This book explores one of the central questions that has haunted husbands and wives and lovers over the millennia of history: What kind of afterlife might they expect for their love once one or both of them have died? Focusing on the evolution of ideas about posthumous love within medieval and early modern Europe, the book includes many religions and cultures in order to understand how expectations about the afterlife differed across traditions.

The Encyclopedia of Nineteenth-Century Photography is the first comprehensive encyclopedia of world photography up to the beginning of the twentieth century. It sets out to be the standard, definitive reference work on the subject for years to come. Its coverage is global – an important ‘first’ in that authorities from all over the world have contributed their expertise and scholarship towards making this a truly comprehensive publication. The Encyclopedia presents new and ground-breaking research alongside accounts of the major established figures in the nineteenth century arena. Coverage includes all the key people, processes, equipment, movements, styles, debates and groupings which helped photography develop from being ‘a solution in search of a problem’ when first invented, to the essential communication tool, creative medium, and recorder of everyday life which it had become by the dawn of the twentieth century. The sheer breadth of coverage in the 1200 essays makes the Encyclopedia of Nineteenth-Century Photography an essential reference source for academics, students, researchers and libraries worldwide.

This book is a history of love and the challenge love offers to the laws and customs of its times and places, as told through poetry from the Song of Songs to John Milton's Paradise Lost. It is also an account of the critical reception afforded to such literature, and the ways in which criticism has attempted to stifle this challenge. Bryson and Movsesian argue that the poetry they explore celebrates and reinvents the love the troubadour poets of the eleventh and twelfth centuries called fin'amor: love as an end in itself, mutual and freely chosen even in the face of social, religious, or political retribution. Neither eros nor agape, neither exclusively of the body, nor solely of the spirit, this love is a middle path. Alongside this tradition has grown a critical movement that employs a 'hermeneutics of suspicion', in Paul Ricoeur's phrase, to claim that passionate love poetry is not what it seems, and should be properly understood as worship of God, subordination to Empire, or an entanglement with the structures of language itself – in short, the very things it resists. The book engages with some of the seminal literature of the Western canon, including the Bible, the poetry of Ovid, and works by English authors such as William Shakespeare and John Donne, and with criticism that stretches from the earliest readings of the Song of Songs to contemporary academic literature. Lively and enjoyable in its style, it attempts to restore a sense of pleasure to the reading of poetry, and to puncture critical insistence that literature must be outwitted. It will be of value to professional, graduate, and advanced undergraduate scholars of literature, and to the educated general reader interested in treatments of love in poetry throughout history.

The early modern and modern cultural world in the West would be unthinkable without Petrarch and Boccaccio. Despite this fact, there is still no scholarly contribution entirely devoted to analysing their intellectual revolution. Internationally renowned scholars are invited to discuss and rethink the historical, intellectual, and literary roles of Petrarch and Boccaccio between the great model of Dante's encyclopedia and the ideas of a double or multifaceted culture in the era of Italian Renaissance Humanism. In his lyrical poems and Latin treatises, Petrarch created a cultural pattern that was both Christian and Classical, exercising immense influence on the Western World in the centuries to come. Boccaccio translated this pattern into his own vernacular narratives and erudite works, ultimately claiming as his own achievement the reconstructed unity of the Ancient Greek and Latin world in his contemporary age. The volume reconsiders Petrarch's and Boccaccio's heritages from different perspectives (philosophy, theology, history, philology, paleography, literature, theory), and investigates how these heritages shaped the cultural transition between the end of the Middle Ages and the early modern era, as well as European identity.

Marta Traba, one of Latin America's most controversial art critics, examines the works of over 1,000 artists from the first 80 years of the 20th century. This book is an indispensable reference for anyone interested in studying the evolution of Latin American art.

