Mr Pickles, the fishmonger, said, "Certainly, sir, is there any other article, Good-morning." But what of the old lady in the shop? The King hadn't noticed her and she is VERY important to this story for she is the Good Fairy Grandmarina. But just how important you ask? The captivating story of an innocent boy alone in an uncaring society, David Copperfield is unquestionably the most autobiographical of all Charles Dickens's novels. Born in bleak 19th-century London, David Copperfield's life is shaped by his struggle for survival, starting with his menacing stepfather, Mr. Murdstone. His friendship with the blustering, jovial Mr. Micawber adds hilarity and warmth to his otherwise dismal days, while the sinister, sniveling clerk Uriah Heep is an endless source of both amusement and revulsion. As David grows up, he is torn between his fascination with the beautiful, spoiled Dora and his devotion to his childhood friend Agnes. An unforgettable portrayal of childhood, David Copperfield's message of hope and determination amidst life's harsh realities makes this story one of Dickens's greatest masterpieces.

""The Signal-Man"" is a horror/mystery story by Charles Dickens, first published as part of the Mugby Junction collection in the 1866 Christmas edition of All the Year Round. The railway signal-man of the title tells the narrator of an apparition that has been haunting him. Each spectral appearance precedes a tragic event on the railway on which the signalman works. The signalman's work is at a signal-box in a deep cutting near a tunnel entrance on a lonely stretch of the railway line, and he controls the movements of passing trains. When there is danger, his

fellow signalmen alert him by telegraph and alarms. Three times, he receives phantom warnings of danger when his bell rings in a fashion that only he can hear. Each warning is followed by the appearance of the spectre, and then by a terrible accident. The first accident involves a terrible collision between two trains in the tunnel. Dickens may have based this incident on the Clayton Tunnel crash[1] that occurred in 1861, five years before he wrote the story. Readers in 1866 would have been familiar with this major disaster. The second warning involves the mysterious death of a young woman on a passing train. The final warning is a premonition of the signalman's own death"

Winner of the National Book Award for Fiction Introduction by Jhumpa Lahiri Bernard Malamud's first book of short stories, *The Magic Barrel*, has been recognized as a classic from the time it was published in 1959. The stories are set in New York and in Italy (where Malamud's alter ego, the struggling New York Jewish Painter Arthur Fidelity, roams amid the ruins of old Europe in search of his artistic patrimony); they tell of egg cinders and shoemakers, matchmakers, and rabbis, in a voice that blends vigorous urban realism, Yiddish

Harold Robbins' very first novel is also one of his most powerful. *Never Love a Stranger* tells the gritty and passionate tale of Francis "Frankie" Kane, from his meager beginnings as an orphan in New York's Hell's Kitchen. From that confused and belittling start, Frank works his way up, choosing the wrong side of the law to make a name for himself. At a young age, he becomes one of the city's most dangerous men, indulging in his passion for power, sex, and the best things in life—whether or not they can be purchased. First published in 1948, the novel began Robbins' prolific career after someone made him a \$100 bet that he couldn't write a bestseller. Twenty-six pot-boiling novels later, he proved the power of his words. *Never Love a*

This brilliant collection of stories richly evokes the Dehradun of old, but all is not as it seems in this sleepy town: behind the tranquil facade, Dehra is home to a cast of colourful characters. The dashing young army captain in 'At Green's Hotel' might be the perfect gentleman—or a murderer. And in 'The Skeleton in the Cupboard', an old scandal is revived, leading to wholly unexpected results. By turns charming and poignant, witty and exhilarating, Secrets is vintage Bond.

not follow their father into working down the coal mines. But conflict is evitable when Paul seeks to escape his mother's suffocating grasp through relationships with women his own age. Copperfield finds career success as an author, and is a person of deep emotions. Many elements of the novel follow events in Dickens's own life, and it is often considered his veiled autobiography. It was Dickens' favourite among his own novels. In the preface to the 1867 edition, Dickens wrote, "like many fond parents, I have in my heart of hearts a favourite child. And his name is David Copperfield." Like some of his other novels, it contains descriptions of child exploitation and abuse, some based both on his own childhood experiences, and other published reports.
