The French sculptor's classic work which details the skeletal and muscular structure of the human body

Single mom and romance novelist Kelly Michaels has no time for a man in her life. But when mega-famous cover model Derek Calavizzi puts the moves on her at a romance writers' conference, she succumbs to temptation. Common sense prevails, however, and after a few passionate kisses she turns him down; she has impressionable teenagers at home, after all, she doesn't need a one-night-stand with a much younger man, no matter how hot he is. When photos of their passionate moonlight kiss hit the tabloids, her agent has to do some fast footwork to save her reputation. Will the notorious bad boy go along with her scheme? Derek rarely hears a woman say "no" — it's been that way his entire life. If Kelly isn't interested, he's not going to push her-- even if she does melt like ice cream on a hot sidewalk every time he touches her. But when an unexpected opportunity falls into his lap by way of Kelly's scheming agent, he jumps at the chance. Pretend he's in love with Kelly Michaels for two weeks? No problem. After all, the lady may say she's never going to sleep with him... but he's got two weeks to convince her otherwise.