In Dream Story, a married couple are first traumatized and then achieve a new depth of understanding by confessing to each other their sexual fantasies, dream-like adventures and might-have-beens. Taking us on a guided tour of Vienna's seedy cafés, red-light district, decadent villas, hospitals and morgue, Schnitzler brilliantly uncovers the violence and depravity lurking beneath the surface of civilized society. Like his Viennese contemporary Sigmund Freud, the doctor and writer Arthur Schnitzler was a bold pioneer in exploring the dark tangled roots of human sexuality.

The present study addresses problems of an epistemological nature which hinge on the question of how to define Jewish thought. It will take its start in an ancient question, that of the relationship between Jewish culture, Greek philosophy, and then Greco-Roman (and Christian) thought in connection with the query into the history and genealogy of wisdom and knowledge. Our journey into the history of the denomination 'Jewish philosophy' will include a leg that will lead us to certain declarations of political, moral, and scientific principles, and

then on to the birth of what is called *philosophia perennis* or, in Christian circles, *prisca theologia*. Our subject of inquiry will thus be the birth of the concept of Jewish philosophy, Jewish theology and Jewish philosophy of religion. A special emphasis will fall on the topic treated in the last part of this study: Jewish scepticism, a theme that involves a philosophical attitude founded on dialectical "enquiry", as the etymology of the Greek word *skepsis* properly means.

This title is part of UC Press's Voices Revived program, which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1991. Sex is the most important thing in the world. Women, men and couples tell their true sex stories. Gloria Hole has been living in Hamburg for many years. She worked there as a whore. To this day, she makes the hearts of the men beat faster. With great sensitivity, she understands how to pass on her experiences to young men. She is known as a teacher for young men who want to learn the arts of love. With a lot of passion and genuine desire, she is part of it and is still pursuing her old profession as a hobby. Many men have lost their innocence. I am not a professional writer. Rather, it is a private concern to let other people participate in these sex stories or even to encourage themselves to become active. Meanwhile, she had written many sex stories about and for sexual open-minded people. Sex and erotic short stories in English, from 18 years, are their great passion. Especially from the areas: Analsex, Groupsex, Cuckold, Femdom, Outdoorsex, Swingersex, Wifesharing, Dirty Talk, Milf and Omasex. For her there is no taboo. She also likes to write about mature men and young women, school girls (the girls are over 18), the first time sex, outgoings, fling and lesbian love. Erotic must be porn, uncensored and hardcore for her. Written in a clear and expressive language. Sex stories must be like a porn for the head to the reader. This is exactly what is going on in my sex books. Erotic books the man and woman make sharp.

Argues that German classical philology personified antiquity and imagined scholarship as an inter-personal relationship with it.

In works by filmmakers from Bertolucci to Spielberg, debauched images of nazi and fascist eroticism, symbols of violence and immorality, often bear an uncanny resemblance to the images and symbols once used by the fascists themselves to demarcate racial, sexual, and political others. This book exposes the "madness" inherent in such a course, which attests to the impossibility of disengaging visual and rhetorical constructions from political, ideological, and moral codes. Kriss Ravetto argues that contemporary discourses using such devices actually continue unacknowledged rhetorical, moral, and visual analogies of the past. Against postwar fictional and historical accounts of World War II in which generic images of evil characterize the nazi and the fascist, Ravetto sets the more complex approach of such filmmakers as Pier Paolo Pasolini, Liliana Cavani, and Lina Wertmuller. Her book asks us to think deeply about what it means to say that we have conquered fascism, when the aesthetics of fascism still describe and determine how we look at political figures and global events. Book jacket.

Forma d'amore, eppure diversissima dall'innamoramento, l'amicizia si costruisce nel tempo, con gradualità, si nutre di certezze, di reti, di complicità, di attività condivise. È una relazione paritaria, che nasce da un incontro profondo. Ma in un mondo come il nostro, che punta tutto sulla velocità, sul possesso, sulla precarietà, in una società in cui l'unico motore appare il cambiamento continuo, c'è ancora spazio, e tempo, per costruire un simile rapporto? Alberoni ripercorre la storia di un concetto che ha assunto nei secoli connotazioni diverse, fino a quelle odierne, a volte perfino negative l'amicizia può essere allora intesa come sinonimo di raccomandazione o relazione d'interesse -, per cogliere, dietro ai mutamenti, la natura più intima e immutabile di questo sentimento: una forma di passione basata sulla fiducia e sulla reciprocità. Nello studio di uno dei maggiori esperti dell'affettività umana, evoluzione e rinascita di un legame indispensabile, raro e prezioso.

