Nothing Left to Steal Mzilikazi wa Afrika,2014-08-20 This tell-all memoir reveals the details behind Sunday Times journalist Mzilikazi wa Afrika's exposure of the R1.7 billion lease scandal between police commissioner Bheki Cele and property tycoon Roux Shabangu, for which he was infamously arrested in 2010. It is also the riveting account of how a neglected boy in an unknown village became one of South Africa's most awarded investigative reporters and found himself at the receiving end of the corruption that had defeated those he helped put in power. Fearless in the face of corrupt authorities with sinister political motives, and fervent about justice, Wa Afrika's life was characterised by resistance to oppression and

inequality from an early age. Destined to defend and uphold the principles of democracy, his story is the inspiring tale of an ordinary man, armed with a pen, who challenged the proverbial giant.

[Koimonogatari: Love Stories, Volume 1](#) Tohru Tagura,2020-05-21 When Yuiji accidentally overhears his classmate Yamato confessing to another friend that he's gay, his perspective shifts. Seeing Yamato in a new light, Yuiji does his best not to let prejudice color his view, but he still finds himself overthinking his classmates' interactions now. He especially notices the way Yamato looks at one particular boy: Yuiji's own best friend. Even though he tells himself he shouldn't get involved, Yuiji finds he just can't help it; watching Yamato's one-sided love draws him in a way he never expected. At first, it's empathy, knowing that the boy Yamato has his sights on is definitely straight and has no idea. But as his own friendship with Yamato develops and the two of them grow closer through a mutual study group, Yuiji comes to truly care about Yamato as a person, regardless of his sexuality. He only wants Yamato to be happy, and to be able to express his true self.

Power Over Pornography Brian Brandenburg,2015-10-02 Jason, like many people, is an addict. His addiction doesn't center on any drug or alcohol. He's a pornography and masturbation addict, and the insidious nature of his addiction erodes his self-worth, his relationships, and his career. Jason meets David at a twelve-step meeting, where David offers him a new approach to treating pornography addiction. Through a series of meetings, David guides Jason as he successfully overcomes his addiction, a process supported by glimpses into Jason's family and how his relationships improve as pornography loses its hold on his life. Jason's story is fictional. The treatment plan he follows is very real. Designed by author and pornography addiction treatment expert Brian Brandenburg, the strategies found in Power over Pornography are praised by those who, having taken part in Brandenburg's program, now pursue lives free of pornographic viewing. Brandenburg's innovative treatment plan comes at a crucial moment in the fight against pornography and masturbation addiction. A generation of Internet-savvy children has grown up with access to pornography, quite literally, at their keyboard-typing fingertips. The images and videos they view online are far more graphic than their parents can imagine. Now the children of this generation have become young adults, with many addicted to the instant gratification of pornography. Like Jason, most pornography and masturbation addicts are male, but women are also afflicted. Maintaining normal, healthy relationships becomes almost

impossible while in the grip of pornography. Anxiety and guilt over your actions worsen into clinical depression and self-loathing. Work productivity suffers, and an addict with on-the-job access to the Internet is always a few mouse clicks away from job termination and scandal. Jason and others in his situation are discovering traditional twelve-step programs don't address key aspects of pornography and masturbation addiction. Brandenburg's radical treatment takes a new, often counterintuitive approach to overcoming pornography addiction. His advice sometimes contradicts traditional strategies, but his system works. A comprehensive, easy-to-understand approach to pornography addiction treatment, *Power over Pornography* appeals to all readers. You can overcome your addiction. Let Brian Brandenburg and Jason be your guides.

