

## Curso De Ingles Gratis Basico Om Personal English

"Every Who down in Who-ville liked Christmas a lot . . . but the Grinch, who lived just north of Who-ville, did NOT!" Not since "Twas the night before Christmas" has the beginning of a Christmas tale been so instantly recognizable. No holiday season is complete without the Grinch, Max, Cindy-Lou, and all the residents of Who-ville, in this heartwarming story about the effects of the Christmas spirit on even the smallest and coldest of hearts. Like mistletoe, candy canes, and caroling, the Grinch is a mainstay of the holidays, and his story is the perfect gift for young and old. This Read & Listen edition contains audio narration.

After the death of the uncle who had been his guardian, fourteen-year-old Alex Rider is coerced to continue his uncle's dangerous work for Britain's intelligence agency, MI6.

Varied vocabulary tests with answers; new to the popular English Vocabulary in Use series. Varied vocabulary tests with answers; new to the popular English Vocabulary in Use series.

If you want a holiday that's hassle-free, virtually pre-paid, and that lets you see lots of places while only needing to pack and unpack once, then you should try a cruise. This best-selling book is the cruise industry bible: it gives you all the information you need to choose the right cruise for you. Meticulously updated every year by cruise expert Douglas Ward, it is divided into two main parts: the first helps you work out what you're looking for in a cruise holiday and how to find it; the lively text and colour photographs describe every aspect of life on board, including safety, the highs and lows of the cruise experience and how to save money. The second part contains unbiased reviews and fascinating detail of almost 300 ocean-going cruise vessels, and grades them on service, food, entertainment and facilities, using an internationally recognised ratings system.

Bilingual dictionary with 55,000 references and 80,000 translations, including Latin American coverage.

An electronic placement test for learners of English, produced in collaboration with the University of Cambridge ESOL Examinations (formerly UCLES). Pen and paper version also available.

When a bus driver takes a break in this hilarious Caldecott Honor-winning picture book, he gives the reader just one instruction: "Don't let the pigeon drive the bus!" But, boy, that pigeon tries every trick in the book to get in that driving seat: he whines, wheedles, fibs and flatters. Will you let him drive? Told entirely in speech bubbles, this brilliantly original and funny picture book demands audience participation!

Basic English Grammar is a classic developmental skills text for beginning students of English as a second or foreign language. The Workbook consists of self-study exercises, with answers included, providing students with the opportunity to explore and practice grammar independently. It is keyed to the explanatory grammar charts in the Student Book. Volume B of the Workbook includes Chapters 9-15 plus the Appendices. New to this edition: more contextualized exercises micro-practice new readings with targeted grammar practice updated real-world vocabulary

English, as we know, has assumed a unique place in international communication. The ability to communicate effectively through English is a skill, acquired through practice backed up by knowledge of theoretical principles as well as desirable attitudes and values. It contains exercises, and will provide a basis for introduction to grammar and courses on the structure of English not only in linguistics departments but also in English language and literature departments and schools of education. This book has been designed to meet students' current and future language and communication needs. It attempts to develop their proficiency in the four language skills and knowledge of grammar and vocabulary. This book teaches students how to communicate accurately, appropriately and fluently in professional and social situations. The activity-oriented tasks ensure that the learning process is relevant and interesting.

We may all speak the same language, but getting to grips with grammar is the ultimate challenge. You could be puzzled by prepositions, confused by comparatives, or muddled over modals. Thankfully, this complete visual aid to everything in the English language sets you straight with a clear and concise format for easy understanding. The rules of English grammar are beautifully presented with eye-catching illustrations, step-by-step graphics, and straightforward explanations to help you learn. Suitable for English language learners at all levels, including experienced English speakers looking for a recap of key language points, English for Everyone: English Grammar Guide covers basic, intermediate, and advanced grammar. There is no stone left unturned when it comes to the English language. All kinds of problems are solved, including tenses, verbs, adverbs, clauses, superlatives, and questions. You are encouraged to spot patterns and sequences in language to see the similarities and develop greater understanding. After an intensive review, test yourself with a range of speaking, reading, and writing exercises to see how far you have come. This essential grammar e-guide is part of DK's English for Everyone series, an exciting and educational self-study course to build up confidence and fluency. Whether you want to improve your grammar for school, study, exams (including TOEFL and IELTS), work, or travel, this is the perfect reading companion. Series Overview: English for Everyone series teaches all levels of English, from beginner to advanced, to speakers of English as a second language. Innovative visual learning methods introduce key language skills, grammar, and vocabulary, which are reinforced with a variety of speaking, reading, and writing exercises to make the English language easier to understand and learn. Teachers are obsessed with telling you what to learn. The problem is, nobody teaches you how to learn. This is all about to change. In his new book, How To English, Adam David Broughton shares a revolutionary and powerful system that teaches you exactly how to make incredible progress in all aspects of English. In How To English, you will learn 62 practical techniques to become an independent learner in 31 days, and everything you will ever need to get the level you've always wanted in English and enjoy the process. How to master English fluency How to listen perfectly in English How to stop making mistakes in English How to improve your pronunciation How to expand your vocabulary in English How to have perfect English grammar How to stay motivated, be disciplined and create a habit ...and 55 other amazing techniques. Everyone knows that it's not what you do in class that determines your progress in English, it's what you do when you are not in

