Simon Basset, the irresistible Duke of Hastings, has hatched a plan to keep himself free from the town's marriage-minded society mothers. He pretends to be engaged to the lovely Daphne Bridgerton. After all, it isn't as if the brooding rogue has any real plans to marry - though there is something about the alluring Miss Bridgerton that sets Simon's heart beating a bit faster. And as for Daphne, surely the clever debutante will attract some very worthy suitors now that it seems a duke has declared her desirable. But as Daphne waltzes across ballroom after ballroom with Simon, she soon forgets that their courtship is a complete sham. And now she has to do the impossible and keep herself from losing her heart and soul completely to the handsome hell-raiser who has sworn off marriage forever!

Spicy. Sweet. Tasty. Tart. No . . . were not talking about the lovely ladies of Wisteria Lane, but their cooking. Bree, Susan, Lynette, and Gabrielle may not be traditional housewives, but they do have their special talents in the kitchen. In *The Desperate Housewives Cookbook*, they share those recipes . . . and so much more! Tune in to ABC's monster hit *Desperate Housewives* on any given Sunday night, and you'll salivate over everything from Bree's ber-gourmet repasts to Susan's what's-a-spatula simple suppers. They may have wildly different personalities and story lines, but if there's one thing the four heroines have in common, it's food. In *The Desperate Housewives Cookbook*, the show's millions of fans will find recipes for all the foods made famous by the show, as well as many others inspired by each housewife. For example: -Bree's elegant, impressive dinners feature dishes like Basil Pure Soup, Braised Duck, and Chicken Cutlets Saltimbocca. -Lynette's time-challenged lifestyle leads to quick, healthy, everyday fare like French Toast for Breakfast (or Dinner) with Blueberry Syrup; Warm Turkey, Muenster, and Coleslaw Wraps; and Potato Casserole. -Susan's lack of kitchen skills means that her dishes are of the couldn't-be-simpler (but still mouthwatering) variety, like a Salad of Roasted Peppers, Fresh Mozzarella, and Arugula; Foolproof Macaroni and Cheese; Chocolate Butterscotch Bars; and Garlic Mashed Potatoes. -Gabrielle enjoys the finest things in life -- and food is no exception. Her meals are gourmet, and most definitely prepared by a personal chef. Her faves include Shrimp with Chorizo and Red Pepper, Guacamole with Warm Chips, and Pineapple-Peach Smoothies. -Edie uses food for seduction as much as for sustenance. Her sensual favorites include Oysters Poached in Champagne and Cream, Sausage Puttanesca, and Ambrosia.

And more! Patricia Campbell's life has never felt smaller. Her husband is a workaholic, her teenage kids have their own lives, her senile mother-in-law needs constant care, and she's always a step behind on her endless to-do list. The only thing keeping her sane is her book club, a close-knit group of Charleston women united by their love of true crime. At these meetings they're as likely to talk about the Manson family as they are about their own families. One evening after book club, Patricia is viciously attacked by an elderly neighbor, bringing the neighbor's handsome nephew, James Harris, into her life. James is well traveled and well read, and he makes Patricia feel things she hasn't felt in years. But when children on the other side of town go missing, their deaths written off by local police, Patricia has reason to believe James Harris is more of a Bundy than a Brad Pitt. The real problem? James is a monster of a different kind—and Patricia has already invited him in. Little by little, James will insinuate himself into Patricia's life and try to take everything she took for granted—including the book club—but she won't surrender without a fight in this blood-soaked tale of neighborly kindness gone wrong.

