

De Carti Secretele Orei De Nastere

Nu merita fiecare zi sansa de a fi o zi buna? Sigur ca da, insa toti stim ca in fiecare zi pot aparea si umbre. Sunt zile in care traficul se blocheaza, prietenii uita, partenerul de viata se plange. Zile pline de termene limita, de cozi interminabile, de suvite rebele, de replici dezgustatoare, de riduri, de cozi la biroul de somaj si de concluzii vesnic neclare. si sa nu uitam zilele de divort, zilele examenelor finale, zilele de operatii, zilele de plata a impozitelor si zilele in care pamantul din cimitir este inca proaspat.

Cum ramane cu aceste zile? In aceasta carte motivatoare, imbogatita de tonul bland si ideile patrunzatoare Lucado dezvaluie secretul ridicarii fiecarei zile la rangul de zi castigatoare. Reteta sa, culeasa din rezerva de intelepciune a veacurilor, este plina ochi de putere divina, indurare, iertare, scop si pace, astfel incat sa-i poti da fiecarei zile sansa pe care o merita. Dar pentru ca sa reusesti, trebuie sa fii prezent. La urma urmei, nu merita fiecare zi sansa de a fi o zi buna? Hai sa incercam!

Batchelder Honor Book recipient, Sonja Danowski, takes us on a journey into a beautiful, mysterious world where cooperation and generosity save the day and friendships make it wonderful. The Smon Smon hangs its last ron ron next to its won won on a lon lon and floats away in a ton ton. But when the Smon Smon falls into a zon zon . . . what happens next is what makes any world worth being in. A finely woven story.

„DAC? VREM S? AVEM SUCCES ÎN VIA??,
ÎNCREDEREA ÎN SINE ESTE ABSOLUT ESEN?IAL?.

ÎN FOND, DAC? NU CREDEM ÎN NOI ÎN?INE, CU SIGURAN?? C? NIMENI ALTCINEVA NU VA CREDE.“ DALE CARNEGIE Dale Carnegie avea o capacitate extraordinar? de a-i face pe oameni s? devin? con?tien?i de abilit??ile lor ascunse, s? fie mai eficien?i ?i mai încrez?tori în sine. Fie c? dore?ti s? reu?e?ti în afaceri, s?-?i spore?ti veniturile ori s? ai rela?ii avantajoase, urmeaz? principiile sale pentru ob?inerea succesului, extrase din interviurile sus?inute de autor atât cu oameni obi?nui?i, cât ?i cu diverse personalit??i, ?i vei putea progresa în orice aspect al vie?ii tale.

„Am scris această carte într-un moment în care am în?eles pân? la cap?t c? pentru adev?r, pentru dreptate nu exist? moned? de schimb. ?i nici nu trebuie s? existe. Am în?eles c? libertatea de gândire ?i cea de expresie nu pot fi negociate. ?i nici nu trebuie s? fie. Am în?eles c? a g?si adev?rul, oricare ar fi el, este un dar. Iar a-l spune, o obliga?ie. Într-o Românie subjugat? de baroni locali, de o grupare de personaje sinistre, m?cinate doar de gândul puterii ?i-al banilor, într-o Românie în care ni?te indivizi care intr? ?i ies de pe u?ile tribunalelor, ale pu?c?riilor sunt ridica?i la rang de mini?tri, de parlamentari, de ?efi de jude?e, într-o Românie în care se cump?r? ?i se vând con?tiin?e cu bani fura?i de la stat, a fi jurnalist nu poate însemna s? faci vreun compromis.“ (RAMONA URSU)

În Jocul Vânz?rii nu te invit?m la citit, ci te îndemn?m la ac?iune eficient? pentru a ob?ine rezultatele dorite din partea clien?ilor t?i. De ce merit? s? cite?ti cartea: o Î?i prezin?i produsul în cel mai ATRACTIV mod posibil o Identifici ?i bifezi CRITERIILE DE CUMP?RARE ale

clien?ilor o Tratezi OBIEC?IILE clien?ilor DIFICILI, uneori, chiar înainte s? apar? o Ofertezi pe limbajul lor, utilizând TACTICI irezistibile o Afli cum s? ajungi la ÎNCHIDEREA VÂNZ?RII o Utilizezi în avantajul t?u contextul unde are loc vânzarea o Toate acestea, transmise prin exemple concrete, explicate tehnic ?i aduse în realitatea ta prin intermediul provoc?rilor noastre.

