The threads of fate converge, mysteries unfold, and the clan's future is forever altered in the least expected way.

On a sabbatical from his Stanford teaching position, Professor David Levinson finally has time to write the sci-fi novel he's been thinking about for years. The phenomena of past life memories and near-death experiences are too controversial to include in his formal psychiatric research, while fiction is the perfect outlet for his esoteric ideas. Hoping that a change of pace will provide the inspiration he needs, David accepts a friend's invitation to an old Scottish castle. Except, what he finds there is more fantastical than his most outlandish theories. The castle is home to a clan of immortals, their leader is a stunning demigoddess, and even more shockingly, it might be precisely where he belongs.

SERIES! I was trying to find a series similar to the Black Dagger Brotherhood series by JR Ward and this hit the nail on the head! I finished the entire series within two weeks and I cannot wait for Book 9 to release!" "I LOVE THIS SERIES!!! Each one just gets better and sucks me along to the end and the next book after. Each story carries old characters with it, but moves you forward with new characters that are just as fascinating. I end up reading all night because I can't put them down. I'm always looking forward to the next book in the series, and I hope they keep going on for some time!" Andrew and Nathalie's love flourishes, but the secrets they keep from each other taint their relationship with doubts and suspicions. In the meantime, Sebastian and his men are getting bolder, and the storm that's brewing will shift the balance of power in the millennia-old conflict between Annani's clan and its enemies.

Get ready for the exciting finale of Wonder and Anandur's story!

Scattered among poor, desolate farms, the clans of the Uplands possess gifts.

Wondrous gifts: the ability—with a glance, a gesture, a word—to summon animals, bring forth fire, move the land. Fearsome gifts: They can twist a limb, chain a mind, inflict a wasting illness. The Uplanders live in constant fear that one family might unleash its gift against another. Two young people, friends since childhood, decide not to use their gifts. One, a girl, refuses to bring animals to their death in the hunt. The other, a boy, wears a blindfold lest his eyes and his anger kill. In this beautifully crafted story, Ursula K. Le Guin writes of the proud cruelty of power, of how hard it is to grow up, and of how much harder still it is to find, in the world's darkness, gifts of light.

As Turner and Bridget's relationship deepens, living together seems like the right move, but to make it work both need to make concessions. Bridget is realistic and keeps her expectations low. Turner could never be the true love mate she yearns for, but he is as good as she's going to get. Other than his emotional limitations, he's perfect in every way. Turner's hard shell is starting to show cracks. He wants immortality, he wants to be part of the clan, and he wants Bridget, but he doesn't want to cause her pain. His options are either abandon his quest for immortality and give Bridget his few remaining decades, or abandon Bridget by going for the transition and most likely dying. His rational mind dictates that he chooses the former, but his gut pulls him toward the latter. Which one is he going to trust?

Edna and Rufsar are miserable without each other, and their two-week separation seems like an eternity. Long-distance relationships are difficult, but for immortal couples they are impossible. Unless one of them is willing to leave everything behind for the other, things are just going to get worse. Except, the cost of compromise is far greater than giving up their comfortable lives and hard-earned positions. The future of their people is on the line.

"One of the best PNR series ever written." I just can't put these books down! I.T. Lucas is a masterful storyteller and has woven a complex world filled with engaging characters, intense stories and amazing dialogue that draws the reader in and never lets go. Both Turner and Bridget appear in earlier stories and Ms. Lucas has made this their time to shine. As has been her pattern, there is a second story about Roni and Sylvia that has been developing along with others that is barreling to a conclusion. Finally, we have the conflict with The Doomers and human trafficking. That's another shoe that's sure to drop in future

