The conclusion of the Dark Forces trilogy of graphic novels based on the popular CD-ROM games, "Dark Forces" and "Jedi Knight: Dark Forces II," follows former Imperial soldier Kyle Katarn into battle against the Dark Jedi Jerec. 25,000 first printing.

When the Imperial prison barge Purge—temporary home to five hundred of the galaxy's most ruthless killers, rebels, scoundrels, and thieves—breaks down in a distant, uninhabited part of space, its only hope appears to lie with a Star Destroyer found drifting, derelict, and seemingly abandoned. But when a boarding party from the Purge is sent to scavenge for parts, only half of them come back—bringing with them a horrific disease so lethal that within hours nearly all aboard the Purge die in ways too hideous to imagine. And death is only the beginning. The Purge's half-dozen survivors—two teenage brothers, a sadistic captain of the guards, a couple of rogue smugglers, and the chief medical officer, the lone woman on board—will do whatever it takes to stay alive. But nothing can prepare them for what lies waiting aboard the Star Destroyer amid its vast creaking emptiness that isn't really empty at all. For the dead are rising: soulless, unstoppable, and unspeakably hungry. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years! Han Solo soars again—in this awesome trilogy of his extraordinary exploits. Ride with him as he rides to the rescue, narrowly escapes certain death, and foils evil in its ruthless tracks!

Darth Maul is dispatched on a secret mission to infiltrate a criminal prison empire where he must compete in gladiatorial death matches while carrying out his masters'

clandestine commands.

Parenting is difficult under the best of circumstances—but extremely daunting when humanity faces cataclysmic annihilation. When the dead rise, hardship, violence and the ever-present threat of flesh-eating zombies will adversely affect parents and children alike. Depending on their age, children will have little chance of surviving a single encounter with the undead, let alone the unending peril of the *Zombie Apocalypse*. The key to their survival—and thus the survival of the species—will be the caregiving they receive. Drawing on psychological theory and real-world research on developmental status, grief, trauma, mental illness, and child-rearing in stressful environments, this book critically examines factors influencing parenting, and the likely outcomes of different caregiving techniques in the hypothetical landscape of the living dead.

The era of the Old Republic is a dark and dangerous time, as Jedi Knights valiantly battle the Sith Lords and their ruthless armies. But the Sith have disturbing plans—and none more so than the fulfillment of Darth Scabrous's fanatical dream, which is about to become nightmarish reality. Unlike those other Jedi sidelined to the Agricultural Corps—young Jedi whose abilities have not proved up to snuff—Hestizo Trace possesses one extraordinary Force talent: a gift with plants. Suddenly her quiet existence among greenhouse and garden specimens is violently destroyed by the arrival of an emissary from Darth Scabrous. For the rare black orchid that she has nurtured and bonded with is the final ingredient in an ancient Sith formula that promises to grant Darth Scabrous his greatest desire. But at the heart of the formula is a never-before-seen virus that's worse than fatal—it doesn't just kill, it transforms. Now the rotting, ravenous dead are rising, driven by a bloodthirsty hunger for all things living—and commanded by a Sith Master with an insatiable lust for power and the ultimate prize: immortality . . . no matter the cost. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years! A smuggler's discovery of a rich treasure sparks a competition involving the Republic, the Empire, the Hutts, and the Jedi High Council, all of whom are manipulated by an enigmatic spy.

In a futuristic military adventure a recruit goes through the roughest boot camp in the universe and into battle with the Terran Mobile Infantry in what historians would come to call the First Interstellar War