"Now a major motion picture! Includes full-color movie photos and exclusive content!"--Dust jacket.

What books were left out of the Bible and why? First issued in 1926, this is the most popular collection of apocryphal and pseudepigraphal literature ever published. Here, in one place, are the infancy gospels, the letter of Jesus to Abgarus, the Gospel of Nicodemus, the Legends of Paul and Thecla, the Epistles of Clement and Barnabus, the Shepherd of Hermas, the Books of Adam and Eve, the Secrets of Enoch, the Psalms and Odes of Solomon, the many Testaments of the Patriarchs, and many more ancient books which were highly revered, but ultimately left out of the Bible.

"...his eyes met hers in the mirror. They were dark and smoldering, like the purest of blue flame. And in her own eyes was the glassy sheen of desire." Arden Gentry went to the lush island of Maui for the specific purpose of ingratiating herself into Drew McCaslin's world. The dashing widower, who had bitterly grieved the death of his wife, is ready to tackle life again and believes that his meeting with Arden is fortunate happenstance. He and

his young son, Matt, are drawn to Arden's warmth and tenderness, and both open their wounded hearts to her. But even as the passion between Drew and Arden intensifies and points toward love, she's harboring the secret of their inextricable bond...which could also rip them apart.

Grace wants out. Out of her house, where her stepfather wields fear like a weapon and her mother makes her scrub imaginary dirt off the floors. Out of her California town, too small to contain her big city dreams. Out of her life, and into the role of Parisian artist, New York director—anything but scared and alone. Enter Gavin: charming, talented, adored. Controlling. Dangerous. When Grace and Gavin fall in love, Grace is sure it's too good to be true. She has no idea their relationship will become a prison she's unable to escape. Deeply affecting and unflinchingly honest, this is a story about spiraling into darkness—and emerging into the light again. Dotyczy m. in. Polski.

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

Recounts Hardin's first encounters with Tessa and their ensuing love affair that became a vortex pulling in everyone around them.

„Provizorat se va impune atat ca un mare roman al «destinderii» cat si ca un roman al cuplurilor in totalitarism(e) si al imposibilei intimitati. O revenire in forta a unei prozatoare de varf si o carte de asezat pe acelasi raft cu Dimineata pierduta. “ (Paul Cernat)„Prin intermediul unei galerii de figuri remarcabile este pus in pagina un evantai larg al problematii feminine:

emotionalitatea sexualitatea maternitatea etc. Letitia Arcan intrupeaza de fapt o noua (bogata si proaspata) ipostaza a doamnei Bovary. Cu precizarea ca replica de-acum este creata din interiorul speciei si tocmai de aceea ea reuseste sa exprime sentimentele trairile miscarile si senzatiile feminine nu o data contradictorii pe care numai o scriitoare le poate cunoaste.” (Sanda Cordos), „Aproape totul este tensionat pregnant si captivant in Provizorat de la scenele teribile ale rebeliunii legionare pana la zgomotele infrarealitatii cotidiene. Provizorat va trage toate firele spre – si dinspre – povestea de dragoste adulterina. Cei doi sunt dominati de ambitii dar si de complexe din copilarie si adolescenta. Amprenta epocilor trecute si a celei din jur nu se sterge din sufletul si carnea lor care tremura foarte usor. De frica. Un complex psihoistoric si social ce n-a mai fost explorat cu atata acuitate si atata forta prozastica in romanul autohton. Totul se regaseste in petele de la Dosar care se intind ca o eczema. Pe viata personajelor pe biografiile pe care ele incearca prin toate caile sa si le schimbe; pe prezentul lor provizoriu. Pe dragostea lor ce rezista pana la un punct. De neratat lectura acestui Provizorat al doilea mare roman al Gabrielei Adamesteanu.” (Daniel Cristea-Enache)

