

Death On The Nile Echris

Diego Garcia is a pivotal US base for all Middle East operations. This book describes its evolution from a secret US-UK bilateral deal in 1966 and the deportation of the native population in the 70s to its new role in Guantánamo-style 'renditions' and the impact of military construction on its environment.

Jack Howard is about to discover a secret. Perhaps the greatest secret ever kept. What if one of the Ancient World's greatest libraries was buried in volcanic ash and then re-discovered two thousand years later? What if what was found there was a document that could shatter the very foundations of the Western World? What if you were the one who discovered this secret? And were then forced to confront terrifying enemies determined to destroy you to ensure it goes no further? This is the story of one last Gospel, left behind in the age of the New Testament, in the greatest days of the Roman Empire, and of its extraordinary secret, one that has lain concealed for years. Follow Jack Howard as he discovers the secret and must prevent others from doing the same...

Interest in Pink Floyd remains as intense as ever even 40 years after the release of *Dark Side of the Moon*, with lavish box-sets collecting demos and out-takes, and Roger Waters' world tours of *The Wall* playing to packed stadiums. Now, Mark Blake's superbly comprehensive and engrossing history of the group, rightly acclaimed as the definitive book on the band, has been fully revised and extended with new interviews to bring the story up to date with the recent appearances of David Gilmour and Nick Mason with Roger Waters at a London date on his *The Wall* tour.

BONUS: This edition contains an excerpt from David Gibbins's *The Mask of Troy*. From an extraordinary discovery in a remote desert oasis to a desperate race against time in the ocean depths, a team of adventurers is about to find the truth behind the most baffling legend in history. The hunt is on for... Marine archaeologist Jack Howard has stumbled upon the keys to an ancient puzzle. With a crack team of scientific experts and ex-Special Forces commandos, he is heading for what he believes could be the greatest archaeological find of all time—the site of fabled Atlantis—while a ruthless adversary watches his every move and prepares to strike. But neither of them could have imagined what awaits them in the murky depths. Not only a shocking truth about a lost world, but an explosive secret that could have devastating consequences today. Jack is determined to stop the legacy of Atlantis from falling into the wrong hands, whatever the cost. But first he must do battle to prevent a global catastrophe.

It is nearly impossible to discuss alcohol, tobacco, and drugs without applying our own cultural prism. In a concise, non-technical manner, Glasser combines her own research with that of others to show the importance of removing cultural biases to uncover crucial understandings about substance use and misuse. Ethnographic examples elucidate the diverse meanings of alcohol, tobacco, and drugs around the world as well as the psychological and physiological effects of their use. Glasser applies anthropological research methods in her examination of treatment and recovery and uncovers why some programs are more effective than others. The books focus on culture and how it affects peoples relationships to mind-altering substances, together with hands-on activities at the end of each chapter, will generate new realizations and open doors for further exploration.

Byzantium, that dark sphere on the periphery of medieval Europe, is commonly regarded as the immutable residue of Rome's decline. In this highly original and provocative work, Alexander Kazhdan and Ann Wharton Epstein revise this traditional image by documenting the dynamic social changes that occurred during the eleventh and twelfth centuries.

Billy Sunday Speaks is a collection of the best sermons of the baseball evangelist. Included are his famous discourses on the evils of booze, an emotional tribute to the glory that is Mother, and some surefire advice on the best way to get to heaven. A fascinating introduction by Reverend Oral Roberts explores the significance of Billy Sunday and traces the career of a man dedicated to proselytizing right up to his death in 1935. Appended are some famous "Sundayisms" and favorite stories of the evangelist, told in his own spellbinding way. - Jacket flap.

Dr. Ben critically examines the history, beliefs, and myths that are the foundation of Judaism, Christianity, and Islam.

From the fall of the Roman Empire to the last days of Nazi power, marine archaeologist Jack Howard and his team of adventurers are hot on the trail of history's most elusive and desired treasure: the lost golden menorah of Jerusalem. And what they discover could change the world forever.... Deep beneath the windswept waters near Istanbul, Jack and his crack team of experts have uncovered a surprising clue to the location of the fabled treasure plundered during the Crusades. Meanwhile, in a dusty cathedral library, someone unearths a long-forgotten medieval map. Together the two discoveries will solve an ancient mystery—and spark a race to stop a present-day conspiracy of staggering proportions. From diving into the core of an arctic iceberg to the last stand of a Viking warship to an extraordinary revelation deep in the jungles of Central America, Jack is headed straight into a globe-spanning clash of civilizations, into an astounding underground labyrinth steeped in blood and horrors—and to a confrontation with a killer on a shattering crusade of his own.