The most successful film franchise of all time, *Star Wars* thrillingly depicts an epic multigenerational conflict fought a long time ago in a galaxy far, far away. But the *Star Wars* saga has as much to say about successful strategies and real-life warfare waged in our own time and place. *Strategy Strikes Back* brings together over thirty of today's top military and strategic experts, including generals, policy advisors, seasoned diplomats, counterinsurgency strategists, science fiction writers, war journalists, and ground-level military officers, to explain the strategy and the art of war by way of the *Star Wars* films. Each chapter of *Strategy Strikes Back* provides a relatable, outside-the-box way to simplify and clarify the complexities of modern military conflict. A chapter on the case for planet building on the forest moon of Endor by *World War Z* author Max Brooks offers a unique way to understand our own sustained engagement in war-ravaged societies such as Afghanistan. Another chapter on the

counterinsurgency waged by Darth Vader against the Rebellion sheds light on the logic behind past military incursions in Iraq. Whether using the destruction of Alderaan as a means to explore the political implications of targeting civilians, examining the pivotal decisions made by Yoda and the Jedi Council to differentiate strategic leadership in theory and in practice, or considering the ruthlessness of Imperial leaders to explain the toxicity of top-down leadership in times of war and battle, *Strategy Strikes Back* gives fans of Star Wars and aspiring military minds alike an inspiring and entertaining means of understanding many facets of modern warfare. It is a book as captivating and enthralling as Star Wars itself.

Lorsque que le Côté obscur de la Force ramène les morts à la vie. Le *Purge*, un vaste vaisseau prison transportant les criminels, voleurs, rebelles, tueurs les plus dangereux de la galaxie, tombe en panne à des années-lumière de tout espace habité. Son seul espoir de reprendre sa route est un destroyer stellaire, dérivant là, abandonné. Une équipe est envoyée pour récupérer les pièces nécessaires à la réparation. Mais seule la moitié du groupe revient, apportant à bord une calamité qui foudroie la quasi-totalité des passagers du *Purge*, de la plus ignominieuse manière... Une demi-douzaine de survivants en réchappent, sans imaginer que le cauchemar ne fait que commencer. Bientôt, les morts se relèvent, pris d'une faim féroce...

"A harrowing, up-all-night read with delicious scares at every turn. Joe Schreiber knows just what terrifies us, and his masterly skills are on full display."—Tess Gerritsen, author of *The Bone Garden* "One part noir, one part horror, one part the uniquely talented Joe Schreiber. Dark, chilling, scary—I couldn't put it down."—Peter Abrahams, author of *Nerve Damage* Escorted from prison under heavy guard, murderous psychopath Frank Snow is scheduled for an emergency brain scan at Tanglewood Memorial Hospital, an institution that is closing its doors after one final night of operation. But Snow has something far more terrifying planned. And once the lights go out, a fiendish game of hide-and-seek begins. Alone in the dark with a homicidal madman who knows their fears, their secrets, and their every move, MRI technician Mike Hughes, his wife and child, and the other unlucky souls trapped in the hospital have no choice but to duel with the devil incarnate. If they play by their stalker's twisted rules, some of them might just survive. But there's more to Frank Snow than the naked eye can see . . . or the sane mind can bear. Praise for *Eat the Dark* "Eat the Dark is a tight novel of terror. Well written, fast paced, with a grip like a claw. I loved it."—Joe R. Lansdale, author of *The Bottoms* "Reminiscent of Stephen King's early work, *Eat the Dark* is a terrifying, claustrophobic, bone-chilling, unputdownable masterpiece of suspense fiction. Human monster Frank Snow is a wonderful creation."—Jason Starr, author of *The Follower* "I didn't just *Eat the Dark*—I gorged on it. It's a master class in fast-moving, scary-as-sh*t storytelling."—Duane Swierczynski, author of *Severance Package*

Ninety-nine Stormtroopers join the Empire, and then their troubles begin. One takes a lunch break in the carbon freezing chamber. Two underestimate a princess. One picks the wrong time to ask for a promotion. And one interrupts Lord Vader's private time, failing him for the last time. As the trooper count ticks down, how will the last one fare as he receives a very special assignment?

A follow-up to *Star Wars: Dark Plagueis* is a Darth Maul prison tale set before the events of *The Phantom Menace* that finds Darth Maul dispatched on a secret mission to infiltrate a criminal prison empire where he must compete in gladiatorial death matches

while carrying out his masters' clandestine commands. By the author of *Star Wars: Death Troopers*.

