

Dear Daughter

A mother's love is unconditional: There are quiet snuggles, off-key sing-alongs, uncontrollable belly laughs, and daily miracles that only a parent can understand. Heather Armstrong first wrote to her daughter when Leta was just eight weeks old. For the next five years, Heather wrote a letter every month, capturing the ups and downs of motherhood and chronicling the milestones and surprises of their lives together. These are letters that we wish we had written for our own children: disarmingly honest, self-deprecating, heartwarming, and irreverently funny. From the first time Leta holds a rattle; to her first steps; to her first curse word; to her excitement over becoming a big sister, *Dear Daughter* is a heart-felt and hilarious ode to the wonders of parent-hood that will have mothers everywhere nodding, laughing, and wiping away tears. *** Dear Leta, You have changed so much since that first morning you spent with us, a morning that altered my life so drastically that sometimes it still feels like I'm catching my breath. I imagine that I won't ever stop feeling this way, won't ever stop having a portion of my brain dedicated to the thought of where you are and what you're doing, won't ever be able to escape the constant, nagging hope that you are happy and fulfilled. My pulse is forever close to the surface because of you, because of my responsibility toward you, and I can't thank you enough for the dimension that this has added to what it means to be alive. Love, Mama

Every daughter needs a Mother's heart and a Mother's wisdom My precious daughter, you are my life, my light and my purpose. My being truly came to life the day you were born and I cherish being your mother. I will do everything possible to protect you and guide you through your journey. You will never be too old for my advice and while I wish I could shield you from sad and tough times, those difficult moments will ultimately provide you with depth, understanding and compassion. Hopefully these life lessons will ease the discomforts and help you to rejoice with deep gratitude life's shiniest moments."

In this intimate and moving graphic memoir, Teresa Wong writes and illustrates the story of her struggle with postpartum depression in the form of a letter to her daughter Scarlet. Equal parts heartbreaking and funny, *Dear Scarlet* perfectly captures the quiet desperation of those suffering from PPD and the profound feelings of inadequacy and loss. As Teresa grapples with her fears and anxieties and grasps at potential remedies, coping mechanisms, and her mother's Chinese elixirs, we come to understand one woman's battle against the cruel dynamics of postpartum depression. *Dear Scarlet* is a poignant and deeply personal journey through the complexities of new motherhood, offering hope to those affected by PPD, as well as reassurance that they are not alone. The #1 New York Times bestseller that Today show co-anchor Hoda Kotb calls "a beautiful, beautiful book." The bestselling author of *I Wish You More*, Amy Krouse Rosenthal, and her daughter Paris Rosenthal collaborate to bring you the heartwarming and inspiring *Dear Girl, Dear Girl*, is a love letter written for the special girl in your life; a gentle reminder that she's powerful, strong, and holds a valuable place in the world. Through Amy and Paris's charming text and Holly Hatam's stunning illustrations, any girl reading this book will feel that she's great just the way she is—whether she enjoys jumping in a muddy puddle, has a face full of freckles, or dances on table tops. *Dear Girl*, encourages girls to always be themselves and to love who they are—inside and out.

Dear Girl, This book is for you. Wonderful, smart, beautiful you. If you ever need a reminder, just turn to any page in this book and know that you are special and you are loved. —Amy and Paris Celebrate graduations, birthdays, and other events with the lasting gift of this remarkable book.

For five decades, comedian, actor, singer, dancer, and entertainer Bob Hope (1903–2003) traveled the world performing before American and Allied troops and putting on morale-boosting USO shows. *Dear Bob . . . : Bob Hope's Wartime Correspondence with the G.I.s of World War II* tells the story of Hope's remarkable service to the fighting men and women of World War II, collecting personal letters, postcards, packages, and more sent back and forth among Hope and the troops and their loved ones back home. Soldiers, nurses, wives, and parents shared their innermost thoughts, swapped jokes, and commiserated with the "G.I.s' best friend" about war, sacrifice, lonely days, and worrisome, silent nights. The Entertainer of the Century performed for millions of soldiers in person, in films, and over the radio. He visited them in the hospitals and became not just a pal but their link to home. This unforgettable collection of letters and images, many of which remained in Hope's personal files throughout his life and now reside at the Library of Congress, capture a personal side of both writer and recipient in a very special and often-emotional way. This volume heralds the voices of those servicemen and women whom Hope entertained and who, it is clear, delighted and inspired him.

