Baltimore police officer Fia McKee is put on leave for excessive use of force after interfering in a crime that turns deadly. Given a second chance, she is sent to work undercover for the Thoroughbred Racing Protective Bureau (TRPB) at the Gulfstream Park in Florida, where she works as an exercise rider. Her assignment is to watch and report back on two racetrack workers who have been suspected of illegal activities and whose horses continue to outperform all expectations, winning their owners unseemly amounts of money in the races. To complete her cover story, Fia moves in with her semi-estranged brother, Patrick, who lives near the racetrack. Her investigations are complicated when her niece, Jilly, disappears after a shadow gang takes Jilly's beloved horse. Now Fia must work two angles—first to find out what's really going on with the men who might or might not be gaming the system, and second to bring the men who prey on horses to

justice. Along the way, Fia encounters Cuban gangs living off the grid, a (very handsome) do-gooder who's close on their trail, and a cabal of super wealthy gamblers who will stop at nothing to ensure they always win.

Waylon Jennings sings that cowboy's aint easy to love. He might have used the words: A cowboy's life aint easy to love. Freia Hooper-Bradford chronicles a life few wives are privileged to share. She couldn't have guessed what life would be like with a cowboy when she was a young woman, starry eyed and in love with a cowboy who looked like he just walked off the page in coffee table book about the Wild West. Being the wife a cowboy was everything she had dreamed about when she was a horse-crazy teenager. But life wasn't all roses, there was lots of locoweed. Along with the romantic west, the good horses, thrilling rides and living on God's most beautiful acres, there were the tough times. The vagabond life moving from ranch to ranch, always in search of greener pastures, better ridin', more ropin' and maybe an extra hundred dollars for the paycheck. There were the bad bosses, working in forty below and living in sagging old ranch houses. Freia chronicles the years following her cowboy with a sense of humor and poignancy. She accurately recounts the bad, tough times as well as the good life and the romantic west.

When Claire Coulter agrees to accompany her boss, Tobias Benton, on a search for the Fountain of Youth in exchange for the money to pay for her brother's life-saving surgery, she finds herself drawn to their enigmatic but sexy guide, Jack Hughes, a reclusive cowboy who is desperate to hide his ability to transform himself into a black stallion. Dark Horse A gripping racing thriller and murder mystery rolled into one Hachette UK

In her latest thriller, New York Times bestselling author Tami Hoag takes readers on a suspense-filled ride of shocks and twists leading to an explosive finish. It is the story of an ex-cop, a missing girl, and a killer locked in a race where there can be only one

winner--and the losers die trying. In a trailer in a Florida swamp, time is running out for eighteen year-old Erin Seabright. A pawn in a kidnapper's terrifying game for a ransom no one can pay, her last hope is a washed-up ex-cop who has already lost it all--not once, but twice. The wealthy world of the Palm Beach horse set seems a long way from a cop's world in the narcotics division. A lifetime ago, undercover sheriff's detective Elena Estes worked the mean streets and BackTop alleys, living by her wits and playing the long odds until she took one risk too many. Now Estes lives on the ragged edge of lost hope and self-hatred, hiding from the past and believing she doesn't deserve to have a future. But the past is about to come back with a vengeance, and the future is about to become a race between life and death. A young woman is missing and her twelve year-old stepsister comes to Estes for help. No one but serious, studious Molly Seabright seems concerned about what's happened to her troubled older sister. But Molly is convinced Erin is in danger. Estes has no P.I. license, no interest in a new career, and no desire to break her self-imposed exile. But the more she learns about the people Erin Seabright was involved with, the more her long-dormant cop instincts come back to life. One trip to the show grounds where Erin worked as a groom, and Estes is quickly pulled to the dark side of a glamorous sport. Behind the glittering, ultra-rich facade is an ultra-ruthless world of drugs, payoffs, and dirty deals. A world of dissolute playboys and crooked horse-dealers, of royalty and rabble, of rivals and enemies. An obscenely wealthy world where anything can be had for a price--including a life. And in that world stalks a killer who will lead Estes down a dark, twisted trail of decadence and deceit, mayhem and murder--from the gilded life of Palm Beach to the darkest corners of the Florida swamps, to a final show-down that could cost her everything. A race against time and evil. A race in which Estes is the dark horse--and no one is betting on her to win.

