

Curs Practic De Limba Japoneza Angela Hondru

Totul începe cu o simplă favoare, un lucru pe care mamele îl fac un pentru alta în mod obișnuit. Când prietena sa cea mai bună, Emily o roagă pe Stephanie să-l ia pe băiețelul ei, Nicky, de la școală, după terminarea orelor, ea e bucuroasă să o ajute. Dar Emily nu se mai întoarce. Nu răspunde la telefon și la mesaje. Stephanie simte că s-a întâmplat ceva îngrozitor – Emily nu l-ar părăsi niciodată pe Nicky. Îngrozită, ea apelează la cititoarele blogului ei pentru ajutor și îi oferă lui Sean, chipeșul și reticentul soț al lui Emily, tot sprijinul său. Apoi, ea și Sean primesc o veste șocantă: Emily e moartă. Dar comarul nu s-a sfârșit, pentru că, în curând, Stephanie începe să-și dea seama că nimic nu este atât de simplu precum pare. O simplă favoare este un roman de suspans psihologic surprinzător, plin de trăsături și răsurnări de situație, secrete și revelații, dragoste și loialitate, crimă și răzbunare. Darcey Bell construiește cu măiestrie tensiunea într-o poveste tulburătoare, care vă va ține cu sufletul la gură până la ultima pagină.

Aceasta carte vrea să fie un ghid pentru cei ce iubesc tehnica denumită generic MASAJ. Tehnica este diferită în funcție de zonă și influențele gândirii și culturii respective. Se naște o problemă și totodată confuzie care se creează asupra acestui gen de masaj. Marea majoritate a turistilor care frecventează barurile de noapte din Bangkok cu așa-zisele saloane de „masaj” unde sunt oferite fără menajamente servicii de cu totul altă factură decât masajul thailandez veritabil ce se practică în școli specializate, nu știu că în spatele acestui termen „masaj thailandez” se află ceva total diferit de prostituția camuflată. Aceasta carte vine în sprijinul unei tehnici cu totul diferite de această prostituție camuflată care a luat un avânt îngrijorător și s-a extins din păcate asupra termenului general de masaj. Masajul este o adevărată tehnică de menținere a sănătății, o binefacere pentru cei bolnavi și un mijloc de destindere pentru cei încordați. Este o adevărată artă să știi să inhibi o seamă de manevre și procedee de masaj pentru a putea obține efectele scontate și diferențiate în funcție de vârstă, sex sau starea de sănătate a fiecăruia. Multumirea și starea de bine ce se instalează pe chipul celui masat reprezintă cea mai mare răsplătire pe care o poate savura un maseur profesionist. CD-ROM provides over 200 extra exercises to help you practice the grammar presented.

Basic epidemiology provides an introduction to the core principles and methods of epidemiology, with a special emphasis on public health applications in developing countries. This edition includes chapters on the nature and uses of epidemiology; the epidemiological approach to defining and measuring the occurrence of health-related states in populations; the strengths and limitations of epidemiological study designs; and the role of epidemiology in evaluating the effectiveness and efficiency of health care. The book has a particular emphasis on modifiable environmental factors and encourages the application of epidemiology to the prevention of disease and the promotion of health, including environmental and occupational health.

Do you want your Korean language skills to shine? Then Essential Korean Grammar offers exactly what you need to finally understand and express which grammar option is best. Having a solid understanding of grammar is essential to effectively learn Korean. Essential Korean Grammar gives you excellent examples that lay out the best grammar options for communicating, and when to use each option. The grammar items are

cleverly rated so you can determine what's most useful for you to study, based on your Korean knowledge level and your plans. There is a star rating system, from 5 stars ("critical"; with these under your belt you can communicate almost everything you need to say) to 1 star (don't worry about this unless there's some reason you need to know it—for example, the TOPIK exam). Essential Korean Grammar is a toolbox to help you form correct and natural-sounding sentences, and determine which grammar you need for reading or writing Korean. It details: How to combine grammar points with each type of word. How it is similar to and different from related grammar points. Commonly used expressions. Things for learners to watch out for. The example sentences for each grammar point use simple vocabulary that even a beginner will know. A perfect supplement to any Korean language textbook!

In this wickedly hilarious collection of fables, Alessandro Boffa introduces us to Viskovitz and his never-ending search for his true love, Ljuba. As he changes from a lovelorn lion to a jealous finch, from a confused dung beetle to an enlightened police dog, Viskovitz embraces his metamorphoses with wry humor and an oftentimes painful sense of self. As an ant, Viskovitz fights his way to the top where his egotism calls on the colony to create a monument to his greatness out of a piece of bread. As a sponge, he is horrified by the inbreeding in his family—"I'm my own mother-in-law!!!"—and yearns for a change in current so he can mate with Ljuba, who lies downstream. As a mantis, he asks his mother what his father was like, only to hear, "Crunchy. A bit salty. High in fiber."