class. However, English learners often don't know what to do. As a result, at some point, every English learner stops making progress. Then they get frustrated. How To English is the antidote to this frustration. When you learn how to learn English, you never need to worry about what you learn in English.

The book walks you through your language in 23 easy steps. Almost automatically you will acquire a large working vocabulary that will suit your needs. As you work through the steps, use the sticky labels (included). At the back of the book, you will also find cut-out flash cards to make learning fun. When you have completed the book, cut out the menu at the back and take it along on your trip. Available in 11 languages.

From the inspirational leader and author of the international bestsellers *Your Sacred Self* and *Your Erroneous Zones* comes this mind-awakening guidebook for making your desires reality. Wayne Dyer is an extraordinary sensor of what people want and he moves with the ever-changing times. He focused on the heart of the spiritual with *Real Magic* and embraced individual sacredness with *Your Sacred Self*. In this enlightening work, he takes these concepts one step further to focus on meditation and manifesting what you want. Based on ancient principles and spiritual practices, *Manifest Your Destiny* teaches the process of meditation as a way to streamline your thoughts, desires, goals, and, ultimately, your life. Are the decisions and actions in your life controlled by your ego? Are you weighted down with unresolved troubles? Do you feel out of touch with your environment? Do you complain, find fault, or take for granted more often than you appreciate your life? You can overcome these barriers with Dyer's technique, as outlined in his *Nine Spiritual Principles* that will teach you to develop spiritual awareness, reconnect with the world, trust yourself and accept your worth, and let go of demands. Filled with warmth and insight, this invaluable book will help you achieve your goals and take you to a level higher than you've ever dreamed.

Ramón Campayo, poseedor de numerosos récords mundiales de memorización y autor del éxito de ventas *Desarrolla una mente prodigiosa*, nos sorprendió anteriormente con un libro para el aprendizaje de idiomas, en el que demostró, con su revolucionario método, cómo el lector era capaz en solo siete días de defenderse en cualquier idioma de un modo eficaz y solvente. Este libro es una adaptación de este método para el aprendizaje rápido del inglés, el idioma hoy día más universal e imprescindible, en sus páginas el lector encontrará todo lo necesario: las tablas de vocabulario, los términos traducidos, la pronunciación figurada y las asociaciones inverosímiles. Los siete días de trabajo y estudio que usted necesita están adaptados de tal modo que no precisará ningún diccionario o curso adicional y, además, incluye toda la gramática necesaria. El autor le garantiza que usted conseguirá desenvolverse desde el primer día en dicho idioma de la forma más rápida y eficaz. La portentosa capacidad mental e imaginación de este campeón del mundo le mostrará nuevas ideas y caminos que le ayudarán a desarrollar su capacidad de aprendizaje, de inventiva y de imaginación.

Gossie is a gosling who likes to wear bright red boots every day, no matter what she is doing, and so she is heartbroken the day the boots go missing and she can't find them anywhere.

Hamza Abdullah, a retired NFL player, goes on a journey to find out why so many NFL players go broke, get divorced and/or commit suicide. What began as misplaced anger transformed into an expedition to accurately access the perils football players experience when they leave the field of play. In this memoir, Hamza discusses concussions, CTE, Post Traumatic Stress Disorder and suicide.