stories."Series is fantastic! IT Lucas did it again. Can't wait for next book. I could read this series a number of times. The characters are so diverse & the story line is awesome. If you've read Black Dagger Brotherhood you have to try this series."Love, love, love this series!!! IT Lucas has such a gift for writing. She takes a character like Victor who doesn't show a lot of emotion, and gets you so invested in his story that you are rooting for a happy ending for him. I can't WAIT for the next book in the series to see what happens!!!!"This is a series not to be missed. Truly, one of the best Paranormal Romance series ever written."FANTASTIC SERIES. This series is absolutely one of my favorite. I love being able to follow the lives of the characters from book to book and keep up with what is going on in their lives. In DARK OPERATIVE, Bridget meets Turner and the possibility of a long awaited love presents itself, but with obstacles on the horizon, there is a possibility that their romance will not be realized. As usual, I am anxiously awaiting the next installment. Oh, did I say I LOVE this series!!"Brilliant as always. Totally captivating! This series gets me Every. Single. Time. My heart goes out to Bridget and Turner. I hope they are lovmates!-----As a brilliant strategist and the only human entrusted with the secret of immortals' existence, Turner is both an asset and a liability to the clan. His request to attempt transition into immortality as an alternative to cancer treatments cannot be denied without risking the clan's exposure. On the other hand, approving it means risking his premature death. In both scenarios, the clan will lose a valuable ally. When the decision is left to the clan's physician, Turner makes plans to manipulate her by taking advantage of her interest in him. Will Bridget fall for the cold, calculated operative? Or will Turner fall into his own trap?-----The loneliness didn't bother Turner. He was entirely satisfied with his own company. Even sex wasn't a strong enough motivator to seek out partners other than the paid kind. Dealing with people in any capacity other than professional was a strain. He wasn't a charmer who knew how to pick up women, and he didn't arm himself with the latest jokes and sports statistics to entertain company. The things he liked to talk about were as effective at prompting others' hasty departure as small talk was for him. Bridget, however, was not only highly intelligent but one of the most alluring women he had ever encountered, maybe because she wasn't as transparent to him as most people were. And she was hot. As much as Turner liked to believe he was all brain and not susceptible to primal urges, apparently they were still there, lying dormant until the right woman triggered their resurgence. And yet, he could have stifled his immediate and quite disturbing attraction to the doctor if not for the mixed signals she was sending him. Those subtle flirtatious comments confused him. Was she like that with all her patients?

Amanda suspects that something fishy is going on onboard the Anna. A New York Times Notable Book This fiery and provocative novel weaves a tale about the way the sufferings of childhood can shape, and misshape, the life of the adult. At the center: a young woman who calls herself Bride, whose stunning blue-black skin is only one element of her beauty, her boldness and confidence, her success in life, but which caused her light-skinned mother to deny her even the simplest forms of love. There is Booker, the man Bride loves, and loses to anger. Rain, the mysterious white child with whom she crosses paths. And finally, Bride's mother herself, Sweetness, who takes a lifetime to come to understand that "what you do to children matters. And they might never forget." "This is THE BEST Paranormal Romance series! I have been a huge paranormal romance fan for decades. I found The Children of the Gods series a few years ago and binged the books in no time. I also eagerly await every new book! (IT Lucas is quite prolific and the speed of her publications is amazing!)... I love how she interweaves the stories of many different characters. I also love that she makes each couple's story unique -- not cookie cutter! Additionally she does a fantastic job of creating great short term and long term plot lines. This particular new character in this new book is fantastic and I love that we finally get to know Anundar better! The characterizations are great and plot lines interesting. I love knowing what's going on in the lives of the people in this universe and can't wait to see how things unfold! Bravo!"-----This was a strange new world she had awakened to. Her memory loss must have been catastrophic because almost nothing was familiar. The language was foreign to her, with only a few words bearing some similarity to the language she thought in. Still, a full moon cycle had passed since her awakening, and little by little she was gaining basic understanding of it--only a few words and phrases, but she was learning more each day. A week or so ago, a little girl on the street had tugged on her mother's sleeve and

pointed at her. "Look, Mama, Wonder Woman!" The mother smiled apologetically, saying something in the language these people spoke, then scurried away with the child looking behind her shoulder and grinning. When it happened again with another child on the same day, it was settled. Wonder Woman must have been the name of someone important in this strange world she had awoken to, and since both times it had been said with a smile it must have been a good one. Wonder had a nice ring to it. She just wished she knew what it meant.

