This is the story of LSD told by a concerned yet hopeful father, organic chemist Albert Hofmann. He traces LSDs path from a promising psychiatric research medicine to a recreational drug sparking hysteria and prohibition. We follow Dr. Hofmanns trek across Mexico to discover sacred plants related to LSD, and listen in as he corresponds with other notable figures about his remarkable discovery. Underlying it all is Dr. Hofmanns powerful conclusion that mystical experience may be our planets best hope for survival. Whether induced by LSD, meditation, or arising spontaneously, such experiences help us to comprehend the wonder, the mystery of the divine in the microcosm of the atom, in the macrocosm of the spiral nebula, in the seeds of plants, in the body and soul of people. Now, more than sixty years after the birth of Albert Hofmanns problem child, his vision of its true potential is more relevant, and more needed, than ever.

What people say is often very different from what they think or feel. Body language by Allan Pease is just what you require to know those feelings which people often try to hide.

The classic work that redefined the sociology of knowledge and has inspired a generation of philosophers and thinkers In this seminal book, Peter L. Berger and Thomas Luckmann examine how knowledge forms and how it is preserved and altered within a society. Unlike earlier theorists and philosophers, Berger and Luckmann go beyond intellectual history and focus on commonsense, everyday knowledge—the proverbs, morals, values, and beliefs shared among ordinary people. When first published in 1966, this systematic, theoretical treatise introduced the term social construction, effectively creating a new thought and transforming Western philosophy.

How Do You Communicate When the Stakes Are High? Learn how with these TWO GROUNDBREAKING BOOKS in ONE eBook PACKAGE! In any organization, the best laid plans boil down to one simple thing: how well we come together to bring them to fruition. But more often than not, we end up dealing with people who come across as disagreeable, stubborn, or even obstructive. And emotions flare up. The only way to get things done is to step up to the plate . . . by stepping back from our emotions. Written by a team of experts from the world-renowned training firm VitalSmarts, these two books provide the skills you need to make every interaction fruitful and productive in even the most emotional situations. eBook package includes: **CRUCIAL CONVERSATIONS** The New York Times bestselling Crucial Conversations has sparked a revolution in how people communicate to achieve common goals. Now, the revised second edition builds on this decade-long legacy of success to get professionals at every level and in all professions talking with partners, bosses, employees, clients—not at them. Learn proven methods for turning the focus of hot-button discussions—job performance, customer satisfaction, interpersonal matters—away from subjective points of view and toward productive, mutually beneficial conclusions. “[Crucial Conversations] draws our attention to those defining moments that literally shape our lives, our relationships, and our world. . . . This book deserves to take its place as one of the key thought leadership contributions of our time.” —from the Foreword by Stephen R. Covey, author of *The 7 Habits of Highly Effective People* “The quality of your life comes out of the quality of your dialogues and conversations. Here’s how to instantly uplift your crucial conversations.” —Mark Victor Hansen, co-creator of the #1 New York Times bestselling series *Chicken Soup for the Soul®* **CRUCIAL ACCOUNTABILITY** Hold anyone accountable. Master performance discussions. Get **RESULTS**. Broken promises, missed deadlines, poor behavior--they don't just make others' lives miserable; they can sap up to 50 percent of organizational performance and account for the vast majority of divorces. Crucial Accountability offers the tools for improving relationships

in the workplace and in life and for resolving all these problems--permanently. PRAISE FOR CRUCIAL ACCOUNTABILITY: "Revolutionary ideas ... opportunities for breakthrough ..." -- Stephen R. "Allende can spin a yarn with the grace of a poet."—Entertainment Weekly AN INSTANT NEW YORK TIMES BESTSELLER, NOW WITH A NEW DEAR READER LETTER From the New York Times bestselling author of *A Long Petal of the Sea* and *The House of the Spirits*, an enthralling and suspenseful coming-of-age story about a teenage girl who must unravel the mysteries of her past in order to save herself. Nineteen-year-old Maya Vidal grew up in a rambling old house in Berkeley with her grandmother Nini—a force of nature whose formidable strength helped her build a new life after she emigrated from Chile in 1973—and Popo, an African-American astronomer and professor whose solid, comforting presence helps calm the turbulence of Maya's adolescence. When Popo dies of cancer, Maya comes undone and turns to drugs, alcohol, and petty crime. When she becomes lost in the dangerous underworld of Las Vegas, Maya becomes caught in the crosshairs of deadly warring forces. Her one chance for survival is Nini, who helps her escape to a remote island off the coast of Chile. Here, Maya tries to make sense of the past to discover the truth about her life and her family, and embarks on her greatest adventure: a journey of self-discovery and forgiveness.