In his mid-twenties, Dave Asprey was a successful Silicon Valley multimillionaire. He also weighed 300 pounds, despite the fact that he was doing what doctors recommended: eating 1,800 calories a day and working out 90 minutes a day, six times a week. When his excess fat started causing brain fog and food cravings sapped his energy and willpower, Asprey turned to the same

hacking techniques that made his fortune to "hack" his own biology, investing more than \$300,000 and 15 years to uncover what was hindering his energy, performance, appearance, and happiness. From private brain EEG facilities to remote monasteries in Tibet, through radioactive brain scans, blood chemistry work, nervous system testing, and more, he explored traditional and alternative technologies to reach his physical and mental prime. The result? The Bulletproof Diet, an anti-inflammatory program for hunger-free, rapid weight loss and peak performance. The Bulletproof Diet will challenge—and change—the way you think about weight loss and wellness. You will skip breakfast, stop counting calories, eat high levels of healthy saturated fat, work out and sleep less, and add smart supplements. In doing so, you'll gain energy, build lean muscle, and watch the pounds melt off. By ditching traditional "diet" thinking, Asprey went from being overweight and sick in his twenties to maintaining a 100-pound weight loss, increasing his IQ, and feeling better than ever in his forties. The Bulletproof Diet is your blueprint to a better life.

Ebenezer Le Page, cantankerous, opinionated, and charming, is one of the most compelling literary creations of the late twentieth century. Eighty years old, Ebenezer has lived his whole life on the Channel Island of Guernsey, a stony speck of a place caught between the coasts of England and France yet a world apart from either. Ebenezer himself is fiercely independent, but as he reaches the end of his life he is determined to tell his own story and the stories of those he has known. He

writes of family secrets and feuds, unforgettable friendships and friendships betrayed, love glimpsed and lost. The Book of Ebenezer Le Page is a beautifully detailed chronicle of a life, but it is equally an oblique reckoning with the traumas of the twentieth century, as Ebenezer recalls both the men lost to the Great War and the German Occupation of Guernsey during World War II, and looks with despair at the encroachments of commerce and tourism on his beloved island. G. B. Edwards labored in obscurity all his life and completed The Book of Ebenezer Le Page shortly before his death. Published posthumously, the book is a triumph of the storyteller's art that conjures up the extraordinary voice of a living man.

Winner at the 2015 IPPY Awards Helps children cope with the loss of a pet and overcome the grief process learning to confront other losses they have in their life.

Dosarele secrete ale agentului Anton Petru Comarnescu în arhivele Securității Humanitas SA

„Fie că i se cere, fie din proprie inițiativă, Petru Comarnescu divulgă tot, de cele mai multe ori, pe un ton neutru; în anumite cazuri, totuși, când se referă la persoane pe care le antipatizează sau care l-ar fi nedreptățit, comentariile devin acide, iar informațiile sau insinuirile, compromițătoare. Îngăsesc aici supărările (acute) sociale și intelectuale ale lui Petru Comarnescu. Iată-i, prinși ca într-un insectar, pe toți cei care nu i-au acordat importanța meritată! Verdictul moral nu poate fi decât unul de vinovăție; excesul de zel anulează până și circumstanțele atenuante care s-ar fi

putut altminteri invoca (marele vinovat, în toate, fiind regimul comunist). Îns? valoarea literar? a multor pagini este indubitabil?. Laolalt?, alc?tuiesc un fel de Comedie uman? a lumii intelectuale ?i artistice române?ti din anii '50 ?i '60. Petru Comarnescu ?i-a ratat «marea oper?» a vie?ii. S? o fi reu?it agentul Anton?“ (Lucian BOIA)

Selec?ie, introducere ?i comentariu de Lucian Boia

This book is written for classroom teachers who want to know more about e-learning and who would like to experiment with designing e-learning material to use in their own classrooms. It is primarily targeted at secondary teachers but there is no reason why primary school teachers and adult education teachers should not find it useful too. The other group we had in mind were those of you still undertaking initial teacher training. Although there are some exemplary courses, a depressing number of trainee teachers continue to arrive in the classroom having barely heard the words 'e-learning', still less have hands on experience of it.

