The product of five years’ investigative reporting, the subject of intense national controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernández, *Narcoland* has been a publishing and political sensation in Mexico. The definitive history of the drug cartels, *Narcoland* takes readers to the front lines of the “war on drugs,” which has so far cost more than 60,000 lives in just six years. Hernández explains in riveting detail how Mexico became a base for the mega-cartels of Latin America and one of the most violent places on the planet. At every turn, Hernández names names – not just the narcos, but also the politicians, functionaries, judges and entrepreneurs who have collaborated with them. In doing so, she reveals the mind-boggling depth of corruption in Mexico’s government and business elite. Hernández became a journalist after her father was kidnapped and killed and the police refused to investigate without a bribe. She gained national prominence in 2001 with her exposure of excess and misconduct at the presidential palace, and previous books have focused on criminality at the summit of power, under presidents Vicente Fox and Felipe Calderón. In awarding Hernández the 2012 Golden Pen of Freedom, the World Association of Newspapers and News Publishers noted, “Mexico has become one of the most dangerous countries in the world for journalists, with violence and impunity remaining major challenges in terms of press freedom. In making this award, we recognize the strong stance Ms. Hernández has taken, at great personal risk, against drug cartels.”

Strangers seek refuge at the abbey as floodwaters rise, a body falls, and a relic vanishes—in this “top drawer” mystery featuring the twelfth-century monk (Chicago Sun-Times) In the chill, rainy autumn of 1144, two groups of visitors seek the hospitality of the Abbey of St. Peter and St. Paul, and Brother Cadfael fears trouble has come in with them. Among the first arrivals is Brother Tutilo, a young Benedictine with a guileless face and—to Brother Cadfael’s shrewd eyes—a mischievous intelligence. The second group, a ribald French troubadour, his servant, and a girl with the voice of an angel, seems to Brother Cadfael a catalyst for disaster. All of Cadfael’s fears become manifest as rising floodwaters endanger the abbey’s most sacred relic, the remains of Saint Winifred. When the bones disappear and a dead body is found, Brother Cadfael knows carnal and spiritual intrigues are afoot. Now, in a world that believes in signs and miracles, Brother Cadfael needs his prayers answered—as well as some heavenly guidance to crucial clues—to catch a killer hell-bent on murder.

Paul de Kruif’s *Microbe Hunters* is a timeless dramatization of the scientists, bacteriologists, doctors, and medical technicians who discovered microbes and invented the vaccines to counter them. De Kruif reveals the now seemingly simple but really fundamental discoveries of science - for instance, how a microbe was first viewed in a clear drop of rain water, and when, for the first time ever, Louis Pasteur discovered that a simple vaccine could save a man from the ravages of rabies by attacking the microbes that cause it.

The twelfth-century Welsh monk is caught up in civil war and captured by Danish mercenaries, in the Silver Dagger Award–winning medieval mystery series. In the summer of 1144, a strange calm has settled over England. The armies of King Stephen and the Empress Maud, the two royal cousins contending for the throne, have temporarily exhausted each other. On the whole, Brother Cadfael considers peace a blessing. Still, a little excitement never comes amiss to a former soldier, and Cadfael is delighted to accompany a friend on a mission of diplomacy to his native Wales. But shortly after their arrival, the two monks are caught up in another royal feud. The Welsh prince Owain Gwynedd has banished his brother Cadwaladr, accusing him of the treacherous murder of an ally. As the two armies teeter on the brink of bloody civil war, Cadfael is captured by the Danes and must navigate the brotherly quarrel that threatens to plunge an entire kingdom into chaos.

From the Edgar Award–winning author: When a troubled novice is blamed for a priest’s disappearance, Brother Cadfael seeks to save his soul—and his life. Outside the pale of the Abbey of Saint Peter and Saint Paul, in September of 1140, a priestly emissary for King Stephen has been reported missing. But inside the pale, what troubles Brother Cadfael is a proud, secretive nineteen-year-old novice. Brother Cadfael has never seen two men more estranged than the Lord of Aspley and Meriet, the son he coldly delivers to the abbey to begin a religious vocation. Meriet, meek by day, is so racked by dreams at night that his howls earn him the nickname “the Devil’s Novice.” Shunned and feared, Meriet is soon linked to the missing priestly emissary’s dreadful fate. Only Brother Cadfael believes in Meriet’s innocence, and only the good sleuth can uncover the truth before a boy’s pure passion, not evil intent, leads a novice to the noose.

