This is a course for students of CSEC Spanish. Relevant and lively, it consists of a Student's Book each with 2 audio CDs, a Workbook and a Teacher's Guide.

Developed exclusively with the Caribbean Examinations Council, this Study Guide will provide you with the support to maximise your performance in CSEC English B. Written by a team of experts in the syllabus and the examination, this Study Guide covers all the essential information in an easy-to-use double page spread format and also with online support. Each topic begins with key learning outcomes and contains a range of features to enhance your study of the subject.

A forgotten classic from India's favourite storyteller This riveting historical narrative is more full of drama than any fiction. With the death of Maharaja Ranjit Singh, the great Punjab empire he had built was riven by intrigues, betrayals, assassinations and wars until the British finally annexed it, seizing the Kohinoor diamond and sending the young Maharaja Duleep Singh into exile in Britain. Khushwant Singh brings this turbulent period to vivid life in this page-turning account of the collapse of a once-mighty kingdom.

Maya Angelou's unforgettable collection of poetry lends its name to the documentary film about her life, *And Still I Rise*, as seen on PBS's *American Masters*. Pretty women wonder where my secret lies. I'm not cute or built to suit a fashion model's size But when I start to tell them, They think I'm telling lies. I say, It's in the reach of my arms, The span of my hips, The stride of my step, The curl of my lips. I'm a woman Phenomenally. Phenomenal woman, That's me. Thus begins "Phenomenal Woman," just one of the beloved poems collected here in Maya Angelou's third book of verse. These poems are powerful, distinctive, and fresh—and, as always, full of the lifting rhythms of love and remembering. *And Still I Rise* is written from the heart, a celebration of life as only Maya Angelou has discovered it. "It is true poetry she is writing," M.F.K. Fisher has observed, "not just rhythm, the beat, rhymes. I find it very moving and at times beautiful. It has an innate purity about it, unquenchable dignity. . . . It is astounding, flabbergasting, to recognize it, in all the words I read every day and night . . . it gives me heart, to hear so clearly the caged bird singing and to understand her notes."

*A World of Prose* includes all the prescribed texts for the revised CSEC English A and English B syllabuses. It has been compiled with the approval of the Caribbean Examinations Council by Editors who have served as CSEC English panel members. - The material in this anthology will help students to prepare effectively for the CSEC examination. - The texts have been chosen to cover a wide range of themes and subjects and include a balance of well-known texts

from the past as well as more recent works. - The anthology includes texts from the Caribbean and the rest of the world to stimulate an interest in and enjoyment of reading and literature. - This collection contains notes on each text and questions to provoke discussion, as well as a useful checklist to help students with literary analysis. - The book contains practical guidance for students on how to tackle examination questions, with examples of model answers for reference.

Developed exclusively with the Caribbean Examinations Council, this Study Guide will provide you with the support to maximise your performance in CSEC English A. Written by a team of experts in the syllabus and the examination, this Study Guide covers all the essential information and has online support. Each topic begins with key learning outcomes and contains a range of features to enhance your study of the subject.

The cultural and linguistic complexity of postcolonial Trinidadian society is cleverly portrayed in this beautifully written West Indian novel. Hodge uses the voice of the central character, Tee, to tell a story that begins with two young children forced to live first with their aunt Tantie and then with Aunt Beatrice. Tantie's world overflows with hilarity, aggression, and warmth. Aunt Beatrice's Creole middle-class world is pretentious and exudes discriminatory attitudes toward people of color in the lower classes. As we follow Tee from childhood to young adulthood, we share the diversity and richness of her struggle to exist in two worlds, fit in with relatives and classmates, learn from differing cultures, and carve out her identity. In addition to Hodge's powerful, evocative writing and messages, readers are treated to an insightful introduction and study questions, written by Roy Narinesingh, that prompt fruitful discussions of

postcolonial issues.

Developed with the Caribbean Examinations Council, this Study Guide provides you with support to maximise your performance in CSEC Physical Education and Sport. Written by teachers, examiners and experts in the field, it covers all elements of the syllabus in an easy-to-use double-page-spread format with a range of features to enhance study.

