We're all searching. Sometimes the search is easy: simply type a question and the answer pops up. But sometimes our questions are complicated, and the answers are difficult to see and harder to articulate. How do we discover and examine the truths that give meaning and purpose to life? Adam Hamilton believes that some powerful answers are contained in the Apostles' Creed, an early statement of foundational Christian beliefs. In this six-week study, Hamilton considers important questions of life, reality, and truth. He explores not only what Christians believe, but also why they believe it and why it matters. This Youth Study Book takes the ideas presented in Adam Hamilton's book and interprets them for young people grades 6-12. Includes leader helps with discussion questions and can be used with the adult-level DVD.

This title presents new evaluations on the significance of Du Bois. "'The Souls of W. E. B. Du Bois'" is a collection of articles that treat Du Bois on the subject of religion by reintroducing his life and work to an audience that may be familiar with his work generally but may never have seen analyses of his study of religion. Because the project includes articles that examine both Du Bois' personal religious life along with his examination of religion, the editors seek to add not only to our knowledge of Du Bois' scholarly contributions but also hope to shed light on his personal life and religiosity. Also, in treating the biography and career of a thinker whose work covers much of the twentieth century, the editors intend this work to address larger issues related to religion in the United States over the course of the century. Just as Du Bois' foresight predicted a century marred by racial violence, so his varied explorations into the role of religion in the modern world anticipated the rise of contemporary tensions borne of the global circulation of corporate capital and commerce, of religious fundamentalism and evangelical theology. Indeed, Du Bois identified the critical paradox and presumed contradiction between America's religious legacy built on morality, justice, and equality with the country's impending devotion to progress, modernity, and money. Throughout his life and writing, Du Bois explored the special tensions that erupted in a nation bowing before two gods. Unfortunately, scholarly treatment of both Du Bois' critical writings on religion as well as his own personal religious development has been relatively lacking. The soulful side of the man whose most-famous work was about the souls of black folk, in short, has been largely neglected.

The black Pentecostal church, once the pillar of the community and the standard bearer of the Christian faith was seen as that sanctified, set-aside church, where people came to receive Salvation. The Pentecostal churches comes in every race, creed and color; however, the black Pentecostal church had its own way of worship. By writing this book, highlighting issues and situations occurring in the church today, is not to reprimand, insult, or make fun of the church. The purpose of writing this book is to examine the changing standards and the way we go about conducting services, to see if it is expedient for us to maintain these changes in reaching our ultimate goal - winning souls for Christ. Today, it appears that instead of the church being set-apart, it rather be assimilated with the world. Years ago, one could spot a 'Saint' from a mile away. Today you would be hard pressed to pick one out. Even the very thing that distinguished the Pentecostal church from all other churches, its music, has become indistinguishable. Let's look at these issues and discuss if we are going down the right path. Let us pray and seek guidance so that we may preserve the church as Jesus wants it to be, a House of Prayer. - Sharon D. Smith, Author Cover art: courtesy of Compass Print Inc., Ray Ellis Gallery of Savannah, GA. Reproduction of 'Morning Prayer' by Ray Ellis. Cover design by Westbow Press.

His most important work, aimed at persons under instruction for the sacraments, the Commentary offers a guide to elucidating and justifying the Creed. It offers a glimpse of popular Christian propaganda at the beginning of the fifth century. +

A Creedless Gospel and the Gospel Creed Herald of Gospel Liberty Where was Your Church Before Luther? The True Creed and the Black Creed The Blanket of the Dark Casemate Publishers

In this classic historical adventure by the author of The Thirty-Nine Steps, a young monastic scholar is groomed to take the throne from Henry VIII. It is 1536, and powerful men reveal to Peter Pentecost that it is he, and not the tyrannical Henry VIII, who should be on the throne of England. Can they persuade him to risk everything in a treasonable rebellion against the throne? In the hands of John Buchan—one of Alfred Hitchcock's favorite writers—the dark, dangerous days of Tudor England come alive like never before. How can Paul rejoice when he's got nothing to rejoice about? How can he talk about joy when he's in prison? This book listens to him as he writes to his friends in Philippi, to attempt to understand the experience of joy that more than mere emotion. Paul highlights four reasons why joy fills his heart: because of the Gospel partnership he shares with his friends in Philippi; because of the unity that they experience in Christ; because of their confidence in Jesus; and because God has given them peace beyond understanding. These themes correspond with the four chapters of the letter, and form the organizing principle of this book.