An irreverent and captivating memoir about the unexpected joys and glaring indignities of pregnancy, childbirth, and parenthood - from the beloved creator of the most popular personal blog on the web, dooce.com Heather Armstrong gave up a lot of things when she and her husband, Jon, decided to have a baby: beer, small boobs, free time -- and antidepressants. The eighteen months that followed were filled with anxiety, constipation, nacho cheese Doritos, and an unconditional love that threatened to make her heart explode. Still, as baby Leta grew and her husband, Jon, returned to work, Heather faced lonely days, sleepless nights, and endless screaming that sometimes made her wish she'd never become a mother. Just as she was poised to throw another gallon of milk at her husband's head, she committed herself for a short stay in a mental hospital -- the best decision she ever made for her family. To the dedicated millions who can't get enough of Heather's unforgettably unique style and hilarious stories on her hugely popular blog, there's little she won't share about her daily life as a recovering Mormon, liberal daughter of Republicans, wife of a charming geek, lover of television that exceeds at being really awful, and stay-at-home mom to five-year-old Leta and two willful dogs. In *It Sucked and Then I Cried*, Heather tells, with trademark wit, the heartfelt, unrelentingly honest story of her battle with postpartum depression and all the other minor details of pregnancy and motherhood that no one cares to mention. Like how boring it can be to care for someone whose primary means of communication is through her bowels. And how long it can possibly take to reconvene the procedure that got you into this whole parenthood mess in the first place. And how you sometimes think you can't possibly go five more minutes without breathing in that utterly irresistible and totally redeemable fresh baby smell. *It Sucked and Then I Cried* is a brave cautionary tale about crossing over that invisible line to the other side (the parenting side), where everything changes and it only gets worse. But most of all, it's a celebration of a love so big it can break your heart into a million pieces.

A collection of works on our daughters.

NEW YORK TIMES BESTSELLER • Ali Wong's heartfelt and hilarious letters to her daughters (the two she put to work while they were still in utero) cover everything they need to know in life, like the unpleasant details of dating, how to be a working mom in a male-dominated profession, and how she trapped their dad. "Knife-sharp . . . a genuine pleasure."—The New York Times **NAMED ONE OF THE BEST BOOKS OF THE YEAR** BY Time • Variety • Chicago Tribune • Glamour • New York In her hit Netflix comedy special *Baby Cobra*, an eight-month pregnant Ali Wong resonated so strongly that she even became a popular Halloween costume. Wong told the world her remarkably unfiltered thoughts on marriage, sex, Asian culture, working women, and why you never see new mom comics on stage but you sure see plenty of new dads. The sharp insights and humor are even more personal in this completely original collection. She shares the wisdom she's learned from a life in comedy and reveals stories from her life off stage, including the brutal single life in New York (i.e. the inevitable confrontation with erectile dysfunction), reconnecting with her roots (and drinking snake blood) in Vietnam, tales of being a wild child growing up in San Francisco, and parenting war stories. Though addressed to her daughters, Ali Wong's letters are absurdly funny, surprisingly moving, and enlightening (and gross) for all. Praise for *Dear Girls* "Fierce, feminist, and packed with funny anecdotes."—Entertainment Weekly "[Wong] spins a volume whose pages simultaneously shock and satisfy. . . . *Dear Girls* is not so much a real-talk handbook as it is a myth-puncturing manifesto."—Vogue "[A] refreshing, hilarious, and honest account of making a career in a male-dominated field, dating, being a mom, growing up, and so much more... Yes, this book is addressed to Wong's daughters, but every reader will find nuggets of wisdom and inspiration and, most important, something to laugh at."—Bustle

Award-winning 'from you to me' Journals of a Lifetime are the perfect gift for every loved-one, for every occasion, for all the family. Each journal contains around 60 fun and inspiring questions carefully designed to inspire your family to enjoy telling their story, to help you find out amazing things about them.

