

Cyril Squirrel Finds Out About Love

This is a book of 12 stories concerning Spike Hedgehog, Cyril Squirrel, Oliver Owl, Polly Poodle and other denizens of Bluebell Wood. It is about the adventures they have, the problems that they encounter and their relationships with each other. It is informative and humorous in a way that children would understand.

Cyril Squirrel asks lots of questions, but there's one thing that really puzzles Cyril... "What is love? Can I find it? Keep it? Do I need it?" With a notebook and a map, Cyril embarks on a quest to find out about love. "Gone away to find out what love is. Back soon." Helping children to learn about the ways that love can look, sound or feel, this heart-warming picture book shows some of the many different forms love, friendship and kindness take. Suitable for all children aged 2-6, especially those who may have confused ideas about love, Cyril's adventure includes guidance for adults on how the book can be read with children.

Cyril Squirrel Finds Out About Love Jessica Kingsley Publishers

Are you looking for a cute and funny children's story to read aloud with your kids at bedtime? Find out what happens when Cyril Squirrel decides he wants to try flying! This textbook allows independent practice of mathematical skills. It presents the concepts at an appropriate reading level. Activities with an investigative or process-skill focus encourage creative and mathematical thinking. Problem-

solving is included.

Cyril Squirrel and the Long Run Home (Children's Print Book - U.S. English Edition) It's now Autumn in Misty Tops Wood, and Cyril and his sister, Beth, are busy collecting nuts in the park. Their friend Molly Mouse is helping them. Cyril was sent by his Mom to find nuts. He's picked up so many, his sack barely shuts! It starts to get dark, and Cyril knows they must head home quickly. There are lots of dangers awaiting young squirrels as night approaches! This book will help to teach your kids about helping one another, problem solving, and being brave. The story and following nature notes are also a great way to introduce some simple facts about Autumn to young children. - Will Cyril and Beth make it home safely in time for Mom's acorn stew? - What animals might prefer squirrels for their tea? - How does Cyril help his sister? - What happens when they are nearly home? - Who does Beth want to go with them next time? Read on to find out more... The fun rhyming verses make this book ideal for reading aloud to preschoolers. The short verses contain fairly simple text, making the book also suitable for Beginner Readers to tackle with a little help. Ideal as a short bedtime story, or for reading at any time of the day! Kids will enjoy the bright, colorful illustrations on every page. Take P.D. Monkey's latest challenge, and try to spot the one green leaf that he has hidden in every picture. For extra fun and learning, a few simple Nature Notes and Puzzles are included after the story. Suggested level: primary.

"Some people won't believe any of this story. You might be one of them. But every single word is true. Tony DiMarco does catch a murderer, solve a mystery, and find a treasure—all in the first few days after he moves, unexpectedly, to 13 Hangmen's Court in Boston. The fact that he also turns thirteen at the same time is not a coincidence." So begins the story of Tony and his friends—five 13-year-old boys, all of whom are living in the same house in the same attic bedroom but at different times in history! None are ghosts, all are flesh and blood, and somehow all have come together in the attic room, visible only to one another. And all are somehow linked to a murder, a mystery, and a treasure. Praise for 13 Hangmen "Fascinating tale. Ghostly fun in old Boston."--Kirkus Reviews "The book's design nicely differentiates Tony's story, set in 2009, from the past narratives. Recommend this engaging historical mystery to readers who devoured Dan Gutman's Baseball Card Adventures series and are ready for a longer, more complex adventure." --Booklist "Corriveau merrily ransacks historical episodes and figures (e.g., the Great Molasses Flood, the Underground Railroad, Boston mayor John F. "Honey Fitz" Fitzgerald) and spins, twists, and manipulates their stories to advance the DiMarco family mystery. The result is a novel that agilely balances humor and tension." --The Bulletin of the Center for Children's Books "This is an exceptionally good story,

with a wry, humorous tone that has particular boy appeal. It covers baseball, history, sibling rivalry, girls, and mystery, and folds in the space-time continuum." --School Library Journal
In this incredible, heart-wrenching story reminiscent of E. Nesbit's *Five Children and It*, Kate Saunders illustrates the power of war but the even greater power of family, and the love that carries us out of the darkness of despair into the light of hope. The sand fairy, also known as the Psammead, is merely a creature from stories Lamb and Edith have heard their older brothers and sisters tell . . . until he suddenly reappears. Lamb and Edith are pleased to have something to take their minds off the war, but this time the Psammead's magic might have a serious purpose. Before their adventure ends, all will be changed, and the Lamb and Edith will have seen the Great War from every possible viewpoint—that of factory workers, soldiers and sailors, and nurses. But most of all, the war's impact will be felt by those left behind, at the very heart of their family. Praise for *Five Children on the Western Front* Winner of the Costas Award for Children's Fiction ? "An irresistible read."—Publishers Weekly, Starred Review
"Skillful and deeply moving." —The Guardian "A rewarding experience."—Booklist "Saunders strikes a surprisingly successful balance between the mischievous magic of the sand fairy and the harsh realities of wartime England." —The Bulletin "A dramatic, heartrending look at World War I's far-reaching consequences for families and individuals."—SLJ "An emotionally resonant, engaging story of personal growth (the siblings') and moral education (the Psammead's). With issues of social and gender inequality and a compassionate take on the ruins of war, it's historically convincing, thought-provoking, and sensitive."—The Horn Book Magazine

