

Deeper

Deeper City is the first major application of new thinking on 'deeper complexity', applied to grand challenges such as runaway urbanization, climate change and rising inequality. The author provides a new framework for the collective intelligence – the capacity for learning and synergy – in many-layered cities, technologies, economies, ecologies and political systems. The key is in synergistic mapping and design, which can move beyond smart 'winner-takes-all' competition, towards wiser human systems of cooperation where 'winners-are-all'. Forty distinct pathways 'from smart to wise' are mapped in Deeper City and presented for strategic action, ranging from local neighbourhoods to global finance. As an atlas of the future, and resource library of pathway mappings, this book expands on the author's previous work, City-Region 2020. From a decade of development and testing, Deeper City combines visual thinking with a narrative style and practical guidance. This book will be indispensable for those seeking a sustainable future – students, politicians, planners, systems designers, activists, engineers and researchers. A new postscript looks at how these methods can work with respect to the 2020 pandemic, and asks, 'How can we turn crisis towards transformation?'

Build assessments you can really use | Unlock the how, when, what, and why Watch your system become greater than its parts by building local capacity through common language and deeper knowledge of assessment components. For years, educators have turned to the Hess Cognitive Rigor Matrices (CRM). Now for the first time, the modules are packaged into one resource to help you evaluate the quality and premise of your current assessment system. Designed as a professional development guide for long-term use by school leaders, five content-rich, topic-based modules: Offer field-tested, teacher-friendly strategies for local school test development Can be used for individual or professional development opportunities Allow for sequential or non-sequential use

The roadmap for your school's CBE journey! Employ the WHAT (deeper academic and personalized learning), the WHY (equity), and the HOW (learner-centered approaches) of Competency-Based Education, maximizing the time, place, and pace of student learning. Make the shift to CBE using best practices from the authors' CBE implementation experiences across states, districts, and schools. Build the foundation with organizational shifts - policy, leadership, culture, and professional learning Shift teaching-learning structures—rigorous learning, performance assessment, and evidence-based grading and reporting Dive into student-centered classrooms—personalized instruction and shifting mindsets for teacher-student roles, responsibilities, and classroom culture

The Satisfaction You Seek Dwells in the Depths of God's Word Do you come to God's Word with questions and doubts that arise from life's disappointments and hurts? Denise J. Hughes, author of the Word Writers Bible study series, has been there, yet she's found a peace that runs deeper than her circumstances. In Deeper Waters, she invites you to... learn to hear God's voice through the pages of His Word discover a joy you never thought possible when reading the Bible make connections in Scripture that transform your way of thinking and living You don't have to be in seminary to be a serious student of the Bible. God's Word is for everyone. Dive in and experience the joy that awaits in deeper waters.

Is there really "a secret" that will unlock our happiness? If we wish for something very hard and express enough gratitude, will it actually become ours? Millions of people think so. But there is an even deeper truth than the "law of attraction" covered in the best-selling *The Secret*: there are TWELVE laws of creation. This passionately persuasive book explains exactly what these twelve laws are, how we can harness them, and how we can use our own powerful system of creation to create miracles of joy and fulfillment every day. Annemarie Postma proves to be a true healer of our inner anguish who can provide us with the tools and skills to awaken our precious life force.

A Deeper Shade of Blue charts the tumultuous years of Chelsea Football Club between 1972 and 1977 when the glittering cup-winning side of the early 70s was broken up, and stars such as Peter Osgood and Alan Hudson departed, along with manager Dave Sexton. It was an era that saw Chelsea relegated to the Second Division while massive debts pushed them to the brink of extinction. But the Blues bounced back with the birth of Eddie McCreadie's brash, young and exciting side, led by the precociously talented Ray 'Butch' Wilkins. McCreadie guided the club back to the First Division only to leave acrimoniously in bizarre circumstances - a golden opportunity spurned by the club's owners. A Deeper Shade of Blue is the eagerly awaited sequel to Neil Fitzsimon's *Rhapsody in Blue*. It reveals how the author made the difficult transition from adolescence to adulthood as a Chelsea supporter during those turbulent times. We discover how the innocence of youth was replaced by the harsh experience of growing up in 1970s England.