Driving is a fact of life. We are all spending more and more time on the road, and traffic is an issue we face everyday. This book will make you think about it in a whole new light. We have always had a passion for cars and driving. Now Traffic offers us an exceptionally rich understanding of that passion. Vanderbilt explains why traffic jams form, outlines the unintended consequences of our attempts to engineer safety and even identifies the most common mistakes drivers make in parking lots. Based on exhaustive research and interviews with driving experts and traffic officials around the globe, Traffic gets under the hood of the quotidian activity of driving to uncover the surprisingly complex web of physical, psychological and technical factors that explain how traffic works.

"I read A LOT of paranormal romance and The a Children of the Gods has fast become my favorite series. I love how the author continues to grow and weave in the stories of the original characters like Syssi, Kian, Amanda and Andrew while developing the supporting characters. The stories keep you on edge, wanting to know more. The romance is hot and steamy and the mystery is just mysterious enough to keep you guessing. Will Syssi and Kian have children and start a new line, will her vision for Andrew come true, will Amanda find more dormants, is Nathalie one of them, will Bhathian find Eva and live immortally ever after, will Anandur find out what Alex is up to and find love on the way, and why is Brundar so grumpy? I can't wait to read book 8 and 9 to find out what happens with Andrew and Nathalie and eagerly hope she is working on Bhathian's story in books 10-12". "I am a HUGE fan of this series and read all of the books as quickly as possible, always eager for the next book in the series to come out. These stories have become a truly addicting read. The characters pull you right in and you're held right to the end. The cliff hanger at the end was a slight disappointment because all of the other books in the series are pretty much complete in the story line, but I don't mind as long as the next book in the series comes out shortly. I think any fan of the series won't mind at all."

"Excellent series, I have enjoyed each book the story slips easily into each character a and you feel a connection between all storyline that makes the whole series." "love this story line! characters have human problems in a supernatural world . enough humans thorough out yo keep it interesting. can't wait for next one!!!!!" "Loved the book and can't wait for the next one. You make the story just come alive, please keep them coming." This is the ultimate romance, fantasy, mind-blowing sex, mystery, everything you'll ever want in a paranormal book. My heartbeat speeds up, my pulse quickens, my breathing comes in gasps as I work my way through this work! I can't wait to get my hands on and my mind wrapped around each new installment. You'll fall in love with the characters! They are so well-developed with flaws and strengths that make them so very human but with also with special abilities that as humans you envy and wish you possessed. I can't say enough good about this series. You won't be disappointed!" "Brundar and Calypso is definitely one of the most beautiful love stories. Tessa and Jackson is sweet and romantic. Two stories with traumatic events in their childhood and how it changes the life of those that suffer them. In one is Brundar and in the other is Tessa and how those that love them help them heal there wounded souls." "Hooked!!! Over the last two months, I have read/listened to the entire series and have pre-ordered the next book! I haven't picked up another series during this time. Normally I listen to one series and read another. I could not put these books down. I have never read any series like this one. I absolutely love that throughout the books you still hear what is going on with the previous characters. Instead of each book having its own story, it is more like one long story where new people get introduced as events happen. For me, this is the right balance of paranormal content. Nothing to crazy but just outside the realm of possibility. I.T Lucas - please continue to write these stories for as long as possible. I am in love with all the characters and don't want to let them go.

----- Get ready for the heart pounding conclusion to Brundar and Calypso's story.