On a hot summer day in 1923 a young housemaid stumbles upon the gruesome remnants of a tragic double homicide. As the years pass, several other unexplained deaths take place in the seemingly haunted upstairs bedrooms of the stately beach house known as 'Cliff's End'. Finally abandoned by its owners, Cliff's End sits deserted for more than half a century until an American teacher on a tour of Europe decides to buy the old place. *Uninvited Guests* tells the story of Kevin Grinelle who, enchanted by the derelict cottage overlooking the craggy, windswept seacoast of southern England and charmed by the eccentric villagers of Porthallow, decides on a whim to purchase the house. A chance meeting with a handsome neighbor leads to a long overdue reexamination of his sexuality at the same time that the increasingly sinister late night disturbances at Cliff's End send the young expatriate on a desperate search for the truth about that terrible night in the summer of 1923.

A weekly review of politics, literature, theology, and art.

Tina Turner is the Queen of Rock 'n' Roll, a musical icon celebrating her 60th year in the industry. In this dramatic autobiography, she tells the story of a truly remarkable life in the spotlight. From her early years picking cotton in Nutbush, Tennessee to her rise to fame alongside Ike Turner, and finally to her phenomenal success in the 1980s and beyond, Tina candidly examines her personal history, from her darkest hours to her happiest moments and everything in between. Brimming with her trademark blend of strength, energy, heart and soul, *My Love Story* is a gripping, surprising memoir, as memorable and entertaining as any of her greatest hits.

It took Julie Macfarlane a lifetime to say the words out loud – the words that finally broke the calm and traveled farther than she could have imagined. In this clear-eyed account, she confronts her own silence and deeply rooted trauma to chart a remarkable course from sexual abuse victim to agent of change. *Going Public* merges the worlds of personal and professional, activism and scholarship. Drawing upon decades of legal training, Macfarlane decodes the well-worn methods used by church, school, and state to silence survivors, from first reporting to cross-examination to non-disclosure agreements. At the same time, she lays bare the isolation and exhaustion of going public in her own life, as she takes her abuser to court, challenges her colleagues, and weathers a defamation Lawsuit. The result is far more than a memoir. It's a courageous and essential blueprint on how to go toe-to-toe with the powers behind institutional abuse and protectionism. At long last, Macfarlane's experiences bring her to the most important realization of her life: that only she can stand in her own shoes, and only she can stand up and speak about what happened to her.

The pressure is on for the last of the Belmont brothers to marry or settle down before his father passes away and in order to keep his inheritance in the Belmont Hotel Empire. Gorgeous hotel heir and social recluse Leonardo Belmont doesn't know if he'll be able to fulfill his father's dying wish. He's already been hurt in love and plagued with guilt over his late wife's mysterious death. He's got way too much baggage to get close to another woman. That is until he meets a lovely damsel in distress, a hot blond with a sweet hint of a Jamaican accent, on the beach. A relationship is the last thing on missing pet response volunteer Honesty Moore's mind. Her ex-fiancé called off their wedding and decided to elope with her maid of honor instead—her best friend. But she won't let that bring her down. As they say in Jamaica, worrying doesn't solve problems. Needless to say, her heart has a wall around it to protect her. And she's focusing on a new life when she moves back to Belmont taking care of her late grandmother's old cottage on the lake. But when she bumps into her neighbor, too-sexy-for-his-own-good Leonardo Belmont, on the beach, he derails her plans into a sea of forbidden territory. Will he melt the protective wall she built around her heart? Can two broken hearts find true love together?

Although many opera dictionaries and encyclopedias are available, very few are devoted exclusively to operas in a single language. In this revised and expanded edition of *Operas in English: A Dictionary*, Margaret Ross Griffel brings up to date her original work on operas written specifically to an English text (including works both originally prepared in English, as well as English translations). Since its original