Microfossils are an abundant component of the sedimentary rock record. Their analysis can reveal not only the environments in which the rocks were deposited, but also their age. When combined, the spatial and temporal distribution patterns of microfossils offer enormous utility for archaeological and forensic investigations. Their presence can act as a geological 'fingerprint' and the tiniest fragment of material, such as a broken Iron Age potsherd, can contain a microfossil signature that reveals the geographical source of the materials under investigation. This book explores how microfossils are employed as tools to interpret human society and habitation throughout history. Examples include microfossil evidence associated with Palaeolithic human occupation at Boxgrove in Sussex, alongside investigations into human-induced landscape change during the Holocene. Further examples include the use of microfossils to provenance the source materials of Iron Age ceramics, Roman mosaics and Minoan pottery, in addition to their application to help solve modern murder cases, highlighting the diverse applications of microfossils to improving our understanding of human history.

Practical strategies to take your students' understanding from "So what?" to "Wow!" Based on current brain research and information about differentiated learning, this book for Grades 4–12 outlines the Deeper Learning Cycle (DELIC), a teaching model that applies learning and content processing techniques to everyday instruction. This resource features: Chapters explaining the cycle's seven stages, including standards and curriculum, building a positive learning culture, acquiring new knowledge, processing learning, and evaluating student learning A lesson plan template to apply to daily instruction

Strategies to help students process content in meaningful ways Reflection questions to help teachers apply the material to their own practice

First published in 1996. Routledge is an imprint of Taylor & Francis, an informa company.

The Tides of Truth novels follow one lawyer's passionate pursuit of truth in matters of life and the law. In the murky waters of Savannah's shoreline, a young law student is under fire as she tries her first case at a prominent and established law firm. A complex mix of betrayal and deception quickly weaves its way through the case and her life, as she uncovers dark and confusing secrets about the man she's defending--and the senior partners of the firm. How deep will the conspiracy run? Will she have to abandon her true self to fulfill a higher calling? And how far will she have to go to discover the truth behind a tragic cold case?

When it comes to reading and understanding the Bible, a dangerous phrase is used by non-Christians and even some believers: "Well, that's your interpretation." It is true that without some care in your interpretation, you can "make" the Bible say almost anything. Dig Deeper is written out of the conviction that there is a right way to understand the Bible and a wrong way, and the authors show us how to read it correctly. Dig Deeper offers sixteen "tools" readers can use to get to the bottom of any Bible passage and discover its intended meaning. Examples show how

each tool helps readers discover something exciting and relevant in a passage, and the "Dig deeper" exercises offer the opportunity to practice using the tools. The book's brevity and easy-to-read format make it ideal for Christians who want to get the most out of their Bible.

Will wedding bells rock out for Louder Than Love's most beloved couple in this Love and Steel novella? Falling in love with rock star Adrian "Digger" Graves was a dream come true for former librarian Kat Lewis. But with a little help from friends and family—including Kat's adorable daughter, Abbey—Adrian has planned an evening and a proposal beyond her wildest dreams. The night before, Kat witnessed the triumphant reunion of Adrian's rock band at Madison Square Garden. Tonight, he will escort her to the elegant, ultra-exclusive Library Lion's benefit. It seems like a fairytale, but even fairytales have a deeper, darker side. When old habits return to tempt her knight in shining heavy metal armor, will Kat's happily ever after come crashing back to reality? Don't miss the next Love and Steel novel, Softer Than Steel, coming in September 2015 from InterMix. Praise for Louder Than Love "An emotional ride with a to-die-for hero and with a sparkling ending. Topper is an author to watch!"—Laura Drake, author of The Reasons to Stay "A beautiful and engaging story that will melt your heart."—Open Book Society Author and pastor Pearl Moses prays that you experience ever-increasing depths of intimacy in your pursuit of the King. She hopes that your entire life may be caught up in the pursuit of His presence and your heart enraptured by His gaze. Deeper Still: Intimate Conversations with God presents a communion-with-God journal that picks up conversations with God in a similar vein to her first journal, A Heart Full of Prayers. Through musings and prayers, Moses seeks to amplify Abba Father's call to intimacy with Himself. In processing her own heart's responses to that call, she invites you not to shy away from transparency with God but instead to pour out your joy, passions, pain, and struggles before Him as a vital part of a deeper, closer walk with our beloved Lord and King. Here she shares prayers of thanksgiving, prayer wrestlings to hearten and help anyone struggling emotionally, prayers written during a period of hospitalisation and recuperation during several months of national lockdown due to the COVID-19 pandemic, and prayers inspired by a range of life circumstances, readings, and musings. Offered as a companion resource to A Heart Full of Prayers, this collection presents prayers for all who hunger and thirst for a deeper, closer walk with God.

