This is one of the major works of prose fiction produced in mediaeval Castile, and the greatest literary achievement of Juan Manuel. He was an important figure, in both literature and history being both the grandson of Castilian monarchs, and a distinguished soldier and politician. Esmeralda Santiago's story begins in rural Puerto Rico, where her childhood was full of both tenderness and domestic strife, tropical sounds and sights as well as poverty. Growing up, she learned the proper way to eat a guava, the sound of tree frogs in the mango groves at night, the taste of the delectable sausage called morcilla, and the formula for ushering a dead baby's soul to heaven. As she enters school we see the clash, both hilarious and fierce, of Puerto Rican and Yankee culture. When her mother, Mami, a force of nature, takes off to New York with her seven, soon to be eleven children, Esmeralda, the oldest, must learn new rules, a new language, and eventually take on a new identity. In this first volume of her much-praised, bestselling trilogy, Santiago brilliantly recreates the idyllic landscape and tumultuous family life

RECIPIENT OF THE PURA BELPRÉ HONOR \* A Today Show's Best Kids' Books of 2019 \* Indie Next List Pick \* Junior Library Guild Selection \* “An appealing tribute and successful remedy to the lack of titles about the groundbreaking librarian...a must-have for all libraries.” —School Library Journal (starred review) An inspiring picture book biography of storyteller, puppeteer, and New York City’s first Puerto Rican librarian, who championed bilingual literature. When she came to America in 1921, Pura Belpré carried the cuentos folklóricos of her Puerto Rican homeland. Finding a new home at the New York Public Library as a bilingual assistant, she turned her popular retellings into libros and spread story seeds across the land. Today, these seeds have grown into a lush landscape as generations of children and storytellers continue to share her tales and celebrate Pura’s legacy. Brought to colorful life by Paola Escobar’s elegant and exuberant illustrations and Anika Aldamuy Denise’s lyrical text, this gorgeous book is perfect for the pioneers in your life. Informative backmatter and suggested further reading included. A Spanish-language edition, *Sembrando historias: Pura Belpré: bibliotecaria y narradora de cuentos*, is also available. “Anika Aldamuy Denise’s intimate telling captures the magical, folk-tale feeling of Belpré’s own stories. Her lyrical text, sprinkled like fairy dust with Spanish words, begs to be read aloud, while Paola Escobar’s stylishly detailed and warmly expressive illustrations capture the joy of sharing stories.” —New York Times Book Review

Are there such things as peripheral modernity and postmodernity? This groundbreaking book focuses on the notions of modernity and postmodernity in two countries that never before have

been studied comparatively: Argentina and Greece. It examines theories of the postmodern and the problems involved in applying them to the hybrid and sui generis cultural phenomena of the «periphery». Simultaneously it offers an exciting insight into the work of Jorge Luis Borges, Ricardo Piglia, Dimitris Kalokyris and Achilleas Kyriakidis, whose syncretist aesthetics are symptomatic of the mixing up of different and often opposed aesthetic principles and traditions that occur in «peripheral» locations. This book will be very useful to scholars and students of Latin American, Modern Greek and comparative literature as well as to those interested in Borges studies.

El cuento hispánico: A Graded Literary Anthology , Eighth Edition, is designed for intermediate college Spanish reading courses. This book provides students with a collection of first-rate Spanish-language short stories with which to expand their reading skills and their knowledge of Hispanic culture as portrayed in these works. Although literary excellence was the primary criterion in selecting stories, an effort was also made to choose tales that can be read in one sitting.

Against the methodological backdrop of historical and comparative folk narrative research, 101 Middle Eastern Tales and Their Impact on Western Oral Tradition surveys the history, dissemination, and characteristics of over one hundred narratives transmitted to Western tradition from or by the Middle Eastern Muslim literatures (i.e., authored written works in Arabic, Persian, and Ottoman Turkish). For a tale to be included, Ulrich Marzolph considered

two criteria: that the tale originates from or at least was transmitted by a Middle Eastern source, and that it was recorded from a Western narrator's oral performance in the course of the nineteenth or twentieth century. The rationale behind these restrictive definitions is predicated on Marzolph's main concern with the long-lasting effect that some of the "Oriental" narratives exercised in Western popular tradition—those tales that have withstood the test of time. Marzolph focuses on the originally "Oriental" tales that became part and parcel of modern Western oral tradition. Since antiquity, the "Orient" constitutes the quintessential Other vis-à-vis the European cultures. While delineation against this Other served to define and reassure the Self, the "Orient" also constituted a constant source of fascination, attraction, and inspiration. Through oral retellings, numerous tales from Muslim tradition became an integral part of European oral and written tradition in the form of learned treatises, medieval sermons, late medieval fabliaux, early modern chapbooks, contemporary magazines, and more. In present times, when national narcissisms often acquire the status of strongholds delineating the Us against the Other, it is imperative to distinguish, document, visualize, and discuss the extent to which the West is not only indebted to the Muslim world but also shares common features with Muslim narrative tradition. *101 Middle Eastern Tales and Their Impact on Western Oral Tradition* is an important contribution to this debate and a vital work for scholars, students, and readers of folklore and fairy tales.

This Handbook offers a comprehensive examination of Gabriel García Márquez's life, oeuvre, and legacy, the first such work since his death in 2014. It incorporates ongoing critical approaches such as feminism, ecocriticism, Marxism, and ethnic studies, while elucidating key aspects of his work, such as his Caribbean-Colombian background; his use of magical realism, myth, and folklore; and his left-wing political views. Thirty-two wide-ranging chapters cover the bulk of the author's writings, giving special attention to the global influence of García Márquez. This highly successful short fiction collection introduces the Intermediate Spanish student to major Hispanic writers from both Spain and Spanish America, including, among others, Ana Marí a Matute, Horacio Quiroga, Julio Cortá zar, and Jorge Luis Borges. Each of the short works in this anthology is intended to be read in one sitting. A wide variety of language developmental exercises, such as vocabulary study and strategy building, accompany the readings. An alternate version of this book is also available for customization through McGraw-Hill's "Primis" services.

Celebrado desde su publicación inicial como el relato clásico de una muchacha del barrio latino de Chicago, La casa en Mango Street ha sido elogiado por los críticos, acogido por los niños y sus padres y abuelos y estudiado por todas partes, desde escuelas primarias en las grandes ciudades hasta universidades por todo el país. Ahora por primera vez en una edición en español, traducido por una de las más reconocidas figuras literarias de México, La casa en Mango

Street está a la disposición de los miles de lectores latinos a quien este libro ha dado voz. A veces desgarrador, a veces intensamente alegre, *La casa en Mango Street* relata la historia de Esperanza Cordero, en cuyo barrio conviven realidades crueles y una belleza severa. Esperanza no quiere pertenecer —ni a su barrio ni a las bajas expectativas que el mundo le ofrece. La historia de Esperanza es la de una joven intentando alcanzar su propio poder e inventar su propio futuro.