Understanding and Addressing Adult Sexual Attraction to Children Sarah Goode, 2009-07-07 Paedophiles exist and we must develop ways of living with this fact whilst ensuring that children are kept safe. This ground-breaking book demystifies the field of adult sexual attraction to children, countering the emotionality surrounding the topic of paedophilia in the popular media by careful presentation of research data and interview material. Addressing how we can work together to reduce sexual offending in this population, this text bridges the gulf in understanding between those who want to protect children and those who feel sexual attraction to children - and recognises that they are sometimes the same people. Sarah D. Goode provides an overview of the topic by defining the term 'paedophile' and discussing how many adults there may be in the general population who find themselves sexually attracted to children. She looks at how the Internet has acted as an enabler, with an explosion of child pornography and 'pro-paedophile' websites. Drawing on data from a sample of fifty-six self-defined paedophiles living in the community, she explores themes including self-identity, the place of fantasy and the forms of support available to paedophiles. Her research highlights the scale of debate within the 'online paedophile community' about issues such as the morality of sexual contact with children and encouragement to maintain a law-abiding

lifestyle. Throughout, she draws careful distinctions between sexual attraction to children and sexual contact with children. The book concludes with a valuable discussion on how adult sexual contact harms children and examples of a range of initiatives which work to protect children and prevent offending. Suitable for all professionals who work with children or sexual offenders, this book gives clear guidance on what one needs to know and do to ensure children are kept safe. It will also be of interest to students studying child protection, paedophilia and child sexual abuse within other social science disciplines.

Quit Porn Easily Celibate Yogi,2020-11-23 Quitting porn can be extremely easy. And it doesn't require you to fight your way to the finish line.It doesn't require you to scare yourself, guilt yourself, or punish yourself.Sadly, most conventional techniques focus on all the wrong ways to quit porn. That is why most people end up failing after a few days, weeks, or months. And even if they don't, they feel like they're pushing against a mountain resisting it for the rest of their lives.This book presents a completely different approach that works. It challenges conventional advice out there, which is why you don't see it shared more widely. It's based on coaching untold men from across the world to quit porn easily--for good!

Whether you're 14 years old or 70 years old, this approach works. It's also based on 10+ years of my own frustrations at trying to quit porn. This approach is the only method that helped me quit immediately and painlessly. And I haven't looked back since. It's also based on the best research on addiction recovery, cognitive behavior therapy, and mindfulness. In short, this approach works! My promise to you: I'm not going to guilt you, shame you, talk down to you, or scare you. All those tactics actually make it harder to quit porn. I will also not put you through torture to quit porn. It will be easy. Perhaps you think your case is different. That you are truly broken beyond repair. I've worked with such people as well. And in every case, by the end of our time together, they would see through the issue and say out loud themselves: I can't believe that's how easy it was. You have very little downside, and an extremely large upside from taking me on this! If this approach works, you will be free from porn for the rest of your life. Without the cravings. Without the self torture. Imagine the self-confidence and energy you will gain back! Imagine the impact in your relationships and school and work! Imagine the change in your own personal self perception. So join me in the easy way to quit porn forever! About the Author: Hi, call me Yogi. I'm a happily married man living in California, who used to have a deep secret. For most of my life, I used to be an addict, and I want to share that story with you. Right now, I feel this incredible sense of confidence that I am definitely never going to look at porn again. It wasn't always like this. I got hooked probably when I was 12 or 13 years old. It was in the days of dial-up internet (2001, 2002) but I remember the tantalizing feel of having those static images load up. With time, it just got worse. I was probably 18 years old when I realized I had a problem. I tried to quit it but my mind just did not want to cooperate. I still just saw it as a habit, not as an addiction. Even in college, when there were some amazing people who wanted to be with me, I instead stuck with the Porn-Masturbation-Orgasm (PMO) habit. Watching porn no longer held any pleasure for me. It was just a compulsion. And I hated myself for it. Then one day, I stumbled across an idea that changed my life... This idea was so easy, so downright magical, I was able to quit porn once and for all. Overnight. What felt difficult, an uphill battle to quit the porn habit became as easy as pie. What used to take all my willpower to resist became almost laughable. Over the next few months, I coached a select group of men to quit porn. Some as young as 14. Others in their 50s. Students, doctors, lawyers, artists, programmers, entrepreneurs, musicians, construction workers, plumbers, etc. Atheists, Christians, Muslims, Hindus, Buddhists. All have benefited from this. You name it, I've helped them. And every time, the shift was magical. Now I want to help you do the same. I've put the best ideas from everything I've learned to write this book. Read this book and quit porn easily--forever
