When you are assertive, you are actively exercising and/or defending your rights: saying no, expressing disagreement, giving a contrary opinion and/or expressing concrete negative feelings without submissively allowing yourself to be manipulated or aggressively violating the rights of others. If you are afraid of hurting other people's feelings by being honest, if you are not able to express your anger or a conflicting opinion in a way that is socially acceptable, or if you feel that others humiliate and manipulate you.

For those who believe that there must be a more agile and efficient way for people to get things done, here is a brilliantly discursive, thought-provoking book about the leadership and management process that is changing the way we live. In the future, historians may look back on human progress and draw a sharp line designating "before Scrum" and "after Scrum." Scrum is that ground-breaking. It already drives most of the world's top technology companies. And now it's starting to spread to every domain where leaders wrestle with complex projects. If you've ever been startled by how fast the world is changing, Scrum is one of the reasons why. Productivity gains of as much as 1200% have been recorded, and there's no more lucid – or compelling – explainer of Scrum and its bright promise than Jeff Sutherland, the man who put together the first Scrum team more than twenty years ago. The thorny problem Jeff began tackling back then boils down to this: people are spectacularly bad at doing things with agility and efficiency. Best laid plans go up in smoke. Teams often work at cross purposes to each other. And when the pressure rises, unhappiness soars. Drawing on his experience as a West Point-educated fighter pilot, biometrics expert, early innovator of ATM technology, and V.P. of engineering or CTO at eleven different technology companies, Jeff began challenging those dysfunctional realities, looking for solutions that would have global impact. In this book you'll journey to Scrum's front lines where Jeff's system of deep accountability, team interaction, and constant iterative improvement is, among other feats, bringing the FBI into the 21st century, perfecting the design of an affordable 140 mile per hour/100 mile per gallon car, helping NPR report fast-moving action in the Middle East, changing the way pharmacists interact with patients, reducing poverty in the Third World, and even helping people plan their weddings and accomplish weekend chores. Woven with insights from martial arts, judicial decision making, advanced aerial combat, robotics, and many other disciplines, Scrum is consistently riveting. But the most important reason to read this book is that it may just help you achieve what others consider unachievable – whether it be inventing a trailblazing technology, devising a new system of education, pioneering a way to feed the hungry, or, closer to home, a building a foundation for your family to thrive and prosper.

Part of the popular Pocket Notebook Series, Pocket Anesthesia, Third Edition is a practical, concise guide to anesthetic management of the most common perioperative conditions. Now fully revised and up to date, this portable handbook provides essential information needed by residents, anesthesiologists, CRNAs, and medical students on the wards and in the operating room. The third edition keeps you current with all that's new in the field, including ACC/AHA guideline changes and new uses of anti-coagulants, stents, and approaches to pain management.

"Do you want to know when someone is lying to you? In this book, you will learn both body language and lie detection. In a ten minute conversation you are likely to be lied to two to three times. Learn how to spot those lies. If you have ever interacted with another person, this book will be useful to you because our everyday interactions are filled with secret nonverbal cues just waiting to be uncovered. Whether you are a business owner, parent, spouse, employee, human resources director, teacher or student, this book will change the way you interact with those around you"--Amazon.com.

In the history of the Western World, the Bible has been a perpetual source of inspiration and guidance for countless Christians. However, this Bible has also left a trail of pain. It is undeniable that the Bible is not always used for good. Sometimes the Bible can seem overtly evil. Sometimes its texts are terrible. Bishop John Shelby Spong boldly approaches those texts that have been used through history to justify the denigration or persecution of others while carrying with them the implied and imposed authority of the claim that they were the "Word of God." As he exposes and challenges what he calls the "terrible texts of the Bible", laying bare the evil done by these texts in the name of God, he also seeks to redeem these texts, hoping to recover their ultimate depth and purpose. Spong looks specifically at texts used to justify homophobia, anti-Semitism, treating women as second-class humans, corporal punishment, and environmental degradation, but he also delivers a new picture of how Christians can use the Bible today. As Spong battles against the way the Bible has been used throughout history, he provides a new framework, introducing people to a proper way to engage this holy book of the Judeo-Christian tradition.