SCENE—The firemen's forecandle of a transatlantic liner an hour after sailing from New York for the voyage across. Tiers of narrow, steel bunks, three deep, on all sides. An entrance in rear. Benches on the floor before the bunks. The room is crowded with men, shouting, cursing, laughing, singing—a confused, inchoate uproar swelling into a sort of unity, a meaning—the bewildered, furious, baffled defiance of a beast in a cage. Nearly all the men are drunk. Many bottles are passed from hand to hand. All are dressed in dungaree pants, heavy ugly shoes. Some wear singlets, but the majority are stripped to the waist.

As an institutional practice, archival practices often tend to serve to colonization, surveillance and discipline society of the Modern world. In the last ten years, with the digital technology and social movement detecting, recording and accumulating images become a civil activity. Thus, archiving videos and other types of visual images brought also non-institutional practices and as well contemporary discussions related to image, open source, collectivity and forensics. Beside interviews with video activists; this book compiles several writers' articles on their practices and discussions of archives from several angles: forensics, decolonization and commons. The term "archiving" in digital video production and dissemination designates not only open source memory making that is revealing hidden disobedient practices but also an autonomous structure that leads to tactics of montage, uploading, leaking images to re-build a collective memory of political disobedience. This book aims to discuss the notion of "autonomy" in the practice of "archiving", as well as in the perspective of videogram montage in comparative perspectives from different geographically based practitioners.

Here is the most explosive adventure yet from the New York Times bestselling author of *Atlantis* and *The Lost Tomb*—a whiplash-inducing novel that sends marine archaeologist Jack Howard and his team on a treasure hunt . . . and a race against time to stop a terrifying threat. Greece, 1876. Renowned archaeologist Heinrich Schliemann unearths the tomb of legendary King Agamemnon and makes a mind-blowing discovery. Determined to keep it secret until the time is right, he dies before it can be revealed to the world. Germany, 1945. The liberation of a concentration camp reveals clues to the lost antiquities stolen by the Nazis. But the operation is covered up after a horrific secret surfaces. Northern Aegean, present day. Jack Howard, head of the International

Maritime University, and his team discover the wreckage of the legendary Greek fleet from the Trojan War, sending shockwaves around the world. But the biggest surprise is yet to come, for Jack is on the trail not only of Agamemnon, but of Schliemann's true discovery—and a mystery so explosive that it leads to the kidnapping of Jack's daughter and a confrontation with a new and evil foe.

Sheep and goats are farmed worldwide for meat, milk, skins and wool. This diverse range of uses means that many people rely on these animals as a source of income, food and warm clothing, though they can also be kept as pets. With an accessible structure designed for use in the field, this book provides a general veterinary guide to treating common conditions in these animals. It addresses veterinary medicines and their uses, on-site surgery, equipment, normal values and vital signs, vaccination, nutrition, dental treatment, poisoning and dermatology. Worldwide disease conditions are also covered in detail, with a particular focus on the welfare of the animal and economic reality. A valuable field guide for the veterinary practitioner, this book is also essential reading for veterinary students.

A thrilling standalone sequel to ATLANTIS, David Gibbins' international bestseller of high-action adventure, marine archaeology and the exploration of one of history's most fascinating and enduring mysteries. A lost Nazi bunker in a forest in Germany contains a dreadful secret. But is there a horrifying new dimension - another ingredient in the Nazi's rule of terror? Marine archaeologist Jack Howard returns to the lost island of Atlantis in the Black Sea to answer questions about the Atlantis priests that have plagued him. Then by tracking down the 1930s expeditions of Himmler's Ahnenerbe - the Nazi's Department of Cultural Heritage - and its link with Atlantis, Jack realises he is not just on the trail of the greatest lost relics from the past. Could there possibly be a terrifying new version of 'Atlantis', a priesthood of evil? Jack must uncover the truth before it is too late.

