The real fight is the one you can't see. The supernatural realm is very real, and it directly impacts our day-to-day lives. Often spiritual battles lie behind our everyday struggles. Though the spiritual world is invisible, we are not unaware of the enemy's schemes. Through God's Word and the power of the Holy Spirit we are equipped to be more than conquerors through Christ! With doctrinally sound, practical teaching, *Slaying Dragons* shows how the demonic realm fits into orthodox thoughts on salvation, redemption, and kingdom life. Daniel Kolenda demystifies spiritual warfare to shine light on what the enemy is doing in readers' lives and what they can do to slay every dragon they encounter. It also contains real-world examples of encounters with spiritual darkness, demonstrating examples of how "the light shines in the darkness, and the darkness has not overcome it" (John 1:5, NIV). It's easy to lose sight of the big picture as we focus on our everyday struggles. But our daily battles are part of a much bigger war, and we have been given all we need to win. *Slaying Dragons* will show readers what the enemy is trying to accomplish and how they can slay every dragon they encounter--in their lives and in the world. This book will teach you to see and overcome the spiritual battles behind your everyday struggles. ? As many as 96% of Christians are not leading anyone to Jesus. Which means that the vast majority of the wider church is, at best, simply sowing. The kingdom of God, however, requires both sowing and reaping. If we neglect reaping, we will not have a healthy harvest. *Jesus at the Door* offers a unique tool--an Equipping Card to use with anyone you know, anywhere--and practical, step-by-step instructions, helping readers witness to friends, family, even strangers on the street. This tried-and-tested method is framed around nine points and a picture, and takes about two minutes from introduction to salvation. *A Leader's Guide to Jesus at the Door* explains in greater detail how to use the Equipping Card and is the perfect resource for pastors and ministry leaders who want to help their congregations or group members share the gospel effectively, partnering with the Holy Spirit and inviting users to learn to grow in Spirit-led evangelism. This book shows how you--yes, even you--can move from being a seasoned sower into a relentless reaper, living out a naturally supernatural lifestyle.

"Behold, I give you power..." Jesus has given you power and authority over the works of darkness! So why don't more Christians experience victory? Stephen Beauchamp provides practical and scriptural tools for every Christian who wants to grow in their knowledge of the spiritual realm and overcome spiritual attacks from the enemy. *Power to Deliver* removes the confusion surrounding the topic of deliverance ministry and shows you how to help others experience the delivering power of God in the midst of spiritual warfare. You will be equipped to: Recognize the schemes of the enemy. Discern and confront different levels of demonic influence. Walk in the freedom of your true identity, and the power of the Holy Spirit. Help others receive freedom from spiritual oppression. Properly pray in the midst of warfare against your church, city, and nation. Every Christian has been called to help set the captives free. Get ready to live a life of breakthrough as you release God's power to deliver those in bondage! "It's here at last—a scripturally rich, spiritually grounded, practical handbook on deliverance ministry and spiritual warfare. Most modern prejudice against biblical miracle reports depends on David Hume's argument that uniform human experience precluded miracles. Yet current research shows that human experience is far from uniform. In fact, hundreds of millions of people today claim to have experienced miracles. New Testament scholar Craig Keener argues that it is time to rethink Hume's argument in light of the contemporary evidence available to us. This wide-ranging and meticulously researched two-volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts. Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic, Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts, lending credence to the biblical miracle reports.

The Resurrection of Jesus: Fact or Fiction? You may believe that the resurrection of Jesus Christ from the dead is fiction, nothing but a myth or fairy tale. But what if really happened? Would it even matter? And would it matter to you? In *He Is Risen!* Daniel Kolenda addresses some common questions about the resurrection, starting with the most basic: Did it really happen? Presenting some of the evidence for the resurrection, *He Is Risen!* also invites you to consider another question: Who would die for a lie?