TunnelsChicken House

A book for persons itching to change the world without knowing how it can be done.

Fourteen-year-old Will doesn't think he has much in common with his family. Nothing, that is, except a strange passion for digging which he shares with his father. But one day, Will's dad mysteriously vanishes down a tunnel - part of London's vast, labyrinthine underground system. With his friend Chester, Will decides to investigate. But soon the boys find themselves deep in darkness, unearthing a terrifying secret which may cost them their lives... This riveting bestseller oozes the mysterious fascination of the underground and all its hideous possibilities. Creepy, tantalising and original, it's full of thrills to keep you burrowing in!

Golden Cove today appears to be a charming New England seacoast town. But there are dark stories from decades past—when the town had a different name. Captain Joe Bierden's heard them all—tall tales to entertain the tourists, he thinks. He doesn't hesitate to hire his boat out to a research team eager to begin a month-long diving expedition. So no one is more surprised than Captain Joe with the—thing—that the team finds in an offshore underwater cave. Their first mistake is in bringing it ashore. Their second is believing it can't survive on land. Their third is thinking that it's the only one of its kind...

The Other Deeper You continues in the revolutionary Quixotic spirit of Dr. Alvin Mahrer's previous works on experiential psychotherapy. For the visionary, the scholar, the academic, the serious reader, picture a whole new inner deeper world containing a whole new you, an other deeper you. This concept itself is revolutionary, but the book goes further by providing a step-by-step guide for coming face-to-face with the other deeper you.

A rollicking, thought-provoking dictionary for the modern age, featuring definitions for those things we don't have words for, from the New York Times bestselling author behind The Hitchhiker's Guide to the Galaxy, Douglas Adams, and TV producer John Lloyd. Does the sensation of Tingrith(1) make you yelp? Do you bend sympathetically when you see someone Ahenny(2)? Can you deal with a Naugatuck(3) without causing a Toronto(4)? Will you suffer from Kettering(5) this summer? Probably. You are almost certainly familiar with all these experiences but just didn't know that there are words for them. Well, in fact, there aren't—or rather there weren't, until Douglas Adams and John Lloyd decided to plug these egregious linguistic lacunae(6). They quickly realized that just as there are an awful lot of experiences that no one has a name for, so there are an awful lot of names for places you will never need to go to. What a waste. As responsible citizens of a small and crowded world, we must all learn the virtues of recycling(7) and put old, worn-out but still serviceable names to exciting, vibrant, new uses. This is the book that does that for you: The Deeper Meaning of Liff—a whole new solution to the problem of Great Waking(8) 1—The feeling of aluminum foil against your fillings. 2—The way people stand when examining other people's bookshelves. 3—A plastic packet containing shampoo, mustard, etc., which is impossible to open except by biting off the corners. 4—Generic term for anything that comes out in a gush, despite all your efforts to let it out carefully, e.g., flour into a white sauce, ketchup onto fish, a dog into the yard, and another naughty meaning that we can't put on the cover. 5—The marks left on your bottom and thighs after you've been sitting sunbathing in a wicker chair. 6—God knows what this means 7—For instance, some of this book was first published in Britain twenty-six years ago. 8—Look it up yourself.