Ferris Bueller meets La Femme Nikita in this funny, action-packed young adult novel. Its prom night and Perry just wants to stick to his own plan and finally play a much anticipated gig with his band in the Big Apple. But when his mother makes him take Gobi to the prom, he never expects that his ordinary high school guy life will soon turn on its head. Perry finds that Gobi is on a mission, and Perry has no other choice but to go along for a reckless ride through Manhattan's concrete grid with a trained assassin in Dad's red Jag. Infused with capers, car chases, heists, hits, henchmen, and even a bear fight, this story mixes romance, comedy, and tragedy in a true teen coming-of-age adventure and it's not over until it's au revoir. This ebook includes a sample chapter of PERRY'S KILLER PLAYLIST.

As ruthless apprentice to Darth Vader, Starkiller was mercilessly schooled in the ways of the dark side, commanded to exterminate the last of the purged Jedi Order, and groomed for the ultimate Sith power play: assassination of the Emperor. He served without question, killed without remorse, and lost his heart without warning to beautiful Imperial fighter pilot Juno Eclipse, never suspecting that he was just a tool in the schemes of his masters—until it was too late to escape their lethal betrayal. Juno mourned Starkiller as dead—but now he is back, purged of all memories and programmed to kill. And as fate brings Juno and Starkiller closer to reuniting, with Darth Vader determined not to lose his assassin a second time they will both have to make a stand. The prize is freedom. The punishment for failing will be eternal enslavement to the dark side of the Force. A brand-new novel tying in to the huge *Star Wars* video game, and written by Sean Williams who also penned the number 1 *New York Times* bestselling first installment, this is a thrilling sequel.

Death Troopers Lucas Books

From the mind of Joe Schreiber, *New York Times* bestselling author of *Star Wars: Death Troopers*, comes the delirious follow-up to last year's *Darth Plagueis*. In a tale of retribution and survival set before the events of *The Phantom Menace*, Darth Plagueis and Darth Sidious dispatch Sith apprentice Darth Maul on a secret mission to infiltrate a criminal empire operating from inside Cog Hive Seven—a hidden prison teeming with the galaxy's most savage criminals. There, he must contend against the scummiest and most villainous in gladiatorial death matches while carrying out his masters' clandestine commands. Failure is not an option; success will ignite the revenge of the Sith against the Jedi Order.

A companion to the large-scale video game follow-up to *Star Wars: The Force Unleashed* being released in November 2010 is a novelization of key plots and themes based on game-play stories. 125,000 first printing. NEW YORK TIMES BESTSELLER • Go beyond the film with a novelization featuring new scenes and expanded material. As the shadows of the Empire loom ever larger across the galaxy, so do deeply troubling rumors. The Rebellion has learned of a sinister Imperial plot to bring entire worlds to their knees. Deep in Empire-dominated space, a machine of unimaginable destructive power is nearing completion. A weapon too terrifying to contemplate . . . and a threat that may be too great to overcome. If the worlds at the Empire's mercy stand any chance, it lies with an unlikely band of allies: Jyn Erso, a resourceful young woman seeking vengeance; Cassian Andor, a war-weary rebel commander; Bodhi Rook, a defector from the Empire's military; Chirrut Îmwe, a blind holy man and his crack-shot companion, Baze Malbus; and K-2SO, a deadly Imperial droid turned against its former masters. In their hands rests the new hope that could turn the tide toward a crucial Rebellion victory—if only they can capture the plans to the Empire's new weapon. But even as they race toward their dangerous goal, the specter of their ultimate enemy—a monstrous world unto itself—darkens the skies. Waiting to herald the Empire's brutal reign with a burst of annihilation worthy of its dreaded name: Death Star. Praise for Rogue One: A Star Wars Story “One of the best movie adaptations yet.”—Cinelinx “Rogue One bridged characters and elements of the prequels and original Star Wars trilogy in a visually stunning ride, but there are even more rich details hiding in the film's novelization, [which] reveals and expands with inner monologues and character insights, political knots, and nuance.”—The Daily Dot “Rogue One: A Star Wars Story novelization deepens a tale of hope. . . . [Jyn Erso] proves to be even more fascinating here than she was in the movie.”—New York Daily News

Obi-Wan Kenobi and Anakin Skywalker embark on a mission to uncover the whereabouts of the evil Sith Lord, Darth Sidious, only to become trapped in a labyrinthine web of lies, betrayal, and intrigue.