#x2605 Buy the paperback version of this book and get the eBook FREE #x2605 Do you want to have the courage to trust yourself, speak up for yourself, say "no," and enforce boundaries in your relationships? Do you find yourself always in the position of being acaretaker, sacrificing your own needs in favor of someone else's, and taking on other people's responsibilities and consequences? Have you ever been a people-pleaser, trapped by your own over commitments to come to the rescue of everyone around you, and work to ensure everyone else's happiness but your own? If you have said yes to any of these questions, you may be exhibiting signs of codependency. While the term codependency came about to describe alcoholic behavior, codependency is not just for those suffering from substance abuse. And codependency can be present in all types of relationships--romantic, platonic, or with friends and family. Codependency comes in many forms and vary degrees of severity, but we've all been there at some point. Always trying to "fix" someone. Finding ourselves constantly attracting the same types of low-functioning people who are always in some sort of "crisis" and we're always coming to their rescue. Having a hard time saying "no" when we know we should. Or maybe your relationship starts off great and you feel happy, but at some point you find yourself in a position where you get wrapped up in your partner's life, and push aside your own goals, dreams, and habits. What seemed like healthy attachment has now turned into you basing your happiness on someone else's and constantly seeking validation from outside yourself. Courage to Cure Codependency will help you avoid codependency at all stages of a relationship. It will help you eliminate codependency in a current relationship, heal from the ending of a codependent relationship, and prevent getting into a codependent relationship in the future. Even though you may be exhibiting codependent behavior, it is not who you are, and your best self is underneath the parts of you that are holding you back. In this book, you will learn: How to practice saying no and enforcing boundaries How to reframe your thoughts to empower yourself and prevent future codependent behavior Seven steps to heal from a codependent relationship How to reclaim your self-esteem and self-confidence The key things you must do in order to avoid getting back into another codependent relationship How to free yourself from guilt of refusing to continue to be an enabling

caretaker How to salvage a codependent relationship and turn it around How to identify which type of codependent you are Why your codependency isn't your fault The surprisingly innocent behavior you may have done as a child that is causing codependent behavior in adulthood Sneaky ways codependency shows up in relationships and the harmful codependent behaviors you may not realize you're exhibiting And much more... You deserve to have healthy relationships. It's never too late to make a change, even if you have "always been this way," and jumped from relationship to relationship, or held on to dysfunctional partners longer than you should have, repeating negative cycles and patterns for fear of being alone. You have the strength to free yourself from the burden of codependency, find your inner power, discover inner peace, and uncover the healthiest version of yourself. Your journey to healing starts right now. Scroll up and click "buy now" to get this book!

Time management remains a huge challenge for most people. This book shares the habits and processes used by top leaders worldwide to minimize distractions and maximize accomplishments. In researching more than 1,260 managers and executives from more than 108 different organizations, Steve and Rob Shallenberger discovered that 68 percent of them feel like their number one challenge is time management, yet 80 percent don't have a clear process for how to prioritize their time. Drawing on their forty years of leadership research, this book offers three powerful habits that the top 10 percent of leaders use to Do What Matters Most. These three high performance habits are developing a written personal vision, identifying and setting Roles and Goals, and consistently doing Pre-week Planning. And Steve and Rob make an audacious promise: these three habits can increase anyone's productivity by at least 30 to 50 percent. For organizations, this means higher profits, happier employees, and increased innovation. For individuals, it means you'll find hours in your week that you didn't know were there—imagine what you could do! You will learn how acquiring this skillset turned an “average” employee into her company's top producer, enabled a senior vice president to reignite his team and achieve record results, transformed a stressed-out manager's work and home life, helped a CEO who felt like he'd lost his edge regain his fire and passion, and much more. By implementing these simple and easy-to-understand habits, supported by tools like the Personal Productivity Assessment, you will learn how to lead a life by design, not by default. You'll feel the power that comes with a sense of control, direction, and purpose.

Though he's superrich and supereligible, marriage hasn't been on Russell McClain's agenda. Instead the handsome Sydney tycoon is focused on personal revenge—and Nicole Power, his sworn enemy's daughter, is central to his plan. She will pay for her fraudster father's sins. Russell will ruthlessly seduce her, bed her and discard her.... But when Russell's desire for Nicole becomes very real and very strong, one night is not enough. However, making Nicole his willing wife might just satisfy his need for vengeance....

