“Jadi, kiai itu juga harus memiliki pemikiran yang terbuka dan selalu mengikuti perkembangan zaman,” kata Kiai Din kepada Antara yang menemuinya di kediaman yang asri di pinggir Jalan Raya Desa Ploso pada 2007 lalu.

Thought of Abdullah Syafii'e, an ulama, on Islamic social life and education in Indonesia.

Contextual Teaching and Learning is an examination of a holistic approach to education. The book provides its readers with a comprehensive definition of Contextual Teaching and Learning (CTL), discussing its origins and philosophy, its basis in psychology, neuroscience, modern physics and biology. While attitudes toward education are often shaped by popular views in science, author Elaine B Johnson outlines the importance of integrating modern scientific discoveries into current education practices. Contextual Teaching and Learning: What It Is and Why It's Here to Stay stresses interdependence, differentiation, and self-organization as the principals that form CTL, as opposed to the dualism between thought and action that plagues traditional views on education. Elaine B Johnson illustrates the relationship between brain functions, memory retention, and teaching methods, and the significance of incorporating real life examples in lesson plans.

For almost four decades, Theories of Human Communication has offered readers an engaging and informative guide to the rich array of theories that influence our understanding of communication. The first edition broke new ground with its comprehensive discussion of theorizing by communication scholars. Since that time, the field has expanded tremendously from a small cluster of explanations and relatively unconnected theories to a huge body of work from numerous traditions or communities of scholarship. The tenth edition covers both classic and recent theories created by communication scholars and informed by scholars in other fields. Littlejohn and Foss organize communication theory around two intersecting elements contexts and theoretical traditions and emphasize the connections, trajectories, and relationships among the theories. They provide clear, accessible explanations that synthesize without oversimplifying. Their extensive use of examples presents theorizing as a natural process and invites readers to reflect on their own experiences and to become active participants in continuing the conversation. In addition to the authors lucid explanations of theories, the text includes From the Source boxes in which the theorists share their perspectives on communication. The extensive bibliography (almost 1,200 entries) and chapter citations are invaluable resources for more in-depth study.

""Kehidupan remaja sering kali diliputi oleh banyak pergumulan dan pertentangan atau konflik. Perubahan fisiologis atau bentuk fisik mereka dari bentuk fisik kanak-kanak menuju bentuk fisik orang dewasa membuat mereka merasa risih,

Read Online Dampak Pacaran Terhadap Moralitas Remaja Menurut Pandangan

kikuk, malu, canggung, atau salah tingkah. Perubahan fisiologis juga diikuti oleh perubahan psikologis berkaitan dengan pikiran dan perasaan mereka. Tidak mengherankan jikalau para remaja mudah tersinggung, gampang marah, pemalu, tidak percaya diri atau bahkan menarik diri dari pergaulan atau komunitas mereka. Kaum remaja dapat diibaratkan "gunung es", artinya, tampak di permukaan kecil dan indah. Tetapi, di bawah permukaan yang kecil dan indah tersebut justru tersembunyi bongkahan batu es yang besar sekali. Dalam kaitannya dengan remaja, maknanya adalah, potensi para remaja yang tampak di permukaan hanyalah sebagian kecil dari potensi mereka yang sebenarnya sangat besar, kuat dan dahsyat sekali sehingga sewaktu-waktu bisa mengguncang dunia. Tidak berlebihan mengatakan bahwa siapa yang menguasai remaja dialah yang menguasai dunia. Karena "remaja hari ini adalah pemimpin masa depan". Buku "Tanya Jawab: Remaja dan Solusinya" ini ditujukan kepada para orang tua, pendidik, pemerhati, konselor, para remaja sendiri atau siapa saja yang berkecimpung dalam pembinaan dan pengembangan para remaja atau menggumuli kehidupan para remaja."