A father offers his advice, opinions, and the many useful stories gleaned from his past experiences in order to help his beloved daughter not only survive, but thrive in the dangerous and unpredictable world of young adulthood. From the pen of a former abused child, drug addict, womanizing frat boy, and suicidal depressive, comes forth the emotionally stirring account of a young man's battle with crippling inner demons and his eventual road to enlightenment. Peter Greyson calls upon his wisdom as both father and school teacher to gently lead teenage girls through a maze of truth, deception, and adolescent uncertainty. Greyson's literary style sparkles with a youthful enthusiasm that will capture your heart and provide boundless inspiration. *Dear Lilly* is a survival guide that offers the brutally honest male perspective to young women struggling for answers to life's deepest questions. Topics include: Boys lie What every guy wants from his girlfriend Tales from the drug world Everybody hurts High school exposed

The illegitimate daughter of the late Senator Strom Thurmond breaks her lifelong silence. Her father, the longtime senator from South Carolina, was once the nation's leading voice for racial segregation; he mounted a filibuster against the

Dear Daughter By: Megan Sawyer Dear Daughter is a cute little collection of notes from a loving mother to her daughter. Mothers and daughters have a unique and special bond. This book is a gentle reminder that it's the little things in life that are most important. Enjoy Dear Daughter with your mother or daughter.

We are living in an age where technology has taken over to the point we can do everything with our phones talking on the phone, responding to a text, and even replying to an email. But sometimes, it would be amazing to sit down and have a face-to-face conversation with our children without the interruption of their phones or a beep notification. Many parents sometimes struggle with finding the right words to express things to their children, so they would find ways to leave letters around their deepest thoughts something the children will be able to find. And we hope it will not have faded lines just to read our stories, memories, and so much more. In this book, you will find stories from parents who share their deepest, heartfelt thoughts that are formed into letters for their children to hold onto while offering sentiments to other parents who might be experiencing the same with their children. This book gives hope to those who feel hopeless. It brings value and integrity in knowing that there is no perfect way of raising our children. Providing them with life lessons something they can always refer to is priceless. We hope you enjoy our letters to our daughters and sons and share it with your loved ones.

From the world-renowned agony aunts of award-winning podcast 'Dear Joan and Jericha' comes an unputdownable bible of sex and relationship advice on how to find, satisfy and maintain a husband, from dating right up until you or hubby pass away. We dedicate this tome to Mahmoud: surgeon, prophet, model and friend. Capable of performing up to 30 hysterectomies a day (often blindfolded), it was Mahmoud that begged us to put pen to papyrus and share our wisdom with all the lost ladies suffering in the world today. As much revered celebrities, living glamorous and wealthy lifestyles, we do of course come under fire. There has recently been vicious slander circulating, regarding a small handful of folk who have written to us with a problem, and having listened to our response, gone on to take their own lives. As if the two were somehow connected. These naysayers are generally bitter and jealous spinsters, taking perverse and sadistic pleasure in being vindictive and nasty, while no doubt masturbating at the same time. To these lonely ladies we would say, 'Go look in your own heart, knock ye there and ask yourself some difficult questions. Because you will find the real guilt writhing within ye, like maggots mating in yesterday's apple'. What we offer here is a lifeline, a service, much like the NHS, or perhaps more accurately, the AA. Joan and Jericha: AA for the heart. Affording you the opportunity to have a breakdown, call for a pick-up truck, stop off for a Full English whilst a hairy guy in a grubby onesie fumbles under your bonnet and tweaks at your wiring, before sending you on your way, lubricated, primed, pumped and pretty. With kind regards, Joan

Damry and Jericha Domain OBE MBE (etc)