Spiritual teacher and bridge-builder Brother David Steindl-Rast translates the Apostles' Creed for today, uncovering the deeper universal truths that can be an inspiration to all people. In Deeper than Words: Living the Apostles' Creed, Brother David reexamines the words with which the early followers of Jesus summarized their faith. Reading line-by-line with an open perspective, he reveals the often overlooked message of trust, compassion, peace, love, and awareness contained in this widely known but rarely examined statement. Deeper than Words moves beyond ritual and exclusivity and instead finds a deeper faith based in real human experience and the sense of limitless belonging that is shared by all people who seek to understand themselves and the world. The words of the Apostles' Creed are Christian, but its heart is a universal and timeless guide to fullness of life. From this transformation perspective, developed over a lifetime of contemplation, Brother David presents a powerful call to renewal through reconnection with the spiritual and a reawakening to shared sacred truths.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY LIBRARY JOURNAL In Robin York's sizzling debut, a college student is attacked online and must restore her name—and stay clear of a guy who's wrong for her, but feels so right. When Caroline Piasecki's ex-boyfriend posts their sex pictures on the Internet, it destroys her reputation as a nice college girl. Suddenly her once-promising future doesn't look so bright. Caroline tries to make the pictures disappear, hoping time will bury her shame. Then a guy she barely knows rises to her defense and punches her ex to the ground. West Leavitt is the last person Caroline needs in her life. Everyone knows he's shady. Still, Caroline is drawn to his confidence and swagger—even after promising her dad she'll keep her distance. On late, sleepless nights, Caroline starts wandering into the bakery where West works. They hang out, they talk, they listen. Though Caroline and West tell each other they're "just friends," their feelings intensify until it becomes

impossible to pretend. The more complicated her relationship with West gets, the harder Caroline has to struggle to discover what she wants for herself—and the easier it becomes to find the courage she needs to fight back against the people who would judge her. When all seems lost, sometimes the only place to go is deeper. Praise for Deeper “York’s beautiful prose and vivid descriptions enhance the realism and impact of Caroline and West’s story. Deeper and Harder are sensual and profoundly moving. The books are told in first-person from both Caroline’s and West’s POVs, and I sat on the emotional roller coaster right beside them as West learns to hold tight to Caroline and embrace life to the fullest. . . . They are books I will cherish.”—Lea Franczak, USA Today “Deeper perfectly captured me. Robin York masterfully tells this story with the perfect balance in tone and realistic characters that I’m still thinking about days later. One of the best written New Adult novels, hands down!”—Cora Carmack, New York Times bestselling author of *Losing It* “Bursting with chemistry, emotion, and heart, Caroline and West’s story will take your breath away!”—Katy Evans, New York Times bestselling author of the REAL series “The perfect New Adult story. West will make you swoon!”—New York Times bestselling author Monica Murphy “Beautifully written and full of swoony tender moments, toe-curling chemistry, and delicious, twisty angst . . . Stop whatever you’re doing and read this book.”—Christina Lauren, author of the Beautiful Bastard series

Stolen away from her life of wealth and privilege by the evil vampire Dragos, and subjected to many years of captivity and torment, Corrine Bishop, rescued by the Order, finds safety in the arms of Hunter, a formidable warrior who is now hell-bent on making Dragos pay for his sins. Original.

Introducing feisty Detective Constable Iona Khan – the first in a thrilling new crime series. In sun-soaked Mauritius, a retired Law Lord is brutally murdered, while in rain-sodden Manchester, the Labour Party conference is beginning. Promoted to Greater Manchester Police’s Counter Terrorism Unit, Detective Constable Iona Khan’s first case appears to be a trivial use of false identity regarding a Sri Lankan student asking suspicious questions about Manchester’s tunnel system. But when she learns the identity of the conference’s guest speaker, Iona realizes it may not be so trivial after all, and she must enter the dark world beneath the city to prevent a possible catastrophe.

As a medical examiner, Samantha Owens knows her job is to make a certain sense of death with crisp methodology and precision instruments. But the day the Tennessee floods took her husband and children, the light vanished from Sam's life. She has been pulled into a suffocating grief no amount of workaholic ardor can penetrate—until she receives a peculiar call from Washington, D.C. On the other end of the line is an old boyfriend's mother, asking Sam to do a second autopsy on her son. Eddie Donovan is officially the victim of a vicious carjacking, but under Sam's sharp eye the forensics tell a darker story. The ex-Ranger was murdered, though not for his car. Forced to confront the burning memories and feelings about yet another loved one killed brutally, Sam loses herself in the mystery contained within Donovan's old notes. It leads her to the untouchable Xander, a soldier off-grid since his return from Afghanistan, and then to a series of brutal crimes stretching from that harsh mountainous war zone to this nation's capital. The tale told between the lines makes it clear that nobody's hands are clean, and that making sense of murder sometimes means putting yourself in the crosshairs of death.