Traces Puerto Rican industrialization since the 1950s from the point of view of a young girl, covering incidents that are important to children but often dismissed as trivial by adults

This book of ten multiple choice practice tests is designed especially for students preparing for the CXC General Proficiency examinations in Mathematics. All the questions are patterned along the lines of those used in the CXC examination and each test follows the format of the examination itself. The tests are clearly laid out to enable ease of use and marking.

In *Teaching Creative Thinking: Developing Learners Who Generate Ideas and Can Think Critically*, Bill Lucas and Ellen Spencer define and demystify the essence of creative thinking, and offer action-oriented and research-informed suggestions as to how it can best be developed in learners. Where once it was enough to know and do things, young people now need more than subject knowledge in order to thrive: they need capabilities. *Teaching Creative Thinking* is the first title in the three-part *Pedagogy for a Changing World* series, founded upon Lucas and Spencer's philosophy of dispositional teaching a pedagogical approach which aims to cultivate in learners certain dispositions that evidence suggests are going to be valuable to them both at school and in later life. A key capability is creative thinking, and, in 2021, one of the guardians of global comparative standards, PISA, is recognising its importance by making creative thinking the 'innovative assessment domain' to supplement their testing of 15-year-olds' core capabilities in English, maths and science. Creative thinkers are inquisitive, collaborative, imaginative, persistent and disciplined and schools which foster these habits of mind in learners need to be creative in engaging children and young people by embedding creativity into their everyday educational experiences. In this extensive enquiry into the nature and nurture of creative thinking, the authors explore the effectiveness of various pedagogical approaches including problem-based learning, growth mindset, playful experimentation and the classroom as a learning community and provide a wealth of tried-and-tested classroom strategies that will boost learners' critical and creative thinking skills. The book is structured in an easy-to-access format, combining a comprehensive listing of practical ideas to stimulate lesson planning with expert guidance on integrating them into your practice, followed by plenty of inventive suggestions as to how learners' progress can be assessed and tracked along the way by both the pupil and the teacher. The authors then go further to offer exemplars of success by presenting case studies of schools' innovations in adopting these approaches, and dedicate a chapter to dispelling any pressing doubts that teachers may have by exposing the potential pitfalls and offering advice on how to

avoid them. Venturing beyond the classroom setting, Teaching Creative Thinking also delves into the ways in which a school can work towards the provision of co-curricular experiences such as partnering with a range of external community groups and better engage its leadership team and pupils' parents with the idea of creative thinking in order to support learners with opportunities to grow. The authors offer many examples which will inspire schools to do just this, and collate these ideas into building a framework for learning that equips young people in schools today with the twenty-first century skills and capabilities that will enable them to thrive in the workforce of tomorrow. Replete with research-led insight and ready-to-use strategies, Teaching Creative Thinking is a powerful call to action and a practical handbook for all teachers and leaders, in both primary and secondary settings, who want to embed a capabilities approach in their schools.

Royal palms are dying provides an insight into the intrigues of politics in a small island. Unfortunately a lack of integrity and an abandonment of the precepts that formed the foundation of the society have been adversely influenced by outside forces which, like termites, have brought about the dangerous demise of the island's stability. From its quiet beginning the story races through twists and turns to a surprising and violent ending.

This book is designed to aid students who are sitting the CSEC principles of accounts external examinations in their studies. It consists of ten (10) years of fully worked solutions from the May/June examinations, and also one hundred (100) multiple choice questions with solutions. competition, everything seems to be going his way. He must learn how to handle popularity - and counter threats.

At the age of twelve, Sophie Caco is sent from her impoverished village of Croix-des-Rosets to New York, to be reunited with a mother she barely remembers. There she discovers secrets that no child should ever know, and a legacy of shame that can be healed only when she returns to Haiti--to the women who first reared her. What ensues is a passionate journey through a landscape charged with the supernatural and scarred by political violence, in a novel that bears witness to the traditions, suffering, and wisdom of an entire people.

The third edition of this popular text has been updated to prepare students specifically for the revised multi-choice comprehension paper (Paper 1, Listening & Reading Comprehension) of CXC Spanish, being examined from 1998 onwards.

A beautifully written and paced story, sure to capture the imagination of both teenagers and adult readers.

English Alive! is a four-book series designed specifically to meet the needs of English students in Caribbean secondary schools. The series adopts a lively and exciting new approach to the study of English, helping students to become more confident in their use of English and ultimately succeed at their exam.
