The squad you love is out of time. Prepare for the thrilling finale in the epic, best-selling Aurora Cycle series about a band of unlikely heroes who just might be the galaxy's last hope for survival. Is this the end? What happens when you ask a bunch of losers, discipline cases, and misfits to save the galaxy from an ancient evil? The ancient evil wins, of course. Wait. . . . Not. So. Fast. When we last saw Squad 312, they working together seamlessly (aka, freaking out) as an intergalactic battle raged and an ancient superweapon threatened to obliterate Earth. Everything went horribly wrong, naturally. But as it turns out, not all endings are endings, and the team has one last chance to rewrite theirs. Maybe two. It's complicated. Cue Zila, Fin, and Scarlett (and MAGELLAN!): making friends, making enemies, and making history? Sure, no problem Cue Tyler, Kal, and Auri: uniting with two of the galaxy's most hated villains? Um, okay. That, too. Actually saving the galaxy, though? Now that will take a miracle.

The first in an epic new fantasy series, introducing an unforgettable new heroine and a stunningly original dystopian steampunk world with a flavor of feudal Japan. A DYING LAND The Shima Imperium verges on the brink of environmental collapse; an island nation once rich in tradition and myth, now decimated by clockwork industrialization and the machine-worshippers of the Lotus Guild. The skies are red as blood, the land is choked with toxic pollution, and the great spirit animals that once roamed its wilds have departed forever. AN IMPOSSIBLE QUEST The hunters of Shima's imperial court are charged by their Shogun to capture a thunder tiger — a legendary creature, half-eagle, half-tiger. But any fool knows the beasts have been extinct for more than a century, and the price of failing the Shogun is death. A HIDDEN GIFT Yukiko is a child of the Fox clan, possessed of a talent that if discovered, would see her executed by the Lotus Guild. Accompanying her father on the Shogun's hunt, she finds herself

stranded: a young woman alone in Shima's last wilderness, with only a furious, crippled thunder tiger for company. Even though she can hear his thoughts, even though she saved his life, all she knows for certain is he'd rather see her dead than help her. But together, the pair will form an indomitable friendship, and rise to challenge the might of an empire.

Halfway through the process my mum saw me and took me out. All the animals had simply disappeared and I looked normal, or so it seemed. They trashed the heaping hunk of metal as if it were a failure and went back to the drawing board. That shows you how little they knew. I'm everything but normal, to be precise, I'm everything.