Including 1 Free Lesson With Free Audio & Free Video You have studied English for years, yet you still don't speak English well. You've tried many methods and you still make grammar mistakes, you still can't speak English fluently, and you still can't pronounce English words correctly. You can read English, but you feel too nervous or too shy to speak English. The good news is, this is very normal. You have simply used ineffective methods to learn to speak English. Ken has been in your situation before, but now he can speak English like a native, and he accomplished that in six months. In this book, Ken is going to teach you how to completely get rid of your accent and develop an American or British accent to speak English just like a native speaker, and he'll teach you how to accomplish that in just six months. In this book, you'll: \* learn to speak like a native in six months or less \* learn to do that on a busy schedule \* learn to speak English without translating it first \* learn grammar without memorizing grammar rules \* learn to build a vocabulary that lasts \* learn to pronounce English words like native American or native British \* learn to speak English fluently, correctly, naturally, effectively, effortlessly \* and more... to speak English like a native speaker. You have studied English for years, yet you still can't speak English well. The reason is simply: The methods you used were ineffective. Change your approach now. Learn from the success who has walked in your shoes before and is getting the result you want. Effortlessly follow the step-by-step instructions in the book to achieve the highest level of fluency to help you speak English like a native speaker.

En sus versiones originales, Fausto, Don Quijote y Don Juan reflejan el anti-individualismo de su tiempo. Fausto y Don Juan son castigados con el infierno y Don Quijote es objeto de mofa. Un siglo despues, el *Robinson Crusoe* de Defoe nos ofrece una consideración más favorable del individualismo. Ian Watt examina estos cuatro mitos del mundo moderno, creados entre los siglos XVI y XVIII, como productos distintos de una misma sociedad.

This is the second edition, revised and over 70% bigger than the first one. Most people think that phrasal verbs, verbs with more than one word, are hard to learn. As students we are given lists and lists of them to memorise, and we usually find the whole thing boring, complicated, and really hard to remember. This book is different. There are no lists and there is nothing to memorise. Instead, there are over 600 little stories, one for each verb. The fact is that phrasal verbs are not a logical system, designed by

some maniac a few centuries ago. No. There are simply something that grew up naturally. Most natives don't even know the expression phrasal verbs. We never learn them at school. We know the difference between chopping down a tree and then chopping it up. We also know that when a building burns down, it is the same as when it burns up. Neither do we ever confuse put up your cousin with put up with him. If you use this book for about ten minutes every day, I money-back guarantee that in about ten days you will know more about phrasal verbs than 99% of all non-native teachers who teach English for a living. I also promise you that you will have fun doing it. "Reviews for the first edition, which was Kindle only Phrasal verbs are usually a nightmare for us. Often we try out the "uncommon common sense" just to come to the wrong meaning, fools rush in where angels fear to tread. So I am very grateful to the author as he shows a natural way to learn those damned little things. - jartiblisimo (Spain) It's a brilliantly conceived book, not only the short stories really stick in your head and help your memory in recalling all those verbs, but also enables the reader to get all the subtle shades of a verb which a non-native speaker fails to appreciate most of the times. - haunted85 (Italy) "

"Perrault's classic story . . . brilliantly conceived and executed" ("Publishers Weekly"). "The artwork inside is suffused with a golden light that proclaims the story to be from a sunnier, more dreamlike world."--"Booklist." Full color.

The Students' Basic Grammar of Spanish (SBG) is a self-study grammar book for students at Common European Framework of Reference (CEFR) levels A1-B1. It tackles the traditionally difficult grammatical problems faced by students of Spanish through clear, straightforward explanations, accompanied by a variety of engaging, accessible and practical exercises. Designed as a self-study book for students, the SBGS can be used outside the classroom, or as a study aid for a language course. It can also be used at levels above B1. It offers clear, precise and thorough explanations expressed in plain language. It contains over 470 illustrations that make it easier to understand the grammar points covered. It provides more than 370 exercises to help learners understand and assimilate the grammar presented and avoid common mistakes. It offers helpful examples of real, communicative Spanish and contains a wide range of text types. It also includes: An answer key Regular and irregular conjugated verbs A complete and easy-to-use thematic index

First published in 1943, *The Little Prince* by Antoine de Saint-Exupéry has been translated into more than 250 languages, becoming a global phenomenon. The Sahara desert is the scenery of Little Prince's story. The narrator's plane has crashed there and he has scarcely some food and water to survive. Trying to comprehend what caused the crash, the Little Prince appears. The serious blonde little boy asks to draw him a sheep. The narrator consents to the strange fellow's request. They soon become friends and the Little Prince informs the pilot that he is from a small planet, the asteroid 325, talks to him about the baobabs, his planet volcanoes and the mysterious rose that grew on his planet. He also talks to him about their friendship and the lie that evoked his journey to other planets. Often puzzled by the grown-ups' behavior, the little traveler becomes a total and eternal symbol of innocence and love, of responsibility and devotion. Through him we get to see how insightful children are and how grown-ups aren't. Children use their heart to feel what's really important, not the eyes. Heart-breaking, funny and thought-provoking, it is an enchanting and endlessly wise fable about the human condition and the power of imagination. A book about both childhood and adulthood, it can be read as a parable, a war story, a classic children's fairy-tale, and many more things besides: *The Little Prince* is a book for everyone; after all, all grown-ups were children once.