Conceived as a necessary reconsideration of the pristine "elegiac question" in Ovid's *Metamorphoses*, this book intends to offer an analysis of the function of elegiac discourse within Ovid's magnum opus from the perspective of metapoetics. To that end, the author undertakes, in the first section, a close re-reading of some relevant passages of Latin love elegy. From a prism that takes into account the characteristically elegiac multivocality, the genre reveals itself as an agonistic discourse in which the poet dramatises his metaliterary power-relation with the puella, who is unveiled as the synthesis of the distinct sub-products of his poetic activity. Thereupon, the author proceeds to scrutinise how elegiac elements are assimilated and transformed as they become integrated within the framework of Ovid's poem of changing forms. Far from being a mere stylistic ornament, the presence of an elegiac register in many erotic passages tells us about Ovid's stance towards love as a metapoetic trope. By reworking elegiac tradition to the point of transforming it into a *novum corpus*, the poet ultimately substantiates the mutability of generic categories.

Essays discuss poetry, communication, television, form, aesthetics, bad taste, and art

Gaius Valerius Catullus is one of Rome's greatest surviving poets and also one of the most popular Latin authors. Comprehensive treatments of his work have been hindered, however, by the problems posed by the Catullan collection as it has come down to us. Although many scholars now believe that Catullus did publish his verse in one or more small volumes (*libelli*), the theory that these books were rearranged after his death means that individual pieces continue to be read and analyzed separately, without reference to their placement within the collection. Skinner challenges this theory of posthumous editorship by offering a unified reading of Catullus' elegiac poetry (poems 65-116 in our collection) and arguing that it constitutes what was once a separately circulated *libellus* whose authorial arrangement has been preserved intact. Purportedly issued from the poet's native city, Verona, to his Roman readership, the volume presents itself as a valedictory. This reading of the elegiac collection represents a major departure in Catullan studies. The methodological contention that Catullus' elegiac poems are better approached as a single cohesive poetic statement makes this book a valuable new contribution to Catullan scholarship.

The recent exhibitions dedicated to Botticelli around the world show, more than ever, the significant and continued debate about the artist. *Botticelli Past and Present* engages with this debate. The book comprises four thematic parts, spanning four centuries of Botticelli's artistic fame and reception from the fifteenth century. Each part comprises a number of essays and includes a short introduction which positions them within the wider scholarly literature on Botticelli. The parts are organised chronologically beginning with discussion of the artist and his working practice in his own time, moving onto the progressive rediscovery of his work from the late eighteenth to the turn of the twentieth century, through to his enduring impact on contemporary art and design. Expertly written by researchers and eminent art historians and richly illustrated throughout, the broad range of essays in this book make a valuable contribution to Botticelli studies.

Vi ricordate Bea e Luca? Un banale scambio di cellulari aveva legato per sempre le loro vite. È passato un anno, e mentre loro due si rincorrono su e giù per l'Europa, per trascorrere insieme più tempo possibile anche quando si tratta solo di brevi, romantici weekend, Ginevra, la dolce sposina che era stata piantata all'altare, ora lavora per Bea nell'agenzia *Nozze da Sogno*. E per lavoro viene mandata a Positano, dove l'aria è piena d'amore e nessuno riesce a sfuggirvi. Qui incontra lo scorbutico ma affascinante Carl, proprietario della villa in cui si svolgerà un elegantissimo matrimonio. Carl fa subito breccia nel cuore di Ginevra, ma sarà saggio fidarsi di una persona che nasconde un passato di cui non vuol parlare, quando si ha il cuore ancora ferito? Anche per Claudio, l'assistente tutt'fare di Bea, sembra arrivare un bel principe azzurro Ma come sempre dopo il lavoro, anzi: dopo il rinfresco! Fra imprevisti sul lavoro e nella vita, battibecchi e tanto romanticismo, ogni cosa cambierà per sempre. E forse è proprio