In a zombie horror tale set in the Star Wars universe, the Sith academy apprentices react fearfully to new outbreaks of unexplained violence, the Dark Lord's withdrawal, and a Jedi Master's efforts to rescue a hostage.

Journey to Star Wars: The Force Awakens with this exclusive ebook short story set shortly before the events of the film, featuring a quick-witted mercenary who takes big risks for bigger rewards—and now faces the challenge that will take her to the edge. There are plenty of mercenaries, spies, and guns for hire in the

galaxy. But probably none as dangerous and determined as Bazine Netal. A master of disguise—and lethal with a blade, a blaster, or bare handed—she learned from the best. Now it's her turn to be the teacher—even if schooling an eager but inexperienced recruit in the tricks of her trade is the last thing she wants to do. But it's the only way to score the ship she needs to pull off her latest job. An anonymous client has hired Bazine to track down an ex-stormtrooper and recover the mysterious package he's safeguarding. Payment for the mission promises to be astronomical, but the obstacles facing Bazine will prove to be formidable. And though her eager new sidekick has cyber skills crucial to the mission, only Bazine's razor-sharp talents will mean the difference between success or failure—and life or death.

A novel based on the release of the Star Wars video game follows Darth Vader as he embarks on a quest to rid the galaxy of the Jedi and confronts life-altering decisions that could change everything.

A horror tale set in the Star Wars universe follows the harrowing experiences of the crew of an Imperial prison barge that scavenges an abandoned Star Destroyer when their own ship breaks down, a mission after which surviving team members bring back a lethal infection. Reprint. A best-selling book.

"You have a very lovely little girl," breathed the voice on the phone. And just like that, Susan Young is drawn into a living nightmare. A stranger has kidnapped Sue's daughter, Veda. But he doesn't want her money, only her suffering—and he will kill Veda if Sue doesn't follow his every command. With detailed instructions, the faceless abductor leads Sue into a blinding snowstorm on the longest night of the year, to a place she has not traveled to since childhood. The voice on the other end of the line somehow knows Sue's deepest, most chilling secret—an ominous incident from her past, buried long ago... Across the loneliest back roads of Massachusetts, in the black expanse of a New England winter, Sue is forced to confront her most awful fears as she is met at each step by ever increasing horrors created by a monster who is surely something less than human. In the hope of saving her daughter from a kidnapper whose origin seems darker than anything she could ever have imagined, Sue will discover just how much trauma and fright the human body is capable of absorbing. Set over the course of a single night, *Chasing the Dead* is a fast-paced, ferociously tense supernatural thriller. With the skill of masters like Dean Koontz and David Morrell, Joe Schreiber has created a tableau of shock and horror, death and destruction, that will draw you in and never let you go.

“The Sith always betray one another. . . . I’m sure you’ll learn that soon enough.” The overthrow of the Republic is complete. The Separatist forces have been smashed, the Jedi Council nearly decimated, and the rest of the Order all but destroyed. Now absolute power rests in the iron fist of Darth Sidious—the cunning Sith lord better known as the former Senator, now Emperor, Palpatine. But more remains to be done. Pockets of resistance in the galaxy must still be defeated and missing Jedi accounted for . . . and dealt with. These crucial tasks fall to the Emperor’s ruthless enforcer, Darth Vader. In turn, the Dark Lord has groomed a lethal apprentice entrusted with a top-secret mission: to comb the galaxy and dispatch the last of his masters’ enemies, thereby punctuating the dark side’s victory with the Jedi’s doom. Since childhood, Vader’s nameless agent has known only the cold, mercenary creed of the Sith. His past is a void; his present, the carrying out of his deadly orders. But his future beckons like a

