Lou Gramm rose from humble, working-class roots in Rochester, New York, to become one of rock's most popular and distinctive voices in the 1970s and '80s, singing and cowriting more than a dozen hits with the band Foreigner. Songs such as "Cold As Ice," "I Want to Know What Love Is," "Waiting for a Girl Like You," "Double Vision," "Urgent," and "Midnight Blue" are among 20 Gramm songs that achieved Top 40 status on the Billboard charts and became rock classics still played often, nearly three decades after they first hit the airwaves and the record store shelves. "Juke Box Hero: The My Five Decades in Rock 'n' Roll" chronicles, with remarkable candor, the ups and downs of this popular rocker's amazing life—a life which saw him achieve worldwide fame and fortune, then succumb to its trappings before summoning the courage and faith to overcome his drug addiction and a life-threatening brain tumor. New National Theatre, Washington, D.C., W.H. Rapley, manager, W.H. Fowler, acting manager, C.D. Jacobson, treasurer, R.E. Long, press representative. Aborn Opera Company (direction of Milton and Sargent Aborn) in the musical play "Florodora," book by Owen Hall, music by Leslie Stuart.

An adventure tale for our times, the author combines real world events and supernatural elements in the style of a classical epic to tell a sometimes snarky, sometimes uproarious, and very poignant modern tale. Meet Hank Allensworth and Wilson Evans in a modern reflection of the Epic of Gilgamesh. An epic bromance between a Marine and his corpsman running around Oceanside, California . Degenerate Lance Corporals who have recently returned from Afghanistan, spending most of their time drunk at The Purple Church. One night while they're out drinking they are called back to base and the battalion is put on stand by because during the conflict with ISIS, the Islamic Republic of Iran decided to end the proxy war and get involved themselves. Soon after, Hank and Doc go with the regiment to keep the Iranians from crossing the Euphrates. The war kicks off and the Marines push across Iraq and into Iran. Hank and Doc both are wounded and sent home. The rest of the story they deal with survivor's guilt, alcoholism, PTSD, covering up for a murder, and trying to manage deteriorating love lives. I don't know if I could say there's any deeper meaning than gratuitous sex and violence, but I can guarantee you that if you've spent more than three days in an infantry battalion you will love this book.

During CREED's decade of dominance and in the years following the band's breakup, Scott struggled with drugs and alcohol, which led not only to a divorce, but also to a much-publicized suicide attempt in 2006. Now clean, sober, and in the midst of a highly successful solo career, Scott has finally come full circle—a turnaround he credits to his renewed faith in God. In Sinner's Creed, Scott shares his story for the first time—from his fundamentalist upbringing, the rise and fall of CREED, and his ongoing battle with addiction, the rediscovery of his faith, and the launch of his solo career. The result is a gripping memoir that is proof positive that God is always present in our lives, despite the colossal mess we sometimes make of them.

"Nowhere in archaeology is the gap between theory and practice more evident than in its ambivalent engagement with economic development. This groundbreaking volume assembles practicing archaeologists, economists, and NGO officials in an extensive exploration of the theoretical, practical and ethical issues raised by archaeologists' use of cultural heritage to support economic development. The first chapters consider the problem of articulating the value of tangible and intangible heritage when economic measures alone are inadequate. Subsequent chapters present regional perspectives on archaeology and development, and present a host of case studies from around the globe that describe archaeologists' development projects, including some that are successful and others that are less so. These studies both suggest best practices in the implementation of development projects and illuminate the obstacles to success created by political conflict and competing human needs. Ethical issues and practical considerations converge in chapters that explore the role that members of local communities should play in the design, management and governance of archaeological and heritage resources. In this volume, archaeologists and heritage professionals will encounter a thought-provoking international discourse concerning the path forward for archaeology as the field engages with economic development."

A Perfect Union of Contrary Things is the authorized biography of musician and vintner Maynard James Keenan. Co-author Sarah Jensen's 30-year friendship with Keenan gives her unique insight into his history and career trajectory. The book traces Keenan's journey from his Midwest childhood to his years in the Army to his time in art school, from his stint at a Boston pet shop to his place in the international spotlight and his influence on contemporary music and regional winemaking. A comprehensive portrayal of a versatile and dedicated artist, A Perfect Union of Contrary Things pays homage to the people and places that shaped the man and his art. Until now, Maynard's fans have had access to only an abridged version of his story. A Perfect Union of Contrary Things presents the outtakes, the scenes of disappointment and triumph, and the events that led him to take one step after the next, to change direction, to explore sometimes surprising opportunities. Included are sidebars in his own words, often humorous anecdotes that illuminate the narrative, as well as commentary by his family members, friends, instructors, and industry colleagues. The book also features a foreword by Alex Grey, an American visionary artist and longtime friend of Keenan.

Accompanying the text are photos of Keenan from childhood to the present. Maynard's story is a metaphor for the reader's own evolution and an encouragement to follow one's dreams, hold fast to individual integrity, and work ceaselessly to fulfill our creative potential.