"Character" has become a front-and-center topic in contemporary discourse, but this term does not have a fixed meaning. Character may be simply defined by what someone does not do, but a more active and thorough definition is necessary, one that addresses certain vital questions. Is character a singular characteristic of an individual, or is it composed of different aspects? Does character--however we define it--exist in degrees, or is it simply something one happens to have? How can character be developed? Can it be learned? Relatedly, can it be taught, and who might be the most effective teacher? What roles are played by family, schools, the media, religion, and the larger culture? This groundbreaking handbook of character strengths and virtues is the first progress report from a prestigious group of researchers who have undertaken the systematic classification and measurement of widely valued positive traits. They approach good character in terms of separate strengths--authenticity, persistence, kindness, gratitude, hope, humor, and so on--each of which exists in degrees. Character Strengths and Virtues classifies twenty-four specific strengths under six broad virtues that consistently emerge across history and culture: wisdom, courage, humanity, justice, temperance, and transcendence. Each strength is thoroughly examined in its own chapter, with special attention to its meaning, explanation, measurement, causes, correlates, consequences, and development across the life span, as well as to strategies for its deliberate cultivation. This book demands the attention of anyone interested in psychology and what it can teach about the good life.

Analyzes the processes of adjustment and their relation to personality, focusing on models of adjustive success and failure, adaptation, behavior theory, stress and coping, and psychodynamic therapy

Religion and its relation to religious life and customs of local communities in Indonesia; collection of articles.

Civil and military violence against women refugees during disintegration of Timor Timur Province from Indonesia.

Masa-masa ABG dan remaja dapat menjadi masa-masa yang penuh tantangan bagi kita dan anak kita. Buku ini dapat membantu kita menavigasi tahun-tahun penuh "cobaan" di masa ABG dan remaja. Buku ini dapat membantu memahami dan mengatasi kebutuhan psikologis, sosial, dan emosional putri kita, antara lain: memahami dan mengatasi beragam tantangan masa-masa ABG, memahami dan mengatasi beragam tantangan di bang-ku SMP dan SMA, memahami dan mengatasi "pemberontakan" anak, meningkatkan komunikasi dan

membangun disiplin, pacaran dan kencan, dan beragam topik menarik lainnya.

Buku ini menguraikan berbagai teori-teori psikologi, mulai dari psikologi umum, psikologi perkembangan, psikologi terapan, dan dasar-dasar kegiatan konseling dalam kebidanan. Kami berharap kiranya buku ini boleh menjadi salah satu instrumen pendidikan yang akan sangat baik dipakai bagi kalangan mahasiswi kebidanan. Selain itu, materi-materi yang kami sajikan dalam buku ini berkaitan dengan materi yang terdapat dalam kurikulum mata kuliah psikologi di Akademi Kebidanan, sehingga bagi mahasiswa dan dosen akan lebih mudah dalam mencerna dan memahami materi-materi yang dimaksudkan dalam kurikulum tersebut. Kami mencoba menyusunnya secara sistematis dan terarah sehingga memberikan wawasan baru bagi para pembacanya. Buku persembahan Prenada Media Group.

Emerging adulthood - the period between the late teens and mid-twenties - is a unique and important developmental period during which people gain relationship experience before settling on someone to partner with. *Romantic Relationships in Emerging Adulthood* presents a synthesis of research and theory on this topic. Leading scholars from demography, sociology, family studies, and psychology provide original data and theoretical analyses that address the formation, nature, and significance of romantic relationships in emerging adults. Until recently, it was assumed that romantic relationships in emerging adults were not particularly important or formative. The material presented allows this assumption to be thoroughly evaluated. This volume is intended to be a resource for anyone interested in understanding romantic relationships in emerging adulthood. It is especially appropriate for classroom use in upper-level undergraduate and graduate courses in the fields of family sociology, human development and family studies, clinical and developmental psychology, and social work.