You have in your hands the most rigorous, complete and readable book ever written about the fascinating science of human sexuality. This book goes beyond the well-worn sexual education advice and the usual evolutionist psychology. After *The Brain Snatcher*, Pere Estupinyà comes back with the first popular science book on sex aimed at a wide audience. While there are some tips for the more adventurous, there is also a wealth of new information to be discovered. Distancing himself from the many books on advice or techniques, Estupinyà brings sex to another dimension by combining popular beliefs and science. Do you want proof that our decision-making in the "heat of the moment" is less rational than we think? Did you know that mind and vagina each go their own way? Are you interested in learning about the effects of yoga on sexual pleasure? Did you know about the attempts in the 60s to "cure" homosexuals with electric shock therapy, the chemical analysis of female ejaculation, or the fundamental relationship between the sympathetic and parasympathetic nervous system? The author has spoken directly with asexual and intersexual individuals, fetishists, multi-orgasmic women,

women who never have orgasms through penetration, and men who have no refractory period. He has also participated in sadomasochistic events; learned tantric techniques with a couple of coaches, spoken with porn performers at Barcelona's Bagdad, and attended workshops in which a woman teaches how to have orgasms with your mind and breathing. The result is an incredible miscellany of information that appeals to both the scientific community and the curious.

Reiki is an ancient and profoundly simple system of "laying on of hands" healing derived from Tibetan Buddhism. In the West, Reiki has been kept highly secret for many years. ESSENTIAL REIKI presents full information on all three degrees of this healing system, most of it in print for the first time. Teaching from the perspective that Reiki healing belongs to all people, Diane Stein breaks new ground in her classic guide to this ancient practice. While no book can replace the directly received Reiki "attunements," ESSENTIAL REIKI provides everything else that the healer, practitioner, and teacher of this system needs. Stephen King's legendary debut, the bestselling smash hit that put him on the map as one of America's favorite writers "Gory and horrifying. . . . You can't put it down." —Chicago Tribune Unpopular at school and subjected to her mother's religious fanaticism at home, Carrie White does not have it easy. But while she may be picked on by her classmates, she has a gift she's kept secret since she was a little girl: she can move things with her mind. Doors lock. Candles fall. Her ability has been both a power and a problem. And when she finds herself the recipient of a sudden act of kindness, Carrie feels like she's finally been given a chance to be normal. She hopes that the nightmare of her classmates' vicious taunts is over . . . but an unexpected and cruel prank turns her gift into a weapon of horror so destructive that the town may never recover.

Now a Netflix movie directed by Mike Flanagan (Oculus, Hush) and starring Carla Gugino and Bruce Greenwood. Master storyteller Stephen King presents this classic, terrifying #1 New York Times bestseller. When a game of seduction between a husband and wife ends in death, the nightmare has only begun... "And now the voice which spoke belonged to no one but herself. Oh my God, it said. Oh my God, I am all alone out here. I am all alone." Once again, Jessie Burlingame has been talked into submitting to her husband Gerald's kinky sex games—something that she's frankly had enough of, and they never held much charm for her to begin with. So much for a "romantic getaway" at their secluded summer home. After Jessie is handcuffed to the bedposts—and Gerald crosses a line with his wife—the day ends with deadly consequences. Now Jessie is utterly trapped in an isolated lakeside house that has become her prison—and comes face-to-face with her deepest, darkest fears and memories. Her only company is that of the various voices filling her mind...as well as the shadows of nightfall that may conceal an imagined or very real threat right there with her...