GOD WANTS TO BE IN YOUR EVERY SEASON The rituals and traditions that complement our faith can be overwhelming. Or they may seem archaic to others that their response is to become indifferent to these practices and celebrations. That’s why this book is a breath of fresh air to those who want to enliven their faith. Through this soul-kindling collection of homilies, Fr. Bob McConaghy invites us to take God’s hand and experience His love and presence in every season of the liturgical year. Father Bob gives light to theological truths by presenting them in easy-to-digest stories and insights. He gives practical ways to live out your faith during Lent, Easter, Advent, Christmas, and the Ordinary Time. Let your spirit soak in love and grace at every season of the year as you deepen your relationship with the Lord.

The most overworked Christian vocabulary across a broad spectrum of Christian charismatic cycles is the word “anointing”. Dozens of books have been written and countless messages preached on the subject of the ‘anointing’ yet for all the attention the subject is given, it is one of the least understood gifts God has freely bequeathed upon every believer in Christ. Although the anointing is the current church’s diet and a delicate recipe for living a naturally supernatural life, the masses are starving for the anointing of the Holy Spirit. Since it is divinely ordained by God that nothing should be accomplished in the Kingdom without the ingredient of the anointing, the empty husks of humanism, intellectualism and religion have failed to launch the world into greater depths of the miraculous. In this book, Apostle Frequency Revelator presents a fresh and provocative revelation of the anointing of the Holy Spirit that will usher you into an arena of divine exploits. With considerable depth, insight, revelation and wisdom, the author has provided an incredible tool for the Body of Christ to tap into greater depths of the anointing to impact the world for Christ.. Presiding over a global network of apostolic and prophetic visions, in the capacity of the Director of the World renowned Global School of Signs and Wonders (GSSW), the President of Christ Resurrection Movement (CRM), the Director of Global School of Resurrection (GSR), Senior Pastor of Resurrection Embassy (RE) and the founder of Resurrection TV (The Dead-Raising Channel, Apostle Frequency Revelator hands us the lost keys to the Throne Room of Heaven and shows us the way back to the Heavenly realm as he calls the church back to her original mandate of demonstrating the supernatural power of God. Therefore, if you are a fire-starter and God-chaser who is willing to pioneer a revolution of signs and wonders in this world, continue to plunge into the depths of revelations encapsulated in this publication.

Into Deeper Grace Into Deeper Grace is a collection of inspirational stories and poems that highlight the need for each of us to launch out from the shore of salvation into the deeper things of our walk with the Savior. This devotional volume is intended to provide you with spiritual insights as you enjoy the journey. **The Wounded Sparrow** At that moment a little hand squeezed her father's hand for the last time as she signaled to him, "I'm ok." Within one minute of that squeeze a little wounded sparrow flew like an eagle, higher than ever before, all the way to Jesus. She now knows from personal experience that He truly did have His eye on her all the time. Roger Allen Cook is an educator, minister, and author of a book of devotional poetry entitled "Sailing by Grace." He has been the administrator of Baptist Park School for thirty-six years. He is happily married and has four children and eight grandchildren. His writing has been published widely across the internet and in several collections of writers.

The Deeper Quest introduces us to philosophical concepts that were instrumental in developing our Western cultural background and deciding who we are as a people. Without knowing them we experience a personal and cultural deficit that is detrimental to present needs and those of the future. We feel lost, angry, incomplete. Regaining these concepts places us back on the path of our own evolution by giving us purpose and meaning. It also allows us to heal many of our social ills from the base up. Social problems

are merely symptoms that point to our loss. As we correct who we are, they will naturally subside.