Saddam Hussein is the Ultimate Weapon of Mass Destruction! Saddam is the greatest liar of our day and age. If you believe the majority media, you would believe that President Bush was a bigger fabricator of falsehoods than the butcher of Baghdad. Defending Liars tells you why the majority media and their allies in the Democratic Party are working for their re-election and not the success of the war on terrorism. Defending Liars, empowers the troops by telling the under spoken truths about President Bush and the war on Terror in Iraq. Defending Liars tells America where our intelligence community believes the WMDs are and that we know they did exist. We also know who helped Saddam move them out of the country. It sheds like on the media-obsession with Ambassador Wilson and Saddam's quest for Nuke's and provides careful insight into the heart of the American soul. Bloggers are calling this an essential read for conservatives needing the hard cold facts in defense of the war.

Perfect for fans of Clive Cussler and Dan Brown, Pyramid is a thrilling new adventure starring fearless marine archaeologist Jack Howard, in a heart-stopping quest to uncover an ancient Egyptian secret—and make the most amazing discovery of our time. EVERYONE KNEW THE STORY OF ANCIENT EGYPT. UNTIL NOW. For thousands of years, Egypt was a rich, ingenious civilization. Then it became a fertile hunting ground for archaeologists and explorers. Now the streets of Cairo teem with violence as a political awakening shakes the region. In the face of overwhelming danger, Jack Howard and his team of marine archaeologists have gathered pieces of a fantastic puzzle. But putting it together may cost them their lives. Howard has connected a mystery hidden inside a great pyramid to a fossilized discovery in the Red Sea and a 110-year-old handwritten report of a man who claims to have escaped a labyrinth beneath Cairo. For that his team is stalked by a brutal extremist organization that will destroy any treasure they find. As people fight and die for their rights aboveground, Jack fights for a discovery that will shed an astounding new light on the greatest story ever told: Moses's exodus from Egypt and the true beginnings of a new chapter in human history. Praise for the novels of David Gibbins "What do you get if you cross Indiana Jones with Dan Brown? Answer: David Gibbins."—Daily Mirror (U.K.), on Atlantis "An exciting mix of fact and fiction, with shades of Clive Cussler and Indiana Jones."—York Evening Press, on Crusader Gold

Aesthetics of Absence presents a significant challenge to the many embedded assumptions and hierarchical structures that have become 'naturalised' in western theatre production. This is the first English translation of a new collection of writings and lectures by Heiner Goebbels, the renowned German theatre director, composer and teacher. These writings map Goebbels' engagement with 'Aesthetics of Absence' through his own experience at the forefront of innovative music-theatre and performance making. In this volume, Goebbels reflects on works created over a period of more than 20 years staged throughout the world; introduces some of his key artistic influences, including Robert Wilson and Jean-Luc Godard; discusses the work of his students and ex-students, the collective Rimini Protokoll; and sets out the case for a radical rethinking of theatre and performance education. He gives us a rare insight into the rehearsal process of critically acclaimed works such as Eraritjaritjaka and Stifters Dinge, explaining in meticulous detail the way he weaves an eclectic range of references from fine art, theatre, literature, politics, anthropology, contemporary and classical music, jazz and folk, into his multi-textured music-theatre compositions. As an artist who is prepared to share his research and demystify the processes through which his own works come into being, as a teacher with a coherent pedagogical strategy for educating the next generation of theatre-makers, in this volume, Goebbels brings together practice, research and scholarship.

Presents the rules of English grammar, including word origins, parts of speech, sentence structure, punctuation, and writing styles.

Perfect for fans of Clive Cussler and Dan Brown, *Pharaoh* is a pulse-pounding new adventure starring intrepid marine archaeologist Jack Howard, on the trail of a shattering revelation about an ancient secret buried deep under the Egyptian pyramids. 1351 BC: Akhenaten the Sun-Pharaoh rules supreme in Egypt . . . until the day he casts off his crown and mysteriously disappears into the desert, his legacy seemingly swallowed up by the remote sands beneath the Great Pyramids of Giza. AD 1884: A British soldier serving in the Sudan stumbles upon an incredible discovery—a submerged temple containing evidence of a terrifying religion whose god was fed by human sacrifice. The soldier is on a mission to reach General Gordon before Khartoum falls. But he hides a secret of his own. Present day: Jack Howard and his team are excavating one of the most amazing underwater sites they have ever encountered, but dark forces are watching to see what they will find. Diving into the Nile, they enter a world three thousand years back in history, inhabited by a people who have sworn to guard the greatest secret of all time. Praise for *Pharaoh* “[David Gibbins’s] love of archaeology and of diving really brings these books to life. . . . Add to this . . . a true passion for history and a writing skill that has grown book by book. By the time we get to *Pharaoh* the series is a serious example of how this genre should be written; it does not get much better than this. . . . Gibbins makes the astounding seem more than plausible, he writes the history in such a way that the myth feels factual or at least highly plausible, and it's more that just places and names; it's a philosophical undertone to the extended plot, to the ethos of Jack Howard and his search for the facts and the truth. . . . History, mystery and myth all brought together to astound the reading senses . . . a true leader of his genre and his art.”—*Parmenion Books* “Utterly absorbing . . . When the adventure is as exciting as it is here, it is too good not to be allowed to speak for itself. . . . Put aside your assumptions of what a thriller should be and instead immerse yourself in one of the best historical adventures you'll read this year.”—*For Winter Nights* Praise for David Gibbins “What do you get if you cross Indiana Jones with Dan Brown? Answer: David Gibbins.”—*Daily Mirror* (U.K.), on *Atlantis* “An exciting mix of fact and fiction, with shades of Clive Cussler and Indiana Jones.”—*York Evening Press*, on *Crusader Gold*

