Grape, Olive, Pig Matt Goulding, 2016-11-15 Winner of the 2017 IACP Award: Literary or Historical Food Writing

Gourmand World Cookbook Award Winner: Culinary Travel Amazon Best Book of November (2016): Cookbooks, Food and Wine Financial Times Best Books of 2017: Food and Travel Gouling is pioneering a new type of writing about food. His last book, *Rice, Noodle, Fish*, took an immersive approach to Japan that combined travel, social observation and food lore. His new book on Spain offers little cooking advice but an inquisitive foodie intellectual's experience. (Financial Times) Crafted in the same “refreshing” (AP), “inspirational” (Publishers Weekly) and “impeccably observed” (Eater.com) style that drove *Rice, Noodle, Fish, Roads & Kingdoms* again presents a book that will change the way readers eat and travel abroad. The second in their series of unexpected and delightful gastro-tourism books, *Grape, Olive, Pig* is a deeply personal exploration of a country where eating and living are inextricably linked. As Anthony Bourdain said: “Any reasonable, sentient person who looks to Spain, comes to Spain, eats in Spain, drinks in Spain, they’re gonna fall in love. Otherwise, there’s something deeply wrong with you.” Matt Gouling introduces you to the sprawling culinary and geographical landscape of his adoptive home, and offers an intimate portrait of this multifaceted country, its remarkable people, and its complex history. Fall in love with Barcelona’s tiny tapas bars and modernist culinary temples. Explore the movable feast of small plates and late nights in Madrid. Join the three-thousand-year-old hunt for Bluefin tuna off the coast of Cadiz, then continue your seafood journey north to meet three sisters who risk their lives foraging the gooseneck barnacle, one of Spain’s most treasured ingredients. Delight in some of the world’s most innovative and avant-garde edible creations in San Sebastian, and then wash them down with cider from neighboring Asturias. Sample the world’s finest acorn-fed ham in Salamanca, share in the traditions of cave-dwelling shepherds in the mountains beyond Granada, and debate what constitutes truly authentic paella in Valencia. *Grape, Olive, Pig* reveals hidden gems and enduring delicacies from across this extraordinary country, contextualizing each meal with the stories behind the food in a cultural narrative complemented by stunning color photography. Whether you’ve visited Spain or have only dreamed of bellying up to its tapas bars, *Grape, Olive, Pig* will wake your imagination, rouse your hunger, and capture your heart.

A Late Dinner Paul Richardson, 2007 Acclaimed food and travel writer Paul Richardson first visited Spain as a humble Inter-railer with just enough Spanish phrases to get by. Some years later, following a chance posting to a Madrid food fair, he became hooked on the glorious fusion of old and new at the heart of Spanish culinary culture and decided to move to Spain for good. It was to be the beginning of a lifelong love affair with the country, its culture and its food. In *A Late Dinner*, Paul takes an extended journey around Spain to get to the heart of its food and the culture of those who grow and cook it. He depicts the dramatic changes that have gripped Spanish life over the last quarter-century, exploring the extremes of culture and food from the rustic to the avant-garde. Along the way, Paul gets caught up in bidding fever at a fish auction in the Levante, helps out with the almost ritualistic Matanza (the annual pig slaughter that takes place in many households in rural Spain), spends a day with Ferran Adrià at his world-famous *elBulli* restaurant, and makes a never-ending stream of new friends who often welcome him into their homes to reveal the secrets of traditional domestic dishes. His intriguing expedition takes him from typical Spanish coastal cuisine to the shepherd cooking of the mountains, via the vibrant cities where creativity and innovation are now setting the trend for modern cuisine around the globe. Paul Richardson's lively, vivid and infectious account takes us beyond the clichés of paella, gazpacho and oranges to tell the real story of the mouth-watering food of Spain and the fascinating patchwork of identities that make up this colourful, tradition-rich country.

Basque Country Marti Buckley, 2018-09-11 Winner, 2019 IACP Award, Best Book of the Year, International Named one of the Best Cookbooks of the Year / Best Cookbooks to Gift by the New York Times, Food & Wine, Saveur, Rachael Ray Every Day, National Geographic, The Guardian and more “Truly insider access, an authentic look at the traditions of one of the most incredible culinary regions of the world.” —José Andrés Tucked away in the northwest corner of Spain, Basque Country not only boasts more Michelin-starred restaurants per capita than any other region in the world, but its unique confluence of mountain and sea, values and tradition, informs every bite of its soulful cuisine, from pintxos to accompany a glass of wine to the elbows-on-the-table meals served in its legendary eating clubs. Yet Basque Country is more than a little inaccessible—shielded by a unique language and a distinct culture, it's an enigma to most outsiders. Until now. Marti

Buckley, an American chef, journalist, and passionate Basque transplant, unlocks the mysteries of this culinary world by bringing together its intensely ingredient-driven recipes with stories of Basque customs and the Basque kitchen, and vivid photographs of both food and place. And surprise: this is food we both want to eat and can easily make. It's not about exotic ingredients or flashy techniques. It's about mind-set—how to start with that just-right fish or cut of meat or peak-of-ripeness tomato and coax forth its inherent depth of flavor. It's the marriage of simplicity and refinement, and the joy of cooking for family and friends.