In my process of forgetting some doors opened inside me and this book came to life, day after day, I face the other part of me that has your shadow stuck on your heels. I was trampling my independence for insecurities that tied me to your false image. I want you to read each line so when you try to find me, remember that I won't answer. Excuse me, I forgot to thank you because after all... Thank to you and our unsuccessful story, we will help those who don't know how to leave and cling to the wrong people by calling them: love

The companion volume to 12 Rules for Life offers further guidance on the perilous path of modern life. In 12 Rules for Life, clinical psychologist and celebrated professor at Harvard and the University of Toronto Dr. Jordan B. Peterson helped millions of readers impose order on the chaos of their lives. Now, in this bold sequel, Peterson delivers twelve more lifesaving principles for resisting the exhausting toll that our desire to order the world inevitably takes. In a time when the human will increasingly impose itself over every sphere of life—from our social structures to our emotional states—Peterson warns that too much security is dangerous. What's more, he offers strategies for overcoming the cultural, scientific, and psychological forces causing us to tend toward tyranny, and teaches us how to rely instead on our instinct to find meaning and purpose, even—and especially—when we find ourselves powerless. While chaos, in excess, threatens us with instability and anxiety, unchecked order can petrify us into submission. Beyond Order provides a call to balance these two fundamental principles of reality itself, and guides us along the straight and narrow path that divides them.

How to give a world-class presentation—based on the wildly popular TED Talks The only TED Talks-based guide available showing business professionals how to give the presentation of their lives A nonprofit dedicated to Ideas Worth Sharing, TED Talks began as a challenge to leaders in technology, entertainment, and design to give the “talk of their lives.” The organization has since gone global and contains more than 14,000 videos on nearly every topic imaginable. How to Deliver a TED Talk is a step-by-step guide showing business professionals how to deliver a TED Talk by carefully selecting their topic, crafting their narrative, mastering their delivery, and refining their design. The more than 14,000 talks on the TED website have been viewed more than one billion times Originally self-published in 2012, this book immediately hit #1 on Amazon and has consistently ranked no less than #5; this is an expanded edition of the original Donovan is the founder and lead organizer of TEDxMillRiver, a sold-out TEDx event in Stamford, CT

"Explores various miracles, from biblical times to modern times, including miraculous healings, apparitions, the Stigmata, levitation, incorruptibility, and Eucharistic miracles, and also looks at human and demonic counterfeits"--

Fans of Crash and Clash will be dying to get their hands on this third red-hot romance featuring Lucy and Jude. Anyone who loved, Slammed by Colleen Hoover, Beautiful Disaster by Jamie McGuire and Just For Now by Abbi Glines will love this series from Nicole.

In the realm of the Dark-Hunters there is a code of honor that even immortal bad boys must follow: Harm no human. Drink no blood. Never fall in love. But every now and again a Dark-Hunter thinks himself above the Code. That's when I'm summoned. Who am I? I'm the one thing the fearless fear. Step over the line, and it's my wrath you will face. Nothing can touch me. Nothing can sway me. I am relentless and unfeeling. Or so I thought until I met a Dark-Hunter who goes by the name of Danger—it's not just her name, it's how she lives her life. She doesn't trust me at all. And who could blame her? I'm here to be judge, jury, and the executioner of her friends. Yet she is my key to saving some of them. Without her, they will all die. But as we try to save them, Dangereuse St. Richard is a deadly distraction. Something about her is reawakening feelings I'm not supposed to have. Especially compassion, which is a deadly emotion in a race against evil.

The only hope mankind has is that I do my duty. And yet how can I do my duty when it means that I will have to sacrifice the only woman I've ever loved?

Christians talk a lot about the "bad" sin of society. But are we guilty of overlooking the "okay" sin in our own lives, such as self-righteousness, anger, even anxiety? Jerry Bridges' landmark exploration of tolerated sin and God's remedy has been specifically adapted (not dumbed down!) for teens.

The largest scientific and professional organization representing psychology in the United States and the largest association of professional psychologists in the world--the American Psychological Association--proudly offers this abridged version of its landmark, critically acclaimed APA Dictionary of Psychology.