An expansion of the successful self-published book *The Manager's Book of Lists, Smart Moves* offers over two hundred pages of efficient, practical checklists--already used by such firms as Humana and GE--and gives tips for every management task, from writing powerful memos to winning negotiations and resolving conflicts. These are the things that I've always wanted: To get the top grades in my class. To make my grandmother proud. And most of all, proof that I could succeed where the rest of my family had not: a Stanford acceptance letter, early admission. My

mother and my sister were obsessed with boys and love and sex. So obsessed that they lost sight of their futures, of what they wanted. And in the end, they lost everything. I'll never let a boy distract me. I promised myself that. But that was before Tate. Before the biggest pop star on the planet took an interest in me. Before private planes and secret dates and lyrics meant for me alone. There's so much I don't know. Like why he left music. Where he goes when we're not together. What dark past he's hiding. But when we kiss, the future feels far away. And now...I'm not sure what I want.

De mai bine de doisprezece ani, c?I?toriile pline de neprev?zut prin Asia Central? i-au adus lordului Ross Carlisle faim? ?i avere, ?i destule provoc?ri pentru a-l face s? uite de tr?darea tinerei ?i frumoasei lui so?ii. Dar tocmai c?nd e pe cale de a pleca ?n urm?toarea aventur?, chipe?ul aristocrat prime?te dou? ve?ti care ?i vor schimba via?a pentru totdeauna: afl? de moartea fratelui s?u vitreg – o tragedie care ?l ?mpov?reaz? cu o mo?tenire pe care nu ?i-a dorit-o niciodat? –, precum ?i c? Ian, cumnatul s?u, a fost ?ntemni?at de puternicul emir din Buhara, un om nebun, renumit pentru ura manifestat? ?mpotriva europenilor. De?i Ross ?tie c? ar trebui s? se ?ntoarc? ?n Europa pentru a fi al?turi de tat?l lui ?n acele momente de suferin??, onoarea ?l ?ndeamn? s? afle ce s-a ?nt?mplat cu Ian. Iar soarta ?i rezerv? o alt? mare surpriz? c?nd, ?ntr-o fort?rea??

din de?ert, o întâlne?te pe Juliet, so?ia sa de mult înstr?inat? ?i totodat? sora lui Ian. Împreun?, cei doi pornesc într-o periculoas? misiune de salvare, înfruntând pericole de neimaginat, în timp ce, în inimile lor, pasiunea se reaprinde cu o for?? de neoprit...

My attic is the same as ever: quiet, lonely, sad. I'm going to write The Novel of the Short-Sighted Adolescent. But I'll write it as if I'm writing the author's Diary. My book won't be a novel, but a collection of comments, notes, sketches for a novel. It's the only way of capturing reality, both natural and dramatic at once - See more at: <http://istrosbooks.com/products/catalogue/diary-short-sighted-adolescent-66/#sthash.a7DPd1db.dpuf> My attic is the same as ever: quiet, lonely, sad. adolescent-66/#sthash.a7DPd1db.dpuf The short-sighted adolescent is a passionate reader who takes various cultural figures as models, trying to emulate both their lives and their works. The pupil protagonist is a poor student, who likes science and reads a lot of books, sometimes staying up all night to do so. At the age of 15, he decides to write a novel to demonstrate to his teachers that he is not as mediocre as all the other students, and is prepared to give up everything he holds dear for his art. The novel is written in a number of notebooks--the "diary" of the title--but our myopic hero ultimately fails in three subjects and is too lazy to learn and has to repeat the school year. *Diary of a Short-Sighted Adolescent* was written by the young Mircea Eliade, one of Romania's greatest writers and intellectuals. The book can be viewed as an early 20th century *Catcher in the Rye*, and allows us an intimate view of the developing genius--his teachers, his classmates' academic and amorous rivalries, his first sexual experiences--and an introduction to the themes of religion, self-knowledge, erotic sensibility, artistic creation, and otherness; ideas which would preoccupy him until the end of his life.

