If you can build websites with CSS and JavaScript, this book takes you to the next level—creating dynamic, database-driven websites with PHP and MySQL. Learn how to build a database, manage your content, and interact with users. With step-by-step tutorials, this completely revised edition gets you started with expanded coverage of the basics and takes you deeper into the world of server-side programming. The important stuff you need to know: Get up to speed quickly. Learn how to install PHP and MySQL, and get them running on both your computer and a remote server. Gain new techniques. Take advantage of the all-new chapter on integrating PHP with HTML web pages. Manage your content. Use the file system to access user data, including images and other binary files. Make it dynamic. Create pages that change with each new viewing. Build a good database. Use MySQL to store user information and other data. Keep your site working. Master the tools for fixing things that go wrong. Control operations. Create an administrative interface to oversee your site.

Filled with practical, step-by-step instructions and clear explanations for the most important and useful tasks. Get the job done and learn as you go. This book is concise and follows a clear, step-by-step tutorial approach. You'll need to have a desire to learn about mobile application development. Since Phonegap uses HTML, CSS, and Javascript heavily, it is important to have a good understanding of these topics. You should also have a good understanding of your desired platform and corresponding SDK and IDE (that is, if you want to develop for Android, you should be familiar with Eclipse. For iOS, you need to be familiar with Xcode.)

Modelling in Transport Phenomena: A Conceptual Approach aims to show students how to translate the inventory rate equation into mathematical terms at both the macroscopic and microscopic levels. The emphasis is on obtaining the equation representing a physical phenomenon and its interpretation. The book begins with a discussion of basic concepts and their characteristics. It then explains the terms appearing in the inventory rate equation, including "rate of input" and "rate of output." The rate of generation in transport of mass, momentum, and energy is also described. Subsequent chapters detail the application of inventory rate equations at the macroscopic and microscopic levels. This book is intended as an undergraduate textbook for an introductory Transport Phenomena course in the junior year. It can also be

used in unit operations courses in conjunction with standard textbooks. Although it is written for students majoring in chemical engineering, it can also serve as a reference or supplementary text in environmental, mechanical, petroleum, and civil engineering courses.

Nancy Atherton's seventeenth in the New York Times bestselling series sees the sleepy village of Finch set aflutter by a bewitching mystery from its past. Watch out for Nancy Atherton's latest, *Aunt Dimity and the King's Ransom*, coming in July 2018 from Viking! Last year, the otherworldly sleuth's devoted fans secured a place on the New York Times bestseller list for Nancy Atherton's *Aunt Dimity and the Family Tree*. Now Lori and Aunt Dimity are back on the list—and this time, they're on a witch-hunt. At first glance, the unassuming Mrs. Amelia Thistle is a disappointment to the villagers of Finch, but Lori Shepherd isn't fooled by the new arrival's bland persona. Amelia is a world-famous artist, traveling incognito, and, after unearthing a fragment of a family diary hinting that Mistress Meg, the Mad Witch of Finch, might be one of her ancestors, she's come to Finch in search of the truth.

The fifth book in the *Sword-Dancer* saga continues the legendary adventures of Tiger and Del, magic wielders and skilled warriors. In the three years since Tiger and Del's fateful meeting, these mismatched companions have become true partners, their alliance forged by blood, magic, danger, adventure...and something more. Exiled from both the North and the South, the two have now set sail to search for Tiger's homeland—but no journey is ever without complications for Tiger and Del. Shipwrecked, nearly drowned, abducted by pirates, bedeviled by magic, the Southron sword-dancer and the Northern sword-singer finally do arrive at their destination. But before the mystery of his origins can be solved, Tiger must face another truth about himself that may prove more dangerous than any sword-dance. His own personal brand of magic, long denied by Tiger, is manifesting. And because of its very uniqueness, Tiger's awakening power may prove his undoing!