I have written this guide in order to help you create a space for reflection within your life and as a result develop emotional and cognitive strategies that can make you more resistant to love-sickness. Once you learn exactly why we absurdly equate love to suffering, you'll know how to avoid falling into the trap and learn to foster more adaptive schemes of behaviour. Through the concepts of philosophy, psychology and his 30 years plus of experience as a therapist, in the 39 chapters of this book, Walter Riso guides us through a model or scheme of reflection to help us understand the characteristics of a love that is good (healthy, coherent, constructive) and one that is bad (sick, incoherent, destructive).

The promise of faith can be yours! Authors E. W. Kenyon and Don Gossett reveal the secret of seeing the fulfillment of God's promises in your own life. Far too many Christians continue to live sickly, poor, and powerless lives, unaware of their rights, spelled out in Scripture, and available to all believers. By speaking Words That Move Mountains, you will discover how you can personally receive God's healing touch and how God can use you to bring healing to others. A new life of faith is available today. Experience the power and victory that is available in Jesus' name!

Jealousy is something that we all have to deal with - both in ourselves and in others. Rooted in our natural fears and insecurities, it has damaged relationships since the time of Cain and Abel and still does today - if we let it. In this wise and compassionate book, R. T. Kendall tackles, head-on, the sin that no one likes to admit to. He shows that it is only when we grasp that it is God we should aim to please that we will be able to recognise and overcome jealousy and, like Jesus, be jealous only for the glory of God.

These days it's increasingly rare to have a stable career in any field. More and more of us are blending big company jobs, startup gigs, freelance work, and volunteer side projects. We take chances to expand our knowledge, capabilities, and experience. But how do we make sense of that kind of career - and explain it? Pamela Slim, the acclaimed author of *Escape from Cubicle Nation*, gives us the tools to have meaningful careers in this new world of work. She shows how to find the connections among diverse accomplishments, sell your story, and continually reinvent and relaunch your brand.

What's being widely regarded as "one of the most life changing books ever written" may be the simplest approach to achieving everything you've ever wanted, and faster than you ever thought possible 'Hal Elrod is a genius and his book *The Miracle Morning* has been magical in my life' Robert Kiyosaki, bestselling author of *Rich Dad Poor Dad* What if you could wake up tomorrow and any - or EVERY - area of your life was beginning to transform? What would you change? *The Miracle Morning* is already transforming the lives of tens of thousands of people around the world by showing them how to wake up each day with more ENERGY, MOTIVATION, and FOCUS to take your life to the next level. It's been right here in front of us all along, but this book has finally brought it to life. Are you ready? The next chapter of YOUR life-the most extraordinary life you've ever imagined-is about to begin. It's time to WAKE UP to your full potential... 'Every once in a while, you read a book that changes the way you look at life, but it is so rare to find a book that changes the way you live your life' Tim Sanders, New York Times bestselling author of *The Likeability Factor* 'To read *The Miracle Morning* is to give yourself the gift of waking up each day to your full potential. It's time to stop putting off creating the life you want and deserve to live. Read this book and find out how' Dr Ivan Misner, CEO and Founder of BNI®

Desapegarse sin anestesiaCómo fortalecer la independencia emocionalGrupo Planeta Spain

This shining collection brings you inspiration and comfort in special chapters on marriage, motherhood, aging, bridging the generations, attitude, self-esteem and higher wisdom. Stories honor the strength and reveal the beauty of the feminine spirit. Included are incredible stories from Oprah Winfrey, Leo Buscaglia, Linda Ellerbee, Robert Fulghum, Kathie Lee Gifford and many others.

El psicólogo Walter Riso nos explica en qué consiste el apego y sus causas, y nos proporciona las claves para enfrentarlo y prevenirlo, sin perder la pasión por alcanzar nuestros sueños y metas personales. A través de un lenguaje claro y accesible, con ejemplos y casos concretos, el autor nos invita a fortalecer la independencia emocional y crear un estilo de vida más libre y saludable. Walter Riso nos presenta una obra ambiciosa en la línea de su bestseller *¿Amar o depender?*, en la que nos invita a fortalecer la independencia emocional para encontrar nuestro verdadero camino en la vida.