From the author of *Pretty as a Picture*, a sensational thriller featuring an unforgettable heroine who just might have murdered her mother • Winner of the Strand Critics Award for Best First Novel • Nominated for the Barry and Macavity Awards for Best First Novel • Longlisted for the CWA John Creasy (New Blood) Dagger Award “Quick-witted and fast-paced.” —People magazine “A really gutsy, clever, energetic read, often unexpected, always entertaining.” —Kate Atkinson “This is an all-nighter . . . The best debut mystery I've read in a long time.”—Tana French Former “It Girl” Janie Jenkins is sly, stunning, and fresh out of prison. Ten years ago, at the height of her fame, she was incarcerated for the murder of her mother, a high-society beauty known for her good works and rich husbands. Now, released on a technicality, Janie makes herself over and goes undercover, determined to chase down the one lead she has on her mother’s killer. The only problem? Janie doesn’t know if she’s the killer she’s looking for. Janie makes her way to an isolated South Dakota town whose mysteries rival her own. Enlisting the help of some new friends (and the town’s wary police chief), Janie follows a series of clues—an old photograph, an abandoned house, a forgotten diary—and begins to piece together her mother’s seemingly improbable connection to the town. When new evidence from Janie’s own past surfaces, she’s forced to consider the possibility that she and her mother were more alike than either of them would ever have imagined. As she digs tantalizingly deeper, and as suspicious locals begin to see through her increasingly fragile facade, Janie discovers that even the sleepest towns hide sinister secrets—and will stop at nothing to guard them. On the run from the press, the police, and maybe even a murderer, Janie must choose between the anonymity she craves and the truth she so desperately needs. A gripping, electrifying novel with an ingenious and like-it-or-not sexy protagonist, *Dear Daughter* follows every twist and turn as Janie unravels the mystery of what happened the night her mother died—whatever the cost.

Over the next fourteen years she wrote home to her mother, Julia Stone Towne; these letters and Julia's letters back to her - the only published collection of sustained correspondence between a nineteenth-century American mother and daughter - create a deep and rich world filled with the ideas, affection, advice, and comfort that each woman gave to the other.

Why not fill out this "letters to my Daughter" journal and give it to her as a gift for a special occasion. What a surprise it would be! Once it is filled with words and love surprise your Daughter with what will be her favourite gift ever.

When Chinese shopkeepers tried to find a written equivalent of Coca-Cola, one set of characters they chose was pronounced “ke-kou ke-la.” It sounded right, but it literally translated as “bite the wax tadpole.” Language, like travel, is always stranger than we expect and often more beautiful than we imagine. In *Biting the Wax Tadpole* Elizabeth Little takes a decidedly unstuffy and accessible tour of grammar via the languages of the world—from Lithuanian noun declensions and imperfective Russian verbs to Ancient Greek and Navajo. And in one of the most courageous acts in the history of popular grammar books, she attempts to provide an explanation of verbal aspect that people might actually understand. Other difficult and pressing questions addressed in *Biting the Wax Tadpole* include: *Just what, exactly, the Swedish names of IKEA products mean *Why Icelandic speakers must decide if the numbers 1-4 are plural *How Theodor Geisel (aka Dr. Seuss) was able to take an otherwise unexceptional pair of breakfast foods and turn them into literary fodder for generations *Why Joanie

Loves Chachi was Korea's highest rated television show ever *Why Basque grammar seems downright kooky to just about anyone who isn't a native speaker

Documents the author's travels throughout the country, where she witnesses firsthand the nation's many cultures and languages and what they say about who we are individually, socially and politically.

NATIONAL BESTSELLER • The award-winning author of *We Should All Be Feminists* and *Americanah* gives us this powerful statement about feminism today—written as a letter to a friend. A few years ago, Chimamanda Ngozi Adichie received a letter from a childhood friend, a new mother who wanted to know how to raise her baby girl to be a feminist. *Dear Ijeawele* is Adichie's letter of response: fifteen invaluable suggestions—direct, wryly funny, and perceptive—for how to empower a daughter to become a strong, independent woman. Filled with compassionate guidance and advice, it gets right to the heart of sexual politics in the twenty-first century, and starts a new and urgently needed conversation about what it really means to be a woman today. **A Skimm Reads Pick ? An NPR Best Book of the Year**

