Seven European Cup finals. Seven fans. Seven amazing adventures following the team they love. This book celebrates the achievements of Liverpool FC in Europe, and in particular a love affair with Old Big Ears - the European Cup. It's an ongoing affair that began with the legendary and, in those days, unprecedented exodus of 30,000 Liverpool fans to Rome in 1977, has taken in the glories of Paris and Istanbul, endured the horror of Brussels, and still burns as brightly today with Athens 2007, just the latest staging post of Liverpool's trans-European express. Above all, Here We Go Gathering Cups In May tells of the bond between a club and its fans: the lengths those fans will go to in order to be there at the final to cheer on their team, vivid accounts of what happened along the way, their escapades in some of Europe's iconic capitals, and their recollections of those historic nights – nights of glory and, sometimes, nights of tragedy.

History was made on November 22 2003 - England was crowned the World Champion. Everything was ready for rugby to explode in England, for the national team to kick-on, for the level of the domestic game to continue growing and for the sport to truly become prominent nationwide. It did not eventuate. England lost far too many matches and the Aviva Premiership does not match the French Top 14. The result for Rugby World Cup 2015 is a match schedule allocating more games to Wales than to the north of England. Understanding how this came about and also how and why Wales secured matches is an important part of the puzzle and carries substantial implications for future Rugby World Cups. Local and global issues including decision making, rival sports and nationalized players are all tackled in an analysis that seeks to offer realistic and viable solutions for the benefit of English and global rugby.

A mother's advice to her daughter--a guide to daily living, both practical and sublime--with full-color illustrations throughout. One sleepless night while she was in her early twenties, illustrator/writer Hallie Bateman had a painful realization: her mom would die, and after she died she would be gone. The prospect was devastating, and also scary--how would she navigate the world without the person who gave her life? She thought about all the motherly advice she would miss--advice that could help her through the challenges to come, including the ordeal of losing a parent. The next day, Hallie asked her mother, writer Suzy Hopkins, to record step-by-step instructions for her to follow in the event of her mom's death. The list began: "Pour yourself a stiff glass of whiskey and make some fajitas" and continued from there, walking Hallie through the days, months, and years of life after loss, with motherly guidance and support, addressing issues great and small--from choosing a life partner to baking a quiche. The project became a way for mother and daughter to connect with humor, openness, and gratitude. It led to this book. Combining Suzy's wit and heartfelt advice with Hallie's quirky and colorful style, What to Do When I'm Gone is the illustrated instruction manual for getting through life without one's mom. It's also a poignant look at loss, love, and taking things one moment at a time. By turns whimsical, funny, touching, and above all pragmatic, it will leave readers laughing and teary-eyed. And it will spur conversations that enrich family members' understanding of one another.

A girl and her father drive from San Diego to Mexico, where they encounter poor children and beggars and they ponder their feelings of guilt and their responsibility to those who live in poverty. What if God has had a plan for your life since the very beginning? Not just the beginning of your life, but from the foundations of faith itself? In Four Cups, pastor and New York Times best-selling author Chris Hodges shares an astonishing truth: The key to your spiritual fulfillment is found in four promises that God first spoke to His people in the Old Testament, and that are still at the core of his heart and his plans for you today. God wants to rescue you; to deliver you from whatever holds you back; for you to live out His plan for your life; and for you to be part of a family that is making a difference. Steeped in Jewish history and tradition, yet breathing the transforming hope of Christ on every page, Four Cups will help you move forward on your spiritual journey. You'll understand the four stages of faith, believe the promises of God for your life . . . and discover what it means to be truly fulfilled.

When a prominent attorney is found dead in his home, questions arise as to the cause of his death. His best friend is not going to accept drowning as the answer. So as he begins to dig a little deeper for clues to prove his point and with the help of his deceased attorney's aunt, another mystery is unraveling in the background, which will change lives forever and possibly solve a few other mysteries along the way.

The astonishing, uplifting story of a real-life Indiana Jones and his humanitarian campaign to use education to combat terrorism in the Taliban's backyard Anyone who despairs of the individual's power to change lives has to read the story of Greg Mortenson, a homeless mountaineer who, following a 1993 climb of Pakistan's treacherous K2, was inspired by a chance encounter with impoverished mountain villagers and promised to build them a school. Over the next decade he built fifty-five schools—especially for girls—that offer a balanced education in one of the most isolated and dangerous regions on earth. As it chronicles Mortenson's quest, which has brought him into conflict with both enraged Islamists and uncomprehending Americans, Three Cups of Tea combines adventure with a celebration of the humanitarian spirit.

In a quaint California town, a new tea shop is drawing lots of attention—and an occasional murder—in this mystery by the New York Times bestselling author. The quaint coastal town of South Cove, California, is buzzing with excitement about the new specialty tea shop, Tea Hee—not to mention its beautiful owner, Kathi Corbin. But while the men in town are distracted by her looks, Jill Gardner, owner of the local bookshop café, senses something peculiar about the South Cove newcomer. Why, for instance, does Kathi get so pale and flustered when she hears that her sister Ivy is in town? With a festival drawing plenty of tourists, everyone's focused on business—until a dead body is found in a seedy motel and identified as someone connected to Kathi. Now

the town is buzzing with suspicion, and it's up to Jill to clear Kathi's name without getting herself in hot water. Includes an excerpt from A STORY TO KILL, Lynn Cahoon's BRAND NEW series

This country and its people are made of the same hardy stuff that makes our game and our league. The Grey Cup has helped unite our country for 100 years now. And it has revealed us, built our pride and our sense of Canadianness in annual tributes to effort, sweat and toil. But what does 100 years of history and cultural relevance add up to? When we Canadians look at the Grey Cup, we see far more than a gleaming football trophy; we see a reflection of ourselves. After its first years as an amateur challenge cup, the Grey Cup would go on to be awarded to the best football team in Canada, with Western challengers traveling back east to fall at the hands of the more established Toronto teams. That is, until a group of frustrated Winnipeggers paid an enormous sum during the Depression to buy up star players and bring the cup west for the first time. Following this, the games became about the pride of the country, East versus West, the national identity fought over the gridiron, all chronicled dutifully by bestselling author Stephen Brunt. From the birth of the modern CFL in 1958, through the dynastic Edmonton Eskimos and into the nineties, attempted USA expansion, franchise re-birth in Montreal, 100 Grey Cups has it all: behind-the-scene anecdotes, never-before-seen photographs, and unprecedented access to the CFL archives. It is a must-have for all fans of this national tradition

An adaptation of the bestselling book about the American Greg Mortenson's building of over 60 schools in Pakistan and Afghanistan.