*Berlitz Pocket Guide Munich & Bavaria* combines snappy text with full-colour photography to highlight the very best that Germany's most popular state has to offer. The *Where To Go* chapter details all the key sights in Munich that you will not want to miss; from the historic Marienplatz, to the regal Residenz and the beer gardens of the Englischer Garten. The coverage of surrounding Bavaria has been expanded in this edition to include more information on beautiful sights such as Berchtesgaden and the Romantic Road. The *What to Do* chapter explores Munich's world-famous Oktoberfest and opportunities for outdoor activities in Bavaria, whilst the *Eating Out* chapter investigates the local cuisine and provides a list of recommended restaurants for you to try. *Top 10 Attractions* and *A Perfect Day* itinerary present inspiration for experiencing the very best of the region. Background information about the turbulent history of the city and the character of its people is also provided to help you really understand the culture you have come to experience. Clear and detailed

maps plot all the major sights, and the Travel Tips section offers practical advice on how to get there and where to stay. It was just a work party, filled with kissing the well-dressed rear ends of clients and fake smiles. Until my boss accused me of something I didn't do. Until I got pissed and then there was this guy who was hot and flirting with me, and then there were his hands and the backseat of my car and a night of everything but you know what. I never expected to see him again. But suddenly Julian Dohring is everywhere. And I can't get over the endless tattoos that cover his arms, how he's apparently a recovering video game addict, and dresses like he's ready to walk down the red carpet at any moment. Ten years ago I made a pledge to stay away from alcohol and sex, and to never get too personal with anyone. It's gotten me this far. I'm twenty-seven, I have a career I've worked my heart and soul into, and more money than I could ever blow on shoes and the finer things in life. My attitude and pride have always been enough to keep any man from getting too interested. Until Julian...who claims I can't dance, and has the nerve to call me a "peach." I'm Sage McCain, and needless to say, Julian has my attention.

This type of urban story has been long overdue in the readers' market since the days of the Donald Goines and Iceberg Slim tales. With the recent curiosity of the pimp's phenomenon that has been aroused by documentaries like "Pimps Up & Hoes Down" and "American Pimp," A.O.B. brings the images and characters like The Mack into modern times... A dilemma finds Money Clip and Finesse when they try to leave The Game.

The new-look Rough Guide to the Philippines - now in full colour throughout - is the ultimate travel guide to one of the world's most exciting countries. Discover its dazzling beaches, rice terraces and jaw-dropping marine life with stunning photography, colour maps and more listings and information than ever before. You'll find detailed practical advice on what to see and do in Manila - from museums and art galleries to the place to eat halo-halo and adobo - as well as up-to-date descriptions of all the best attractions, dive sites, beaches, mountains, festivals, hotels, bars, clubs, shops and restaurants throughout the archipelago. Make the most of your time on Earth with The Rough Guide to the Philippines, now available in ePub format.

By quadrupling the number of people behind bars in two decades, the United States has become the world leader in incarceration. Much has been written on the men who make up the vast majority of the nation's two million inmates. But what of the women they leave behind? *Doing Time Together* vividly details the ways that prisons shape and infiltrate the lives of women with husbands, fiancés, and boyfriends on the inside. Megan Comfort spent years getting to know women visiting men at San Quentin State Prison, observing how their romantic relationships drew them into contact with the penitentiary. Tangling with the prison's intrusive scrutiny and rigid rules turns these women into "quasi-inmates," eroding the boundary between home and prison and altering their sense of intimacy, love, and justice. Yet Comfort also finds that

with social welfare weakened, prisons are the most powerful public institutions available to women struggling to overcome untreated social ills and sustain relationships with marginalized men. As a result, they express great ambivalence about the prison and the control it exerts over their daily lives. An illuminating analysis of women caught in the shadow of America's massive prison system, Comfort's book will be essential for anyone concerned with the consequences of our punitive culture.

Collection of activities for daily use that review language arts concepts such as sentence editing, punctuation, grammar, vocabulary, spelling, and comprehension skills.