Psychopath. The word conjurs up images of serial killers, rapists, suicide bombers, gangsters. But think again: you could probably benefit from being a little more psychopathic yourself. Psychologist Kevin Dutton has made a speciality of psychopathy, and is on first-name terms with many notorious killers. But unlike those incarcerated psychopaths, and all those depicted in movies and crime fiction, most are not violent, he explains. In fact, says Prof Dutton, they have a lot of good things going for them. Psychopaths are fearless, confident, charismatic and focused—qualities tailor-made for success in today's society. *The Wisdom of Psychopaths* is an intellectual rollercoaster ride that combines lightning-hot science with unprecedented access to secret monasteries, Special Forces training camps, and high-security hospitals. In it, you will meet serial killers, war heroes, financiers, movie stars and attorneys—and discover that beneath the hype and popular characterization, psychopaths have something to teach us. Like the knobs on a mixing deck, psychopathy is graded. And finding the right combination of psychopathic traits, sampled and mixed at carefully calibrated volumes, can put us ahead of the game.

Brother Cadfael must intervene when a prisoner exchange is interrupted by love and murder, in the Silver Dagger Award-winning medieval mystery series. In February of 1141, men march home from war to Shrewsbury, but the captured sheriff Gilbert Prestcote is not among them. Elis, a young Welsh prisoner, is delivered to the Abbey of Saint Peter and Saint Paul to begin a tale that will test Brother Cadfael's sense of justice—and his heart. By good fortune, it seems, the prisoner can be exchanged as Sheriff Prestcote's ransom. What no one expects is that good-natured Elis will be struck down by cupid's arrow. The sheriff's own daughter holds him in thrall, and she, too, is blind with passion. But regaining her father means losing her lover. The sheriff, ailing and frail, is brought to the abbey's infirmary—where he is murdered. Suspicion falls on the prisoner, who has only his Welsh honor to gain Brother Cadfael's help. And Cadfael gives it, not knowing the truth will be a trial for his own soul.

“A fast, smart novel, brighter than a meteor and twice as scary. Stephen Woodworth provides shocks and thoughts in equal measure, and climbs right to the top!”—Greg Bear In a world where the dead can testify against the living, someone is getting away with murder. Both rare and precious—and rigidly controlled by a society that craves their services—these Violets perform a number of different duties. The most fortunate increase the world's cultural heritage by channeling the still-creative spirits of famous dead artists and musicians. The least fortunate aid the police and the law courts, catching criminals by interviewing the deceased victims of violent crime. But now the Violets themselves have become the target of a brutal serial murderer—a murderer who had learned how to mask his or her identity even from the victims. Can the FBI, aided by a Violet so scared of death that she is afraid to live, uncover the criminal in time? Or must more of her race be dispatched to the realm that has haunted them all since childhood? Lansdale “An eerie and compelling page-turner that maps the terra incognita between the living and the dead, loss and redemption, desire and grief, at the same time exploring what it means to be human in a frightening otherworld that too closely evokes our own reality.”—Elizabeth Hand

A captain in Franco's army renounces winning the war - on the very day of the victory; a young poet flees with his pregnant girlfriend and is forced to grow up quickly, only to die within a few months; a prisoner in Polier's jail refuses to live a lie so that his executioner can be held accountable; and, a lustful deacon hides his desires behind the apostolic fascism that clamours for the purifying blood of the defeated. Four subtly connected tales, narrated in the same spirit but with the individual styles of the different voices; these are stories from silent times, when people feared that others might discover what they knew. The line between the victorious and the defeated is blurred - whatever one's affiliation, nobody survives unscathed.