Cyril Squirrel has always lived in the great oak tree. His family had nested there for generations, building the squirrel house themselves and adding to it as their family grew. After sheltering in a nearby barn during a fierce storm one night, Cyril returned home to find his family tree had been struck by lightning and was split right down the middle - half leaning to the left and the other half leaning to the right. Will Cyril's friend Betsy Barn Owl be able to show Cyril how to look at this split in a different way and, as the past cannot be changed, find the perfect home for him again? This book will help children cope with separation. This story is told as a metaphor to read aloud to children and enjoy together. The vibrant illustrations and use of language draws children in to be part of the adventure, gently guiding them alongside the characters to get the message on a more personal level for them, to make their own meanings and take control of their own life situation - in their own way.

The adventures of Cyril Squirrel- *SOS SUPERHERO* is a tale about the importance of always standing up for what you believe in and, in times of adversity, we all have a superhero inside of us. All proceeds from this book go towards Save Our Schools UK. We are not prepared to let our children become the lost generation!

Two greedy squirrels go on a wild pinecone chase in this hilarious follow-up to *The Lion Inside* and *The Koala Who Could!* "It's mine!" shouted Cyril. "No, mine!" hollered Bruce. "You don't stand a chance! Give up! It's no use!" "I'm HUNGRY!" cried Cyril. "This cone is NOT yours!" "Stay back!" shouted Bruce. "This cone's for MY stores!" Greedy squirrels Cyril and Bruce both have their sights on a very special prize: the last pinecone of the season. Uh-oh! The race is on! A laugh-out-loud tale about friendship and sharing by the bestselling duo behind *The Lion Inside* and *The Koala Who Could*, Rachel Bright and Jim Field!

The story is set on the high seas where a gas tanker is high-jacked by terrorist under the control of the Senate, who put it on tow to a high-jacked cruise liner, which is used as a human shield. The terrorists want to sail the convoy to New York harbor and blow

it up, causing devastation in an act of revenge. The only chance for Jeff and his friends have for saving themselves is if the passengers take back the two ships before they reach American waters; otherwise, the Americans will blow the gas tanker up, killing all the passengers. The main action takes place off Sable Island near Nova Scotia, the notorious area known as the Atlantic graveyard, where history will tell there has been the loss of over three hundred ships. The flashback of when Jeff first came in contact with the deadly Senate, he was a well-known local environmentalist and was wanted for terrorist crimes he did not commit. The only way he can prove his innocence and stay alive is by pretending to be dead, return to a devastated Estuary area, search for his family and the truth. The evidence of corruption he finds that threatens to destabilize the government must be exposed at all costs Jeff is hunted by a professional killer of the Senate called Wilson, who must destroy him and the evidence before Jeff can expose it. In this part of the story, the action is set against a background of the aftermath of an explosion of biblical proportions at a gas terminal in the Estuary. The thought-provoking reality is that it could happen for real, and the establishment knows it, and they have to plan for the worst-case scenario.

Cyril is a grumpy squirrel who won't help the other animals. Can he learn to share? Cyril, a city squirrel who loves to skateboard, sees his first tree when he and his father drive to the big forest to see Grandpa and Grandma Squirrel. Questions follow story. This accessible, hands-on guide offers practical advice for those working with young children on developing their empathetic practice and fostering empathetic settings. It explains how to use simple teaching methods, games and stories to promote empathetic behaviour in children.

Cyril is a friendly squirrel who lives in a tree house. One day, he sees a hungry mouse munching on cheese beneath his tree, and he invites her up for some acorn pie. It is not long before Mary Jane and Cyril are playing a fun game of hide-and-seek. As they chase each other around and around, they attract the attention of all the woodland creatures. Will either of them ever be caught and win the game? In this whimsical children's tale, a cheerful squirrel and a shy mouse become fast friends while playing a familiar game of hide-and-seek in the woods.