In *Reckless Love*, Evangelist Daniel Kolenda captures and communicates the passion of a Prodigal God, longing for His children to come home. This slim, accessible volume was written with yet-to-be Christ-followers in mind. It employs everyday language, pop-culture references, and personal stories to convey eternal principles to great effect. What's more, at the end of the booklet, readers will find an invitation to receive Christ as Lord and experience the reckless love of God in their own lives.

"If you abide in Me, and My words abide in you, you will ask what you desire, and it shall be done for you." —John 15:7 There is no greater challenge, no greater call, no greater personal instruction than to read God's Word and let it abide in your life—imprinting it on the pages of your heart and mind. Walking daily in the power of His Word will make a permanent impact on your faith, your emotions, and your destiny. *Daily Fire Devotional* is a collection of dynamic devotionals from the powerful writings of evangelist Reinhard Bonnke. It is a theme central to the doctrine of the New Testament authors and especially to Jesus Christ Himself. Yet it is often missing in modern preaching and teaching. RECEIVE a life-changing eternal perspective! Once awakened to this theme, it will be hard to read even one page of the New Testament without seeing it plainly, or feeling it's influence. THIS is REAL. It matters how you live. It matters what you do during your life. THIS is what you NEED to KNOW before you GO into ETERNITY!

A Timely Exposé of Deception Deception abounds in the world today as Satan continues his masquerade as an angel of light. But while he may be the king of deception, he is not alone in marketing falsehood and deceiving multitudes with lies and twisted beliefs. Jesus warned His disciples to not allow themselves to be deceived. And Paul warned Timothy to stay away from people who welcome, live in, and teach deception. Deceptive teachings lead only to trouble and sorrow. But the Truth will reveal and deliver us from them. Join author and evangelist, Donna Sparks, as she takes up the important task of exposing deception and removing the masks from lies masquerading as truth. Deception occurs in every area of life whether ethics, philosophy, morality, religion, or sexuality. But be encouraged, because the king of counterfeits, Satan, has been defeated by the Light of the world, Jesus Christ. The Masquerade will enable your ministry to exercise greater discernment. -Terry G. Bailey, District Superintendent, Tennessee Assemblies of God Donna Spark's new book, The Masquerade, restores clarity to our culture-blurry eyes while provoking us to speak out in love. -Tim Enloe, International Conference Speaker and Author Donna Sparks challenges readers' perceptions as she peels away the decep-tive veneer surrounding some of today's most contentious topics confronting Christians. This is more than a book, it's a clarion cry to end the ensnaring charades and discover real freedom. -Dr. J.P. Vick, Lead Pastor, Northside Assembly, Jackson, Tennessee

Evangelist Todd White hears those words often. But the truth is that what Todd shares is not just a story - it's a testimony. It is evidence not only of what God has done but of what He wants to do again. It is evidence of what God can and will do for you, of what God wants to do for you. Fully addicted to drugs and pornography as a child, Todd lived in darkness. But his testimony is about a journey from that utter darkness into marvelous light. It is about a man who

hungers for the Word of God and has been radically saved, changed by it. It is about a man learning to be exactly who God created him to be. It is about a child of God walking in the light of Jesus and wanting others to walk in the light too. With refreshing honesty, Todd White challenges readers to make Jesus their everything, to renew their minds, to be bold as lions, and to make an impact for the kingdom of God. *Life Is Short-Leave a Legacy*. TODD WHITE was a drug addict and atheist for 22 years until 2004 when he was radically set free! Todd believes that redemption and righteousness are the foundational keys for living life as a new creation in Christ. Todd's foremost desire is to see the Holy Spirit flowing through believers everywhere that they go—at work, school, grocery stores, malls, gas stations, and more. Todd's true joy is being able to reproduce a 24/7 kingdom lifestyle in every believer. His heart is to activate people in the simplicity of who they really are and confront the barriers that hold them back from being who God created them to be. No one is excluded!