glistening black jewel with the ultimate promise: to stand beside the only father he has ever known, with the galaxy at their feet. It is a destiny he can realize only by rising to the greatest challenge of his discipleship: destroying Emperor Palpatine. The apprentice's journeys will take him across the far reaches of the galaxy, from the Wookiee homeworld of Kashyyyk to the junkyard planet of Raxus Prime. On these missions, the young Sith acolyte will forge an unlikely alliance with a ruined Jedi Master seeking redemption and wrestle with forbidden feelings for his beautiful comrade, Juno Eclipse. And he will be tested as never before—by shattering revelations that strike at the very heart of all he believes and stir within him long-forgotten hopes of reclaiming his name . . . and changing his destiny. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

Follows the harrowing experiences of the crew of an Imperial prison barge that scavenges an abandoned Star Destroyer when their own ship breaks down, a mission that kills half of the team while the other half brings back a lethal infection.

Space is a hell of a thing but you need to be sure that this is what you want. Like, what you really want. The idea of space exploration to further the frontiers of mankind is noble, but let's not kid ourselves – it's really all about furthering the profit margins. There's money to be made and out there is the place to make it, but you hear all kinds of stories... equipment malfunctions, strange discoveries, crewmembers going insane... You'll be out there in the reaches, alone, for months or years, breathing recycled air and drinking recycled water, with nothing but a few feet of metal and shielding between you and certain death. Are you sure this is what you want? – Crew Orientation Briefing *** Those Dark Places is a rules-light, story-focused roleplaying game about the darker side of space exploration and the people who travel the stars in claustrophobic, dangerous conditions. Starships, stations, and outposts aren't havens of safety with clean, brightly lit corridors – they're potential deathtraps, funded by budget-conscious corporate interests and running on stale, recycled air and water. The stars may be the future of humanity, but they are also home to horrors and terror the human mind cannot comprehend.

At last—an analysis of the historical patterns that influenced the creation and storyline of the Star Wars saga Star Wars took place long ago in a galaxy far, far away, but its epic stories are based on our own history. From Ancient Egypt and the Roman Empire to the French Revolution and the Vietnam War, Star Wars and History explores the major historical turning points, heroes, and villains in human history and their impact on the creation of the Star Wars saga. Star Wars and History shows how the atomic and hydrogen bombs led to the Death Star; how Princess Leia's leadership in the Rebel Alliance resembled the daring work of intrepid women in the French Resistance during World War II and the Mexican Revolution; historical parallels between the Jedi Code and Bushido as well as

those linking the Jedi culture with that of the Templar Knights and other warrior monks; and all of the history that underlies the Star Wars galaxy. Read how our own civilization's civil wars, slavery, international corporation states, and teenage queens were transformed into the epic Star Wars history and discover how Tatooine reflects the lawless frontiers of the past and Coruscant our own history of glittering and greedy capitals. The first book devoted to analyzing the actual historical events in our past that influenced the creation of the space fantasy, *Star Wars Features* 11 essays by a wise "council" of history scholars, written in close collaboration with George Lucas and Lucasfilm Gives new insights into central Star Wars characters and historical figures who helped inspire them (including Luke Skywalker, Princess Leia, Han Solo, Darth Vader, Obi-Wan Kenobi, Queen Amidala, Yoda, Jabba the Hutt, Lando Calrissian, Emperor Palpatine, and others) Includes both stunning photos from the Lucasfilm Image Archives and historical photos that demonstrate the parallels between both worlds Filled with fascinating historical comparisons and background that will take your experience of the Star Wars saga to a new level, *Star Wars and History* is an essential companion for every Star Wars fan.

Padmé and Anakin have grand plans to have a romantic night together after a long separation. But before they get a chance to get together, Anakin is Jedi-napped by a group of outlaws!