Cyril Squirrel is tasked with the responsibility of a very important job. Unfortunately, in his overexcitement, Cyril ignores some very valuable advice and finds himself feeling extremely worried indeed. How will he get the job done? Will anyone want to help him? Cyril Squirrel and the Wonderfully Worrysome Task is an enchanting and emotive children's book that tackles an everyday problem to which all children will relate. This book is a collection of children's stories all about a lovable little character I've invented, along with his animal friends including birds. Friends, neighbours, and of course family have read the stories, all coming to the same conclusion that they wouldn't be out of place on a bookshelf. Those who have read them range in age from five to eightyfive! I hope that this makes for excellent reading and meets with all of your approval.

Cyril is a very energetic and curious little squirrel, always ready to make friends and learn new things. He loves adventure and as magical doors fall from the skies, Cyril is transported to new places, uncovering characters who are ready to show him the beauty of the seasons and all they have to offer. What will he learn along the way? Beautifully illustrated, this tale set to a fun rhyme will have younger readers delighted as

they run, fly, jump with Cyril and learn all about the seasons. A magical tale of adventure and wonder for the young reader just learning.

Clover Cow conquers the flu, Wilbur Woodpecker's beak gets a boost, and Lenny Lynx is back on his feet after a break. All thanks to the caring vets who come running to the rescue when these and other animals feel a bit under the weather... A book full of positive tales, with delightful illustrations.

Like a treasure chest, this resource overflows with valuable resources - information, ideas and techniques to inspire and support those working with children who have experienced relational and developmental trauma. Drawing on a range of therapeutic models including systemic, psychodynamic, trauma, sensory, neurobiological, neurocognitive, attachment, cognitive behavioural, and creative ideas, Dr Karen Treisman explains how we understand trauma and its impact on children, teens and their families. She details how it can be seen in symptoms such as nightmares, sleeping difficulties, emotional dysregulation, rage, and outbursts. Theory and strategies are accompanied by a treasure trove of practical, creative, and ready-to-use resources including over 100 illustrated worksheets and handouts, top tips, recommended sample questions, and photographed examples.

David Trevelyan is a Royal Navy intelligence operative who usually works undercover, sometimes with the approval of his masters—and sometimes not. On a seemingly normal evening, he takes a lonely late-night walk between a restaurant and his New York City hotel. A familiar huddled shape in the mouth of an alley catches his eye—a homeless man has been shot to death. Trevelyan steps forward...and a cop car arrives. A split second too late, Trevelyan realizes he's been set up. But Trevelyan isn't worried. He's a hard man from the shadowy world of Royal Navy Intelligence. He's been in and out of trouble a thousand times before. But the NYPD quickly hands the problem to the FBI. Trevelyan is sucked deeper into the system. And the British Consulate tells him: You're on your own now, mate. With no idea who's a friend and who's a foe, he penetrates deep into a huge international conspiracy. The price of failure will be death, and the reward for success will be redemption, both for himself and the huddled corpse from the alley. The motivation will be his cherished life-long belief: You don't get mad—you get EVEN. If Jack Reacher had a younger brother, he'd be David Trevelyan. Lee Child does have a younger brother, and his name is Andrew Grant. A remarkable debut, *Even* delivers on its own—a tight, fast-paced, modern thriller fueled by adrenaline and revenge.

From author-illustrator Emily Gravett comes a warm and funny picture book about friendship and loving someone different from yourself. Cyril is a squirrel. Pat is a rat. They have a lot of adventures and fun together. But no one else thinks they should be friends. In Emily Gravett's brilliantly funny story, two friends learn that some things are more important than being the same, or following others.

Squirrels have made numerous appearances in mass media over the years, from Beatrix Potter's Nutkin and Timmy Tiptoes, to Rocky the flying squirrel of *The Adventures of Rocky and Bullwinkle*, and to Conker and Squirrel Girl of video game fame. This book examines how squirrel legends from centuries ago have found new life through contemporary popular culture, with a focus on the various portrayals of these wily creatures in books, newspapers, television, movies, public relations, advertising and video games.

Have you ever sat down with your coffee to enjoy a new book to discover it was too flowery or too hard a read for you? Well this is definitely not that book; this book is full of wee poems written in Scottish slang as the Scots tongue and poetry is close to my heart and would like everyone to enjoy some writings of my home land. I am sure you will easily understand without a translator, and very easy to read. The childrens poems mostly have little moral endings to teach simple lessons like being careful crossing the road, keeping your teeth clean and doing

Get Free Cyril Squirrel Finds Out About Love

as you are asked. You will enjoy the exploits of many mischievous woodland beasts along with stories of gnomes and elves. Your children will slip off peacefully to sleep and dream their own magical fantasies. This book will make you laugh and cry but hopefully most of you will enjoy these easy to read poems. Robyns Gran

Delightful tale about the inquisitive and playful animals in the woods at the bottom of the garden.