publication in 1999, Griffel has added nearly 800 entries to the 4,300 from the original volume, covering the world of opera in the English language from 1634 through 2011. Listed alphabetically by letter, each opera entry includes alternative titles, if any; a full, descriptive title; the number of acts; the composer's name; the librettist's name, the original language of the libretto, and the original source of the text, with the source title; the date, place, and cast of the first performance; the date of composition, if it occurred substantially earlier than the premiere date; similar information for the first U.S. (including colonial) and British (i.e., in England, Scotland, or Wales) performances, where applicable; a brief plot summary; the main characters (names and vocal ranges, where known); some of the especially noteworthy numbers cited by name; comments on special musical problems, techniques, or other significant aspects; and other settings of the text, including non-English ones, and/or other operas involving the same story or characters (cross references are indicated by asterisks). Entries also include such information as first and critical editions of the score and libretto; a bibliography, ranging from scholarly studies to more informal journal articles and reviews; a discography; and information on video recordings. Griffel also includes four appendixes, a selective bibliography, and two indexes. The first appendix lists composers, their places and years of birth and death, and their operas included in the text as entries; the second does the same for librettists; the third records authors whose works inspired or were adapted for the librettos; and the fourth comprises a chronological listing of the A–Z entries, including as well as the date of first performance, the city of the premiere, the short title of the opera, and the composer. Griffel also include a main character index and an index of singers, conductors, producers, and other key figures.

In the executive offices of the four major networks, sweeping changes are taking place and billions of dollars are at stake. Now Bill Carter, bestselling author of *The Late Shift*, goes behind the scenes to reveal the inner workings of the television industry, capturing the true portraits of the larger-than-life moguls and stars who make it such a cutthroat business. In a time of sweeping media change, the four major networks struggle for the attention of American viewers increasingly distracted by cable, video games, and the Internet. Behind boardroom doors, tempers flare in the search for hit shows, which often get on the air purely by accident. The fierce competition creates a pressure-cooker environment where anything can happen . . . NBC's fall from grace—Once the undisputed king of prime time, NBC plunged from first place to last place in the ratings in the course of a single season. What will be the price of that collapse—and who will pay it? CBS's slow and steady race to the top—Unlike NBC, CBS, under the leadership of CEO, Leslie Moonves, engineered one of the most spectacular turnarounds in television history. But in this ruthless world, you're only as good as last week's ratings . . . ABC's surprising resurrection—*Lost* and *Desperate Housewives*—have brought ABC the kind of success it could only dream of in the past. So why don't the executives responsible for those hits work there any more? *The End of the News As We Know It*—In a stunningly short period of time, all three of the major network news anchors—Dan Rather, Tom Brokaw, and Peter Jennings—signed off, leaving executives scrambling for a way to keep network news relevant in an era of 24/7 information. *Crazy Like Fox*—They're outrageous, unconventional, and occasionally off-putting, but more and more people are watching Fox shows. Most of all they keep watching *American Idol*. How did Simon Cowell snooker himself into a huge payday? Stay tuned . . .

He'll marry the maid to get \$50 million, but a secret could queer the deal. Taylor Fitzgerald needs a last-minute bride. On the eve of his twenty-fifth birthday, he discovers his billionaire daddy is screwing him out of his grandfather's inheritance. The only way out? Marry a woman before midnight. And there's only one place to do it - Las Vegas. When his first plan falls through, Taylor focuses in on a crazy plot - marry the hotel maid! The beautiful Ally May, with the voice of an angel, has her own reasons to want to escape Las Vegas, so she could be his answer. Just one problem. Taylor needs to marry a woman - and Ally isn't one. *TAYLOR MAID* is a marry-by-midnight or lose-the-inheritance, arranged marriage, boy-dressed-as-a-girl, mistaken identity MM romance - with some fabulous cross-dressing.

When a beautiful princess refuses to marry the prince her father has chosen, her father is furious and locks her in a tower. She has seven long years of solitude to think about her insolence. But the princess is not entirely alone - she has her maid, Dashti.

Petulant and spoilt, the princess eats the food in their meagre store as if she were still at court, and Dashti soon realises they must either escape or slowly starve. But during their captivity, resourceful Dashti discovers that there is something far more sinister behind her princess's fears of marrying the prince, and when they do break free from the tower, they find a land laid to waste and the kingdom destroyed. They were safe in the tower, now they are at the mercy of the evil prince with a terrible secret. Thrilling, captivating, and a masterful example of storytelling at its best. The princess's maid is a feisty and thoroughly modern heroine, in this wonderfully timeless story.