Love breaks through defenses and destroys walls that divide us. Love demands more of you and me than we often want to give. It's easy to love a lovely person, but what about...them? What about that stereotype, that race, that person or group of people in a political, cultural, or socioeconomic class who don't behave like you, don't believe like you, and if you are honest...make you uncomfortable? What is love in this context? We read that Jesus broke boundaries to love the people that many detested. His love was transformative because His love saw past disagreement, indifference, and offense. Loving them? Like this? That's hard. If you consider yourself a Christian, then love should be your primary characteristic. But it seems that division defines us in our society where rage and

anger abound. Today, many people see Christians as angry followers of God who are more interested in winning political arguments than loving people. If we say we follow Jesus but are not loving like Him, then what's the point? There is a better way. Using the incredible story of how Pastor Choco chose to "love them anyway" to transform the crime-ridden community of Humboldt Park in Chicago, *Love Them Anyway* will inspire you to love in a way you never have. This book will pave a compelling path for you to both express and experience a truly transformative love on a deep level. It will tap into your deepest desires, expose your hesitations, connect you deeper with God's love, and help you take bold steps to love the people around you—and your love will change lives. When you learn to Love Them Anyway, your passion will be redirected, your purpose will be refined, and you will see God use you in ways you could never have imagined. Love is hard. It's not convenient, and it's not always safe. But love is beautiful. Love is contagious. It breaks through defenses and destroys walls that divide us. Love is the answer. So, love them anyway. Redirect your passion, refine your purpose, and see God use you in ways you never imagined.

Before Gordon Crozier was "Doctor" Gordon Crozier, he was chronically ill. He was so sick he couldn't crawl off the bed, so ill he could hardly eat, so cognitively impaired that for two years he lost the ability to read. He was desperate and his doctors literally gave up. But there was a silver lining in his sickness; it led him to find answers in the study of integrative medicine and how a person's genetic make-up can ultimately bring healing. Dr. Crozier's own sickness became a pathway to healing for others. In this groundbreaking book, you'll discover how Dr. Gordon Crozier today practices integrative, genetic-based medicine, specializing in treating people who have been sidelined by conventional medicine. Typically, his patient has tried every therapy, every prescription drug, and every treatment plan known to man--and they're still sick, sometimes to the point of immobility. Dr. Crozier sees recoveries so profound they literally change people's lives. Why do Dr. Crozier's patients feel better? Dr. Crozier uses a revolutionary new medical approach to fight disease and bring healing one cell at a time. He is a pioneer in using genetics-based medicine to get an entire picture of how an individual may attain health and prevent the effects of possible disease-related symptoms. In this book you'll learn how you too might find better health and wellness, one cell at a time.

Slaying Dragons A Practical Guide to Spiritual Warfare

Presents the amazing life story of evangelist Reinhard Bonnke, one of the world's most successful promoters of the Christian message, delivering a powerful message that will captivate Christians and non-Christians alike.

They Paid the Ultimate Price In his sixth *God's Generals* volume, Roberts Liardon chronicles some of the great martyrs for the faith—and some of the lesser-known ones. Their inspirational testimony, acts of courage, and even seasons of doubt both encourage and point awareness toward the persecuted church of the twenty-first century. The book includes profiles on... Apostle Paul and Stephen the Faithful (c. 100 AD) Polycarp of Smyrna, Justin Martyr, and Ignatius of Antioch (c. 100-175 AD) Perpetua, Blandina, and Irenaeus and Fabian (c. 175-350 AD) William Tyndale, John Wycliffe, Patrick Hamilton, and John Hus (c. 1300-1530) Anne Askew, John Foxe, Hugh Latimer, and Thomas Cranmer (c. 1530-1560) Martyrs from the eighteenth and nineteenth centuries Dietrich Bonhoeffer, John and Betty Stam, and Jim Elliot (c. 1900-1950) Wang Zhiming, Gaspar Makil, and Archbishop Oscar Romero (c. 1950-1990) Martyrs from the twenty-first century, in regions such as the Philippines, Iraq, Libya, and Syria

Your Kingdom Come combines the burning heart of an evangelist with the burdened heart of an intercessor. This book originated not from a writing desk or a university classroom, but from the front lines of the dusty harvest field where lives and souls hang in the balance; where prayer is not a luxury, but a matter of survival. From cover to cover it is a fast moving, hard-hitting, prophetic, challenge to the people of God to answer the call of intercession in the most urgent hour of history.