Although better known today for his novels, in the 1920s F. Scott Fitzgerald ranked among the top writers of magazine fiction. Fitzgerald represented the dreams and aspirations of the post-World War I generation in his life as well as his works. With his

glamorous wife, Zelda, and his cosmopolitan social circle, he projected the perfect image for narrating tales of restless youth in a hectic world. These short stories offer insights into many themes, characters, and techniques that emerged in Fitzgerald's later works. The title tale, "The Curious Case of Benjamin Button," reflects his preoccupation with life's fleeting nature. "Winter Dreams," written three years before *The Great Gatsby*, shares the concept of commitment to an idealized dream. "Babes in the Woods," developed during the author's Princeton days, evidences the roots of *This Side of Paradise*. Thirteen other selections offer further insights into the author's growing skills as well as examples of his sparkling prose, understated wit, and deft characterizations.

Now a musical! Matilda is a sweet, exceptional young girl, but her parents think she's just a nuisance. She expects school to be different but there she has to face Miss Trunchbull, a menacing, kid-hating headmistress. When Matilda is attacked by the Trunchbull she suddenly discovers she has a remarkable power with which to fight back. It'll take a superhuman genius to give Miss Trunchbull what she deserves and Matilda may be just the one to do it! Here is Roald Dahl's original novel of a little girl with extraordinary powers. This much-loved story has recently been made into a wonderful new musical, adapted by Dennis Kelly with music and

lyrics by Tim Minchin.

Have you ever wondered what characteristics are shared by successful business leaders? Have you ever asked yourself what it is that they do differently which makes them and their organisations stand out from the crowd? And what can you learn from them to ensure your own success? If so, *The Book of Leadership* is for you. Over the last six years, Anthony Gell has conducted interviews with some of the most successful CEOs, entrepreneurs and business thinkers in the world, including Sir Terry Leahy, former CEO of Tesco, Richard Reed, founder of innocent drinks, Olaf Swantee, CEO of EE and Daniel Goleman, author of the bestselling *Emotional Intelligence*. Now for the first time, he is bringing together hours of exclusive interview footage into a single resource for anybody looking to improve their leadership skills. In *The Book of Leadership* he combines his own experiences as a CEO with those of the leaders he has interviewed to provide insights and advice in three core areas: * Part 1 looks at leaders as individuals and reveals the personal habits and attributes that have laid the foundations for their success. * Part 2 focuses on what it takes to build and motivate a world class team * Part 3 goes beyond team leadership to identify how the habits of effective leadership are carried through on a larger scale in organisations.

"A brilliant book that will make your heart and life

sing." -Mark Victor Hansen, cocreator of the #1 New York Times best-selling series Chicken Soup for the Soul "Simple, easy to understand, Hernacki spells out 'intention' so that everyone can get it."

-Chîrie Carter-Scott, Ph. D., author of If Life is a Game, These Are the Rules The key to success, happiness, and financial security lies in the power of the human mind and the human will. Mike Hernacki asserts that you are in charge of your own future, and he provides inspiring stories which prove that with the willingness and intention to succeed, you can achieve all your life goals. With a positive attitude and an open mind, anything is possible-a better job, a happy marriage, an education, a new home, good health, and fortune. The future is yours for the making, and with Hernacki's help, you can get absolutely everything you want and more.

Dale Carnegie spunea c? „succesul înseamn? s? ob?ii ceea ce vrei, iar fericirea înseamn? s? vrei ceea ce ai ob?inut“. Dar ce anume î?i doresc oamenii? Ei bine, de cele mai multe ori, e vorba despre o carier? ascendent?, prieteni de încredere, o familie iubitoare, un trai decent... ?i altele asemenea.

Desigur, motivele pentru care un om î?i dore?te ceva anume sunt complet personale, îns? metodele prin care î?i poate atinge obiectivul sunt general valabile. Iar metodele din cartea de fa?? au fost testate de peste 15 milioane de cititori de pe cinci continente, pe parcursul a trei sferturi de secol. Volumul de fa??