Unfortunately, when he meets Ljuba shortly thereafter, he follows his father's fate. And as a scorpion, his uncontrollably deadly efficiency meets its match in Ljuba and finds "no way to escape this intolerable, sinister happiness."

This is a user-friendly guide to learning Japanese Katakana and includes a set of 46 flash cards Japanese Katakana for Beginners makes learning of beginner kana fast and effective by using memorable picture mnemonics, along with clear explanations, examples and lots of fun exercises—a method that has helped thousands of students learn katakana successfully in the United States and Japan. Picture mnemonics enhance memory by associating the shape and sound of each Japanese kana character with combinations of images and English words already familiar to students. This book is organized into three main sections: The first introduces the basic 46 katakana characters along with writing

tips and opportunities to practice writing them. The second teachers the usage rules that allow students to write all Japanese sounds, providing more opportunities for practice. The third strengthens students' skills through a wide range of exercises (word searches, crossword puzzles, fill in the blanks, visual discrimination, timed recognition quizzes, etc) designed to both increase the knowledge of the Japanese language and reinforce newly acquired writing skills. A set of flash cards printed on perforated cardstock and a list of suggested flash card activities, are also provided at the end of the book. Each of these cards introduces a katakana character along with the picture mnemonic that helps to recognize and remember it.

Eleven plays, including the most popular domestic tragedies and one history play, still performed in present-day Japan by puppet operators and Kabuki actors.

This comprehensive book helps you learn the 92 basic Kana characters and 2,136 standard Kanji characters. Complete, compact and authoritative—this Japanese language book provides all the information needed to learn kanji and kana, including the 92 basic hiragana and katakana phonetic symbols (known collectively as Japanese Kana) and the 2,136 standard Joyo Kanji characters that every Japanese person learns in school. This new and completely revised edition reflects recent changes made to the official Joyo kanji list by the Japanese government. The kana and kanji are presented in an easy and systematic way that helps you learn them quickly and retain what you have learned and improve your mastery of the Japanese language. The ability to read Japanese and write Japanese is an essential skill for any student and will build on their previous knowledge and improve on their overall capacity to learn Japanese. A concise index allows you to look up the Kanji in three different ways (so the book also serves as a Japanese Kanji dictionary) and extra spaces are provided to allow you to practice writing Japanese. Japanese Kanji and Kana contains: All 2,136 official Joyo kanji with readings and definitions. Characters are graded by their JLPT examination levels. Up to 5 useful vocabulary compounds for each kanji. Brush and pen cursive forms as well as printed forms. 19 tables summarizing key information about the characters. Kanji look-up indexes by radicals, stroke counts and readings.

Medu Neter also known as (Ancient Egyptian Hieroglyphs) is no longer a dead language. For the past 20 years an effort has been underway to resurrect it as a living spoken language. The idea first came from the late Dr. Cheikh Anta Diop a leading African historian, scientist and linguist. It was his desire for Medu Neter to one day become a lingua franca for all of Africa. This Mejat Wefa Conversation book is a step toward realizing that goal. Now students and families and can enjoy speaking this ancient language everyday or just use it for rituals or special occasions, just as people once to spoke Latin and Sanskrit, and ancient Hebrew. This book is written with Medu Neter pronunciation and transliteration for easy use. Also in this 2nd addition the Medu Neter (Hieroglyphs) are included so that students can learn to read as well. Quirky and utterly captivating, *A Wild Sheep Chase* is Murakami at his astounding best. An advertising executive receives a postcard from a friend and casually appropriates the image for an advertisement. What he doesn't realize is that included in the scene is a mutant sheep with a star on its back, and in using this photo he has unwittingly captured the attention of a man who offers a menacing ultimatum: find the sheep or face dire consequences. Thus begins a surreal and elaborate quest that takes readers from Tokyo to the remote mountains of northern Japan, where the unnamed protagonist has a surprising confrontation with his demons. K-pop for language learning? Is this a gimmick? Yes, it could be. But it isn't, if properly done. Songs are engaging, endlessly repeatable, clearly pronounced, vernacular, and singable of course. This book is made to make songs useful for learning the Korean language. Translations are explained and made accessible. The songs are selected for learning usefulness and organized by grammar. Big Bang, Girl's Generation, PSY, Apink, Beast and other favorites. Your favorite songs- Gangnam Style, I Got A Boy, I Am The Best, Loser and more. Whether you are a student of Korean or simply a K-pop fan who wants to understand. This book is for you. As the dictate goes- listen and learn! This book is not a textbook or

workbook. All levels can find this useful. Beginners for phonics. For intermediates and advanced as an additional resource to supplement and enhance their learning practices.