16 MILLION COPIES SOLD 'A book to read, to cherish, to debate, and one that will ultimately keep the memories of the victims alive' John Boyne, author of *The Boy in the Striped Pyjamas* A prominent Viennese psychiatrist before the war, Viktor Frankl was uniquely able to observe the way that both he and others in Auschwitz coped (or didn't) with the experience. He noticed that it was the men who comforted others and who gave away their last piece of bread who survived the longest - and who offered proof that everything can be taken away from us except the ability to choose our attitude in any given set of circumstances. The sort of person the concentration camp prisoner became was the result of an inner decision and not of camp influences alone. Frankl came to believe man's deepest desire is to search for meaning and purpose. This outstanding work offers us all a way to transcend suffering and find significance in the art of living.

Digestive Intelligence tells the fascinating story of how our digestive systems are the centre of our bodies' second brain and how we think and live our emotions via our stomachs. Not surprising when you consider there is something equivalent to the size of a village football pitch hiding inside our bellies--that's the incredible magnitude of our digestive systems. Dr Matveikova answers the obvious questions: "How?" and "Why can this be so?" by explaining, in straight forward layman's language, that the digestive system contains more than one million neurones, identical to those in the brain and is responsible for producing 90% of the body's hormone, serotonin, the all-important hormone which makes us feel happy and full of wellbeing. It follows that, if our stomach is "out of sorts" we feel irritable and lacking in energy; and those feelings block our intellectual productivity, disorientate us and completely change our thought patterns and physical processes.

"Activating your self-love is the first step towards any type of psychological growth and personal improvement. Of course I am not talking about the dark side of self-esteem, which leads to narcissism and fascination with the ego, but rather about having a genuine ability to, fearless and unashamedly, recognize your strengths and virtues, integrate them into the development of your own life..." In this guide, Dr. Walter Riso teaches us about the tools we need to help bolster our self-esteem; he teaches us to feed our self-love, freeing us from dependencies and stripping away all those things that weigh heavily on us. This, in turn, enables us to build our own happiness.

People are seeking the answer to the confusion, the moral sickness, the spiritual emptiness that oppresses the world. We are all crying out for guidance. For comfort. For peace. Is there a way out of our dilemma? Can we really find personal peace with God? Yes! But only if we look in the right place. The Key to Personal Peace not only includes trusted Biblical insights from renowned evangelist Dr. Billy Graham, but also includes the full gospel of John, making the book a perfect gift for evangelism or outreach. The Key to Personal Peace offers a look into how to live life in the fullness of God. Sections include: The Great Quest Our Dilemma What is God Like What Did Jesus Do for Us? Finding the Way Back Peace at Last Heaven, Our Hope Note: Must be ordered in multiples of 50.

Next to the Qur'an, Islam's holiest text is qudsi hadith. Based on this premise, Islamic scholars have always been fascinated with the collection and study of this type of hadith. We collected 1230 qudsi hadiths in a book we titled 1000 Qudsi Hadiths: An Encyclopedia of Divine Sayings. 1000 Qudsi Hadiths is not only the biggest collection of qudsi hadiths in English, it is the biggest collection of qudsi hadiths ever put together in any language including Arabic. It contains all the qudsi hadiths reported by major hadith reporters such as Al-Bukhari and Muslim as well as all the qudsi hadiths reported by auxiliary hadith reporters such as Al-Tabarani, Al-Bayhaqi, Al-Hakim Al-Naysaburi, Ibn-Hibban, Ibn-Khuzaymah, Al-Daylami, Ibn-Hajar, Al-Suyuti, Al-Muttaqi Al-Hindi, Al-Mundhiri, Al-Haythami, and Ibn-Kathir. The book derives its content from the biggest 216 hadith books ever written.

Real self care practices to enrich every part of your life Picture your best life: Where would you work? What would your social calendar look like? What personal interests would you be exploring? This book is your prescription to turn those visions into a reality--with proven self care strategies for every area of your life. The Self Care Prescription empowers you to find balance and purpose in your relationships, work, and life. From creating a plan to spend more time with family and friends, to zeroing-in on a career that you can feel good about, the book will help you create a personalized self care plan. You'll also learn actionable techniques to fight anxiety, demotivation, or whatever else is holding you back from building the life you want to live. The Self Care Prescription includes: Self care 101--Learn what "self care" really means, and how you can start practicing it every day. A full-spectrum plan--Bring self care to the physical, spiritual, emotional, intellectual, vocational, and social areas of your life. Best-life strategies--Unwind with mindfulness breathing practices or start eating right with healthy meal planning--you'll find tons of actionable self care techniques to help you reach your goals. Be the friend you want to be to yourself and others. Be engaged with what you do. Whatever self care means to you, you'll find your own personal practice in this book.

