Sixteen-year-old Xelai grew up without a family, but it never bothered her. Through years of dragon attacks on her town, Xelai has learned to never make any friends, and keep her life only to her own. Everything becomes dry and stale, and dealing with the dragon is more annoying than threatening. Until it crumbles down. Disheartened and out of ideas, the town moves on. But Xelai was pushed too far, too long ago, to let her life slip away so easily. When given the chance to start over, Xelai makes a decision that will change her entire life completely. And despite attacks from everywhere, even beyond the dragon himself, Xelai begins to learn what trust is—from the very man she least expected to trust.

'Refreshing, heartfelt and humble...a game changer in promoting positive mental health' Sarah Turner, bestselling author of THE UNMUMSY MUM There's a damaging misconception in society that putting ourselves first is an act of selfishness. But self-care is not just a millennial buzzword. Without the restorative power of self-care, how will we ever escape the vicious circle where we're sick and fed-up of feeling sick and fed-up? Self-care is a tool, accessible to us all, which helps us to take responsibility for our own happiness - our physical, emotional, psychological and social needs. Jayne Hardy, founder and CEO of The Blurt Foundation, argues that it is the best preventative measure available to us to combat overwhelmedness, stress and ill health, in our hectic, modern world. The Self-Care Project is for those who have been feeling off-kilter for a while but have not been able to put the finger on the 'why'. It is a no-nonsense,

practical journey to help you do just that. It'll walk you through the case for self-care (why it's so darn important), why it isn't selfish at all, help you explore what self-care means for you, what your obstacles might be and provide advice on how to chisel out daily space for self-care in a practical, achievable and realistic way. 'Reading this is like a therapy session with a trusted, empathetic friend determined to help you turn things around, minus any irritating self-righteousness' The Independent

Let's be honest, the life you lead isn't what you've always dreamt. And maybe the person you've become isn't who you've always imagined. Sure, you can clean it up. You can work longer, love harder, and eat better. You can scrub the surface of your life until it gleams and still never address the fact that somehow you lost sight of who you really are and what you're living for. Is this the life you were meant to live? As the child of Nigerian immigrants in the UK, author and speaker Jo Saxton knows firsthand how quickly the world can cause us to doubt our dreams and question who we are. She understands how easily we can exchange our true child-of-God selves for an identity built on lies, guilt, and brokenness. In this powerful book, Jo examines Biblical figures and shares her personal story as she invites you to turn to the One who knows you intimately and loves you deeply. He sees all you've struggled to hide. He hears the voice inside you that others have silenced. He knows the potential and purpose that no one valued. He longs to redeem the story of your life and set you on the path to reclaim The Dream of You. Are you ready?