Short subject films have a long history in American cinemas. These could be anywhere from 2 to 40 minutes long and were used as a "filler" in a picture show that would include a cartoon, a newsreel, possibly a serial and a short before launching into the feature film. Shorts could tackle any topic of interest: an unusual travelogue, a comedy, musical revues, sports, nature or popular vaudeville acts. With the advent of sound-on-film in the mid-to-late 1920s, makers of earlier silent short subjects began experimenting with the short films, using them as a testing ground for the use of sound in feature movies. After the Second World War, and the rising popularity of television, short subject films became far too expensive to produce and they had mostly disappeared from the screens by the late 1950s. This encyclopedia offers comprehensive listings of American short subject films from the 1920s through the 1950s.

How does this ménage a trois story sound? Our Threesome with Arnie (And My First Time with a Woman!) A New Adult First Lesbian Sex Erotica Story by Karla Sweet When Ashley confessed to me that she'd had experiences with another girl, I felt a thrill because I'd always wanted to try it too. In fact, I'd always wanted to try it with Ashley. I was nervous, though, and I admitted that all of my fantasies about being with a woman involved being in a threesome. She was happy to oblige, and a little while later my best friend and I were experiencing each other. Arnie was there, too, but this was all about Ashley and me. My first lesbian experience was all I could have hoped for! That's just one of the sexy tales you'll find in this collection. Click now and you can have it on your Kindle device in just seconds. Warning: This ebook contains very explicit descriptions of sexual activity and includes rough sex, first lesbian sex, lesbian seduction, group sex, and more. "[A] sharply observed thriller."—Pop Sugar "Sultry, salacious and utterly unpredictable....You'll devour it."--Riley Sager, New York Times bestselling author of Home Before Dark The Hunting Wives share more than target practice, martinis, and bad behavior in this novel of obsession, seduction, and murder. Sophie O'Neill left behind an envy-inspiring career and the stressful, competitive life of big-city Chicago to settle down with her husband and young son in a small Texas town. It seems like the perfect life with a beautiful home in an idyllic rural community. But Sophie soon realizes that life is now too quiet, and she's feeling bored and restless. Then she meets Margot Banks, an alluring socialite who is part of an elite clique secretly known as the Hunting Wives. Sophie finds herself completely drawn to Margot and swept into her mysterious world of late-night target practice and dangerous partying. As Sophie's curiosity gives way to full-blown obsession, she slips farther away from the safety of her family and deeper into this nest of vipers. When the body of a teenage girl is discovered in the woods where the Hunting Wives meet, Sophie finds herself in the middle of a murder investigation and her life spiraling out of control.

Alisa Valdés-Rodríguez's vibrant, can't-put-it-down novel of six friends--each one an unforgettable Latina woman in her late '20s--and the complications and triumphs in their lives Inseparable since their days at Boston University almost ten years before, six friends form the Dirty Girls Social Club, a mutual support and (mostly) admiration society that no matter what happens to each of them (and a lot does), meets regularly to dish, dine and compare notes on the bumpy course of life and love. Las sucias are: --Lauren, the resident "caliente" columnist for the local paper, which advertises her work with the line "her casa is su casa, Boston," but whose own home life has recently involved hiding in her boyfriend's closet to catch him in the act --Sara, the perfect wife and mother who always knew exactly the life she wanted and got it, right down to the McMansion in the suburbs and two boisterious boys, but who is paying a hefty price --Amber, the most idealistic and artistic

member of the club, who was raised a valley girl without a word of Spanish and whose increasing attachment to her Mexica roots coincides with a major record label's interest in her rock 'n' roll --Elizabeth, the stunning black Latina whose high profile job as a morning television anchor conflicts with her intensely private personal life, which would explain why the dates the other dirty girls set her up on never work out --Rebecca, intense and highly controlled, who flawlessly runs *Ella*, the magazine she created for Latinas, but who can't explain why she didn't understand the man she married and now doesn't even share a room with; and --Usnavys, irrepressible and larger than life, whose agenda to land the kind of man who can keep her in Manolo Blahniks and platanos almost prevents her seeing true love when it lands in her lap. There's a lot of catching up to do.