----- Oh God, Shawn was dead. Callie still couldn't wrap her head around it, nor could she summon even a smidgen of sorrow or regret. After all, she had some memories with him that weren't horrible. She should've felt something. But there was nothing, not even shock. Not even horror at what had transpired over the last couple of hours. Maybe it was a typical response for survivors--feeling euphoric for the simple reason that they were alive. Especially when that survival was nothing short of miraculous. Brundar's cold hand closed around hers, reminding her that they weren't out of the woods yet. Her injuries were superficial, and the most she had to worry about was some scarring. But, despite his and Anandur's reassurances, Brundar might never walk again. If he ended up crippled because of her, she would never forgive herself for getting him involved in her crap. "Are you okay, sweetling? Are you in pain?" Brundar asked. Her injuries were nothing compared to his, and yet he was concerned about her. God, she loved this man. The thing was, if she told him that, he would run off, or crawl away as was the case. Hey, maybe this was the perfect opportunity to spring it on him. To get her help...he'll have to bleed for her. Adam Brody is desperate—he'll do anything to get Maya Black to help him. And, unfortunately for him, the price of Maya's services...is blood. A former cop turned vamp, Maya's reputation definitely precedes her. Once upon a time, she helped the weak and innocent. Now, she spends her nights terrifying demons and all manner of paranormal beasts. According to the stories, she is the baddest of the bad...and she's exactly the vamp that Adam needs. The only one who can help him. Maya's days (and nights) of helping are long gone—she stopped that routine when she bled out in a dirty alley and woke with bloodlust and fangs. But now she's got a sexy stranger standing in front of her, offering her anything she wants, as long as she helps him find his missing niece. Okay. Fine. Maybe somewhere deep in her cold, cold heart, she has a vague soft spot for kids...and for gorgeous, muscled, hot guys. So she'll help him. This once. She'll take the blood payment he offers, and she'll find the kid. Except... Adam has secrets. The kind of secrets that can burn a whole town straight to ash. The longer that he's around Maya, the more uncontrolled he becomes as the beast he keeps locked inside himself fights for freedom. Adam didn't count on falling for the fearless vamp, but now that he's under her spell, Adam isn't sure he can ever imagine a life without her...And when someone like Adam finds a mate, that bonding lasts forever. Author's Note: Strap in...it's going to be one hot ride. Maya and Adam are about to fight the baddest of the supernatural predators out there. They're also about to find out that opposites can attract—and ignite. IMMORTAL DANGER is a full-length, paranormal romance with a guaranteed happy ending. It was originally first released in March of 2009, but it has now been revised and updated. "...I was completely hooked from start to finish and did not want to put it down until I was done! I found myself devastated that the story was over already and wanting to read more..."- OnlineBookClub.org While sheltered in the clan's stronghold, Syssi is unaware that Kian and Amanda are not human, and neither are the supposedly religious fanatics that are after her. She feels a powerful connection to Kian, and as he introduces her to a world of pleasure she never dared imagine, his dominant sexuality is a revelation. Considering that she's completely out of her element, Syssi feels comfortable and safe letting go with him. That is, until she begins to suspect that all is not as it seems. Piecing the puzzle together, she draws a scary, yet wrong conclusion...

If you like mysteries and love stories that are not typical --written by one of the best authors I have read in a really long time then please pick up the first book and read them." "Love Love Love this book! This book had me hooked right from the beginning! This is probably the best series I've read and that's saying a lot since some of my favorite Authors are JR Ward, Christine Feehan and Sherrilyn Kenyon!" "Best in the genre I. T. This series stands with the best of fantasy writers - the fact that it is romance fantasy is almost beside the point. That said, even the sex scenes are well done and NOT predictable! A must read." "I love this series. I am a huge BDB fan. never miss a book EVER. Now I have added this series to that list. So well written and never drags on--always a page turner. And it is not typical stuff, it is very unique! An absolute must read!" "I literally read this entire series in 3 days and now I'm going through character withdrawal waiting for the next. I.T. Lucas is an amazing writer with a brilliant mind and has quickly been added to my favorite author list."
