Sounds True founder Tami Simon, is not one of them. You won't be revisiting familiar therapies or antidepressant options. What you will find is a gathering of 16 exceptional and compassionate teachers who have faced profound depression themselves. Their purpose? To radically shift the way that we perceive the experience. To offer insights and practices that reach beyond conventional models. And to help us receive depression's uninvited yet singular gifts. The guidance presented here supports traditional psychotherapy and medication as valuable tools. But for those who've found these approaches incomplete—or seek to help others at an impasse—there's much to discover within these pages, including: Thomas Moore, PhD, on Saturn's gifts; Sally Kempton on shifting from suffering and into witnessing awareness; poet Mark Nepo on embracing both emptiness and aliveness; Mary Pipher, PhD, on how despair can open us to long-hidden joy; Christina Baldwin on "ineffable sorrow"; Parker J. Palmer, PhD, on finding meaning and connection through the experience of depression; plus exceptional contributions by Ann Marie Chiasson, MD; James Gordon, MD; Sandra Ingerman; Karla McLaren; Robert Augustus Masters, PhD; Amy Weintraub; Jeff Foster; Elizabeth Rabia Roberts, EdD; Michael Bernard Beckwith; and Reginald A. Darkness and Dawn is a science fiction trilogy by George Allan England. It tells the story of two modern people who struggle to rebuild civilization after awaking one thousand years on from the horrific impact of a meteor that caused devastation across the entire world. All three volumes, "The Vacant World" (1912), "Beyond the Great Oblivion" (1913) and "Afterglow" (1914), are included in this edition. "The islands in the harbor, too, were thickly overgrown. On Ellis, no sign of the immigrant station remained. Castle William was quite gone. And with a gasp of dismay and pain, Beatrice pointed out the fact that no longer Liberty held her bronze torch aloft. Save for a black, misshapen mass protruding through the tree-tops, the huge gift of France was no more." With less than forty-eight hours to find out who has poisoned him and why before death comes knocking, Bruce Patman discovers everyone around him has a secret, including Lila Fowler, the woman he loves. “The Russia that Satter depicts in this brave, engaging book cannot be ignored . . . Required reading for anyone interested in the post-Soviet state” (Newsweek). Anticipating a new dawn of freedom after the disintegration of the Soviet Union, Russians could hardly have foreseen the reality of their future a decade later: A country impoverished and controlled at every level by organized crime. This riveting book views the 1990s reform period through the experiences of individual citizens, revealing the changes that have swept Russia and their effect on Russia’s age-old ways of thinking. “With a reporter’s eye for vivid detail and a novelist’s ability to capture emotion, he conveys the drama of Russia’s rocky road for the average victimized Russian . . . This is only half the story of what is happening in Russia these days, but it is the shattering half, and Satter renders it all the more poignant by making it so human.” —Foreign Affairs “[Satter] tells engrossing tales of brazen chicanery, official greed and unbearable suffering . . . Satter manages to bring the events to life with excruciating accounts of real Russians whose lives were shattered.” —The Baltimore Sun “Satter must be commended for saying what a great many people only dare to think.” —The Globe and Mail (Toronto) “Humane and articulate.” —The Spectator “Vivid, impeccably researched and truly frightening . . . As an African American child growing up in St. Augustine, Florida, author Gerald Eubanks had a hard time seeing the victories won during the Civil War in action. Blacks were excluded from opportunities afforded to his white neighbors. Schools were aggressively segregated. Racial tensions simmered. The town's sheriff deputized members of the notorious Ku Klux Klan to ensure continued white supremacy. It was through the persistence of quiet, unsung heroes that progress began to appear. Here, he celebrates the little-known champions of the movement—those who demonstrated tirelessly, picketed fearlessly, encouraged, consoled, stood

tall, and never wavered in their determination to do the right thing despite overwhelming opposition. The Dark before Dawn is Gerald's very personal story of the struggles of life in St. Augustine, Florida, during the civil rights movements of the late 1950s and beyond. It is a tribute to the hundreds of ordinary people who risked everything so that the lives of generations of others might be better. Those familiar with the events of the era credit the Eubanks family with making the significant contributions to the advance of human and civil rights, but their story has gone unheralded—until now. Gerald Eubanks lived through those turbulent times, and now he reminds readers that the fight for civil rights goes on today. He warns that without vigilance, we may find ourselves in the dark before the dawn once again. Preview coming soon. Gerald Eubanks, a graduate of Florida Memorial College and the University of North Florida, is an intern supervisor in the education department of Flagler College in St. Augustine, Florida. He is proud that the role his family played locally contributed to the passage of the national Civil Rights Bill of 1964.