Gregory Bateson was a philosopher, anthropologist, photographer, naturalist, and poet, as well as the husband and collaborator of Margaret Mead. This classic anthology of his major work includes a new Foreword by his daughter, Mary Katherine Bateson. 5 line drawings.

The Function of the Orgasm
Discovery of the Orgone
Farrar, Straus and Giroux
This book describes the philosophy and the use of Aleister Crowley's Thoth Tarot, a deck of Tarot cards designed by Crowley and co-designed and painted by Lady Frieda Harris. The Thoth Tarot has become one of the best-selling and most popular Tarot Decks in the world. It is also one of the most original interpretations of the tarot, incorporating astrological, numerological, Egyptian, and Qabalistic symbolism. While there are many other useful guides to this famous tarot deck, there are no others that explain the deck in its designer's own words. The book is divided into four major parts: * Part One: The Theory Of The Tarot. * Part Two: The Atu (Keys or Trumps). * Part Three: The Court Cards. * Part Four: The Small Cards. Part One is further divided into three chapters; Part Two into two chapters and an appendix; Part Three into one chapter; and Part Four into one chapter. The book includes a list of plates depicting the Tarot cards as seen by Crowley and Harris.

An odorless baby found orphaned in a Paris gutter in 1738 grows to become a monster obsessed with his perfect sense of smell and a desire to capture, by any means, the ultimate scent that will make him human. Reader's Guide available. Reprint. 20,000 first printing.

16 MILLION COPIES SOLD 'A book to read, to cherish, to debate, and one that will ultimately keep the memories of the victims alive' John Boyne, author of *The Boy in the Striped Pyjamas*
A prominent Viennese psychiatrist before the war, Viktor Frankl was uniquely able to observe the way that both he and others in Auschwitz coped (or didn't) with the experience. He noticed that it was the men who comforted others and who gave away their last piece of bread who survived the longest - and who offered proof that everything can be taken away from us except the ability to choose our attitude in any given set of circumstances. The sort of person the concentration camp prisoner became was the result of an inner decision and not of camp influences alone. Frankl came to believe man's deepest desire is to search for meaning and purpose. This outstanding work offers us all a way to transcend suffering and find significance in the art of living.

"A highly original, moving, and ultimately life-affirming book." – Sunday Mirror (London)
Twenty-four-year-old Veronika seems to have everything – youth and beauty, boyfriends and a loving family, a fulfilling job. But something is missing in her life. So, one cold November morning. She takes a handful of sleeping pills expecting to never wake up. But she does—at a mental hospital where she is told that she has only days to live. Inspired by events in Coelho's own life, *Veronika Decides to Die* questions the meaning of madness and celebrates individuals who do not fit into patterns society considers to be normal. Bold and illuminating, it is a dazzling portrait of a young woman at the crossroads of despair and liberation, and a poetic, exuberant appreciation of each day as a renewed opportunity.

The landmark bestseller that changed the way we think about love: "Every line is packed with common sense, compassion, and realism" (Fortune). *The Art of Loving* is a rich and detailed guide to love—an achievement reached through maturity, practice, concentration, and courage. In the decades since the book's release, its words and lessons continue to resonate. Erich Fromm, a celebrated psychoanalyst and social psychologist, clearly and sincerely encourages the development of our capacity for and understanding of love in all of its facets. He discusses

the familiar yet misunderstood romantic love, the all-encompassing brotherly love, spiritual love, and many more. A challenge to traditional Western notions of love, *The Art of Loving* is a modern classic about taking care of ourselves through relationships with others by the New York Times–bestselling author of *To Have or To Be?* and *Escape from Freedom*. This ebook features an illustrated biography of Erich Fromm including rare images and never-before-seen documents from the author's estate.

Throughout his career, Eduardo Galeano has turned our understanding of history and reality on its head. Isabelle Allende said his works “invade the reader's mind, to persuade him or her to surrender to the charm of his writing and power of his idealism.” *Mirrors*, Galeano's most ambitious project since *Memory of Fire*, is an unofficial history of the world seen through history's unseen, unheard, and forgotten. As Galeano notes: “Official history has it that Vasco Núñez de Balboa was the first man to see, from a summit in Panama, the two oceans at once. Were the people who lived there blind??” Recalling the lives of artists, writers, gods, and visionaries, from the Garden of Eden to twenty-first-century New York, of the black slaves who built the White House and the women erased by men's fears, and told in hundreds of kaleidoscopic vignettes, *Mirrors* is a magic mosaic of our humanity.