Dear DaughterA NovelPenguin

As mothers or someone raising a young lady, we have a lot to handle on a daily basis. Along with being a mother, we have our daily routines, the nine-to-five, a business, being a wife, and being a church and community leader. We often lose track of the moments and time when our daughters or children can be communicating in a verbal or nonverbal way that they need their mother, mommy, mom, and/or ma. A strong and healthy mother-daughter relationship is the key in the relationships a young lady will form in her adult years. Once strengthened and made healthy, this positive impact can change generational lines. Join seven mothers as they take a stand from past disappointments of divorce, parent incarceration, spouse abandonment, hurts, and rejection to use as teaching moments for their daughters. Set aside some alone time or time with your daughters to read carefully as these mothers share moments when they had to have the tough conversation in order to help develop women of faith, wisdom, purpose, and leadership.

This book "renders the singular arc of a woman's life through letters Mary-Louise Parker composes to the men, real and hypothetical, who have informed the person she is today. Beginning with the grandfather she never knew, the letters range from a missive to the beloved priest from her childhood to remembrances of former lovers to an homage to a firefighter she encountered to a heartfelt communication with the uncle of the infant daughter she adopted"-- We created this book to be a precious keepsake for daughters of all ages. Given that some of us are "craftier" than others, we designed it so you can add as much or as little personalization as you'd like. --Customize the cover with your own special photo --Paste your photos inside --Tuck a heartfelt message into a vellum envelope and past into the book --Affix to pages mementos of special memories like ticket stubs, postcards, and more --Handwrite your own thoughts or advice in the book

How did Jewish women in sixteenth-century Poland learn all the rules, rituals, and customs pertaining to the sexual life of couples within the context of marriage? As in other areas of ritual life that concerned the household, it would seem that the primary source for the education of Jewish women was other women. But rabbinic law dictates that Jewish women who experience uterine bleeding are prohibited from having physical contact of any kind with their husbands, and the intricate laws of niddah (enforced separation) spell out exactly when and

under what circumstances physical marital relations, even simple touching, can be resumed. Particularly difficult issues could be addressed only by rabbis or other learned men, since women rarely, if ever, attained the level of rabbinic scholarship necessary to pare the details of these complicated laws. To educate both men and women, but particularly women, in a more systematic and impersonal manner, the young rabbi Benjamin Slonik (ca. 1550-after 1620), who later became one of the leading rabbinic authorities in eastern Europe, harnessed the relatively new technology of printing and published a how-to book for women in the Yiddish vernacular. *Seder mitzvot hanashim* (The Order of Women's Commandments) illuminates the history of Yiddish printing and public education. But it is also a rare remnant of a direct interface between a member of the rabbinic elite and the laity, especially women. Slonik's text also sheds light on the history of Jewish law, particularly the reception of the *Shulhan Arukh*, an important legal code that had just been published. This volume makes available the 1585 edition of the *Seder mitzvot hanashim* in Yiddish and English. Fram sets Slonik's work in its bibliographical and historical contexts, demonstrating its relationship with the *Shulhan Arukh*, exploring how rabbis opposed formal education for women, considering how upheavals accompanying geographic shifts in the Ashkenazic community help explain how the women's commandments texts came to be used in Poland, and offering a treasure trove of information on the place and roles of women in Polish-Jewish society. Fram thus creates a composite picture of how Slonik, along with other men of his time, perceived the main audience for his work and sought to connect it to contemporary texts.