così che tutto andrà al suo posto. Dopo il successo di "Quando l'amore chiama", un'altra puntata della storia d'amore più romantica ai tempi di WhatsApp. Mood: Romantico - YouFeel è un universo di romanzi digital only da leggere dove vuoi, quando vuoi, scegliendo in base al tuo stato d'animo il mood che fa per te: Romantico, Ironico, Erotico ed Emozionante. Proibito è quello che siamo... Avevo 10 anni. Tu 19 Volevi essere uno chef. Mia madre ti ha reso una star. Ho 24 anni. Tu 33. Tu detieni il record per l'Uomo più Sexy Esistente. Io sono sempre la ragazza dispersa, rifiutata e danneggiata che non riesce a trovarsi da nessuna parte se non tra le tue braccia proettive. Ti amavo quando avevo 10 anni. Ti amo adesso. Mi chiami migliore amica, e mi vedi ancora come una bambina. Ho 25 anni con un uomo in ginocchio davanti a me. Tu stai guardando attraverso il vetro. Tutto quello che ho bisogno è una parola da te. Ma tu hai un segetreto che può distruggerci entrambi. Ti conosco da tutta la vita. Ti amo da tutta la vita. Non ho mai pensato che quando sarei morta, sarene stato a causa tua. Questo NON è un romanzo mafioso. Il Rubacuori Italiano è un romanzo indipendente di amore proibito, da amici ad amanti, Le tematiche oscure potrebbero farvi piangere, Assicuratevelo ora, perché dovete.

Nessuno conosce le proprie risorse, finché non si mette alla prova. Isabella Magri è una giovane donna che aspira al giornalismo d'assalto ma è relegata, invece, alla rubrica della critica gastronomica. Ha un fidanzato con un quoziente di romanticismo che rasenta lo zero. Ma soprattutto ha un cruccio: quei sei-sette chili di troppo che non la fanno mai piacere abbastanza. Isabella insegue un duplice desiderio: una magnifica carriera come vera giornalista e una taglia 42! Grazie a quello che all'inizio reputa una trovata geniale che le permetterà di realizzare entrambi i suoi sogni, si ritroverà ben presto imprigionata in una situazione che rischia di sfuggirle di mano su tutti i fronti. Tra brutte figure, stati d'animo contrastanti, motivazioni, obiettivi, e l'aiuto di altre persone che, come lei, seguono la dieta del momento, un dubbio si farà avanti nella vita di Isabella: sarà davvero così importante essere magra? Mood: ironico - YouFeel RELOADED dà nuova vita ai migliori romanzi del self publishing italiano. Un universo di storie digital only da leggere dove vuoi, quando vuoi, scegliendo in base al tuo stato d'animo il mood che fa per te: Romantico, Ironico, Erotico ed Emozionante.

DIVThe definitive guide to the composers, artists, bands, musical instruments, dances, and institutions of Cuban music./div Jeffrey N. Cox refines our conception of 'second generation' Romanticism by placing it within the circle of writers around Leigh Hunt that came to be known as the 'Cockney School'. Offering a theory of the group as a key site for cultural production, Cox challenges the traditional image of the Romantic poet as an isolated figure by recreating the social nature of the work of Shelley, Keats, Hunt, Hazlitt, Byron, and others, as they engaged in literary contests, wrote poems celebrating one another, and worked collaboratively on journals and other projects. Cox also recovers the work of neglected writers such as John Hamilton Reynolds, Horace Smith, and Cornelius Webb as part of the rich social and cultural context of Hunt's circle. This book not only demonstrates convincingly that a 'Cockney School' existed, but shows that it was committed to putting literature in the service of social, cultural, and political reform.