It's time for school, but she can't find her socks. Will she find the right pair? A cute tale for beginner readers.

**THE GREAT BETRAYER...IN HIS OWN WORDS.** First in the pulse-pounding, action-packed "Judas Chronicles" series by bestselling author Aiden James. William Barrow carries a dark secret. A very dark secret. An archivist for the Smithsonian Institute and also a part-time operative for the CIA, no one would ever suspect the handsome 'thirty-ish' William is in fact the most reviled human being to ever walk the earth. His infectious warmth and sense of humor make such an assertion especially hard to believe. But long ago, William Barrow had another name...one that is synonymous with shame and betrayal: Judas Iscariot. Forced to walk the earth as a cursed immortal, William/Judas is on a quest to reclaim the thirty silver shekels paid to him in exchange for Jesus Christ. Twenty-one coins have now been recovered—thanks in large part to the help from his latest son, the esteemed Georgetown University history professor, Alistair Barrow. Ever hopeful the complete coin collection will buy him a full pardon from God and end his banishment from heaven, William plans a visit to a remote village deep within Iran's Alborz Mountains to retrieve 'silver coin number twenty-two'. But the CIA has a different objective for this trip, one that pits both father and son against an unscrupulous Russian billionaire searching for something else that's just as precious within the ancient mountains of Iran... something that threatens peace in the modern world if William and Alistair fail to reach it first. This compelling, exciting, and at times heart-breaking supernatural adventure with nearly 500 combined 5-star reviews on Amazon and Goodreads by bestselling author Aiden James,

begins the epic "Judas Chronicles" saga, a series that's been downloaded over 400,000 times! Immortal Plague is the first of eight Judas Chronicles supernatural adventures with more to come in 2019 and beyond. If you enjoy fast-paced supernatural stories that are big on action and heart, then The Judas Chronicles are for you! Wow! It's an Emotional Roller Coaster Ride! Great Book, Exciting Adventure! I started reading this story with no intention of liking Judas, the man that is believed to have betrayed Jesus, and I wanted insight into what could have caused him to do such a dreadful thing. I found myself rooting for him to find the missing "blood money--coins," to redeem his life and pay his penance for his sins.... A great story, full of great characters, humor, love, friendship, and it was well worth the time it took to read it. I look forward to the other books in this series. 5-star Amazon review Makes you think! This author is amazing! Who would have thought of Judas as a fantasy character? I hesitated as I am Christian and couldn't believe this could be good. Aiden James is NOT disrespectful to biblical truth, he just sees it in a whole different point of view. I loved these books, not finished with them all yet, but will buy them all. Don't hesitate because you are Christian; if you love fantasy, this will really intrigue you. Judas Iscariot, love him or hate him.... After several thousand years on earth, anyone would be a little warped, right? Doomed to immortality because of his betrayal of Christ, Judas Iscariot (now called William Barrow) must collect the thirty pieces of silver he was given by the Romans. But each coin has caused mayhem throughout the centuries, and the worse the history of the coin, the harder it's retrieval. Immortal Plague is the beginning of this amazing series. It's hard to put one down without immediately purchasing the next one. Each is written as a journal of sorts, I like the style. These books will take you all over the world and each story grips as much as the previous.

Curso de Inglês Médico é uma obra desenvolvida para auxiliar no aperfeiçoamento da capacidade de leitura de textos médicos em inglês. Apresenta mais de 100 exercícios, organizados em ordem crescente de dificuldade, que exploram habilidades como tradução, versão, interpretação e produção de textos acadêmicos em língua inglesa. Cada um dos 33 capítulos do livro trata de uma determinada especialidade médica; fornece a terminologia básica da área clínica em inglês-português; e, em seguida, aborda os usos dessa terminologia na literatura médica, através de exercícios. Os autores fornecem um certificado de conclusão para quem for aprovado no teste final.