Official U.S. edition with full color illustrations throughout. **NEW YORK TIMES BESTSELLER** Yuval Noah Harari, author of the critically-acclaimed New York Times bestseller and international phenomenon *Sapiens*, returns with an equally original, compelling, and provocative book, turning his focus toward humanity's future, and our quest to upgrade humans into gods. Over the past century humankind has managed to do the impossible and rein in famine, plague, and war. This may seem hard to accept, but, as Harari explains in his trademark style—thorough, yet riveting—famine, plague and war have been transformed from incomprehensible and uncontrollable forces of nature into manageable challenges. For the first time ever, more people die from eating too much than from eating too little; more people die from old age than from infectious diseases; and more people commit suicide than are killed by soldiers, terrorists and criminals put together. The average American is a thousand times more likely to die from binging at McDonalds than from being blown up by Al Qaeda. What then will replace famine, plague, and war at the top of the human agenda? As the self-made gods of planet earth, what destinies will we set ourselves, and which quests will we undertake? *Homo Deus* explores the projects, dreams and nightmares that will shape the twenty-first century—from overcoming death to creating artificial life. It asks the fundamental questions: Where do we go from here? And how will we protect this fragile world from our own destructive powers? This is the next stage of evolution. This is *Homo Deus*. With the same insight and clarity that made *Sapiens* an international hit and a New York Times bestseller, Harari maps out our future.

Practical exercises to reach higher levels of orgasm, renew relationships, and discover the healing power of sex • Illustrates how to identify and best please the nine male and female

genital anatomy types--such as Coyote Man or Buffalo Woman • Provides exercises for greater sexual pleasure and orgasmic intensity, including the Firebreath exercise for full-body orgasm • Explains how to perform powerful healing sexual energetic work with the chakras and light body Based on ancient Mayan, Olmec, and Toltec teachings passed down through the generations by the Twisted Hair Nagual Elders of the Sweet Medicine Sundance Path, the practice of Quodoushka offers practical guidance on sex, intimacy, and relationships as well as how to reach higher levels of orgasm and sexual ecstasy. Working with the healing power of sexual union and orgasm, this practice offers a path to repair emotional wounds and sexual insecurities, revive monotonous relationships, and discover the sweet medicine of sex. Revealing these once-secret teachings for the first time, initiated Quodoushka instructor Amara Charles explains the physical, energetic, and sexual qualities of the nine male and female genital anatomy types--such as Coyote Man or Buffalo Woman--and how to identify and best please each type as well as take pride in your own unique anatomy. Describing the nine variations of orgasmic expression--from avalanche to forest fire--she provides exercises for greater sexual pleasure and increased orgasmic intensity, including the Firebreath exercise, a method for reaching a full-body orgasm through breathwork. Covering role playing and sexual energetic work with the chakras and the light body as well as ceremonies to bring the sacred back into your lovemaking, the practice of Quodoushka reveals how we can--through pleasure--become more sensitive, creative lovers.

A playboy, a tomboy, and an ex-con. They couldn't be more different. The only place all those differences disappear? The bedroom. "Let's go in," Liam said, taking the hotel keycard Calla had been clutching. She looked confused until Liam eyed Mack and said, "All of us." Calla's eyes widened and her mouth dropped open slightly. But when the door unlocked, she stepped inside and held it open wide. In invitation. F*ck him. Mack felt it in his chest and his balls--the wanting. She doesn't know what she's inviting in. Liam stepped right over the threshold, but still, Mack hesitated. She deserves a million times better than either of you horny f*cks. Mack was about to turn around and leave. He really was. But then Calla reached over and took his hand. With her other, she reached out to Liam. When she started tugging them inside, Mack let himself be pulled forward. He didn't know if he was heading into heaven or hell. But as the door closed behind him, Mack knew there was no other place he'd rather be.