Clever and quirky cross-stitch patterns that proudly show off your love for all things literary Inside Book Riot's Lit Stitch, you'll find a number of badass, bookish cross-stitch patterns. Some of these are for bookmarks, others are for wall decor, and still others can take on a whole host of finished outcomes. What they have in common is their literary bent—the patterns speak to all manner of literary-minded book lovers, who are happy to display their nerdier sides. And what better way than through your own cross-stitch art to hang on your wall, prop on your desk, or even gift to friends and family. And most, if not all, are beginner friendly and can be completed in a few hours—instant stitchification! So grab yourself some excellent embroidery floss, hoops, and needles, and pick out one or more of these great cross-stitch patterns for your next project.

Maliciously ObedientEverAfter Romance

Day Bang is a 201-page book that teaches you how to pick up women during the day, primarily in a coffee shop, clothing store, bookstore, grocery store, subway, or on the street. It contains 51 openers, 23 long dialogue examples with commentary, and dozens of additional lines that teach by example. Day Bang includes... -The optimal day game mindset that leads to the most amount of success-An easy mental trick to prevent your brain from going into a flight-or-fight response when it's time to approach a woman you're attracted to-A detailed breakdown of how to use the "elderly opener," an easy style of approach that reliably starts conversations with women-2 ways to tell if a girl will be receptive to your approach-How to avoid the dreaded "interview vibe"-10 common mistakes guys make that hurt their chances of getting a number Day Bang shares tons of tips and real examples on having successful conversations. It teaches you... -How to use my bait system to get the girl engaged and interested in you-How to segue out of the initial opening topic into a more personal chat where you'll get to know the girl on a deeper level-How to take the interesting things you've done (your accomplishments, hobbies, and experiences) and morph them into bait hooks that gets the girl intrigued enough to want to go out with you-My "Galnuc" method to seamlessly get a girl's number-An easy hack at the end of your interactions that will reduce the chance of a flake and prime the girl for going out with you-Ways to open up a conversation on a girl who isn't giving you much to work with Day Bang goes into painstaking detail on how to approach women in a variety of common environments... -How to open a girl in coffee shops when she has a book, laptop, mp3 player, cell phone, research paper, crossword or Sudoku puzzle, or nothing at all-Two methods for approaching a girl on the street, depending on if she's moving or not, with a diagram to explain all the approach variations-How to approach in a retail store or mall environment, with openers to use on customers or sales clerks-

How to approach in bookstores, with specific tips on how to customize your approaches in the cafe, magazine section, or general book aisles-How to meet women in public transportation, on both the bus and subway-How to meet women in grocery stores-How to approach girls in secondary venues like a beach, casino, concert, gym, hair salon, handicraft fair, museum, art show, park, public square, or wine festival Dozens of additional topics are logically organized into 12 chapters... -Preparation. How to reduce your approach anxiety-Opening. How to deliver your opener in a way that doesn't scare women away-Rambling. How to have conversations that make women interested in you-Closing. How to get a number in a way that reduces the chance she'll flake-The Coffee Shop. How to pick up in coffee shops and cafes-The Street. How to pick up outdoors-The Clothing Shop. How to pick up in retail shops, malls, and big box stores-The Bookstore. How to pick up in bookstores-Public Transportation. How to pick up in the bus, subway, or long distance transportation-The Grocery Store. How to pick up in grocery stores-Other Venues. How to pick up just about anywhere else women can be found-Putting It All Together. How to maximize your day game potential The lessons taught in this 75,000 word, no-fluff textbook will help you meet women during the day. If you need tips on what to do after getting her number, consult my other book Bang, which contains an A-to-Z banging strategy. Day Bang focuses exclusively on daytime approaching.