"Finally, an anthology that brings together a useful selection of essays on *Orange is the New Black*...Netflix's most watched series. Authors pay close critical attention to the show's diverse assemblage of characters, focusing on its production of gender, politics, and intersectional identities. Scholars, teachers, and fans of the show will welcome this book's timely contribution to discussions of one of the most-talked television shows in years."--Dana Heller, Old Dominion University, author of *Loving The L Word* "A timely critique of the popular Netflix series, this volume explores the nexus of race, class, gender and sexuality as both a site of resistance to and reification of oppressive stereotypes, brilliantly illustrating the myriad ways in which the show simultaneously creates and contests hegemonic discourse through its diverse characters and compelling storylines."--Joanne Gilbert, Alma College "Just when you thought queer representations had become as predictably normative as an episode of *Modern Family*, along comes *Orange is the New Black*, a break-out hit for Netflix and an exciting, whirling mess of a series that raises crucial questions about gender, race, class, and sexuality. This wonderful new collection of critical essays plumbs the depths of OINTB, and offers up trenchant analyses that will be of great interest to scholars and students of popular culture, feminist and queer studies, and everyday fans who just can't get enough of these outside-the-box characters."--Suzanna Walters, Editor-in-Chief, *Signs: Journal of Women in Culture and Society*. Since its 2013 premiere, *Orange Is the New Black* has become Netflix's most watched series, garnering critical praise and numerous awards and advancing the cultural phenomenon of binge-watching. Academic conferences now routinely feature panels discussing the show, and the book on which it is based is popular course material at many universities. Yet little work has been published on OINTB. The series has sparked debate: does it celebrate diversity or is it told from the perspective of white privilege, with characters embodying some of the most racist and sexist stereotypes in television history? This collection of new essays is the first to analyze the show's multiple layers of meaning. Examining *Orange Is the New Black* from a number of feminist perspectives, the contributors cover topics such as gender, race, class, sexuality, transgenderism, mass incarceration and the prison industrial complex, disability, and sexual assault.

The unforgettable true story of how a janitor struggling to put food on the table invented Flamin' Hot Cheetos in a secret test kitchen, breaking barriers and becoming the first Latino executive at Frito-Lay. Richard Montanez wasn't supposed to have big dreams. Born to migrant farm workers and mired in grinding generational poverty, he left school in the sixth grade, eventually taking a job mopping floors at Frito Lay's California factory to support his young wife and family. Everything changed when one night, at 28, Montanez took his future in his hands- he used his wife's recipe for chili sauce to season a bag of plain Cheetos he'd snuck home. After an intense process of experimenting and testing, and an incredibly risky call to the company's CEO, breaking with protocol, Montanez launched Flamin' Hot Cheetos. He never expected the onslaught of discrimination, backstabbing, and attempted sabotage-or the chip's explosive success. Flamin' Hot shares the inside story of the world's hottest snack food. Montanez not only disrupted the food industry with some much-needed spice, but also shook up

a corporate culture in which everyone stayed in their lane. When a top food scientist at Frito-Lay sent out a memo telling sales and marketing to kill the new product before it made it to the store shelves-jealous that someone with no formal education beyond the sixth grade could do his job-Montanez was forced to go rogue once again to save his idea. Through creative thinking, community building, and a few powerful mindset shifts, he outsmarted the naysayers who tried to get in his way. This is the inspiring story of a man who made a science out of walking through closed doors. It's also an empowerment manual for anyone stuck in a dead-end job or facing a system stacked against them. Flamin' Hot provides hope that your present circumstances don't have to dictate your future, carving a new path to the American Dream. New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

