**Strategic Management** Gregory G. Dess,Theodore Peridis,G. T. Lumpkin,2005-12 Your Competitive Advantage for Strategic Management Rising to the top in any business involves getting others to recognize your value. This is your competitive advantage. In the business of strategic management, your first lesson in gaining a competitive advantage is choosing the right textbook. Strategic Management: Creating Competitive Advantages helps you rise to the top more quickly and more securely, climbing the ladder of success rung by rung, and avoiding missteps on your way up. Organized around the traditional sequence of topics and concepts in strategy, the Canadian Edition of Strategic Management: Creating Competitive Advantages focuses on contemporary topics in intellectual capital, entrepreneurship, globalization, and ethics, giving each step equal consideration. With a schematic chapter map and chapter objectives designed to keep you oriented, and real-life examples and cases developed to give you a view of how strategic management is done rightly (and wrongly!) in Canadian and world business, this Canadian Edition is your guide to climbing the ladder to success.

Strategic Management with Corporate Governance Update and PowerWeb Gregory G. Dess, G. T. Lumpkin, Dess Gregory, 2002-12 *Strategic Management: Creating Competitive Advantages*, 1st Edition, by Dess and Lumpkin, responds to the demands of today's rapidly changing and unpredictable global marketplace that students will face when they enter the business world. The concepts-only text provides students with a timely, rigorous, and relevant book written in an engaging manner to spur their interest and excitement. This book provides a solid treatment of traditional topics in strategic management as well as contemporary topics such as entrepreneurship, knowledge management, and e-commerce and internet strategies. Numerous applications from business practice plus sidebars (approximately six per chapter) bring key concepts to life. For the instructor, *Strategic Management* provides flexibility and convenience not available in any other book on the market. It is a text-only book with an extensive variety of cases from the Primis/Pinnacle database that is designed to tie concepts directly to cases. Instructors are provided with a wide variety of options from default options consisting of pre-selected case packets to a wide variety of cases available from the database.

**Strategic Management** Alex Miller, 1998 Miller clearly takes a stand. The text emphasizes developing a competitive advantage for the purpose of achieving superior financial performance. This central focus forms an integrating theme demonstrated from the start by the Architecture of Strategy framework. The nature of strategic management is changing in such a way that all managers, regardless of organizational level or functional specialty, are becoming more involved in helping formulate and implement strategies for the entire business. Every case was selected because it illustrates this concept in practice