Gettando le basi della Terapia della Gestalt, Fritz Perls sostituì il primato della libido di Freud con il concetto di aggressività dentale. Da allora, i gestaltisti si sono sempre meno interessati alla sessualità e hanno considerato l'aggressività solo c

I LOVE this author. I absolutely LOVE this series. It was perfect all the way. I can't wait to read the next one. 5 Star, Sandra For years, bomb expert Brad Crosby has been the star of my dreams. But I'm a pastry chef whose makeup consists of a dusting of powdered sugar on my nose. A far cry from the put-together girls he prefers. Until he crawls into the wrong bed, and wakes up with the wrong woman—me. He's not into permanent—not anymore—and I readily agree to his rules. One affair. Thirty days. Soon enough we're burning up the night, and I want more...I want everything. What is it going to take to prove to the bomb expert that this isn't going to blow up in his face, and that some rules were made to be broken. Each book in the Line of Duty Series can be read as a Standalone. His Obsession Next Door His Trouble in Tallulah His Taste of Temptation His Moment to Steal His Best Friend's Girl His Reason to Stay His Strings to Pull (Novella)

This book explores the tangled relationship between literary production and epistemological foundation as exemplified in one of the masterpieces of Italian literature. Filippo Andrei argues that Giovanni Boccaccio's Decameron has a significant though concealed engagement with philosophy, and that the philosophical implications of its narratives can be understood through an epistemological approach to the text. He analyzes the influence of Dante, Petrarch, Thomas Aquinas, Aristotle, and other classical and medieval thinkers on Boccaccio's attitudes towards ethics and knowledge-seeking. Beyond providing an epistemological reading of the Decameron, this book also evaluates how a theoretical reflection on the nature of rhetoric and poetic imagination can ultimately elicit a theory of knowledge.

NEW YORK TIMES bestselling author J.C. Reed returns with a new story of love and mystery... When a sexy encounter comes like a dream and leaves like a nightmare... Brooke Stewart thinks she's finally safe. After witnessing the crime of a killer, she can move on from her past. But after one night at the Trio Hotel and meeting the sexy stranger with the green eyes that can steal one's soul, her life is changed forever. Passions run deep. The game is supposed to be for one night with no strings attached. What she doesn't know is that the sexy stranger has an agenda of his own. Brooke Stewart has something he desperately wants, something he can't admit to the woman he tries to get to surrender. A secret so deep it would upend her life if she found out too soon. He's almost reached his goal, and then she gets a letter she was not meant to read. Suddenly, secrets get a completely new meaning. Is the past really ever the past? Book 1 in the No Exceptions series. Book 2, The Lover's Game, will be out in September 2014.

"This book is a history of love and the challenge love offers to the laws and customs of its times and places, as told through poetry from the Song of Songs to John Milton's Paradise Lost. It is also an account of the critical reception afforded to such literature, and the ways in which criticism has attempted to stifle this challenge. Bryson and Movsesian argue that the poetry they explore celebrates and reinvents the love the troubadour poets of the eleventh and twelfth centuries called fin'amor: love as an end in itself, mutual and freely chosen even in the face of social, religious, or political retribution. Neither eros nor agape, neither exclusively of the body, nor solely of the spirit, this love is a middle path. Alongside this tradition has grown a critical movement that employs a 'hermeneutics of suspicion', in Paul Ricoeur's phrase, to claim that passionate love poetry is not what it seems, and should be properly understood as worship of God, subordination to Empire, or an entanglement with the structures of language itself - in short, the very things it resists. The book engages with some of the seminal literature of the Western canon, including the Bible, the poetry of Ovid, and works by English authors such as William Shakespeare and John Donne, and with criticism that stretches from the earliest readings of the Song of Songs to contemporary academic literature. Lively and enjoyable in its style, it attempts to restore a sense of pleasure to the reading of poetry, and to puncture critical insistence that literature must be outwitted. It will be of value to professional, graduate, and advanced undergraduate scholars of literature, and to the educated general reader interested

in treatments of love in poetry throughout history." This work was published by Saint Philip Street Press pursuant to a Creative Commons license permitting commercial use. All rights not granted by the work's license are retained by the author or authors.