Buku ini membahas tentang fenomena sosial yang terjadi dalam masyarakat, utamanya pada perempuan dan anak yang selama ini selalu dilekatkan dengan kelompok yang rentan akan kekerasan dalam berbagai aspek. Seiring modernisasi yang terjadi, apa yang dilakukan dan dialami oleh perempuan dan anak dalam masyarakat masa kini tidak selalu tersudutkan sebagaimana konstruksi sosial yang ada dalam masyarakat. Menariknya, partisipasi perempuan dan anak dalam masyarakat akan meneguhkan identitas diri mereka untuk keluar dari stigma yang selama ini melekat dengan kelemahan dan ketidakberdayaan. Begitupun dengan keluarga yang menjadi satuan terkecil di dalam masyarakat, transformasi sosial yang terjadi di dalam keluarga disebabkan oleh peran, fungsi dan berbagai kondisi sosial yang melingkupi sebuah keluarga. Dinamika tersebut juga diulas dengan lengkap di dalam buku ini. Sebagai locus dalam kajian ini, kumpulan hasil penelitian yang terangkum dalam buku ini dilakukan tidak hanya di sebuah kota saja, namun juga dilakukan secara internasional dengan melakukan kajian di beberapa negara yaitu Indonesia, Malaysia dan Hong Kong. Sehingga, persoalan mengenai perempuan, anak dan keluarga dapat dibahas secara komprehensif dan merupakan representatif dari masyarakat Indonesia di tengah arus perubahan secara global. Melalui tiga sub tema besar yang terdapat dalam buku ini, para pembaca dapat menemukan beberapa informasi yang sangat relevan dan menarik mengenai: 1) Transformasi sosial yang terjadi secara mendasar kepada perempuan, anak dan keluarga adalah hal yang tidak mungkin dinafikan lagi. Sebagai makhluk sosial maka perubahan pasti akan dirasakan oleh semua individu tanpa terkecuali,

2) Berbagai permasalahan pokok yang selama ini belum banyak diulas atau ditemukan terkait dengan perempuan, anak dan keluarga, 3) Implementasi dari sudut pandang ilmu sosial yang berharga untuk terus memperkuat inklusi sosial dalam masyarakat kontemporer. Kami berharap semoga kumpulan tulisan yang berfokus pada kajian perempuan, anak dan keluarga dalam masyarakat kontemporer ini dapat memperkaya khazanah keilmuan sosiologi di Indonesia, utamanya pada kajian sosiologi gender dan sosiologi keluarga. Semoga buku ini bermanfaat bagi para akademisi, peneliti, pemerhati dan peminat kajian perempuan, anak dan keluarga di Indonesia. Terlepas dari semua hal, kami menyadari dalam penyusunan buku ini masih jauh dari kesempurnaan tulisan, namun kami telah mengusahakan yang terbaik bagi para pembaca. Akhir kata, semoga buku ini dapat memberikan manfaat maupun inspirasi pada para pembaca untuk mengembangkan kajian ini dengan lebih baik lagi.

People currently live in a digital age in which technology is now a ubiquitous part of society. It has become imperative to develop and maintain a comprehensive understanding of emerging innovations and technologies. *Information and Technology Literacy: Concepts, Methodologies, Tools, and Applications* is an authoritative reference source for the latest scholarly research on techniques, trends, and opportunities within the areas of digital literacy. Highlighting a wide range of topics and concepts such as social media, professional development, and educational applications, this multi-volume book is ideally designed for academics, technology developers, researchers, students, practitioners, and professionals interested in the importance of understanding technological innovations.

The third edition of this successful book, which applies the science of psychology to problems of religion. Dr Thouless explores such questions as: why do people believe? Why are their beliefs often held with irrational strength? How are changes in belief systems related to mental health? What are reasonable attitudes towards alternative belief systems? This edition includes samples of the experimental and statistical studies of religious problems, including the author's own study of the strength of religious beliefs. This edition also pays more attention to the problems of non-Christian religious systems, with special consideration given to the problems of mutual toleration. Finally Dr Thouless considers whether it is reasonable for modern man to adhere to any religious belief system. This is an excellent textbook for students of the social sciences, particularly psychology and theology, and will also interest the general reader who has an intellectual curiosity about religion.