a ajuns, cu timpul, s? fie cea mai vândut? carte motiva?ional? publicat? vreodat?. Sfaturile lui Dale Carnegie v? arat? cum s? deveni?i un interlocutor agreabil, de ce e bine s? face?i complimente dezinteresate, când e cazul s? v? retrage?i dintr-o disput?, ce anume treze?te dorin?a de cooperare a partenerilor, cum s? face?i o bun? impresie de la prima întâlnire, cât de important e zâmbetul, prin ce strategii v? pute?i autopromova în ochii celorlal?i, în ce fel pute?i adresa critici f?r? s? provoaca?i resentimente, de ce e recomandat s? v? admite?i propriile gre?eli înainte de a le face repro?uri altora, cât de adev?rat e proverbul care spune c? „vorba dulce mult aduce“, cum s? r?spunde?i la plângerile altora, unde se termin? sinceritatea ?i începe brutalitatea, de ce nu func?ioneaz? pe termen lung strategia de a da ordine, cum s? v? ajuta?i ajutându-i pe ceilal?i — ?i multe altele. Carnegie dovede?te c?, în cele din urm?, ceilal?i ne vor trata exact a?a cum îi trat?m. Comportamentul interlocutorilor oglinde?te propriul comportament. Dale Carnegie (pe numele lui real Dale Carnegie) s-a n?scut pe 24 noiembrie 1888 la o ferm? s?rac? din Missouri ?i s-a stins din via?? pe 1 noiembrie 1955, la Forest Hills, New York. Este considerat cel mai mare autor de literatur? motiva?ional? al secolului XX. Dup? absolvirea facult??ii, vinde cursuri prin coresponden?? în Nebraska ?i ob?ine câteva roluri ca actor la New York, f?r? mare succes. În 1912, este angajat de

Young Men Christian Association s-a preda cursuri pentru adulți și descoperi, accidental, o metodă prin care poate diminua teama celor care vorbesc în fața unui public numeros. Astfel începe faimoasa carieră de orator și autor de mare succes a lui Dale Carnegie. În următorii doi ani, Carnegie își rafinează cursul, venind în întâmpinarea dorinței americanului mediu de a-și întări încrederea în sine. Își schimbă numele din Carnegey în Carnegie, ceea ce reprezintă o mișcare de marketing inspirată. Începe să publice diverse materiale în care-și prezintă în mod sistematizat ideile; în 1926, acestea vor fi adunate într-o carte despre vorbirea în public — *Public Speaking: A Practical Course for Business Men*. În 1936, Dale Carnegie publică *How To Win Friends and Influence People*, cartea de față, care a înregistrat încă de la publicare un succes răsunător. De-a lungul anilor, această lucrare, considerată opera de referință a lui Carnegie, s-a vândut în peste 15 milioane de exemplare. Ea a fost tradusă în toate limbile de circulație internațională, iar în limba română a apărut la Curtea Veche pentru prima dată în anul 1997. O altă lucrare de referință, publicată în 1948, este *How to Stop Worrying and Start Living*, apărută în limba română la Curtea Veche Publishing sub titlul *Lasă grijile, începe să trăiești* — o colecție de sfaturi ușor de pus în aplicare pentru a face față mai bine stresului. Dintre cărțile lui Dale Carnegie, aceasta a avut cel mai mare succes în Europa. Pe

Dale Carnegie îl regăsim în topul celor mai bine vânduți autori din toate timpurile. La mai bine de jumătate de veac de la moartea lui, cărțile sale sunt la fel de solicitate ca în primii ani după lansare. Eforturile lui Dale Carnegie de răspândire a unor metode prin care ne putem optimiza relațiile cu semenii și cu lumea au fost continuate de Fundația Carnegie. Cursurile pe care Carnegie însuși le-a inițiat și predat sunt frecventate și astăzi de zeci de mii de oameni din întreaga lume, confirmând actualitatea și utilitatea metodelor scriitorului. Aprofundarea acestor practici e vitală pentru toți cei care doresc să ocupe posturi importante în ierarhiile companiilor occidentale.

• Was Adam the first test-tube baby? • Did nuclear fission destroy Sodom and Gomorrah? • How were the ancients able to accurately describe details about our solar system that are only now being revealed by deep space probes? The awesome answers are all here, in this important companion volume to The Earth Chronicles series. Having presented evidence of an additional planet as well as voluminous information about the other planets in our solar system, Zecharia Sitchin now shows how the discoveries of modern astrophysics, astronomy, and genetics exactly parallel what has already been revealed in ancient texts regarding the "mysteries" of alchemy and the creation of life. Genesis Revisited is a mind-boggling revelation sure to overturn current

theories about the origins of humankind and the solar system.

Includes entries for maps and atlases.