2011 Reprint of 1933 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. Smitley wrote "Popular Financial Delusions" in 1933, when the world was in the depths of the Great Depression. He had started out on the New York Stock Exchange, but gave it up to buy a bookshop on Wall Street, and he became an expert. Better still, he understood markets--and he had a bigger collection of pithy phrases than the "Oxford Dictionary of Quotations." The book is a collection of about 70 sections, each of which stands on its own. None has any reverence for the sacred cows of the investment world. From the investment trust to the mortgage, to the pension, bank deposit and - yes - even Gold; one after the other Smitley skillfully slices them up, and shows them for what they so often are." Review by Paul Tustain.

In *State of the World 2003*, the Worldwatch Institute's award-winning research team provides concerned citizens and national leaders with comprehensive analysis of the global environmental problems we face, together with detailed descriptions of practical, innovative solutions, like charting the most environmentally sound path to a hydrogen-fueled economy, or accelerating the rapidly growing conversion of farmers worldwide to organic farming and sustainable agriculture.

The latest Jack Howard thriller from internationally bestselling mastermind David Gibbins. 258 As the blood of martyred Christians runs through Rome's catacombs, Pope Sixtus entrusts their most sacred object to a devoted follower. Soon after, the Holy Grail disappears into the darkness of time. 1684 While overseeing the evacuation of the English colony of Tangier, Samuel Pepys attempts to retrieve a treasure which has resurfaced after more than a thousand years. Meanwhile, a Jewish merchant is tortured by the Altamanus, a secret group determined to locate the Grail. Present Day A wreck off the Cornish coast reveals clues to a mystery that marine archaeologist Jack Howard had thought beyond solving. He embarks on an epic quest that takes him to the sunken ruins of the pirate city of Port Royal in Jamaica. But the specter of the deadly Inquisition dogs his every step, and Jack must face a descent into hell itself if he is to uncover the greatest reward in Christendom. Gibbins, who has led numerous underwater archeology expeditions around the world, writes with an authority that makes “the astounding seem more than plausible” (*Parmenion Books*). This latest Jack Howard novel brings together historical details and a thrilling plot for an action-packed adventure.

"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Over the years, The Fall have given me more pleasure than any other band and, when people ask me why I always say, 'they are always different, they are always the same' John Peel. The first ever authorised biography of this most inscrutable of bands! Together music writer Mick Middles and Fall leader Mark E. Smith have written an exhaustive biography of The Fall. Spanning their years on the fringe of the Manchester punk scene, three dozen albums, numerous tours, two successful stage plays and various spoken word events, this book is as strangely compelling as the band itself. Laced with Smith's distinctive brand of working class intellectualism and trenchant broadsides this is a meticulously researched story to thrill the famously disparate fans of The Fall who revel in a string of classic albums that fly in the face of all fashion, fads and musical trends. Mark E Smith remains famously true to his roots. Uncomfortable in art circles in London or, say, New York, he continues to live a full life in his native Salford, perfectly at home amongst the artisans in the string of local pubs. Just one more reason why Mark E Smith is a truly unique phenomenon with assured longevity. The book is the only authorised account of the enigma that is Mark E Smith. Author Mick Middles has been a close friend of Smith for over 25 years, and the book, written with Smith's complete approval and assistance, delves deep into the heart of that enigma.