"[A] heart-pounding, can't-take-your-eyes-off-it debut novel." —O, The Oprah Magazine "Roan Montgomery's sweeping and raw story of courage, resilience, and clear-eyed grace will never leave me." —Sara Gruen, #1 New York Times bestselling author A darkly gripping debut novel about a teenage girl's fierce struggle to reclaim her life from her abusive father. Fifteen-year-old equestrian prodigy Roan Montgomery has only ever known two worlds: inside the riding arena, and outside of it. Both, for as long as she can remember, have been ruled by her father, who demands strict obedience in all areas of her life. The warped power

dynamic of coach and rider extends far beyond the stables, and Roan's relationship with her father has long been inappropriate. She has been able to compartmentalize that dark aspect of her life, ruthlessly focusing on her ambitions as a rider heading for the Olympics, just as her father had done. However, her developing relationship with Will Howard, a boy her own age, broadens the scope of her vision. At the intersection of a commercial page-turner and urgent survivor story, *Dark Horses* takes the searing themes of abuse and resilience in Gabriel Tallent's *My Absolute Darling* and applies the compelling exploration of female strength in *Room* by Emma Donoghue. In much the same way that V.C. Andrews's *Flowers in the Attic* transfixed a generation of readers, Susan Mihalic's debut is set to a steady beat that will keep you turning the pages.

In 1965 Dudley F. Randall founded the Broadside Press, a company devoted to publishing, distributing and promoting the works of black poets and writers. In so doing, he became a major player in the civil rights movement. Hundreds of black writers were given an outlet for their work and for their calls for equality and black identity. Though Broadside was established on a minimal budget, Randall's unique skills made the press successful. He was trained as a librarian and had spent decades studying and writing poetry; most importantly, Randall was totally committed to the advancement of black literature. The famous and relatively unknown sought out Broadside, including such writers as Gwendolyn Brooks, Margaret Walker, Mae Jackson, Lance Jeffers, Etheridge Knight, Sonia Sanchez, Nikki Giovanni, Audre Lorde and Sterling D. Plumpp. His story is one of battling to promote black identity and equality through literature, and thus lifting the cultural lives of all Americans.

This book gives a complete introduction to the hobby of wargaming with miniatures, especially suitable for the newcomer but also containing sufficient depth and breadth of information to attract the more experienced gamer. Packed with color photographs, maps and diagrams, the book is a visual treat, but one built on the solid foundations of a highly literate and engaging text that does not dumb down the hobby. Every aspect is explained clearly and in a way that both informs and entertains, with plenty of personality, gentle humor and a lightness of touch. The contents include a brief history of the development of wargaming, choice of periods from ancients to sci-fi, the question of scale (not only of miniatures, but the size of game from the smallest skirmishes to epic battles), terrain, buying and painting miniatures, creating scenarios for wargames, running a campaign, solo wargaming and so on. It also incorporates simple wargaming rules covering all periods of history as well as fantasy and science fiction gaming. These rules will have optional mechanisms allowing them to be used for very small games with just a few figures, or much bigger games with several regiments or brigades on each side.

A rebellious ponygirl. A jockey tested by tragedy. A rejected racehorse. A three million dollar race. Teagan Sullivan is a golden disappointment in the show ring. To make matters worse, her family are big deal Olympic equestrians, so she skulks off to pony Thoroughbreds at a rundown racetrack. But while she excels at equine relations, she sucks at human ones--just ask her sexy blacksmith/sleepover buddy Screaming Wolf. And if she hadn't gone and rescued that stupid jockey wannabe Anne Simmons, she wouldn't be saddled with a new roommate, a broken down racehorse and a chance to prove herself to her family at last. Born two months premature to an anorexic mother, Anne was a longshot just to survive. Now eighteen, she arrives on the backstretch with

nothing but a duffel bag and Derby dreams. But the horsemen don't trust the naïve newcomer, so she's stuck ponying horses instead of riding races. She is still chasing their respect when a near-fatal accident shatters her body--and her spirit. As Anne struggles to find the courage to ride again, Teagan wrestles with her feelings for Screaming Wolf. Horse racing's richest race, the Breeder's Cup Classic, offers them both a chance at redemption. Will Teagan and Anne conquer their fears in time to claim the things that they love most?

In a legendary beginning, a God created the Earth and all living things on it. The final part of almost all these creations is mankind, male or female. In Hebrew, Adam and Eve. These new beings, Corrupted Ones, came forth out of the Original Humanity - destroying, killing and stealing anything in their path. To preserve the purity of the Eternal, the Corrupted Ones were sent away, Original Humanity was divided. From the separated peoples came forth the Nations of the Earth. From these many Nations, a selected few have risen throughout history to places of renown. These were spirits incarnate from an older time. They are spirits that were meant to rise again.