A Wall Street Journal, Seattle Times, and CrimeReads Best Mystery Book of 2020 "Funny, fast-paced, and a pleasure to read." --The Wall Street Journal An egomaniacal movie director, an isolated island, and a decades-old murder--the addictive new novel from the bestselling author of *Dear Daughter* Marissa Dahl, a shy but successful film editor, travels to a small island off the coast of Delaware to work with the legendary--and legendarily demanding--director Tony Rees on a feature film with a familiar logline. Some girl dies. It's not much to go on, but the specifics don't concern Marissa. Whatever the script is, her job is the same. She'll spend her days in the editing room, doing what she does best: turning pictures into stories. But she soon discovers that on this set, nothing is as it's supposed to be--or as it seems. There are rumors of accidents and indiscretions, of burgeoning scandals and perilous schemes. Half the crew has been fired. The other half wants to quit. Even the actors have figured out something is wrong. And no one seems to know what happened to the editor she was hired to replace. Then she meets the intrepid and incorrigible teenage girls who are determined to solve the real-life murder that is the movie's central subject, and before long, Marissa is drawn into the investigation herself. The only problem is, the killer may still be on the loose. And he might not be finished. A wickedly funny exploration of our cultural addiction to tales of murder and mayhem and a thrilling, behind-the-scenes whodunit, *Pretty as a Picture* is a captivating page-turner from one of the most distinctive voices in crime fiction.

The third book in the Mother-Daughter Book Club series by Heather Vogel Frederick follows the girls for a new year of humor and friendship.

Collects popular "Dear Leta" letters in a chronicle of the ups and downs of real-world motherhood that also documents the everyday miracles of a child's development.

from Mom or Dad! Order today! Available in full color print or kindle. If you purchase the print book, the kindle version is free! Just return to this book page after your order has been processed and shipped.

A collection of literary letters and mementos on the art of remembering across generations. For poet Victoria Chang, memory “isn’t something that blooms, but something that bleeds internally.” It is willed, summoned, and dragged to the surface. The remembrances in this collection of letters are founded in the fragments of stories her mother shared reluctantly, and the silences of her father, who first would not and then could not share more. They are whittled and sculpted from an archive of family relics: a marriage license, a letter, a visa petition, a photograph. And, just as often, they are built on the questions that can no longer be answered. *Dear Memory* is not a transcription but a process of simultaneously shaping and being shaped, knowing that when a writer dips their pen into history, what emerges is poetry. In carefully crafted missives on trauma and loss, on being American and Chinese, Victoria Chang shows how grief can ignite a longing to know yourself. In letters to family, past teachers, and fellow poets, as the imagination, *Dear Memory* offers a model for what it looks like to find ourselves in our histories.

In a letter that expresses both the love and concerns of every grandmother-to-be, Nancy Robison shares timeless insights into what to expect during the early days of motherhood. *Dear Daughter, About Your Baby* is filled with invaluable guidance on the practical aspects of daily baby care -- including dozens of down-home tips absent from most "official" reference works -- as well as the motherly wisdom that is often only available in hindsight.

Dear Sonali, is a passion project from the TV's Divorce Court Host. Seeking to share her mother's wisdom with a daughter of her own, this mother of six boys has written letters for young women to help them grow, conquer and thrive. From money to men, to passion and profession Judge Lynn gives her best advice From he particular point of view. At once, practical, methodical and motivational, Judge Lynn shares the best she has with all of the women that call her *The Auntie in Their Head* or *Mom2*.

Rabbi Eliyohu Goldschmidt was a prominent yeshivah educator and a master of human nature, especially with regard to how it effects marriage, child rearing and home life. In this wise, loving, and provocative book, the author shares his years of experience, counsel, and Torah-saturated outlook with his *Dear Daughter*, and he invites every other dear daughter to read over her shoulder. He does it superbly. The author's palette is piled high with colorful and insightful anecdotes, and he uses them like an artist to illustrate his points. Many a marriage, many a child, many a family, and many a friendship will be enriched and made happier thanks to this book.

Oftentimes we are bombarded with images of idols that appear to have it all. If we, as young girls and women, are not careful, we may subconsciously begin to believe we need to measure up to those often-misleading images. Comparing ourselves to others is a trap that robs us of our power to live in our own truth and authenticity. We were uniquely and wonderfully made by our Creator so that we may flourish in our own light and in God's love. As He made us, regardless of our background, circumstances or status, we are worthy of shining light, lasting love, loads of laughter, and so much more! *Dear Daughters, You Are Worthy!* is a tribute to all the wonderfully made, worthy girls and women in the world.