The USA Today Bestseller Lydia's new boss stole the job she wanted and he thinks he owns the place already on Day One. Turns out -- he actually does. She can't control her attraction to Matt, the man with stormy eyes and a penchant for kissing her in the supply closet, the elevator, and in her increasingly intense dreams. But Matt has a secret -- he's really Michael Bournham, playboy extraordinaire and the CEO of the company, and he's doing a reality television stunt. For six weeks he's pretending to be a middle manager while producers video tape everything. Everything. Including the moment he and Lydia give in and break every rule. And, perhaps, their hearts.

Modeling in Transport Phenomena, Second Edition presents and clearly explains with example problems the basic concepts and their applications to fluid flow, heat transfer, mass transfer, chemical reaction engineering and thermodynamics. A balanced approach is presented between analysis and synthesis, students will understand how to use the solution in engineering analysis. Systematic derivations of the equations and the physical significance of each term are given in detail, for students to easily understand and follow up the material. There is a strong incentive in science and engineering to understand why a phenomenon behaves the way it does. For this purpose, a complicated real-life problem is transformed into a mathematically tractable problem while preserving the essential features of it. Such a process, known as mathematical modeling, requires understanding of the basic concepts. This book teaches students these basic concepts and shows the similarities between them. Answers to all problems are provided allowing students to check their solutions. Emphasis is on how to get the model equation representing a physical phenomenon and not on exploiting various numerical techniques to solve mathematical equations. A balanced approach is presented between analysis and synthesis, students will understand how to use the solution in engineering analysis. Systematic derivations of the equations as well as the physical significance of each term are given in detail Many more problems and examples are given than in the first edition - answers provided

So You Want To Be A Freelance Writer - Writing for Magazines, Newspapers and Beyond does exactly what it says in the title - it shows the reader how to write for the newspaper and magazine industry and how to make it in the world of freelance writing. Deborah Durbin is a qualified journalist and has over 15 year's experience working in print media for national magazines and newspapers as a freelance journalist and features writer. She has written for most of the women's national magazines and several national newspapers. She has also been a

columnist for two national magazines and has written for specialist titles such as *Writing Magazine* and *Writers' Forum* and has 11 books published.

Wishing he had something to be clever at like each of the other children in his class, Ling Sung unexpectedly and happily discovers the others admire his prowess with chopsticks.

This manual provides an extensive overview of the importance and use of Romance languages in the media, both in a diachronic and synchronic perspective. Its chapters discuss language in television and the new media, the language of advertising, or special cases such as translation platforms or subtitling. Separate chapters are dedicated to minority languages and smaller varieties such as Galician and Picard, and to methodological approaches such as linguistic discourse analysis and writing process research.

“Fred Kaplan’s *Lincoln* offers penetrating insights on Lincoln’s ability to explain complex ideas in language accessible to a broad range of readers and listeners.” — James M. McPherson, *The New York Review of Books* “A fine, invaluable book. . . . Certain to become essential to our understanding of the 16th president. . . . Kaplan meticulously analyzes how Lincoln’s steadily maturing prose style enabled him to come to grips with slavery and, as his own views evolved, to express his deepening opposition to it.” — Jonathan Yardley, *The Washington Post Book World* Fascinating. . . . persuasive [and] highly perceptive.” — Michiko Kakutani, *The New York Times* From acclaimed biographer Fred Kaplan comes an illuminating look at the life of Abraham Lincoln that chronicles his genius with language.

A biography of Harvey Milk, the first openly gay city official in the nation, recounts his public and personal life, and examines the emergence of the San Francisco gay community as a social and political force.

Classic Volkswagen Colin Burnham Subtitled: *The Beetle and Other Models from 1938*. A colorful look back at everybody's favorite Bug. Fabulous color photos capture mint masterpieces in striking locations. Includes Karmanns and convertibles. Sftbd., 8 1/4x 9, 128 pgs., 12 color ill.

From the authors of the inspiring true story *90 Minutes in Heaven* In 1989, Don Piper died in a car accident.