It is often something deep in our life that leads us to pen and page and the age-old practice of collecting our thoughts on paper. This for many is the first adventure with journaling. Sinking our toes deep into the benefits of collecting our thoughts can easily become journaling. Harvesting the wealth of knowledge generated from the collecting of our thoughts and putting this knowledge into action in our lives is the act of going deeper. It is when we grace pen to page on a regular basis that we are actually journaling and going deeper still. Journaling is a practice that allows us the ability to go beyond collecting our thoughts, to harvesting knowledge and understanding our internal process and motivations. Journaling also helps generate useful insights about those with whom we share our life journey. When our thoughts are collected our lives are calmer, we have more clarity about life choices and achieve life success both small and large with greater ease. Our roots, so to speak, are planted deep in ground beneath our feet. When we have access to the wealth of our own knowledge and put that wealth to use, our lives tend to be more fluid our roots have worked their way deeper into solid ground. When our roots are sunk into terra firma we are deeper still or deeply still, understanding our thoughts and feelings, our actions and choices, and how we create our lives.

In *Deeper Praise*, Dr. Cheryl Wilson-Bridges outlines a theology of worship, using principles drawn directly from the Bible.

The Montclair State University case is one of seven that form the basis for the arguments and analyses presented in *Preparing Teachers for Deeper Learning*. Each case outlines the context, vision, and practices guiding a particular program's enactment, and includes sample curricula, assessment and feedback forms, and the program details that have contributed to its success. The cases are valuable reading for educators involved in developing teacher candidates who are self-directed, collaborative, social justice-focused, and prepared to meet the needs of today's students and a changing society.

Encountering God Leads to Spiritual Intimacy and Transformation. Some believe that learning about God is like looking for something inside the refrigerator—the air is cool and you can never find what you're looking for. Or perhaps the word boring best describes your experience of studying theology? Bible studies about knowing God are often mechanical and systematic. In *Go Deeper*, Ken Jung provides an alternative way—story theology for experiencing God. *Go Deeper* invites you to explore your relationship with God by placing yourself into the biblical narratives. By doing so, readers will encounter the God who passionately pursues us with His sovereignty, holiness, presence, grace, and love. The result: we are transformed in the process.

The gripping sequel to *Tunnels*. Will is going deeper under the earth. Deeper into horror, heat and darkness. Every step takes him deeper into mystery. Deeper into terrible danger... As Will, Cal and Chester venture ever further into the Deeps, they enter a place where those banished from the Colony stand almost no chance of survival. Battling heat and deadly prehistoric creatures, they tunnel through caves and deserts - but are they any closer to finding Will's father? And now that the Styx are on their tail, what chance do they have of completing their foolhardy mission?

Christina Sell knows the difference between a surface buzz in the yoga business (for a better, more beautiful "ME"), and its roots as an ancient practice of ethical life and spiritual transformation. With over twenty-five years "on the mat," her voice of courage and sanity has never stopped urging yoga students and teachers alike to take a deeper dive: to confront media hype about body-image and the promise of any quick-fix in favor of a lifelong commitment to wholeness and freedom. This book is both an epitome of that call, and a practical guide to ongoing self-discovery. As the author of two previous books: *Yoga From the Inside Out* (2003) and *My Body Is a Temple* (2013), Christina Sell holds an international reputation as a gifted and compassionate teacher and trainer of yoga. As a former gymnast who dealt with eating disorders and addictions in her early years, Christina knows how to redirect thoughts and habits of negative body image toward spiritual practice and inner-awakening. *A Deeper Yoga* is for any practitioner or teacher who wants tools and support in finding a loving, expanded relationship with his or her body, mind, emotions and spirit. Her book is for anyone on the path of yoga. Newer yoga students will benefit from the compassionate explanations of the inner journey and find direction in building a stronger foundation of practice. Experienced yoga practitioners will find a refreshing and honest exploration of both the hype and the heart of the work. Teachers of all traditions will benefit from the ongoing reminder that yoga is not only for the body, but for transformation of consciousness and spiritual unfolding. This is a book for the long haul! *A Deeper Yoga* is uniquely aimed at practitioners who initially found help from yoga, but who are now experiencing impatience, discouragement or even disillusionment. It leads the reader to yoga's more esoteric teachings, using language without jargon or unnecessary details. The tone is compassionate, yet strong and authoritative?inviting us to empower our own deeper knowing, yet without watering down the traditional teachings. Topics of body image, self-hatred, eating disorders, addiction and emotional imbalance are considered throughout. Christina skillfully dismantles the illusions and early conditionings that lead to unrealistic norms of perfection and empower a media-driven standard of beauty. *A Deeper Yoga* offers an alternative view of genuine beauty.