Are you sick and tired of being overweight? Are you fighting a losing battle with your waistline and eating yourself into the grave? Have you had it with feeling drained, discouraged, and run down because of obesity but find yourself enslaved to unhealthy eating habits? Are you convinced that God has a better way, but you simply can't break through? In their first-ever jointly authored book, Michael and Nancy Brown share the inspiring, practical, and humorous story of their own journey from obesity to vibrant health. If you want to break free from the stronghold of food and discover a wonderful new way of life, this book will show you the way. What does a circus, a ship, and a dance hall for teens have in common? God used each one of them to set Reinhard Bonnke on course for a very special mission: to share the love of Jesus with millions of people around the world. *The Boy Whose Life Touched Millions* tells the real-life adventures that Reinhard Bonnke faced along his journey from post-war Germany to the mission-fields of Africa. Evangelist Bonnke fills this first-hand account with daring escapes, supernatural encounters, and miraculous conversions. His amazing journey is sure to inspire children of all ages to open their hearts to God's call in their own lives.

Fear comes in many forms: fear of the unknown, fear of man, fear of failure, fear of rejection, and fear of confrontation to name a few. Fears like these imprison and silence too many Christians. It seems we have subconsciously allowed fear to masquerade as a legitimate reason for silence. But Jesus rejects this excuse. His parable of the talents explains how one servant actually buried his talent because of fear (Matt 25:14-30). When the master returned, he rebuked him severely, calling him "wicked" and "lazy!" We must overcome our fears to share the gospel. So the next question is, how? To answer that, here are four principles for overcoming fear, followed by five tips for communicating the gospel. Putting these points to practice will make us fearless and effective soul winners.

In 2001, as Reinhard Bonnke debated whether or not to move his ministry to America, he did

something he had never done before: he prayed for a sign to confirm that God truly was calling him to go to America. God was about to answer that prayer. A few days later, a woman brought her husband to the Nigerian church where Bonnke was preaching, in hopes that his partially embalmed body would be raised from the dead after three days in a coffin. Although Bonnke was unaware of this and never even prayed for the man, the woman's husband, lying in the church basement, began to breathe again during the sermon. In front of thousands of witnesses, this man, who still couldn't move because of rigor mortis, was raised back to life. After his message, Bonnke was besieged by a crowd yelling, "He's breathing! He's breathing!" This incredible miracle, now detailed for the first time, is part of a movement of God, birthed in a small African church and stretching around the world to America. It is the beginning of a work of God that will confirm His word to Bonnke: "America shall be saved." Do miracles still happen today? This book demonstrates that miraculous works of God, which have been part of the experience of the church around the world since Christianity began, continue into the present. Leading New Testament scholar Craig Keener addresses common questions about miracles and provides compelling reasons to believe in them today, including many accounts that offer evidence of verifiable miracles. This book gives an accessible and concise overview of one of Keener's most significant research topics. His earlier two-volume work on miracles stands as the definitive word on the topic, but its size and scope are daunting to many readers. This new book summarizes Keener's basic argument but contains substantial new material, including new accounts of the miraculous. It is suitable as a textbook but also accessible to church leaders and laypeople.

In, *Humbled*, Carlos Annacondia gives readers an intimate, first-hand account of the journey that led him from a career as a successful businessman to the front lines of international revival. Full of personal stories, scriptural insights, and practical guidelines, this book will inspire you to embrace humility and partner with the Holy Spirit. When you do, you'll see His Kingdom change your life and the lives of those you love.