This book describes Reich's first medical and scientific work on the living organism from his first efforts at the Medical School of the University of Vienna in 1919 to the laboratory experiments in Oslo in 1939 which revealed the existence of a radiating biological energy, orgone energy. The subject of "sexuality" is basic to this work, and Reich shows clearly its importance for human life and its relevance in understanding the social problems of our time. "In the central phenomenon, the sexual orgasm, we meet with questions deriving from the field of psychology as well as from that of physiology, from the field of biology no less than from that of sociology. Natural science offers hardly another field of research that is so well equipped to exhibit the fundamental unity of everything that lives and to guard against narrow, fragmentizing specialization." --Wilhelm Reich.

Autobiography of the world's foremost expert on death, dying and life after death.

In this remarkably nuanced novel, both a gripping detective story and a passionate, devastating tale of eros and insanity in Colombia, internationally acclaimed author Laura Restrepo delves into the minds of four characters. There's Agustina, a beautiful woman from an upper-class family who is caught in the throes of madness; her husband Aguilar, a man passionately in love with his wife and determined to rescue her from insanity; Agustina's former lover Midas, a drug-trafficker and money-launderer; and Nicolás, Agustina's grandfather. Through the blend of these distinct voices, Restrepo creates a searing portrait of a society battered by war and corruption, as well as an intimate look at the daily lives of people struggling to stay sane in an unstable reality.

Discusses the philosophy of Tao and offers information on diet and nutrition, fasting, breathing exercises, physical exercises, acupuncture, massage, birth control, sex therapy, and meditation

Perhaps you believe that you have no control over your feelings and reactions – Dyer shows how you can take charge of yourself and manage how much you will let difficult times and people affect you. Or maybe you spend more time worrying what others think than working on what you want and need – Dyer points the way to true self-reliance. From self-image problems to over-dependence on others, Dyer gives you the tools you need to break free from negative thinking and enjoy life to the fullest.

The sultry, sensual novel of obsession and desire that inspired the Oscar-winning film. **THE POSTHUMOUS MASTERWORK FROM "ONE OF THE GREATEST AND MOST INFLUENTIAL MODERN WRITERS"** (JAMES WOOD, THE NEW YORK TIMES BOOK REVIEW) Composed in the last years of Roberto Bolaño's life, *2666* was greeted across Europe and Latin America as his highest achievement, surpassing even his previous work in its strangeness, beauty, and scope. Its throng of unforgettable characters includes academics and convicts, an American sportswriter, an elusive German novelist, and a teenage student and her widowed, mentally unstable father. Their lives intersect in the urban sprawl of SantaTeresa—a fictional Juárez—on the U.S.-Mexico border, where hundreds of young factory workers, in the novel as in life, have disappeared.

The Red Tea Detox: It's a life-changer! I'm Liz, and I was once tired, sick, and overweight. I was getting old far before my time. Natural detox methods brought me back to health, and I am 100 percent confident that if you apply the methods I've outlined here, you will be well on your way to living in the body of your dreams – a body that feels great and looks fantastic. From the first day of this detox forward, you'll notice that the numbers on the scale decrease while your body shrinks and your clothing fits better than it may have in quite some time. Besides dramatically improving your appearance, you'll feel so energetic that people will wonder about the changes you made! For many who were once just like you, these immediate, significant improvements in appearance and overall well-being result in a higher level of confidence that can lead to a whole new outlook on life. Red tea has helped me enjoy better health and greater vitality, and I sincerely hope that you share my experience. So, what's The Red Tea Detox? It was a program created in response to the countless "mainstream" diet programs that do nothing more than cost money and time while delivering minimal results, if any. After reading well over 500 medical studies, poring over dozens of diet books, and reviewing hundreds of diets systems, programs, gadgets, pills, and potions, I created a brand-new program. The Red Tea Detox is the result of more than a decade of research and almost three years of realworld testing. It's not one of those fad diets that works well for some and not others; instead, it's a complete program that works quickly, for everyone. If you've ever found yourself falling asleep while trying to make your way through medical research and other dry, boring information found in some diet books, you can be sure that this experience won't be repeated as you read *The Red Tea Detox*.