This wide-ranging volume presents an in-depth picture of adolescent sexuality and behavior. As perhaps the most vital period in human development, adolescence is a time of complex, often difficult interactions between diverse influences. Here, nineteen scientists representing ten disciplines explore the biological, psychological, and cultural factors involved in the onset of puberty and its associated emotional changes. Patterns of adolescent sexual behavior are viewed in cross-cultural perspective, psychiatric disorders are considered, and trends in adolescent sexual activity, contraception, and pregnancy are described. Key legal and social dilemmas are also explored. This is the third volume in a groundbreaking series from the Kinsey Institute, which has as its aim the study of topics relating to sex, gender, and reproduction that require an interdisciplinary approach. Previous volumes in the series include *Homosexuality/Heterosexuality* and *Masculinity/Femininity*. Connect with Lifespan Development and connect with success Informed and driven by research. At McGraw-Hill, we have spent thousands of hours with you and your students, working to understand the key needs and concerns you face in Human Development courses. The most

common topics raised include managing the vast amount of content inherent to a Lifespan course and ensuring the dependability of the assigned material—is it current and accurate? The result of this research is John Santrock's Life-Span Development. Life-Span Development ensures students complete and understand the assigned material in a number of ways: Santrock's hallmark Learning Goals pedagogy provides a comprehensive roadmap to the text material, clearly pointing out the core concepts fundamental to students' learning and performance. Our adaptive study tool, LearnSmart, increases students' efficiency in studying by identifying what they know, and more importantly what they don't know, providing immediate remediation for the areas in which they are struggling. At the same time, instructors have access to powerful, visual reports allowing them to quickly see where students' strengths and weaknesses lie. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. The 14th edition continues with the connections theme to help students better understand the concepts among the different aspects of life-span development. This recurring theme of connections—Developmental Connections, Topical Connections, Connecting Development to Life, Connecting with Careers, and Connections through Research—ties together concepts from across chapters to reinforce the learning process and connects the material to students' everyday lives and future aspirations. Our Milestones of Development video series helps bring the course material to life, allowing students to witness development as it unfolds. And of course, all of the text material is informed by Life-Span Development's unique board of expert consultants—a who's who of developmental psychology—who make sure the material is as accurate and up-to-date as possible.

She's a free-spirited dreamer. He's a brilliant painter. But now their shared passion for art has turned into something deeper.... For as long as she can remember, Kugy has loved to write. Whimsical stories are her passion, along with letters full of secret longings that she folds into paper boats and sets out to sea. Now that she's older, she dreams of following her heart and becoming a true teller of tales, but she decides to get a "real job" instead and forget all about Keenan, the guy who makes her feel as if she's living in one of her own fairy tales. Sensitive and introverted, Keenan is an aspiring artist, but he feels pressured to pursue a more practical path. He's drawn to Kugy from first sight: she's unconventional, and the light radiating from her eyes and the warmth of her presence pull him in. They seem like a perfect match—both on and off the page—but revealing their secret feelings means risking their friendship and betraying the people they love most. Can they find the courage to admit their love for each other and chase their long-held dreams?

Kenapa harus pacaran? Iya, ya, kenapa harus? Emang ada yang nyuruh?! Kan, nggak ada. Tapi, kayaknya ada sesuatu yang salah deh, kalau usia remaja cerita seperti kita, nggak pernah kenal kata yang satu itu. Pacaran, kan lumrah. Eit..., tunggu dulu! Sebelum kamu menyimpulkan sesuatu yang belum jelas, lebih baik baca buku ini dulu, deh! Nih, manfaat yang bakal kamu dapet setelah baca buku ini : - lebih berwawasan menyikapi pacaran; - mengetahui asal aktivitas ini; - sadar terhadap bahaya di balik pacaran; - tetap berprestasi meski nggak punya doi; - nggak perlu ribet mikirin dan jajanin anak orang; so pasti, kamu masih tetep anak Mama dan Papa yang cantik, cakep, dan berharga, tanpa pacar. [Mizan, DAR Mizan, Agama, Cerita, Anak]

Cara mudah untuk memahami implikasi signifikan perilaku, utamanya psikopatologi dan psikologi abnormal, terhadap individu ialah dengan memerhatikan pertanyaan ini: Apa yang dimaksud dengan individu? Buku ini menjawab pertanyaan ini serta menguraikan konsep dasar-dasar Psikologi dan berbagai deviansi (penyimpangan) psikologis pada diri manusia: perilaku, kepribadian dan tipologinya, perkembangan, deviansi perkembangan dan perilaku, gangguan psikologis, serta bagaimana terapi yang dilakukan untuk menyelesaikan gangguan psikologis --- Buku persembahan penerbit Kencana (Prenadamedia)