Attempting to bridge the gap between specialised scholarship in the humanistic disciplines and an interdisciplinary project of cultural analysis, Mieke Bal has written an intellectual travel guide that charts the course 'beyond' cultural studies. As with any guide, it can be used in a number of ways and the reader can follow or willfully ignore any of the paths it maps or signposts. Bal's focus for this book is the idea that interdisciplinarity in the humanities - necessary, exciting, serious - must seek its heuristic and methodological basis in concepts rather than its methods. Concepts are not grids to put over an object. The counterpart of any given concept is the cultural text or work or 'thing' that constitutes the object of analysis. No concept is meaningful for cultural analysis unless it helps us to understand the object better on its own terms. Bal offers the reader a sustained theoretical reflection on how to 'do' cultural analysis through a tentative practice of doing just that. This offers a concrete practice to theoretical constructs, and allows the proposed method more accessibility. Please note: illustrations have been removed from the ebook at the request of the rightsholder.

Lei si fa chiamare Mary Jane, anche se il suo vero nome è Maria Gennara: è una chef italiana che nella sua cucina, fatta di piatti genuini e biologici, coniuga tradizione e innovazione. Lui è Rick, un texano amante delle donne e convinto che hamburger e patatine fritte siano la base della cultura americana. A legarli è un ristorante a New York e un'attrazione fisica che supera ragionamenti e antipatie. Ma se lei fugge dalla Grande Mela (e da un certo cowboy sexy) e lui decide di seguirla a Napoli, cosa potrà succedere? Imparerà Rick ad apprezzare ricette piccanti e cibo verace? E riuscirà Mary Jane a venire a patti con i propri sentimenti? Tra parenti impiccioni, equivoci e sorprese, i due scopriranno che l'amore non è bello se non è litigarello. Un romanzo in cui romanticismo, attrazione, ironia e un po' di pepe sono gli ingredienti di una storia d'amore perfetta. Ogni fonte razionale e attendibile del passato affidata alla nostra Madre-Terra dallo Spirito della Storia e un messaggio, elegante e sofisticato, che il Signore consegna nelle mani dell'uomo per invitarlo, con cortese e gentile raffinatezza, alle sue future e attesissime nozze, che si avranno in un non-luogo decorato con estro creativo dalla stupendissima Signora delle Forme."

Sexuality in Adolescence: The Digital Generation provides a comprehensive and up-to-date overview of research and theory about adolescent sexuality in today's world. The book examines biological, social and health-related approaches and reviews qualitative and quantitative research from psychology, sociology, epidemiology and medicine, emphasising the interplay between perspectives and privileging the voices of young people as they discuss the joys and pains of sexual awakening. The focus is on understanding healthy sexual development and its many variations, but problems and issues arising as young people make their journey to adult sexuality are also considered. The book presents global research on many key issues of our time, including the impact of media and technology on adolescent sexuality, changes in adolescent sexual behaviors and beliefs, sexual risk taking, sex education, and teen pregnancy and abortion. This fully revised and updated third edition of Sexuality in Adolescence also addresses the crucial issues of sexual diversity, sexual safety and sexual communication, including coercion, peer pressure and double standards. In Sexuality in Adolescence: The Digital Generation, the authors aim to promote sexual wellbeing, and argue for the importance of the adolescent period as a time for engendering healthy sexual attitudes and practices. This book will be valuable reading for students in the social, behavioural and health sciences who are interested in adolescent development and the topic of sexuality, as well as for professionals working with young people and families.
