"I may be from the Isle, but I love living in Auradon. School is amazing, my friends are wicked, and I started my own fashion line. DREAMS DO COME TRUE! This is my fashion book, filled with design sketches, style tips, notes and my favorite photos. Get a glimpse into my world. -E"

Mal, Evie, Jay, and Carlos are the offspring of some of the most terrible villains of all time. They're offered a chance to leave the Isle of the Lost, where they have been imprisoned all their lives, and go to prep school in the idyllic kingdom of Auradon with all of the "good" kids. There, they must choose whether or not to follow in their parents' evil footsteps. Watch out Auradon--here come the Descendants!

This junior novel retelling captures the spirit of the third installment of the hit Descendants franchise. Inviting readers to experience the thrill of Descendants 3 over and over again in novel form, this book is a must-have for any Descendants fan.

This is the newest addition to the line of hit Descendants titles. Like Mal's Spell Book, this compelling books will build upon the world, mythology, and magic of the Descendants franchise.

Practical everyday magic spells for the young fans of Harry Potter, Descendants, Sofia the First, and other books and films of the magic fantasy genre. These spells use only safe everyday objects and substances you have at home or outside (like milk, sugar, salt, mirror, a ring, a ribbon, tree leaves, rocks, etc.); absolutely no use of fire, or anything gross, or any ingredients or items you may not have in your kitchen at the moment (like rosewater, or sage, or a crystal ball). These spells are not based on any witchcraft, New Age, or esoteric religion lore or rituals. This is fantasy-fiction-style educational activity material for kids ages 7-12, that helps them develop imagination, and engage in fantasy play which is vital for their intellectual and emotional development; Introduces to them a few facts of math, sciences, and history; Helps develop their interest in reading, and grow their reading fluency with an easy, 1st-2nd grade core vocabulary. If a kid in your life runs around waving a magic wand, talks about "dark chronicles," "immortal secrets," dragons and hidden chambers filled with ancient manuscripts... If your kid recites Harry Potter spells in pseudo-Latin, and mixes magic potions in your kitchen sink... Your kid is ready for magic training. Buy this spell book for that child without delay! Your young magician will stop wasting your dish detergent, and start using actual classical Latin to punctuate his/her powerful spells. By the way, is this kid resistant to reading? Well, resistance is futile when you are dealing with a real ancient hands-on practical spell book, where you read a couple sentences, then do what you've just read about, then read again, and do again, read-do, read-do.... In addition to its easy vocabulary, the book is beautifully illustrated to increase your kid's reading enthusiasm. Just like the ancients who made most of the great discoveries in math, the sciences, and arts in pursuit of magic, your child will play with the ideas of intelligence in nature, and the great unknown beyond, and develop curiosity about the world. Upon working with this 30-page book, your student of magic arts will know a fact or two about sciences and history, will be able to recite the Pythagorean Theorem and the Fibonacci Sequence (no kidding), and will answer many questions you've always

had, like: How to find the North star? Why does your breath fog up the mirror? Who introduced Arabic numerals to replace Roman Numerals in Medieval Europe? What kind of writing system did Ancient Egyptians have? What are fractals? Who spoke Latin (besides Harry Potter at Hogwarts)? What is divination? How numerologists predict the future? Who was Pythagoras? When were the Middle Ages? What is an Ankh? What are the phases of the Moon? What are the directions of the wind in your area? Why do oil and water never mix?... And more! If you are curious about my qualifications for offering this spell-binding collection of actual real true spells to advance your kid's magical training, here is all you need to know about me. Currently residing in New York City, I've spent my life doing magic and taming dragons at home and at work. With an M.A. in Linguistics and years spent perusing Gothic manuscripts in underground library cells at universities on both sides of the Atlantic, I have a decent command of classical Latin and Greek, with a few European languages thrown in. But the most important thing about me is that I am the mother of a magic-obsessed 6-year old. My son hates reading, but he will read if the book contains the secret magical lore not available on the Disney Channel, or in his Catholic school curriculum. I started writing this book for him during summer vacation, to help him get fluent in reading, so that one day he may understand that the only magic in the world that opens all doors is... knowledge. Read along with Disney! Young readers can revisit the Disney Channel Original Movie *Zombies 2* and the characters they love at an appropriate reading level. *Return to Seabrook High* follows the budding romance of Addison and Zed after a group of werewolves arrive in Seabrook.

Mal, Evie, Carlos, and Jay may be the children of terrible villains, but they're fitting in amazingly well on Auradon. Well, at least most of them are. For Mal, the pressure to be royally perfect is too intense, so she returns to her rotten roots on the Isle of the Lost. But Mal soon finds that her archenemy, Uma, the daughter of Ursula, has taken her spot as self-proclaimed Princess of Evil. Even worse, Uma has a plan to destroy Auradon—and a gnarly gang of pirates to back her up! It's a classic battle between wicked and evil . . . and these kids are made for trouble.

Ride with the tide! Deep beneath the waves, King Triton's powerful trident has passed through the magical barrier that surrounds the Isle of the Lost—keeping villains in and magic out. And when Mal's longtime rival Uma, daughter of Ursula, gets wind of this, she can't believe her luck. The tide has dragged in something good for a change, and Uma is determined to get her wicked hands on it. But first, she needs a pirate crew. A storm is brewing back in Auradon, and when Mal, Evie, Carlos, and Jay hear that the trident has been washed away, they realize they'll have to find it before anyone from the Isle does. Luckily, they seem to have a talent for locating missing magical objects. As Uma readies for the high seas alongside Harry, son of Captain Hook, Gil, son of Gaston, and the toughest rogues on the Isle of the Lost, the reformed villains of Auradon devise their own master plan. And with King Ben away on royal business, they won't have to play by all the rules. Using bad for good can't be totally evil, right? The thrilling, perilous race to the trident pits old friends—and current enemies—against each other with the future of Auradon on the line. Both teams might like to make waves, but only one will come out on top of this one.

There's no place like home. Especially if home is the infamous Isle of the Lost. Mal, Evie, Carlos, and Jay haven't exactly turned their villainous noses up at the comforts of Auradon after spending their childhoods banished on the Isle. After all, meeting princes and starring on the Tourney team aren't nearly as terrible as Mal and her friends once thought they would be. But when they receive a mysterious invitation to return to the Isle, Mal, Evie, Carlos, and Jay can't help feeling comfortable in their old hood—and their old ways. Not everything is how they left it, though, and when they discover a dark mystery at the Isle's core, they'll have to combine all of their talents in order to save the kingdom.

When the pressure to be royally perfect becomes too much for Mal, she returns to the Isle of the Lost, where Uma, the daughter of Ursula, has proclaimed herself queen. Still resentful over not being selected to go to Auradon Prep with the other VKs, Uma and her pirate gang plot to break the barrier between the Isle and Auradon, and unleash all of the villains imprisoned on the Isle, once and for all. You'll be chillin' like a villain with the Disney Descendants 2 Cinestory Comic, a wickedly cool, graphic novel-style adaptation of the smash hit film.