A riotous romp through Olympus with goddesses for the 21st century. When a new goddess moves to Ambrosia Lane, Hera decides she's finally had enough of her philandering husband. She offers herself and the crown of gods to Hades. Hades doesn't want the crown, but he'll take Hera. (Often and twice on Sunday.) He's a heartless bastard--having had Aphrodite rip it out so he'd stop loving Persephone after he set her free. Persephone is scheming to get back to Tartarus with the aid of Thanatos, who trips on his leather trench coat and falls in love with her. Thanatos' titan mother, Nyx thinks she's past all the drama until she turns up pregnant. Demeter has secrets of her own and the new goddess Abstinence lands in a steaming centaur pile when she falls for the King of the Gods himself whose own dark needs could tear them apart. Come along for the ride as these goddesses take control of their Fate (or so they think) and find their Happily Ever Afters.

Readers say: "Loved this book and could not get enough of it. Great how the stories entwined and in the end you find out what happens to all of them." "You'll love these creative and funny stories about all those things that make weddings memorable." It's wedding season and love is in the air with five romantic short stories. From bridezilla—and groomzilla—to lost loves and new starts, these short stories will take you on a sweet, funny, wild trip down the aisle. The short stories stand alone, but they also link together with a loose thread that ties up in a perfect, happy ending. The stories are each 8,000-13,000 words in length and include: "My Fake Fiancé" When Samantha's invited to a frenemy's wedding, she can't show up dateless and pathetic—even though she is dateless and pathetic. So Sam hires a hottie to pose as her perfect fiancé. But when he needs her to return the favor, Sam starts wishing the fake relationship was real. Can they turn their lies into love? "Bridesmaid Blues" Micki's always the bridesmaid—and she likes it that way. She's been burned so many times she just wants fun, not a relationship. Too bad her hot groomsman is looking for love, not a one-night stand. Is he the right guy to make Micki change her mind about happy endings? "The One That Got Away" Miranda's just weeks away from what should be her dream wedding when she runs into an old flame—who's getting married the very same day. Is it too late to make things right with the man she still loves? "Wedding Auditions" Kelly's best bud is tying the knot with bridezilla. But before she can be in the bridal party, she has to audition for a spot. There's one bright spot in the fiasco—the bride's hot, funny, stepbrother. Can Kelly find love in the chaos of a crazy wedding? "Do Over" Moira's the top wedding photographer in town, but she couldn't have pictured a worse scenario—her high school crush is standing up in the wedding she's shooting. And of course, he remembers her most humiliating high school moment. That was the day the whole school found out she liked the hottest guy in class, and he couldn't have cared less. Is it too late for a do-over? You might also enjoy Lisa's other Flirts! volumes: Flirts!, Beach Flirts!, Holiday Flirts!, Fairy Tale Flirts!, More Flirts!, Reunion Flirts!, Fairy Tale Flirts 2! You were called to be dangerous, not desperate. Connie Jakab is a force to be reckoned with. She will settle for nothing less than wholesale change—both in the way women view themselves as well as the way society suppresses their life transforming capacities. Long may her cultural rebellion last! –Alan Hirsch Author, Activist, Dreamer, and Honorary Member of the Sisterhood "Jakab had me at 'Visa bill as heart monitor'! Connie Jakab has allowed her eyes to be opened to the captivating lure of culture, and in this book your eyes will be opened as well. Warning: Don't read it if you have no intention of being challenged or changed. This journey is for the brave of heart!" –Margot Starbuck Author of The Girl in the Orange Dress, Unsqueezed and Small Things With Great Love Culture Rebel is a high-spirited and unapologetically no nonsense read. With personal story, humor, and poignant insight, Jakab reminds us all to rebel -- to throw off the tyranny of opinion of the world and fearlessly be who we are made to be. –Shayne Moore, author Global Soccer Mom and Refuse To Nothing