Interior Freedom leads one to discover that even in the most unfavorable outward circumstances we possess within ourselves a space of freedom that nobody can take away, because God is its source and guarantee. Without this discovery we will always be restricted in some way and will never taste true happiness. Author Jacques Philippe develops a simple but important theme: we gain possession of our interior freedom in exact proportion to our growth in faith, hope, and love. He explains that the dynamism between these three theological virtues is the heart of the spiritual life, and he underlines the key role of the virtue of hope in our inner growth. Written in a simple and inviting style, Interior Freedom seeks to liberate the heart and mind to live the true freedom to which God calls each one.

Being emotionally independent does not mean that you have to stop being loving, It is about being the master of your own feelings, faithful to your own principles and never handing over your personal dignity to someone else in exchange for something, not even in the name of love. Do I love or do I depend? If this is a question you ask yourself, then this guide, based on the bestseller, To Love or to Depend? is for you. In it, Walter Riso teaches us, in a practical manner and without too much theory involved, the steps we need to take in order to be able to love without being emotionally dependent. He provides ideas and processes that will help you develop the right skills to deal with emotional dependency, prevent it and/or create a lifestyle aimed at emotional independence and affective detachment.

This book is a quiet revolution, a guide filled with practical advice to help you curb your obsessions and build boundaries between your work, your job, and your life. From business anecdotes about fulfilling orders to more personal stories about Marlee Grace's recovery from divorce and addiction, this book is full of wisdom and resilience, with plenty of discussion about ritual and routine as ways to create effective and positive creative life change. In her workshops on healing and creative process, Grace helps people acknowledge their blocks and address them by setting distinct parameters that change their behavior. Now, she brings her methods and ideas to the wider world, offering all of us concrete ways to break free from our devices and focus on what's really important—our own aliveness. Part workbook, part advice manual, part love letter, How to Not Always Be Working ventures into the space where phone meets life, helping readers to define their work—what they do out of sense of purpose; their job—what they do to make money; and their breaks—what they do to recharge, and to feel connected to themselves and the people who matter to them. Grace addresses complex issues such as what to do if your work and your job are connected, provides insights to help you figure out how much is too much, and offers suggestions for making the best use of your time. Essential for everyone who feels overwhelmed and anxious about our hyper-connected world—whether you're a corporate lawyer, a student, a sales person, or a yoga instructor—How to Not Always Be Working includes practical suggestions and thoughtful musings that prompt you to honestly examine your behavior—how you burn yourself out and why you're doing it. A creative manifesto for living better, it shows you how to carve sacred space in your life.

We all worry about things from time to time, but some of us just can't seem to stop expecting the worst—even when our expectations are very unlikely to occur. This condition, chronic worry, is disruptive all by itself, and it can lead to other, more serious anxiety problems. This little book—the fifth in New Harbinger's Ten Simple Solution series—offers a handful of easy and effective techniques for getting rid of worry once and for all. Drawing on powerful psychotherapeutic techniques, 10 Simple Solutions to Worry is a succinct resource of cognitive-behavioral techniques for controlling worry and reducing stress. Exercises include self-assessments, motivation builders, relaxation training, and cognitive restructuring. After identifying and changing the negative thoughts that result in worry, you'll learn to replace worry behaviors with other, more positive and constructive activities.

How Can You Pray for Her? Praying for your wife is one important way to ensure she feels loved and protected. Bestselling author Stormie Omartian is here to help as you ask the Lord to guide your wife in her desires, emotions, and relationships. Each chapter features guidance from the Bible; wisdom from well-known Christian men; and thoughts, personal experiences, and a prayer from Stormie to spark your conversations with God and highlight specific areas where you and your wife need His direction and blessings. An excellent study guide for men's groups, this book also makes a fantastic gift, whether given on its own or in companion with The Power of a Praying® Wife. Contributors to The Power of a Praying® Husband include Neil T. Anderson, Steven Curtis Chapman, Michael Goldstone, Michael Harriton,

Jack Hayford, Rodney Johnson, James Lowe, Michael Omartian, James Robison, Kenneth C. Ulmer
Jerry Bridges' prophetic take on "good Christian sin," specifically adapted for a teen audience.