In the almost unimaginably horrendous atmosphere and circumstances within the Nazi prison camps of Germany during WWII, Betsie ten Boom was known to comfort her sister, Corrie with the brief statement, "there is no pit so deep that He is not deeper still." The cover of this book attempts to depict Jesus within that deep, dark place, shining forth with the glorious light of His presence and welcoming us unto Himself. Similarly, the chapters of this book are crafted to help us visualize the presence of Jesus, and to experience more clearly His comfort, encouragement and strength within the deep and dark places of our own lives. He not only meets us there; He is the pathway to bring us out of these dim places, and into the light of His fellowship with healing and renewed hope. Through a trail of vivid personal experiences, and the truth of the scriptures, I invite you to come along and find Him in that place where we all need Him most.

Your spirit cries out to know God in a way you've never experienced before. You're yearning for intimacy and passion in your spiritual walk. And you're tired of surface-level devotionals that leave you in the same place you started. *Deeper Walk Volume 3* is for you. The latest collection of contemplative writings from the editors and writers of *Relevant* magazine, *Deeper Walk*

provides you with the direction and vision you need to encounter God in these restless days. Grouped into two main sections, God of Hope and God of Change, each devotional offers hope, piercing truth and deep spiritual insights into the real issues you deal with on a daily basis, such as doubt, sin, justice, life after death, acceptance, love and the busyness of life. Book jacket. Ever feel lost, trapped, confused or like life has left you completely drained? Everyday we deal with crisis and challenges that leave us feeling overwhelmed. If we learn how to get back to focusing on a lifestyle of worship of our great God in the good and the bad we can find that passionate, full life we have been so desperate for. In a culture where worship is in danger of becoming a cliché, Deeper calls us to genuine worship that doesn't depend on our circumstances. Barry Blair - Producer, Grammy Nominee, Dove Award winner (Audio Adrenaline, Bleach, Addison Road), Nashville, TN From the intriguing title to the honest personal stories, this book drew me in and pulled me on to keep reading. Most of all, Deeper draws me deeper as a worshiper and a follower of Jesus. This book is transparent, humorous and real. I highly recommend it. Dr. Ken Read, Professor of Music, Cincinnati Christian University, Cincinnati, OH Whether your life is sailing through crystal calm waters or is being thrown about by stormy waves, Kevin shares personally and Biblically that the only way to truly find peace is by Sinking Deeper. Garrick Whited, Producer - KLove Radio Network, Sacramento, CA Andy Frank, Worship Pastor Christ Church of the Valley, Peoria, AZ Andy Hanson, Executive Director of Christ In Youth (C.I.Y.) Joplin, MO"

Pat Kirwan's best-selling Take Your Eye Off the Ball was a football fan's undergraduate education. The Go Deeper series of books from Pat and Real Football Network is a master's class in understanding the finer points of playing particular positions. We launch the series, of course, with the most important position in sports: quarterback. Go Deeper: Quarterback includes chapters on: • Understanding the utility of mobility (dispelling the myth of the dual-threat quarterback) • The most important tools and traits required to play the position • A look at the mechanics of throwing the football • How to read a defense pre- and post-snap and call plays designed to beat a particular coverage • How offenses evolve to maximize a quarterback's matchups • Situational execution (two-minute drills, red zone) • How teams need to address all quarterbacks on the roster and the strategy behind finding the appropriate backup The book also includes exclusive play diagrams that will help fans understand their favorite game like never before!

We often believe things about ourselves that do not line up with God's truth. We think our worth is based on performance or possessions, that we have to be perfect to be loved, or that we're too ordinary to be used by God. Deeper tears down these lies and teaches women to replace them with four truths from Psalm 139--God knows me, he protects me, he made me, he values me. Using compelling narrative and Scripture, Deeper helps women transform their lives by trusting in the reality of God's love. Instead of striving for perfection and worth, readers can rest in the truth that they are his.
