Even if I still ache for him. And even if he says he loves me. And no one could ever replace him for me. Rules are rules and breaking them meant I set up myself up for heartache round 2, I knew it, and happiness was never in my destiny, but you'd never have expected what happened because I absolutely hadn't.

Each night they emerged from the murky depths of the swamp to claim another victim—a lovely, innocent, fertile female who would be carried off in huge hairy arms and plunged into a nightmare world of terror. Her screams would echo in the darkness. Her face would contort in the throes of horror and pain. But once taken, each became a mother of an unholy child, a link in the chain of madness and evil, a spawn to carry on the devil's name! DON'T MISS THESE WILLIAM W. JOHNSTONE THRILLERS! A story of a mother's unconditional love for her daughter.

A collection of the groundbreaking feminist writer's most famous works, with a thought-provoking introduction by bestselling author Kate Bolick. A Penguin Vitae Edition Wonderfully sardonic and slyly humorous, the writings of landmark American feminist and socialist thinker Charlotte Perkins Gilman were penned in response to her frustrations with the gender-based double standard that prevailed in America as the twentieth century began. Perhaps best known for her chilling depiction of a woman's mental breakdown in her unforgettable 1892 short story "The Yellow Wall-Paper," Gilman also wrote Herland, a wry novel that imagines a peaceful, progressive country from which men have been absent for 2,000 years. Both are included in The Yellow Wall-Paper and Selected Writings, along with a selection of Gilman's major short stories and her poems. New York Times bestselling author Kate Bolick contributes an illuminating introduction that explores Gilman's fascinating yet complicated life. Penguin Classics launches a new hardcover series with five American classics that are relevant and timeless in their power, and part of a dynamic and diverse landscape of classic fiction and nonfiction from almost seventy-five years of classics publishing. Penguin Vitae provides readers with beautifully designed classics that have shaped the course of their lives, and welcomes new readers to discover these literary gifts of personal inspiration, intellectual engagement, and creative originality.

tomorrow. Perfect for fans of Cathy Sharp and Kitty Neale. Claire Nightingale is haunted by the memory of childhood abuse and the painful choices she was forced to make. Longing to find peace, she knows she must first confront her demons. Moving to Solihull with her adopted daughter Nikki, she tries to make amends with the family she left behind. But Claire is not the only one hurting: Nikki is scarred by her own abusive past, and their relationship, once loving, becomes fraught with tension and resentment. Struggling to come to terms with their pain, it is not long before ghosts from the past bring a new threat that jeopardises the possibility of any future happiness... What readers are saying about Crying Shame: 'Once I picked the book up, I simply had to read on. Rosie writes with real passion, and, as in all of her novels, the characters are truly real' 'A fantastic follow-up to Our Little Secret! This book did not disappoint, I found it hard to put down. Rosie is a wonderful author'

Maggie O'Neill was just a small town girl, stuck in a dead end job—until she started working at Enchantments, Stony Mill's finest mystical antique shop... Now she's Indiana's newest witch. Learning to cope with her newfound powers is tough enough, but add to that keeping the stock at Enchantments organized and remembering to tape reruns of her favorite show, Magnum P.I., and Maggie's got a full plate. But when she witnesses an altercation between a local teenage princess and another customer in Enchantments—and then the girl turns up dead later that day—she feels compelled to investigate. The police are at a loss. But Maggie has some tricks up her sleeve, or to be more specific, some spells, charms and mystical intuitions. And with the help of her boss (and favorite witch) Felicity Dow, Maggie is spellbound and determined to get to the bottom of this murder.

Within the limits of tolerance could porch martyrdom or maybe the pain, but the mind could tolerate what is beyond it to the underworld's macabre or perhaps more of the mysteries of the world of shadows, as it is a legend of the reunion with the death of a girl, who saw her father and his lover kill her mother, and after her death dumping her body into toward the sea. And the girl had to witness this and she could not endure the torment, and she went to the reunion with the death of her mother. Awesome! !Oh wow! Since this is the story of the girl in the shadows in each chapter, it makes me shudder, and even some sentences will cause feelings of nostalgia, just knowing that the lost soul of this child cried in search of her mother, wandering in the darkness as witness to this legend. The Thinker

New York Times bestselling author Mary Monroe's heart-stopping tale about a woman who's suffered too much to give up on herself, even if everyone else has. . . Growing up, Annette Goode thought all men were as low-down as the father who abandoned her, including the boarder who abused her for years and the men she slept with to earn the money she needed to run away from her life. Now, after decades of heartache and severing ties with her dangerously unstable friend Rhoda, Annette's real life has started to take shape. . . But her dark past

This quintessentially Australian novel set in modern day Byron Bay NSW is a tour-de-force, with a masterful plot that is both unsettling and triumphant. Young ARCHIE STENMARK is sent on an assignment to cover a story about a curse that has been cast on his father's family by the local Indigenous tribe in Byron Bay. While ARCHIE is researching the curse, his father tries to clear his name of a crime that the town still believes he committed in his youth. In his research, ARCHIE finds out that the elders of the local tribe had cursed his ancestors when they fenced off a sacred meeting place that had been used for centuries. In his search to catalogue the tragedies associated with the curse, ARCHIE meets up with a feisty young Indigenous lawyer, who is heading up the fight for Native Title over his family's land, but trouble erupts in the town when ARCHIE and his father support the girl's claim. The powerful STENMARK family, who have more lucrative plans for the waterfront land, become vindictive, and as the conflict unfolds, the seaside town becomes outraged, especially when a number of murders and a cruel abduction take place. Skilfully described and compulsively readable, 'Pointing the Bone' is both confronting and exhilarating. Joyce has deftly drawn characters on both sides of the cultural divide, with vivid characters springing onto the page throughout. In the story, the reader is confronted by some shameful incidents wrought by the wealthy family, but after learning about them, we have a deeper understanding of how colonisation affected our First Nation people. There is a dearth of stories on our shelves that shine a light on the brave struggle of Indigenous groups, and even fewer that have a happy ending, but this inspiring book is one. 'Pointing the Bone' deserves to take its place on the top shelf of libraries and bookshops throughout our land.

Called to Ireland by the magic within her, former cop Joanne Walker must battle darkness, time and the gods themselves to save the woman who sacrificed everything for her. Original. 25,000 first printing.

An exquisitely wrought debut novel about sisterhood through three generations in Ireland and America. It is 1921 in Ireland. When their mother dies in childbirth, Moira and Julia O'Leary are left to rear their infant sister, Ann, while their father, a sheep farmer, despairs. After Ann dies, Moira and Julia depart Cork for Boston, but the painful secret behind Ann's death haunts their new lives and presages the confusion that will come to trouble the next generation. Moira and Julia have always been strikingly different, but theirs is a mercilessly dependable relationship-Moira's boldness is fortified by Julia's quiet inner purpose, while Julia lives vicariously through her sister's impulsive actions.
